“(B) Delay for jurisdictions using certain paper record printers or certain systems using or producing voter-verifiable paper records in 2018.—

“(i) Delay.—In the case of a jurisdiction described in clause (ii), subparagraph (A) shall apply to a voting system in the jurisdiction as if the reference in such
subparagraph to ‘2020’ were a reference to ‘2022’, but only with respect to the following requirements of this section:

“(I) Paragraph (2)(A)(i)(I) of subsection (a) (relating to the use of voter-verified paper ballots).

“(II) Paragraph (3)(B)(ii)(I) and (II) of subsection (a) (relating to access to verification from and casting of the durable paper ballot).

The appropriate election official shall ensure there is prominently displayed at each polling place a notice that describes the obligation of the official to offer individuals the opportunity to cast votes using a pre-printed blank paper ballot.

Subtitle A—Findings Reaffirming Commitment of Congress to Restore the Voting Rights Act

SEC. 2001. FINDINGS REAFFIRMING COMMITMENT OF CONGRESS TO RESTORE THE VOTING RIGHTS ACT.

Congress finds the following:

(1) The right to vote for all Americans is sacrosanct and rules for voting and election administration should protect the right to vote and promote voter participation.

(2) The Voting Rights Act has empowered the Department of Justice and Federal courts for nearly a half a century to block discriminatory voting practices before their implementation in States and local-
ities with the most troubling histories and ongoing records of racial discrimination.

(3) There continues to be an alarming movement to erect barriers to make it more difficult for Americans to participate in our Nation’s democratic process. The Nation has witnessed unprecedented efforts to turn back the clock and erect barriers to voting for communities of color which have faced historic and continuing discrimination, as well as disabled, young, elderly, and low-income Americans.

(4) The Supreme Court’s 2013 *Shelby County* v. *Holder* decision gutted decades-long Federal protections for communities of color that face historic and continuing discrimination, emboldening States and local jurisdictions to pass voter suppression laws and implement procedures, such as those requiring photo identification, limiting early voting hours, eliminating same-day registration, purging voters from the rolls, and reducing the number of polling places. Congress is committed to reversing the devastating impact of this decision.

(5) Racial discrimination in voting is a clear and persistent problem. The actions of States and localities around the country post-*Shelby County*, including at least 10 findings by Federal courts of in-
tentional discrimination, underscore the need for
Congress to conduct investigatory and evidentiary
hearings to determine the legislation necessary to re-
store the Voting Rights Act and combat continuing
efforts in America that suppress the free exercise of
the franchise in communities of color.

(6) The 2018 midterm election provides further
evidence that systemic voter discrimination and in-
timidation continues to occur in communities of
color across the country, making it clear that democ-
raey reform cannot be achieved until Congress re-
stores key provisions of the Voting Rights Act.

(7) Congress must remain vigilant in protecting
every eligible citizen’s right to vote. Congress should
respond by modernizing the electoral system to—

(A) improve access to the ballot;

(B) enhance the integrity and security of
our voting systems;

(C) ensure greater accountability for the
administration of elections;

(D) restore protections for voters against
practices in States and localities plagued by the
persistence of voter disenfranchisement; and
(E) ensure that Federal civil rights laws protect the rights of voters against discriminatory and deceptive practices.

Subtitle B—Findings Relating to Native American Voting Rights

SEC. 2101. FINDINGS RELATING TO NATIVE AMERICAN VOTING RIGHTS.

Congress finds the following:

(1) The right to vote for all Americans is sacred. Congress must fulfill the Federal Government’s trust responsibility to protect and promote Native Americans’ exercise of their fundamental right to vote, including equal access to voter registration voting mechanisms and locations, and the ability to serve as election officials.

(2) The Native American Voting Rights Coalition’s four-State survey of voter discrimination (2016) and nine field hearings in Indian Country (2017-2018) revealed obstacles that Native Americans must overcome, including a lack of accessible and proximate registration and polling sites, non-traditional addresses for residents on Indian reservations, inadequate language assistance for Tribal members, and voter identification laws that discriminate against Native Americans. The Department of
Justice and courts have recognized that some jurisdictions have been unresponsive to reasonable requests from federally recognized Indian Tribes for more accessible and proximate voter registration sites and in-person voting locations.

(3) The 2018 elections provide further evidence that systemic voter discrimination and intimidation continues to occur in communities of color and Tribal lands across the country, making it clear that democracy reform cannot be achieved until Congress restores key provisions of the Voting Rights Act and passes additional protections.

(4) Congress has broad, plenary authority to enact legislation to safeguard the voting rights of Native American voters.

(5) Congress must conduct investigatory and evidentiary hearings to determine the necessary legislation to restore the Voting Rights Act and combat continuous efforts that suppress the voter franchise within Tribal lands, to include, but not to be limited to, the Native American Voting Rights Act (NAVRA) and the Voting Rights Advancement Act (VRAA).
Subtitle C—Findings Relating to
District of Columbia Statehood

SEC. 2201. FINDINGS RELATING TO DISTRICT OF COLUMBIA

STATEHOOD.

Congress finds the following:

(1) District of Columbia residents deserve full congressional voting rights and self-government, which only statehood can provide.

(2) The 700,000 residents of the District of Columbia pay more Federal taxes per capita than residents of any State in the country, yet do not have full and equal representation in Congress and self-government.

(3) Since the founding of the United States, the residents of the District of Columbia have always carried all the obligations of citizenship, including serving in all of the Nation’s wars and paying Federal taxes, all without voting representation on the floor in either Chamber of Congress or freedom from congressional interference in purely local matters.

(4) There are no constitutional, historical, financial, or economic reasons why the 700,000 Americans who live in the District of Columbia should not be granted statehood.
(5) The District of Columbia has a larger population than two States, Wyoming and Vermont, and is close to the population of the seven States that have a population of under one million fully represented residents.

(6) The District of Columbia government has one of the strongest fiscal positions of any jurisdiction in the United States, with a $14.6 billion budget for fiscal year 2019 and a $2.8 billion general fund balance as of September 30, 2018.

(7) The District of Columbia’s total personal income is higher than that of seven States, its per capita personal consumption expenditures is higher than those of any State, and its total personal consumption expenditures is greater than those of seven States.

