SEC. 3. CRITERIA FOR COVERAGE OF STATES AND POLITICAL SUBDIVISIONS.

(a) DETERMINATION OF STATES AND POLITICAL SUBDIVISIONS SUBJECT TO SECTION 4(a).—
Section 4(b) of the Voting Rights Act of 1965 (52 U.S.C. 10303(b)) is amended to read as follows:

“(b) Determination of States and Political Subdivisions Subject to Requirements.—

“(1) Existence of voting rights violations during previous 15 years.—

“(A) Statewide application.—Subsection (a) applies with respect to a State and all political subdivisions within the State during a calendar year if 5 or more voting rights violations occurred in the State during the previous 15 calendar years, at least one of which was committed by the State itself (as opposed to a political subdivision within the State).

“(B) Application to specific political subdivisions.—Subsection (a) applies with respect to a political subdivision during a calendar year if—

“(i) 3 or more voting rights violations occurred in the subdivision during the previous 15 calendar years; or

“(ii) 1 or more voting rights violations occurred in the subdivision during the previous 15 calendar years and the subdivi-
tion had persistent, extremely low minority turnout during the previous 15 calendar years.

“(2) PERIOD OF APPLICATION.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), if, pursuant to paragraph (1), subsection (a) applies with respect to a State or political subdivision during a calendar year, subsection (a) shall apply with respect to such State or political subdivision for the period—

“(i) that begins on January 1 of the year in which subsection (a) applies pursuant to the applicable provisions of paragraph (1); and

“(ii) that ends on the date which is 10 years after January 1 of the year in which the most recent voting rights violation occurred in the State or political subdivision.

“(B) NO FURTHER APPLICATION AFTER DECLARATORY JUDGMENT.—

“(i) STATES.—If a State obtains a declaratory judgment under subsection (a), and the judgment remains in effect, subsection (a) shall no longer apply to such
State pursuant to paragraph (1)(A) unless, after the issuance of the declaratory judgment, paragraph (1)(A) applies to the State solely on the basis of voting rights violations occurring after the issuance of the declaratory judgment.

“(ii) Political subdivisions.—If a political subdivision obtains a declaratory judgment under subsection (a), and the judgment remains in effect, subsection (a) shall no longer apply to such political subdivision pursuant to paragraph (1), including pursuant to paragraph (1)(A) (relating to the statewide application of subsection (a)), unless, after the issuance of the declaratory judgment, paragraph (1)(B) applies to the political subdivision solely on the basis of voting rights violations (and, in the case of paragraph (1)(B)(ii), extremely low minority turnout) occurring after the issuance of the declaratory judgment.

“(3) Determination of voting rights violation.—For purposes of paragraph (1), a voting
rights violation occurred in a State or political sub-
division if any of the following applies:

been reversed on appeal), any court of the
United States has determined that a denial or
abridgement of the right of any citizen of the
United States to vote on account of race, color,
or membership in a language minority group, in
violation of the 14th or 15th Amendment, oc-
curred anywhere within the State or subdi-
vision.

“(B) In a final judgment (which has not
been reversed on appeal), any court of the
United States has determined that a voting
qualification or prerequisite to voting or stand-
ard, practice, or procedure with respect to vot-
ing was imposed or applied or would have been
imposed or applied anywhere within the State
or subdivision in a manner that resulted or
would have resulted in a denial or abridgement
of the right of any citizen of the United States
to vote on account of race or color, or in con-
travention of the guarantees set forth in sub-
section (f)(2), in violation of section 2.
“(C) In a final judgment (which has not been reversed on appeal), any court of the United States has denied the request of the State or subdivision for a declaratory judgment under section 3(c) or section 5, and thereby prevented a voting qualification or prerequisite to voting or standard, practice, or procedure with respect to voting from being enforced anywhere within the State or subdivision.

“(D) The Attorney General has interposed an objection under section 3(c) or section 5 (and the objection has not been overturned by a final judgment of a court or withdrawn by the Attorney General), and thereby prevented a voting qualification or prerequisite to voting or standard, practice, or procedure with respect to voting from being enforced anywhere within the State or subdivision, other than an objection which is based on a voting qualification or procedure which consists of the imposition of a requirement that an individual provide a photo identification as a condition of receiving a ballot for voting in an election for Federal, State, or local office.

turnout rate for the State in which the political subdivision is located.

“(5) Timing of determinations.—
