(b) PHASED TRANSFERS.—Transfers of project-
based assistance under this section may be done in phases
to accommodate the financing and other requirements re-
lated to rehabilitating or constructing the project or

(8) If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagor of the receiving project or projects shall execute and record either a continuation of the existing use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

SEC. 423. (a) If a State (or another Federal grantee)
used State funds (or the grantee’s non-Federal funds) to
continue carrying out a Federal program or furloughed
State employees (or the grantee’s employees) whose com-
pensation is advanced or reimbursed in whole or in part
by the Federal Government—

(1) such furloughed employees shall be com-
pensated at their standard rate of compensation for
such period;

(2) the State (or such other grantee) shall be
reimbursed for expenses that would have been paid
by the Federal Government during such period had
appropriations been available, including the cost of
compensating such furloughed employees, together
with interest thereon calculated under section
6503(d) of title 31, United States Code; and

(3) the State (or such other grantee) may use
funds available to the State (or the grantee) under
such Federal program to reimburse such State (or
the grantee), together with interest thereon cal-
culated under section 6503(d) of title 31, United States Code.

(b) For purposes of this section, the term “State” and the term “grantee,” including United States territories and possessions, shall have the meaning given such terms under the applicable Federal program under subsection (a). In addition, “to continue carrying out a Federal program” means the continued performance by a State or other Federal grantee, during the period of a lapse in appropriations, of a Federal program that the State or such other grantee had been carrying out prior to the period of the lapse in appropriations.

(c) The authority under this section applies with respect to any period in fiscal year 2019 (not limited to periods beginning or ending after the date of the enactment of this Act) during which there occurs a lapse in appropriations with respect to any department or agency of the Federal Government receiving funding in this Act which, but for such lapse in appropriations, would have paid, or made reimbursement relating to, any of the expenses referred to in this section with respect to the program involved. Payments and reimbursements under this authority shall be made only to the extent and in amounts provided in advance in appropriations Acts.
This Act may be cited as the “Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2019”.