(8) Congress has authority under article IV, section 3, clause 1, which gives Congress power to admit new states to the Union, and Article I, Section 8, Clause 17, which grants Congress power over the seat of the Federal Government, to admit the new State carved out of the residential areas of the Federal seat of Government, while maintaining as the Federal seat of Government the United States Capitol Complex, the principal Federal monuments,
Federal buildings and grounds, the National Mall, the White House and other Federal property.

**Subtitle D—Territorial Voting Rights**

**SEC. 2301. FINDINGS RELATING TO TERRITORIAL VOTING RIGHTS.**

Congress finds the following:

(1) The right to vote is one of the most powerful instruments residents of the territories of the United States have to ensure that their voices are heard.

(2) These Americans have played an important part in the American democracy for more than 120 years.

(3) Political participation and the right to vote are among the highest concerns of territorial residents in part because they were not always afforded these rights.

(4) Voter participation in the territories consistently ranks higher than many communities on the mainland.

(5) Territorial residents serve and die, on a per capita basis, at a higher rate in every United States war and conflict since WWI, as an expression of
their commitment to American democratic principles and patriotism.

SEC. 2302. CONGRESSIONAL TASK FORCE ON VOTING RIGHTS OF UNITED STATES CITIZEN RESIDENTS OF TERRITORIES OF THE UNITED STATES.

2. impediments to full and equal voting rights for United States citizens who are residents of territories of the United States in Federal elections, in-
cluding the election of the President and Vice President of the United States;

(3) impediments to full and equal voting representation in the House of Representatives for United States citizens who are residents of territories of the United States;

### Subtitle E—Redistricting Reform

#### SEC. 2400. SHORT TITLE; FINDING OF CONSTITUTIONAL AUTHORITY.

(a) **SHORT TITLE.**—This subtitle may be cited as the “Redistricting Reform Act of 2019”.

(b) **FINDING OF CONSTITUTIONAL AUTHORITY.**—Congress finds that it has the authority to establish the terms and conditions States must follow in carrying out congressional redistricting after an apportionment of Members of the House of Representatives because—

(1) the authority granted to Congress under article I, section 4 of the Constitution of the United States gives Congress the power to enact laws gov-
erning the time, place, and manner of elections for
Members of the House of Representatives; and

(2) the authority granted to Congress under
section 5 of the fourteenth amendment to the Con-
stitution gives Congress the power to enact laws to
enforce section 2 of such amendment, which requires
Representatives to be apportioned among the several
States according to their number.

TO BE CONDUCTED THROUGH PLAN OF INDE-

other provision of law, and except as provided in sub-

election for Federal office held in the State.

(5) CRITERIA FOR REDISTRICTING.—Members of the commission are required to meet certain cri-
teria in the map drawing process, including mini-
mizing the division of communities of interest and a 
ban on drawing maps to favor a political party.
(6) **PUBLIC INPUT.**—Public hearings are held and comments from the public are accepted before a final map is approved.

(7) **BROAD-BASED SUPPORT FOR APPROVAL OF FINAL PLAN.**—The approval of the final redistricting plan requires a majority vote of the members of the commission, including the support of at least one member of each of the following:

(B) Members who are affiliated with the political party whose candidate received the second most votes in the most recent Statewide election for Federal office held in the State.

(C) Members who are not affiliated with any political party or who are affiliated with political parties other than the political party described in subparagraphs (A) and (B).

out in the State prior to the date of the enactment of this 
Act and which remains in effect continuously on and after 
the date of the enactment of this Act.

22(a) of the Act entitled “An Act to provide for the fif- 
teenth and subsequent decennial censuses and to provide 
for an apportionment of Representatives in Congress”, ap-

quires the State to conduct such subsequent redistricting 
to comply with the Constitution of the United States, the 
Voting Rights Act of 1965 (52 U.S.C. 10301 et seq.), the

1 Subtitle A—Findings Relating to Illicit Money Undermining Our Democracy

SEC. 4001. FINDINGS RELATING TO ILLICIT MONEY UNDERMINING OUR DEMOCRACY.

Congress finds the following:

(1) Criminals, terrorists, and corrupt government officials frequently abuse anonymously held Limited Liability Companies (LLCs), also known as
“shell companies,” to hide, move, and launder the dirty money derived from illicit activities such as trafficking, bribery, exploitation, and embezzlement. Ownership and control of the finances that run through shell companies are obscured to regulators and law enforcement because little information is required and collected when establishing these entities.

(2) The public release of the “Panama Papers” in 2016 and the “Paradise Papers” in 2017 revealed that these shell companies often purchase and sell United States real estate. United States anti-money laundering laws do not apply to cash transactions involving real estate effectively concealing the beneficiaries and transactions from regulators and law enforcement.

(3) Congress should curb the use of anonymous shell companies for illicit purposes by requiring United States companies to disclose their beneficial owners, strengthening anti-money laundering and counter-terrorism finance laws.

(4) Congress should examine the money laundering and terrorist financing risks in the real estate market, including the role of anonymous parties, and review legislation to address any vulnerabilities identified in this sector.
(5) Congress should examine the methods by which corruption flourishes and the means to detect and deter the financial misconduct that fuels this driver of global instability. Congress should monitor government efforts to enforce United States anti-corruption laws and regulations.

Subtitle C—Honest Ads

SEC. 4201. SHORT TITLE.

This subtitle may be cited as the “Honest Ads Act”.

SEC. 4202. PURPOSE.

The purpose of this subtitle is to enhance the integrity of American democracy and national security by improving disclosure requirements for online political advertisements in order to uphold the Supreme Court’s well-established standard that the electorate bears the right to be fully informed.
SEC. 4203. FINDINGS.

Congress makes the following findings:

(1) On January 6, 2017, the Office of the Director of National Intelligence published a report titled “Assessing Russian Activities and Intentions in Recent U.S. Elections”, noting that “Russian President Vladimir Putin ordered an influence campaign in 2016 aimed at the US presidential election * * *”. Moscow’s influence campaign followed a Russian messaging strategy that blends covert intelligence operation—such as cyber activity—with overt efforts by Russian Government agencies, state-funded media, third-party intermediaries, and paid social media users or “trolls”.

