12                   meeting under this subparagraph may be con-  
13                   sidered a biannual meeting of the Puget Sound  
14                   Federal Leadership Task Force for purposes of  
15                   subparagraph (B), if agreed upon.

16                   “(E) QUORUM.—A majority number of the  
17                   members of the Puget Sound Federal Leader-  
18                   ship Task Force shall constitute a quorum.

19                   “(F) VOTING.—For the Puget Sound Fed-  
20                   eral Leadership Task Force to pass a measure,  
21                   a two-thirds percentage of the quorum must  
22                   vote in the affirmative.

23                   “(8) PUGET SOUND FEDERAL LEADERSHIP  
24                   TASK FORCE PROCEDURES AND ADVICE.—

1                     “(A) ADVISORS.—The Puget Sound Fed-  
2                     eral Leadership Task Force, and any working  
3                     group of the Puget Sound Federal Leadership  
4                     Task Force, may seek advice and input from  
5                     any interested, knowledgeable, or affected party  
6                     as the Puget Sound Federal Leadership Task  
7                     Force or working group, respectively, deter-  
8                     mines necessary to perform its duties.

9                     “(B) COMPENSATION.—A member of the  
10                    Puget Sound Federal Leadership Task Force  
11                    shall receive no additional compensation for  
12                    service as a member on the Puget Sound Fed-  
13                    eral Leadership Task Force.

14                    “(C) TRAVEL EXPENSES.—Travel expenses  
15                    incurred by a member of the Puget Sound Fed-  
16                    eral Leadership Task Force in the performance  
17                    of service on the Puget Sound Federal Leader-  
18                    ship Task Force may be paid by the agency or  
19                    department that the member represents.

20                    “(9) PUGET SOUND FEDERAL TASK FORCE.—

21                    “(A) IN GENERAL.—On the date of enact-  
22                    ment of this section, the 2016 memorandum of  
23                    understanding establishing the Puget Sound  
24                    Federal Task Force shall cease to be effective.

1                         “(B) USE OF PREVIOUS WORK.—The  
2                         Puget Sound Federal Leadership Task Force  
3                         shall, to the extent practicable, use the work  
4                         product produced, relied upon, and analyzed by  
5                         the Puget Sound Federal Task Force in order  
6                         to avoid duplicating the efforts of the Puget  
7                         Sound Federal Task Force.

8                         “(e) STATE ADVISORY COMMITTEE.—

9                         “(1) ESTABLISHMENT.—There is established a  
10                         State Advisory Committee.

11                         “(2) MEMBERSHIP.—The committee shall con-  
12                         sist of up to seven members designated by the gov-  
13                         erning body of the Puget Sound Partnership, in con-  
14                         sultation with the Governor of Washington, who will  
15                         represent Washington State agencies that have sig-  
16                         nificant roles and responsibilities related to Puget  
17                         Sound recovery.

18                         “(f) FEDERAL ADVISORY COMMITTEE ACT.—The  
19                         Puget Sound Federal Leadership Task Force, State Advi-  
20                         sory Committee, and any working group of the Puget  
21                         Sound Federal Leadership Task Force, shall not be con-  
22                         sidered an advisory committee under the Federal Advisory  
23                         Committee Act (5 U.S.C. App.).

1        “(g) PUGET SOUND FEDERAL LEADERSHIP TASK  
2 FORCE BIENNIAL REPORT ON PUGET SOUND RECOVERY  
3 ACTIVITIES.—

4            “(1) IN GENERAL.—Not later than 1 year after  
5            the date of enactment of this section, and biennially  
6            thereafter, the Puget Sound Federal Leadership  
7            Task Force, in collaboration with the Puget Sound  
8            Tribal Management Conference and the State Advi-  
9            sory Committee, shall submit to the President, Con-  
10            gress, the Governor of Washington, and the gov-  
11            erning body of the Puget Sound Partnership a re-  
12            port that summarizes the progress, challenges, and  
13            milestones of the Puget Sound Federal Leadership  
14            Task Force on the restoration and protection of  
15            Puget Sound.

16            “(2) CONTENTS.—The report under paragraph  
17            (1) shall include a description of the following:

18                “(A) The roles and progress of each State,  
19                local government entity, and Federal agency  
20                that has jurisdiction in the Puget Sound region  
21                toward meeting the identified objectives and  
22                priorities of the Action Agenda, Salmon Recov-  
23                ery Plans, the Treaty Rights at Risk Initiative,  
24                and the Coastal Nonpoint Pollution Control  
25                Program.

