“(e) Application of Qualification Requirements for Certain Multiple Employer Plans With Pooled Plan Providers.—

“(1) In general.—Except as provided in paragraph (2), if a defined contribution plan to which subsection (c) applies—

“(A) is sponsored by employers all of which have both a common interest other than having adopted the plan and control of the plan, or

“(B) in the case of a plan not described in subparagraph (A), has a pooled plan provider, then the plan shall not be treated as failing to meet the requirements under this title applicable to a plan described in section 401(a) or to a plan that consists
of individual retirement accounts described in section 408 (including by reason of subsection (e) thereof), whichever is applicable, merely because one or more employers of employees covered by the plan fail to take such actions as are required of such employers for the plan to meet such requirements.

“(2) LIMITATIONS.—

“(A) IN GENERAL.—Paragraph (1) shall not apply to any plan unless the terms of the plan provide that in cases of employers failing to take the actions described in paragraph (1)—

“(i) the assets of the plan attributable to employees of the employer will be transferred to a plan maintained only by the employer (or its successor), to an eligible retirement plan as defined in section 402(c)(8)(B) for each individual whose account is transferred, or to any other arrangement that the Secretary determines is appropriate, unless the Secretary determines it is in the best interests of such employees to retain the assets in the plan, and
“(ii) the employer described in clause (i) (and not the plan with respect to which the failure occurred or any other participating employer in such plan) shall, except to the extent provided by the Secretary, be liable for any liabilities with respect to such plan attributable to employees of the employer.

“(B) Failures by pooled plan providers.—If the pooled plan provider of a plan described in paragraph (1)(B) does not perform substantially all of the administrative duties which are required of the provider under paragraph (3)(A)(i) for any plan year, the Secretary, in the Secretary’s own discretion, may provide that the determination as to whether the plan meets the requirements under this title applicable to a plan described in section 401(a) or to a plan that consists of individual retirement accounts described in section 408 (including by reason of subsection (c) thereof), whichever is applicable, shall be made in the same manner as would be made without regard to paragraph (1).
“(3) POOLED PLAN PROVIDER.—For purposes of this subsection—

“(A) IN GENERAL.—The term ‘pooled plan provider’ means, with respect to any plan, a person who—

“(i) is designated by the terms of the plan as a named fiduciary (within the meaning of section 402(a)(2) of the Employee Retirement Income Security Act of 1974), as the plan administrator, and as the person responsible to perform all administrative duties (including conducting proper testing with respect to the plan and employees of each participating employer) which are reasonably necessary to ensure that—

“(I) the plan meets any requirement applicable under the Employee Retirement Income Security Act of 1974 or this title to a plan described in section 401(a) or to a plan that consists of individual retirement accounts described in section 408 (including by reason of subsection (c) thereof), whichever is applicable, and
“(II) each participating employer takes such actions as the Secretary or such person determines are necessary for the plan to meet the requirements described in subclause (I), including providing to such person any disclosures or other information which the Secretary may require or which such person otherwise determines is necessary to administer the plan or to allow the plan to meet such requirements,

“(ii) registers as a pooled plan provider with the Secretary, and provides such other information to the Secretary as the Secretary may require, before beginning operations as a pooled plan provider,

the plan with respect to employees of that employer, and

“(iii) identifying appropriate cases to which the rules of paragraph (2)(A) will apply to employers failing to take the actions described in paragraph (1).

The Secretary shall take into account under clause (iii) whether the failure of an employer or pooled plan provider to provide any disclosures or other information, or to take any other action, necessary to administer a plan or to allow a plan to meet requirements applicable to the plan under section 401(a) or 408, whichever is applicable, has continued over a period of time that clearly demonstrates a lack of commitment to compliance.

“(B) Prospective Application.—Any guidance issued by the Secretary under this paragraph shall not apply to any action or failure occurring before the issuance of such guidance.

“(5) Model Plan.—The Secretary shall, in consultation with the Secretary of Labor when appropriate, publish model plan language which meets the requirements of this subsection and of para-

“(III) LIFETIME INCOME STREAMS.—The lifetime income streams described in this subclause are a qualified joint and survivor annuity (as defined in section 205(d)),

fying insurers from which to purchase such contracts;

“(B) with respect to each insurer identified under subparagraph (A)—

“(i) considers the financial capability of such insurer to satisfy its obligations under the guaranteed retirement income contract; and

“(C) on the basis of such consideration, concludes that—

“(i) at the time of the selection, the insurer is financially capable of satisfying its obligations under the guaranteed retirement income contract; and

“(3) NO REQUIREMENT TO SELECT LOWEST COST.—Nothing in this subsection shall be construed to require a fiduciary to select the lowest cost contract. A fiduciary may consider the value of a contract, including features and benefits of the contract and attributes of the insurer (including, without limitation, the insurer’s financial strength) in conjunction with the cost of the contract.