(2) On November 24, 2016, The Washington Post reported findings from 2 teams of independent researchers that concluded Russians “exploited American-made technology platforms to attack U.S. democracy at a particularly vulnerable moment * * * as part of a broadly effective strategy of sowing distrust in U.S. democracy and its leaders.”.

(3) Findings from a 2017 study on the manipulation of public opinion through social media conducted by the Computational Propaganda Research Project at the Oxford Internet Institute found that the Kremlin is using pro-Russian bots to manipulate...
public discourse to a highly targeted audience. With a sample of nearly 1,300,000 tweets, researchers found that in the 2016 election’s 3 decisive States, propaganda constituted 40 percent of the sampled election-related tweets that went to Pennsylvanians, 34 percent to Michigan voters, and 30 percent to those in Wisconsin. In other swing States, the figure reached 42 percent in Missouri, 41 percent in Florida, 40 percent in North Carolina, 38 percent in Colorado, and 35 percent in Ohio.

(4) On September 6, 2017, the nation’s largest social media platform disclosed that between June 2015 and May 2017, Russian entities purchased $100,000 in political advertisements, publishing roughly 3,000 ads linked to fake accounts associated with the Internet Research Agency, a pro-Kremlin organization. According to the company, the ads purchased focused “on amplifying divisive social and political messages * * *”.

(5) In 2002, the Bipartisan Campaign Reform Act became law, establishing disclosure requirements for political advertisements distributed from a television or radio broadcast station or provider of cable or satellite television. In 2003, the Supreme Court upheld regulations on electioneering communications
established under the Act, noting that such require-
ments “provide the electorate with information and
insure that the voters are fully informed about the
person or group who is speaking.”.

(6) According to a study from Borrell Associ-
ates, in 2016, $1,415,000,000 was spent on online
advertising, more than quadruple the amount in
2012.

(7) The reach of a few large internet plat-
tforms—larger than any broadcast, satellite, or cable
provider—has greatly facilitated the scope and effec-
tiveness of disinformation campaigns. For instance,
the largest platform has over 210,000,000 Amer-
cans users—over 160,000,000 of them on a daily
basis. By contrast, the largest cable television pro-
vider has 22,430,000 subscribers, while the largest
satellite television provider has 21,000,000 sub-
scribers. And the most-watched television broadcast
in United States history had 118,000,000 viewers.

(8) The public nature of broadcast television,
radio, and satellite ensures a level of publicity for
any political advertisement. These communications
are accessible to the press, fact-checkers, and polit-
ical opponents; this creates strong disincentives for
a candidate to disseminate materially false, inflam-
matory, or contradictory messages to the public. So-
cial media platforms, in contrast, can target portions
of the electorate with direct, ephemeral advertise-
ments often on the basis of private information the
platform has on individuals, enabling political adver-
tisements that are contradictory, racially or socially
inflammatory, or materially false.

(9) According to comScore, 2 companies own 8
of the 10 most popular smartphone applications as
of June 2017, including the most popular social
media and email services—which deliver information
and news to users without requiring proactivity by
the user. Those same 2 companies accounted for 99
percent of revenue growth from digital advertising in
2016, including 77 percent of gross spending. 79
percent of online Americans—representing 68 per-
cent of all Americans—use the single largest social
network, while 66 percent of these users are most
likely to get their news from that site.

(10) In its 2006 rulemaking, the Federal Elec-
tion Commission noted that only 18 percent of all
Americans cited the internet as their leading source
of news about the 2004 Presidential election; by con-
trast, the Pew Research Center found that 65 per-
cent of Americans identified an internet-based
source as their leading source of information for the 2016 election.

(11) The Federal Election Commission, the independent Federal agency charged with protecting the integrity of the Federal campaign finance process by providing transparency and administering campaign finance laws, has failed to take action to address online political advertisements.

(12) In testimony before the Senate Select Committee on Intelligence titled, “Disinformation: A Primer in Russian Active Measures and Influence Campaigns”, multiple expert witnesses testified that while the disinformation tactics of foreign adversaries have not necessarily changed, social media services now provide “platform[s] practically purpose-built for active measures[.]” Similarly, as Gen. Keith B. Alexander (RET.), the former Director of the National Security Agency, testified, during the Cold War “if the Soviet Union sought to manipulate information flow, it would have to do so principally through its own propaganda outlets or through active measures that would generate specific news: planting of leaflets, inciting of violence, creation of other false materials and narratives. But the news itself was hard to manipulate because it would have
required actual control of the organs of media, which took long-term efforts to penetrate. Today, however, because the clear majority of the information on social media sites is uncurated and there is a rapid proliferation of information sources and other sites that can reinforce information, there is an increasing likelihood that the information available to average consumers may be inaccurate (whether intentionally or otherwise) and may be more easily manipulable than in prior eras.”.

(13) Current regulations on political advertisements do not provide sufficient transparency to uphold the public’s right to be fully informed about political advertisements made online.

SEC. 4204. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) the dramatic increase in digital political advertisements, and the growing centrality of online platforms in the lives of Americans, requires the Congress and the Federal Election Commission to take meaningful action to ensure that laws and regulations provide the accountability and transparency that is fundamental to our democracy;

(2) free and fair elections require both transparency and accountability which give the public a
right to know the true sources of funding for political advertisements in order to make informed political choices and hold elected officials accountable; and

(3) transparency of funding for political advertisements is essential to enforce other campaign finance laws, including the prohibition on campaign spending by foreign nationals.

Subtitle A—Findings Relating to *Citizens United* Decision

SEC. 5001. FINDINGS RELATING TO *CITIZENS UNITED* DECISION.

Congress finds the following:

(1) The American Republic was founded on the principle that all people are created equal, with rights and responsibilities as citizens to vote, be represented, speak, debate, and participate in self-government on equal terms regardless of wealth. To secure these rights and responsibilities, our Constitution not only protects the equal rights of all Americans but also provides checks and balances to prevent corruption and prevent concentrated power and wealth from undermining effective self-government.
(2) The Supreme Court’s decisions in *Citizens United v. Federal Election Commission*, 558 U.S. 310 (2010) and *McCutcheon v. FEC*, 572 U.S. 185 (2014), as well as other court decisions, erroneously invalidated even-handed rules about the spending of money in local, State, and Federal elections. These flawed decisions have empowered large corporations, extremely wealthy individuals, and special interests to dominate election spending, corrupt our politics, and degrade our democracy through tidal waves of unlimited and anonymous spending. These decisions also stand in contrast to a long history of efforts by Congress and the States to regulate money in politics to protect democracy, and they illustrate a troubling deregulatory trend in campaign finance-related court decisions. Additionally, an unknown amount of foreign money continues to be spent in our political system as subsidiaries of foreign-based corporations and hostile foreign actors sometimes connected to nation-States work to influence our elections.

