116TH CONGRESS 1ST SESSION H.R. 3318

To require the Transportation Security Administration to establish a task force to conduct an analysis of emerging and potential future threats to transportation security, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JUNE 18, 2019

Mr. JOYCE of Pennsylvania (for himself and Mr. ROGERS of Alabama) introduced the following bill; which was referred to the Committee on Homeland Security

A BILL

- To require the Transportation Security Administration to establish a task force to conduct an analysis of emerging and potential future threats to transportation security, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the "Emerging Transpor-5 tation Security Threats Act of 2019".

6 SEC. 2. EMERGING AND FUTURE THREATS TASK FORCE.

7 (a) IN GENERAL.—Not later than 90 days after the8 date of the enactment of this Act, the Administrator of

the Transportation Security Administration, in consulta-1 2 tion with the Director of National Intelligence and the in-3 telligence community (as such term is defined in section 4 3(4) of the National Security Act of 1947 (50 U.S.C. 5 3003(4)) and the heads of other Federal agencies, as determined appropriate by the Administrator, shall establish 6 7 a task force to conduct an analysis of emerging and poten-8 tial future threats to transportation security.

9 (b) ELEMENTS.—The analysis required under sub10 section (a) shall include emerging and potential future
11 threats posed by the following:

12 (1) Evolving tactics by terrorist organizations
13 that may pose a catastrophic risk to an aviation or
14 surface transportation entity.

(2) Explosive and explosive devices or attacks
involving the use of explosives that may cause catastrophic damage to an aviation or surface transportation system.

19 (3) Chemical or biological agents being released20 in either aviation or surface transportation systems.

(4) Cyberthreat actors seeking to undermine
confidence in transportation systems or cause service
disruptions that jeopardize transportation security.

24 (5) Unmanned aerial systems with the capa-25 bility of inflicting harm on transportation targets.

(6) Individuals or groups seeking to attack soft
 targets, public areas, or crowded spaces of transpor tation systems.
 (7) Inconsistent or inadequate security screen ing protocols at last point of departure airports with
 direct flights to the United States.

7 (8) Information sharing challenges within the
8 Federal Government and among partner govern9 ments.

10 (9) Information sharing challenges between the
11 Administration or other relevant Federal agencies
12 and transportation stakeholders, including air car13 riers, airport operators, surface transportation oper14 ators, and State and local law enforcement.

(10) Growth in passenger volume in both theaviation and surface transportation sectors.

(c) MITIGATION.—Not later than 120 days after the
completion of the analysis required under subsection (a),
the Administrator of the Transportation Security Administration shall develop, as appropriate, a threat mitigation
strategy for each of the threats examined in such analysis,
and—

(1) assign appropriate resources of the Administration to address such threats, based on calculated risk; or

(2) provide recommendations through the De partment of Homeland Security to the appropriate
 Federal department or agency responsible for ad dressing such threats.

5 (d) STAKEHOLDER ENGAGEMENT.—When carrying 6 out the analysis required under subsection (a), the Admin-7 istrator of the Transportation Security Administration 8 shall engage transportation stakeholders referred to in 9 subsection (b)(9) and account for security concerns of 10 transportation operators by—

(1) convening not fewer than three industry day
events for such transportation stakeholders to hear
from relevant public and private sector security partners and provide feedback on threats such transportation stakeholders identify as emerging;

(2) developing strategies to solicit feedback on
a consistent basis from such transportation stakeholders across all modes of transportation and providing consistent responses to stakeholder concerns;

(3) improving the quality and relevancy of information sharing products disseminated by the Administration to such transportation stakeholders, including classified information sharing products;

24 (4) coordinating security incident response and25 communications drills, including tabletop exercises,

to improve incident preparedness and response capa bilities across transportation modes and among
 transportation systems;

 $\mathbf{5}$

4 (5) encouraging regular communication between
5 Federal Security Directors, Field Intelligence Offi6 cers, Federal Air Marshal Special Agents in Charge,
7 and such transportation stakeholders;

8 (6) establishing regular opportunities for senior 9 Administration leadership to engage with such trans-10 portation stakeholders regarding changes in the 11 threat environment and how the Administration can 12 offer security support to address such changes; and 13 (7) briefing the Aviation Security Advisory 14 Committee and the Surface Transportation Security 15 Advisory Committee on the efforts of the task force 16 established pursuant to subsection (a).

17 (e) BRIEFING TO CONGRESS.—The Administrator of 18 the Transportation Security Administration shall brief the 19 Committee on Homeland Security of the House of Rep-20 resentatives and the Committee on Commerce, Science, 21 and Transportation of the Senate on the results of the 22 analysis required under subsection (a) and relevant miti-23 gation strategies developed in accordance with subsection 24 (c).