“(4) TIME OF SELECTION.—

“(ii) who became participants by reason of a merger of the plan with another plan which had been in effect for at least 5 years as of the date of the merger, shall be disregarded, except that clause (ii) shall apply for purposes of subparagraph (D) only if, under the merger, the benefits, rights, or features under 1 plan are conformed to the benefits, rights, or features of the other plan prospectively.
“(G) Rules relating to average benefit.—For purposes of subparagraph (E)—

“(i) the average benefit provided to participants under the plan will be treated as having remained the same between the 2 dates described in subparagraph (E)(ii) if the benefit formula applicable to such participants has not changed between such dates, and

“(ii) if the benefit formula applicable to 1 or more participants under the plan has changed between such 2 dates, then the average benefit under the plan shall be considered to have increased by more than 50 percent only if—

section 430(b)(1)(A)(i).

“(I) SPECIAL RULES.—For purposes of subpar-
grahps (E) and (G), a plan
described in section 413(c) shall be treated as
a single plan rather than as separate plans
maintained by each participating employer.

the closing of the class of participants shall
not be treated as a significant change in
coverage under section 410(b)(6)(C)(i)(II).

“(ii) Two or more plans shall not fail
to be eligible to be aggregated and treated
as a single plan solely by reason of having
different plan years.
“(iii) Changes in the employee population shall be disregarded to the extent attributable to individuals who become employees or cease to be employees, after the date the class is closed, by reason of a merger, acquisition, divestiture, or similar event.

“(iv) Aggregation and all other testing methodologies otherwise applicable under subsection (a)(4) and section 410(b) may be taken into account.

The rule of clause (ii) shall also apply for purposes of determining whether plans to which subparagraph (B)(i) applies may be aggregated and treated as 1 plan for purposes of determining whether such plans meet the requirements of subsection (a)(4) and section 410(b).

“(J) SPUN-OFF PLANS.—For purposes of this paragraph, if a portion of a defined benefit plan described in subparagraph (A) or (B)(iii) is spun off to another employer and the spun-off plan continues to satisfy the requirements of—

original plan was still within the 3-year period described in such subparagraph at the time of the spin off, and

“(ii) subparagraph (A)(ii) or (B)(iii)(III), whichever is applicable,

the treatment under subparagraph (A) or (B) of the spun-off plan shall continue with respect to such other employer.

“(2) Testing of defined contribution plans.—

“(A) Testing on a benefits basis.—A defined contribution plan shall be permitted to be tested on a benefits basis if—

“(i) such defined contribution plan provides make-whole contributions to a closed class of participants whose accruals under a defined benefit plan have been reduced or eliminated,

“(ii) for the plan year of the defined contribution plan as of which the class eligible to receive such make-whole contributions closes and the 2 succeeding plan years, such closed class of participants satisfies the requirements of section
410(b)(2)(A)(i) (determined by applying the rules of paragraph (1)(I)),

“(iii) after the date as of which the class was closed, any plan amendment to the defined contribution plan which modifies the closed class or the allocations, benefits, rights, and features provided to such closed class does not discriminate significantly in favor of highly compensated employees, and

“(iv) the class was closed before September 21, 2016, or the defined benefit plan under clause (i) is described in paragraph (1)(C) (as applied for purposes of paragraph (1)(B)(iii)(IV)).

“(B) AGGREGATION WITH PLANS INCLUDING MATCHING CONTRIBUTIONS.—

“(i) IN GENERAL.—With respect to 1 or more defined contribution plans described in subparagraph (A), for purposes of determining compliance with subsection (a)(4) and section 410(b), the portion of such plans which provides make-whole contributions or other nonelective contributions may be aggregated and tested on a
benefits basis with the portion of 1 or more other defined contribution plans which—

“(I) provides matching contributions (as defined in subsection (m)(4)(A)),

“(II) provides annuity contracts described in section 403(b) which are purchased with matching contributions or nonelective contributions, or

“(ii) SPECIAL RULES FOR MATCHING CONTRIBUTIONS.—Rules similar to the rules of paragraph (1)(B)(ii) shall apply for purposes of clause (i).