(3) The Supreme Court’s misinterpretation of the Constitution to empower monied interests at the expense of the American people in elections has seriously eroded over 100 years of congressional action
to promote fairness and protect elections from the
toxic influence of money.

(4) In 1907, Congress passed the Tillman Act
in response to the concentration of corporate power
in the post-Civil War Gilded Age. The Act prohibited
corporations from making contributions in connec-
tion with Federal elections, aiming “not merely to
prevent the subversion of the integrity of the elec-
toral process [but] * * * to sustain the active, alert
responsibility of the individual citizen in a democ-

cacy for the wise conduct of government”.

(5) By 1910, Congress began passing disclosure
requirements and campaign expenditure limits, and
dozens of States passed corrupt practices Acts to
prohibit corporate spending in elections. States also
enacted campaign spending limits, and some States
limited the amount that people could contribute to
campaigns.

(6) In 1947, the Taft-Hartley Act prohibited
corporations and unions from making campaign con-
tributions or other expenditures to influence elec-
tions. In 1962, a Presidential commission on election
spending recommended spending limits and incen-
tives to increase small contributions from more peo-

•HR 1 EH
(7) The Federal Election Campaign Act of 1971 (FECA), as amended in 1974, required disclosure of contributions and expenditures, imposed contribution and expenditure limits for individuals and groups, set spending limits for campaigns, candidates, and groups, implemented a public funding system for Presidential campaigns, and created the Federal Election Commission to oversee and enforce the new rules.

(8) In the wake of *Citizens United* and other damaging Federal court decisions, Americans have witnessed an explosion of outside spending in elections. Outside spending increased nearly 900 percent between the 2008 and 2016 Presidential election years. Indeed, the 2018 elections once again made clear the overwhelming political power of wealthy special interests, to the tune of over $5,000,000,000. And as political entities adapt to a post- *Citizens United*, post-*McCutcheon* landscape, these trends are getting worse, as evidenced by the experience in the 2018 midterm congressional elections, where outside spending more than doubled from the previous mid-term cycle.

(9) The torrent of money flowing into our political system has a profound effect on the democratic
process for everyday Americans, whose voices and policy preferences are increasingly being drowned out by those of wealthy special interests. The more campaign cash from wealthy special interests can flood our elections, the more policies that favor those interests are reflected in the national political agenda. When it comes to policy preferences, our Nation’s wealthiest tend to have fundamentally different views than do average Americans when it comes to issues ranging from unemployment benefits to the minimum wage to health care coverage.

(10) The Court has tied the hands of Congress and the States, severely restricting them from setting reasonable limits on campaign spending. For example, the Court has held that only the Government’s interest in preventing quid pro quo corruption, like bribery, or the appearance of such corruption, can justify limits on campaign contributions. More broadly, the Court has severely curtailed attempts to reduce the ability of the Nation’s wealthiest and most powerful to skew our democracy in their favor by buying outsized influence in our elections. Because this distortion of the Constitution has prevented truly meaningful regulation or reform of the way we finance elections in America, a constitu-
tional amendment is needed to achieve a democracy for all the people.

(11) Since the landmark *Citizens United* decision, 19 States and nearly 800 municipalities, including large cities like New York, Los Angeles, Chicago, and Philadelphia, have gone on record supporting a constitutional amendment. Transcending political leanings and geographic location, voters in States and municipalities across the country that have placed amendment questions on the ballot have routinely supported these initiatives by considerably large margins.

(12) At the same time millions of Americans have signed petitions, marched, called their Members of Congress, written letters to the editor, and otherwise demonstrated their public support for a constitutional amendment to overturn *Citizens United* that will allow Congress to reign in the outsized influence of unchecked money in politics. Dozens of organizations, representing tens of millions of individuals, have come together in a shared strategy of supporting such an amendment.

(13) In order to protect the integrity of democracy and the electoral process and to ensure political equality for all, the Constitution should be amended
so that Congress and the States may regulate and set limits on the raising and spending of money to influence elections and may distinguish between natural persons and artificial entities, like corporations, that are created by law, including by prohibiting such artificial entities from spending money to influence elections.

Subtitle B—Congressional Elections

SEC. 5100. SHORT TITLE.

This subtitle may be cited as the “Government By the People Act of 2019”.

PART 1—MY VOICE VOUCHER PILOT PROGRAM

SEC. 5101. ESTABLISHMENT OF PILOT PROGRAM.

(a) Establishment.—The Federal Election Commission (hereafter in this part referred to as the “Commission”) shall establish a pilot program under which the Commission shall select 3 eligible States to operate a voucher pilot program which is described in section 5102 during the program operation period.

(b) Eligibility of States.—A State is eligible to be selected to operate a voucher pilot program under this part if, not later than 180 days after the beginning of the program application period, the State submits to the Commission an application containing—
(1) information and assurances that the State will operate a voucher program which contains the elements described in section 5102(a);

(2) information and assurances that the State will establish fraud prevention mechanisms described in section 5102(b);

(3) information and assurances that the State will establish a commission to oversee and implement the program as described in section 5102(c);

(4) information and assurances that the State will carry out a public information campaign as described in section 5102(d);

(5) information and assurances that the State will submit reports as required under section 5103; and

(6) such other information and assurances as the Commission may require.

(c) SELECTION OF PARTICIPATING STATES.—

(1) IN GENERAL.—Not later than 1 year after the beginning of the program application period, the Commission shall select the 3 States which will operate voucher pilot programs under this part.

(2) CRITERIA.—In selecting States for the operation of the voucher pilot programs under this part, the Commission shall apply such criteria and metrics
as the Commission considers appropriate to determine the ability of a State to operate the program successfully, and shall attempt to select States in a variety of geographic regions and with a variety of political party preferences.

(3) NO SUPERMAJORITY REQUIRED FOR SELECTION.—The selection of States by the Commission under this subsection shall require the approval of only half of the Members of the Commission.