1                         “(B) If available, the roles and progress of  
2                         Tribal governments that have jurisdiction in the  
3                         Puget Sound region toward meeting the identi-  
4                         fied objectives and priorities of the Action  
5                         Agenda, Salmon Recovery Plans, the Treaty  
6                         Rights at Risk Initiative, and the Coastal  
7                         Nonpoint Pollution Control Program.

8                         “(C) A summary of specific recommenda-  
9                         tions concerning implementation of the Action  
10                         Agenda and Federal Action Plan, including  
11                         challenges, barriers, and anticipated milestones,  
12                         targets, and timelines.

13                         “(D) A summary of progress made by  
14                         Federal agencies toward the priorities identified  
15                         in the Federal Action Plan.

16                         “(h) CROSSCUT BUDGET REPORT.—

17                         “(1) FINANCIAL REPORT.—Not later than 1  
18                         year after the date of enactment of this section, and  
19                         every 5 years thereafter, the Director of the Office  
20                         of Management and Budget, in consultation with the  
21                         Puget Sound Federal Leadership Task Force, shall,  
22                         in conjunction with the annual budget submission of  
23                         the President to Congress for the year under section  
24                         1105(a) of title 31, United States Code, submit to  
25                         Congress and make available to the public, including

1 on the internet, a financial report that is certified by  
2 the head of each agency represented by the Puget  
3 Sound Federal Leadership Task Force.

4 “(2) CONTENTS.—The report shall contain an  
5 interagency crosscut budget relating to Puget Sound  
6 restoration and protection activities that displays—

7 “(A) the proposed funding for any Federal  
8 restoration and protection activity to be carried  
9 out in the succeeding fiscal year, including any  
10 planned interagency or intra-agency transfer,  
11 for each of the Federal agencies that carry out  
12 restoration and protection activities;

13 “(B) the estimated expenditures for Fed-  
14 eral restoration and protection activities from  
15 the preceding 2 fiscal years, the current fiscal  
16 year, and the succeeding fiscal year; and

17 “(C) the estimated expenditures for Fed-  
18 eral environmental research and monitoring  
19 programs from the preceding 2 fiscal years, the  
20 current fiscal year, and the succeeding fiscal  
21 year.

22 “(3) INCLUDED RECOVERY ACTIVITIES.—With  
23 respect to activities described in the report, the re-  
24 port shall only describe activities that have funding  
25 amounts more than \$100,000.

1               “(4) SUBMISSION TO CONGRESS.—The Director  
2       of the Office of Management and Budget shall sub-  
3       mit the report to—

4               “(A) the Committee on Appropriations, the  
5       Committee on Natural Resources, the Com-  
6       mittee on Energy and Commerce, and the Com-  
7       mittee on Transportation and Infrastructure of  
8       the House of Representatives; and

9               “(B) the Committee on Appropriations, the  
10       Committee on Environment and Public Works,  
11       and the Committee on Commerce, Science, and  
12       Transportation of the Senate.

13       “(i) AUTHORIZATION OF APPROPRIATIONS.—In addi-  
14       tion to any other funds authorized to be appropriated for  
15       activities related to Puget Sound, there is authorized to  
16       be appropriated to carry out this section \$50,000,000 for  
17       each of fiscal years 2021 through 2025.

18       “(j) PRESERVATION OF TREATY OBLIGATIONS AND  
19       EXISTING FEDERAL STATUS.—

20       “(1) TRIBAL TREATY RIGHTS.—Nothing in this  
21       section affects, or is intended to affect, any right re-  
22       served by treaty between the United States and one  
23       or more Indian tribes.

1           “(2) OTHER FEDERAL LAW.—Nothing in this  
2        section affects the requirements and procedures of  
3        other Federal law.

4           “(k) CONSISTENCY.—Actions authorized or imple-  
5        mented under this section shall be consistent with—

6           “(1) the Endangered Species Act of 1973 and  
7        the Salmon Recovery Plans of the State of Wash-  
8        ington;

9           “(2) the Coastal Zone Management Act of 1972  
10       and the Coastal Nonpoint Pollution Control Pro-  
11       gram;

12           “(3) the water quality standards of the State of  
13       Washington approved by the Administrator under  
14       section 303; and

15           “(4) other applicable Federal requirements.”.

Passed the House of Representatives February 5,  
2020.