“(C) SPECIAL RULES FOR TESTING DEFINED CONTRIBUTION PLAN FEATURES PROVIDING MATCHING CONTRIBUTIONS TO CERTAIN OLDER, LONGER SERVICE PARTICIPANTS.—In the case of a defined contribution plan which
provides benefits, rights, or features to a closed class of participants whose accruals under a defined benefit plan have been reduced or eliminated, the plan shall not fail to satisfy the requirements of subsection (a)(4) solely by reason of the composition of the closed class or the benefits, rights, or features provided to such closed class if the defined contribution plan and defined benefit plan otherwise meet the requirements of subparagraph (A) but for the fact that the make-whole contributions under the defined contribution plan are made in whole or in part through matching contributions.

“(D) SPUN-OFF PLANS.—For purposes of this paragraph, if a portion of a defined contribution plan described in subparagraph (A) or (C) is spun off to another employer, the treatment under subparagraph (A) or (C) of the spun-off plan shall continue with respect to the other employer if such plan continues to comply with the requirements of clauses (ii) (if the original plan was still within the 3-year period described in such clause at the time of the spin off) and (iii) of subparagraph (A), as deter-
mined for purposes of subparagraph (A) or (C), whichever is applicable.

“(3) definitions.—For purposes of this subsection—

“(A) make-whole contributions.—Except as otherwise provided in paragraph (2)(C), the term ‘make-whole contributions’ means non-elective allocations for each employee in the class which are reasonably calculated, in a consistent manner, to replace some or all of the retirement benefits which the employee would have received under the defined benefit plan and any other plan or qualified cash or deferred arrangement under subsection (k)(2) if no change had been made to such defined benefit plan and such other plan or arrangement. For purposes of the preceding sentence, consistency shall not be required with respect to employees who were subject to different benefit formulas under the defined benefit plan.

“(B) references to closed class of participants.—References to a closed class of participants and similar references to a closed class shall include arrangements under which 1 or more classes of participants are closed, ex-
cept that 1 or more classes of participants closed on different dates shall not be aggregated for purposes of determining the date any such class was closed.

“(C) HIGHLY COMPENSATED EMPLOYEE.— The term ‘highly compensated employee’ has the meaning given such term in section 414(q).”.

“(II) the plan satisfies subparagraph (A) (without regard to this sub-
paragraph) as of the effective date of
the amendment, and

“(III) the amendment was adopt-
ed before September 21, 2016, or the
plan is described in clause (ii).

“(ii) PLANS DESCRIBED.—A plan is
described in this clause if the plan would
be described in subsection (o)(1)(C), as ap-
plied for purposes of subsection
(o)(1)(B)(iii)(IV) and by treating the effec-
tive date of the amendment as the date the
class was closed for purposes of subsection
(o)(1)(C).

“(iii) SPECIAL RULES.—For purposes
of clause (i)(II), in applying section
410(b)(6)(C), the amendments described in
clause (i) shall not be treated as a signifi-
cant change in coverage under section
410(b)(6)(C)(i)(II).

“(iv) SPUN-OFF PLANS.—For pur-
poses of this subparagraph, if a portion of
a plan described in clause (i) is spun off to
another employer, the treatment under
clause (i) of the spun-off plan shall con-
tinue with respect to the other employer.”.
(c) Effective Date.—

(1) In general.—Except as provided in paragraph (2), the amendments made by this section shall take effect on the date of the enactment of this Act, without regard to whether any plan modifications referred to in such amendments are adopted or effective before, on, or after such date of enactment.

(C) Certain post-enactment plan amendments.—A plan shall not be treated as failing to be eligible for the application of sec-
tion 401(o)(1)(A), 401(o)(1)(B)(iii), or 401(a)(26) of such Code (as added by this section) to such plan solely because in the case of—

(i) such section 401(o)(1)(A), the plan was amended before the date of the enactment of this Act to eliminate 1 or more benefits, rights, or features, and is further amended after such date of enactment to provide such previously eliminated benefits, rights, or features to a closed class of participants, or

(ii) such section 401(o)(1)(B)(iii) or section 401(a)(26), the plan was amended before the date of the enactment of this Act to cease all benefit accruals, and is further amended after such date of enactment to provide benefit accruals to a closed class of participants.