(d) DUTIES OF STATES DURING PROGRAM PREPARATION PERIOD.—During the program preparation period, each State selected to operate a voucher pilot program under this part shall take such actions as may be necessary to ensure that the State will be ready to operate the program during the program operation period, and shall complete such actions not later than 90 days before the beginning of the program operation period.

(e) TERMINATION.—Each voucher pilot program under this part shall terminate as of the first day after the program operation period.

(f) REIMBURSEMENT OF COSTS.—

(1) REIMBURSEMENT.—Upon receiving the report submitted by a State under section 5103(a) with respect to an election cycle, the Commission shall transmit a payment to the State in an amount
equal to the reasonable costs incurred by the State
in operating the voucher pilot program under this
part during the cycle.

(2) Source of Funds.—Payments to States
under the program shall be made using amounts in
the Freedom From Influence Fund under section
541 of the Federal Election Campaign Act of 1971
(as added by section 5111), hereafter referred to as
the “Fund”.

(3) Mandatory Reduction of Payments in
Case of Insufficient Amounts in Freedom
From Influence Fund.—

(A) Advance Audits by Commission.—
Not later than 90 days before the first day of
each program operation period, the Commission
shall—

(i) audit the Fund to determine
whether, after first making payments to
participating candidates under title V of
the Federal Election Campaign Act of
1971 (as added by section 5111), the
amounts remaining in the Fund will be
sufficient to make payments to States
under this part in the amounts provided
under this subsection; and
(ii) submit a report to Congress describing the results of the audit.

(B) Reductions in amount of payments.—

(i) Automatic reduction on pro rata basis.—If, on the basis of the audit described in subparagraph (A), the Commission determines that the amount anticipated to be available in the Fund with respect to an election cycle involved is not, or may not be, sufficient to make payments to States under this part in the full amount provided under this subsection, the Commission shall reduce each amount which would otherwise be paid to a State under this subsection by such pro rata amount as may be necessary to ensure that the aggregate amount of payments anticipated to be made with respect to the cycle will not exceed the amount anticipated to be available for such payments in the Fund with respect to such cycle.

(ii) Restoration of reductions in case of availability of sufficient funds during election cycle.—If,
after reducing the amounts paid to States with respect to an election cycle under clause (i), the Commission determines that there are sufficient amounts in the Fund to restore the amount by which such payments were reduced (or any portion thereof), to the extent that such amounts are available, the Commission may make a payment on a pro rata basis to each such State with respect to the cycle in the amount by which such State’s payments were reduced under clause (i) (or any portion thereof, as the case may be).

(iii) No use of amounts from other sources.—In any case in which the Commission determines that there are insufficient moneys in the Fund to make payments to States under this part, moneys shall not be made available from any other source for the purpose of making such payments.

(4) Cap on amount of payment.—The aggregate amount of payments made to any State with respect to any program operation period may not exceed $10,000,000. If the State determines that the
maximum payment amount under this paragraph
with respect to the program operation period in-
volved is not, or may not be, sufficient to cover the
reasonable costs incurred by the State in operating
the program under this part for such period, the
State shall reduce the amount of the voucher pro-
vided to each qualified individual by such pro rata
amount as may be necessary to ensure that the rea-
sonable costs incurred by the State in operating the
program will not exceed the amount paid to the
State with respect to such period.

SEC. 5102. VOUCHER PROGRAM DESCRIBED.

(a) General Elements of Program.—

(1) Elements described.—The elements of a
voucher pilot program operated by a State under
this part are as follows:

(b) FRAUD PREVENTION MECHANISM.—In addition to the elements described in subsection (a), a State operating a voucher pilot program under this part shall permit an individual to revoke a My Voice Voucher not later than 2 days after submitting the My Voice Voucher to a candidate.

(b) FINAL REPORT.—Not later than 6 months after the end of the program operation period, the State shall submit a final report to the Commission analyzing the operation and effectiveness of the program and including such other information as the Commission may require.

(c) REPORT BY COMMISSION.—Not later than the end of the first election cycle which begins after the program operation period, the Commission shall submit a report to Congress which summarizes and analyzes the results of the voucher pilot program, and shall include in the report such recommendations as the Commission considers appropriate regarding the expansion of the pilot program to all States and territories, along with such
other recommendations and other information as the Commission considers appropriate.

“SEC. 504. QUALIFIED SMALL DOLLAR CONTRIBUTIONS DESCRIBED.

“(a) In General.—In this title, the term ‘qualified small dollar contribution’ means, with respect to a candidate and the authorized committees of a candidate, a contribution that meets the following requirements:

“(1) The contribution is in an amount that is—

“(A) not less than $1; and

“(B) not more than $200.
“(2)(A) The contribution is made directly by an individual to the candidate or an authorized committee of the candidate and is not—

“(i) forwarded from the individual making the contribution to the candidate or committee by another person; or

“(ii) received by the candidate or committee with the knowledge that the contribution was made at the request, suggestion, or recommendation of another person.

“(B) In this paragraph—

“(i) the term ‘person’ does not include an individual (other than an individual described in section 304(i)(7) of the Federal Election Campaign Act of 1971), a political committee of a political party, or any political committee which is not a separate segregated fund described in section 316(b) of the Federal Election Campaign Act of 1971 and which does not make contributions or independent expenditures, does not engage in lobbying activity under the Lobbying Disclosure Act of 1995 (2 U.S.C. 1601 et seq.), and is not established by, controlled by, or affiliated with a registered lobbyist under such Act, an agent of a registered lobbyist
under such Act, or an organization which retains or employs a registered lobbyist under such Act; and

“(ii) a contribution is not ‘made at the request, suggestion, or recommendation of another person’ solely on the grounds that the contribution is made in response to information provided to the individual making the contribution by any person, so long as the candidate or authorized committee does not know the identity of the person who provided the information to such individual.

“(3) The individual who makes the contribution does not make contributions to the candidate or the authorized committees of the candidate with respect to the election involved in an aggregate amount that exceeds the amount described in paragraph (1)(B), or any contribution to the candidate or the authorized committees of the candidate with respect to the election involved that otherwise is not a qualified small dollar contribution.

“(b) TREATMENT OF MY VOICE VOUCHERS.—Any payment received by a candidate and the authorized committees of a candidate which consists of a My Voice Voucher under the Government By the People Act of 2019

“(c) Restriction on Subsequent Contributions.—

“(1) Prohibiting donor from making subsequent nonqualified contributions during election cycle.—

“(A) In general.—An individual who makes a qualified small dollar contribution to a candidate or the authorized committees of a candidate with respect to an election may not make any subsequent contribution to such candidate or the authorized committees of such candidate with respect to the election cycle which is not a qualified small dollar contribution.

“(B) Exception for contributions to candidates who voluntarily withdraw from participation during qualifying period.—Subparagraph (A) does not apply with respect to a contribution made to a candidate who, during the Small Dollar Democracy qualifying period described in section 511(e), sub-
mits a statement to the Commission under section 513(c) to voluntarily withdraw from participating in the program under this title.

“(2) TREATMENT OF SUBSEQUENT NON-QUALIFIED CONTRIBUTIONS.—If, notwithstanding the prohibition described in paragraph (1), an individual who makes a qualified small dollar contribution to a candidate or the authorized committees of a candidate with respect to an election makes a subsequent contribution to such candidate or the authorized committees of such candidate with respect to the election which is prohibited under paragraph (1) because it is not a qualified small dollar contribution, the candidate may take one of the following actions:

“(A) Not later than 2 weeks after receiving the contribution, the candidate may return the subsequent contribution to the individual. In the case of a subsequent contribution which is not a qualified small dollar contribution because the contribution fails to meet the requirements of paragraph (3) of subsection (a) (relating to the aggregate amount of contributions made to the candidate or the authorized committees of the candidate by the individual making the con-
tribution), the candidate may return an amount
equal to the difference between the amount of
the subsequent contribution and the amount de-
scribed in paragraph (1)(B) of subsection (a).

“(B) The candidate may retain the subse-
quently contribution, so long as not later than 2
weeks after receiving the subsequent contribu-
tion, the candidate remits to the Commission
for deposit in the Freedom From Influence
Fund under section 541 an amount equal to
any payments received by the candidate under
this title which are attributable to the qualified
small dollar contribution made by the individual
involved.

“(3) NO EFFECT ON ABILITY TO MAKE MUL-
tiple CONTRIBUTIONS.—Nothing in this section
may be construed to prohibit an individual from
making multiple qualified small dollar contributions
to any candidate or any number of candidates, so
long as each contribution meets each of the require-
ments of paragraphs (1), (2), and (3) of subsection
(a).

“(d) Notification Requirements for Can-
idates.—
“(1) NOTIFICATION.—Each authorized com-
mittee of a candidate who seeks to be a participating

certified as a participating candidate under this
title, the candidate will receive matching pay-
ments in an amount which is based on the total
amount of qualified small dollar contributions
received.

“(B) A statement that a contribution
which meets the requirements set forth in sub-
section (a) shall be treated as a qualified small
dollar contribution under this title.

“(C) A statement that if a contribution is
treated as qualified small dollar contribution
under this title, the individual who makes the
contribution may not make any contribution to
the candidate or the authorized committees of
the candidate during the election cycle which is
not a qualified small dollar contribution.
“(2) ALTERNATIVE METHODS OF MEETING REQUIREMENTS.—An authorized committee may meet the requirements of paragraph (1)—

“(A) by including the information described in paragraph (1) in the receipt provided under section 512(b)(3) to a person making a qualified small dollar contribution; or

“(B) by modifying the information it provides to persons making contributions which is otherwise required under title III (including information it provides through the internet).

“Subtitle B—Eligibility and Certification

“(3) The candidate files with the Commission a statement certifying that the authorized committees of the candidate meet the requirements of section 504(d).

“(4) Not later than the last day of the Small Dollar Democracy qualifying period, the candidate files with the Commission an affidavit signed by the candidate and the treasurer of the candidate’s principal campaign committee declaring that the candidate—

Subtitle D—Personal Use Services as Authorized Campaign Expenditures

SEC. 5301. SHORT TITLE; FINDINGS; PURPOSE.

(a) SHORT TITLE.—This subtitle may be cited as the “Help America Run Act”.

(b) FINDINGS.—Congress finds the following:

(1) Everyday Americans experience barriers to entry before they can consider running for office to serve their communities.

(2) Current law states that campaign funds cannot be spent on everyday expenses that would
exist whether or not a candidate were running for office, like childcare and food. While the law seems neutral, its actual effect is to privilege the independently wealthy who want to run, because given the demands of running for office, candidates who must work to pay for childcare or to afford health insurance are effectively being left out of the process, even if they have sufficient support to mount a viable campaign.

(3) Thus current practice favors those prospective candidates who do not need to rely on a regular paycheck to make ends meet. The consequence is that everyday Americans who have firsthand knowledge of the importance of stable childcare, a safety net, or great public schools are less likely to get a seat at the table. This governance by the few is antithetical to the democratic experiment, but most importantly, when lawmakers do not share the concerns of everyday Americans, their policies reflect that.

(4) These circumstances have contributed to a Congress that does not always reflect everyday Americans. The New York Times reported in 2019 that fewer than 5 percent of representatives cite blue-collar or service jobs in their biographies. A
2015 survey by the Center for Responsive Politics showed that the median net worth of lawmakers was just over $1 million in 2013, or 18 times the wealth of the typical American household.

(5) These circumstances have also contributed to a governing body that does not reflect the nation it serves. For instance, women are 51% of the American population. Yet even with a record number of women serving in the One Hundred Sixteenth Congress, the Pew Research Center notes that more than three out of four Members of this Congress are male. The Center for American Women And Politics found that one third of women legislators surveyed had been actively discouraged from running for office, often by political professionals. This type of discouragement, combined with the prohibitions on using campaign funds for domestic needs like childcare, burdens that still fall disproportionately on American women, particularly disadvantages working mothers. These barriers may explain why only 10 women in history have given birth while serving in Congress, in spite of the prevalence of working parents in other professions. Yet working mothers and fathers are best positioned to create
policy that reflects the lived experience of most Americans.

(6) Working mothers, those caring for their elderly parents, and young professionals who rely on their jobs for health insurance should have the freedom to run to serve the people of the United States. Their networks and net worth are simply not the best indicators of their strength as prospective public servants. In fact, helping ordinary Americans to run may create better policy for all Americans.

(c) PURPOSE.—It is the purpose of this subtitle to ensure that all Americans who are otherwise qualified to serve this Nation are able to run for office, regardless of their economic status. By expanding permissible uses of campaign funds and providing modest assurance that testing a run for office will not cost one’s livelihood, the Help America Run Act will facilitate the candidacy of representatives who more accurately reflect the experiences, challenges, and ideals of everyday Americans.

“(B) Corresponding reduction in amount of salary paid to candidate.—To the extent that an authorized committee of a candidate makes payments for the salary of the candidate, any limit on the amount of such payments which is applicable under any law, rule, or regulation shall be reduced by the amount of any payments made to or on behalf of the candidate for personal use services described in paragraph (3), other than personal use services described in subparagraph (E) of such paragraph.

(2) and (3) and inserting the following:
“(2)(A) The general counsel, upon receiving a complaint filed with the Commission under paragraph (1) or upon the basis of information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities, shall make a determination as to whether or not there is reason to believe that a person has committed, or is about to commit, a violation of this Act or chapter 95 or chapter 96 of the Internal Revenue Code of 1986, and as to whether or not the Commission should either initiate an investigation of the matter or that the complaint should be dismissed. The general counsel shall promptly provide notification to the Commission of such determination and the reasons therefore, together with any written response submitted under paragraph (1) by the person alleged to have committed the violation. Upon the expiration of the 30-day period which begins on the date the general counsel provides such notification, the general counsel’s determination shall take effect, unless during such 30-day period the Commission, by vote of a majority of the members of the Commission who are serving at the time, overrules the general counsel’s determination. If the determination by the general counsel that the Commission should investigate the matter takes effect, or if the determination by the general counsel that the complaint should be dismissed is overruled as provided under
the previous sentence, the general counsel shall initiate an investigation of the matter on behalf of the Commission.

“(B) If the Commission initiates an investigation pursuant to subparagraph (A), the Commission, through the Chair, shall notify the subject of the investigation of the alleged violation. Such notification shall set forth the factual basis for such alleged violation. The Commission shall make an investigation of such alleged violation, which may include a field investigation or audit, in accordance with the provisions of this section. The general counsel shall provide notification to the Commission of any intent to issue a subpoena or conduct any other form of discovery pursuant to the investigation. Upon the expiration of the 15-day period which begins on the date the general counsel provides such notification, the general counsel may issue the subpoena or conduct the discovery, unless during such 15-day period the Commission, by vote of a majority of the members of the Commission who are serving at the time, prohibits the general counsel from issuing the subpoena or conducting the discovery.

“(3)(A) Upon completion of an investigation under paragraph (2), the general counsel shall promptly submit to the Commission the general counsel’s recommendation that the Commission find either that there is probable cause or that there is not probable cause to believe that
a person has committed, or is about to commit, a violation of this Act or chapter 95 or chapter 96 of the Internal Revenue Code of 1986, and shall include with the recommendation a brief stating the position of the general counsel on the legal and factual issues of the case.

“(B) At the time the general counsel submits to the Commission the recommendation under subparagraph (A), the general counsel shall simultaneously notify the respondent of such recommendation and the reasons therefore, shall provide the respondent with an opportunity to submit a brief within 30 days stating the position of the respondent on the legal and factual issues of the case and replying to the brief of the general counsel. Any petition under this sub-
paragraph shall be filed within 60 days after the date on
which the party received notice of the dismissal of the
complaint.

“(ii) In any proceeding under this subparagraph, the
court shall determine by de novo review whether the agen-
cy’s dismissal of the complaint is contrary to law. In any
matter in which the penalty for the alleged violation is
greater than $50,000, the court should disregard any
claim or defense by the Commission of prosecutorial dis-
cretion as a basis for dismissing the complaint.

“(B)(i) Any party who has filed a complaint with the
Commission and who is aggrieved by a failure of the Com-
mission, within one year after the filing of the complaint,
to either dismiss the complaint or to find reason to believe
a violation has occurred or is about to occur, may file a
petition with the United States District Court for the Dis-
trict of Columbia.

“(ii) In any proceeding under this subparagraph, the
court shall treat the failure to act on the complaint as
a dismissal of the complaint, and shall determine by de
novo review whether the agency’s failure to act on the
complaint is contrary to law.

“(C) In any proceeding under this paragraph the
court may declare that the dismissal of the complaint or
the failure to act is contrary to law, and may direct the
Commission to conform with such declaration within 30 days, failing which the complainant may bring, in the name of such complainant, a civil action to remedy the violation involved in the original complaint.”.

(b) DEFINITIONS.—Title III of such Act (52 U.S.C.
30101 et seq.), as amended by section 4702(a), is amend-

“SEC. 326. PAYMENTS FOR COORDINATED EXPENDITURES.

“(a) COORDINATED EXPENDITURES.—

“(1) IN GENERAL.—For purposes of section
301(8)(A)(iii), the term ‘coordinated expenditure’
means—

“(A) any expenditure, or any payment for
a covered communication described in sub-
section (d), which is made in cooperation, con-
sultation, or concert with, or at the request or
suggestion of, a candidate, an authorized com-
mittee of a candidate, a political committee of
a political party, or agents of the candidate or
committee, as defined in subsection (b); or

“(B) any payment for any communication
which republishes, disseminates, or distributes,
in whole or in part, any video or broadcast or
any written, graphic, or other form of campaign
material prepared by the candidate or com-
mittee or by agents of the candidate or com-
mittee (including any excerpt or use of any
video from any such broadcast or written,
graphic, or other form of campaign material).

“(2) Exception for Payments for Certain
Communications.—A payment for a communication
(including a covered communication described in
subsection (d)) shall not be treated as a coordinated
expenditure under this subsection if—

“(A) the communication appears in a news
story, commentary, or editorial distributed

publication, unless such facilities are owned or
controlled by any political party, political com-

bate or forum.

“(b) Coordination Described.—

“(1) In General.—For purposes of this sec-
tion, a payment is made ‘in cooperation, consulta-
tion, or concert with, or at the request or suggestion
of,’ a candidate, an authorized committee of a can-
didate, a political committee of a political party, or
agents of the candidate or committee, if the pay-
ment, or any communication for which the payment
is made, is not made entirely independently of the
candidate, committee, or agents. For purposes of the
previous sentence, a payment or communication not
made entirely independently of the candidate or
committee includes any payment or communication
made pursuant to any general or particular under-
standing with, or pursuant to any communication
with, the candidate, committee, or agents about the
payment or communication.

“(2) NO FINDING OF COORDINATION BASED
SOLELY ON SHARING OF INFORMATION REGARDING
LEGISLATIVE OR POLICY POSITION.—For purposes
of this section, a payment shall not be considered to
be made by a person in cooperation, consultation, or
concert with, or at the request or suggestion of, a
candidate or committee, solely on the grounds that
the person or the person’s agent engaged in discus-
sions with the candidate or committee, or with any
agent of the candidate or committee, regarding that
person’s position on a legislative or policy matter
(including urging the candidate or committee to
adopt that person’s position), so long as there is no
communication between the person and the can-
didate or committee, or any agent of the candidate
or committee, regarding the candidate’s or commit-
tee’s campaign advertising, message, strategy, pol-
icy, polling, allocation of resources, fundraising, or
other campaign activities.

a payment in cooperation, consultation, or concert
with, or at the request or suggestion of, a candidate

out regard to whether or not the person established
and used a firewall or similar procedures to restrict
the sharing of information between individuals who
are employed by or who are serving as agents for the
person making the payment.

“(e) PAYMENTS BY COORDINATED SPENDERS FOR
COVERED COMMUNICATIONS.—
“(1) Payments made in cooperation, consultation, or concert with candidates.—For purposes of subsection (a)(1)(A), if the person who makes a payment for a covered communication, as defined in subsection (d), is a coordinated spender under paragraph (2) with respect to the candidate as described in subsection (d)(1), the payment for the covered communication is made in cooperation, consultation, or concert with the candidate.

“(2) Coordinated spender defined.—For purposes of this subsection, the term ‘coordinated spender’ means, with respect to a candidate or an authorized committee of a candidate, a person (other than a political committee of a political party) for which any of the following applies:

“(A) During the 4-year period ending on the date on which the person makes the payment, the person was directly or indirectly formed or established by or at the request or suggestion of, or with the encouragement of, the candidate (including an individual who later becomes a candidate) or committee or agents of the candidate or committee, including with the approval of the candidate or committee or agents of the candidate or committee.
“(B) The candidate or committee or any agent of the candidate or committee solicits funds, appears at a fundraising event, or engages in other fundraising activity on the person’s behalf during the election cycle involved, including by providing the person with names of potential donors or other lists to be used by the person in engaging in fundraising activity, regardless of whether the person pays fair market value for the names or lists provided. For purposes of this subparagraph, the term ‘election cycle’ means, with respect to an election for Federal office, the period beginning on the day after the date of the most recent general election for that office (or, if the general election resulted in a runoff election, the date of the runoff election) and ending on the date of the next general election for that office (or, if the general election resulted in a runoff election, the date of the runoff election).

“(C) The person is established, directed, or managed by the candidate or committee or by any person who, during the 4-year period ending on the date on which the person makes the payment, has been employed or retained as a
political, campaign media, or fundraising adviser or consultant for the candidate or committee or for any other entity directly or indirectly controlled by the candidate or committee, or has held a formal position with the candidate or committee (including a position as an employee of the office of the candidate at any time the candidate held any Federal, State, or local public office during the 4-year period).

“(D) The person has retained the professional services of any person who, during the 2-year period ending on the date on which the person makes the payment, has provided or is providing professional services relating to the campaign to the candidate or committee, without regard to whether the person providing the professional services used a firewall. For purposes of this subparagraph, the term ‘professional services’ includes any services in support of the candidate’s or committee’s campaign activities, including advertising, message, strategy, policy, polling, allocation of resources, fundraising, and campaign operations, but does not include accounting or legal services.
“(E) The person is established, directed, or managed by a member of the immediate family of the candidate, or the person or any officer or agent of the person has had more than incidental discussions about the candidate’s campaign with a member of the immediate family of the candidate. For purposes of this subparagraph, the term ‘immediate family’ has the meaning given such term in section 9004(e) of the Internal Revenue Code of 1986.

“(A) expressly advocates the election of the candidate or the defeat of an opponent of the candidate (or contains the functional equivalent of express advocacy);

“(B) promotes or supports the election of the candidate, or attacks or opposes the election of an opponent of the candidate (regardless of whether the communication expressly advocates the election or defeat of a candidate or contains
the functional equivalent of express advocacy); or

“(C) refers to the candidate or an opponent of the candidate but is not described in subparagraph (A) or subparagraph (B), but only if the communication is disseminated during the applicable election period.

“(2) APPLICABLE ELECTION PERIOD.—In paragraph (1)(C), the ‘applicable election period’ with respect to a communication means—

“(A) in the case of a communication which refers to a candidate in a general, special, or runoff election, the 120-day period which ends on the date of the election; or

“(B) in the case of a communication which refers to a candidate in a primary or preference election, or convention or caucus of a political party that has authority to nominate a candidate, the 60-day period which ends on the date of the election or convention or caucus.

“(3) SPECIAL RULES FOR COMMUNICATIONS INVOLVING CONGRESSIONAL CANDIDATES.—For purposes of this subsection, a public communication shall not be considered to be a covered communication with respect to a candidate for election for an
office other than the office of President or Vice President unless it is publicly disseminated or distributed in the jurisdiction of the office the candidate is seeking.

“(e) Penalty.—

“(1) Determination of amount.—Any person who knowingly and willfully commits a violation of this Act by making a contribution which consists of a payment for a coordinated expenditure shall be fined an amount equal to the greater of—

“(B) in the case of a person who is prohibited under this Act from making a contribution in any amount, 300 percent of the amount of the payment made by the person for the coordinated expenditure.

“(2) Joint and several liability.—Any director, manager, or officer of a person who is subject to a penalty under paragraph (1) shall be jointly and
severally liable for any amount of such penalty that
is not paid by the person prior to the expiration of
the 1-year period which begins on the date the Com-
misson imposes the penalty or the 1-year period
which begins on the date of the final judgment fol-
lowing any judicial review of the Commission’s ac-
tion, whichever is later.”.
