Part B of title II of the Higher Education Act of 1965 (20 U.S.C. 1031 et seq.) is amended to read as follows:

“PART B—ENHANCING TEACHER AND SCHOOL LEADER EDUCATION

“SEC. 230. AUTHORIZATION OF APPROPRIATIONS.

“Subpart 1—Honorable Augustus F. Hawkins Centers of Excellence

“SEC. 231. FINDINGS.

“Congress finds the following:

“(1) Our Nation’s schools are experiencing a severe teacher diversity gap that negatively impacts student achievement and school culture—50 percent
of current students are students of color while only
18 percent of teachers are of color, according to a
2016 study by the Brookings Institution.

“(2) A 2016 report conducted by the Depart-
ment of Education shows that teachers of color tend
to provide more culturally relevant teaching and bet-
ter understand the situations that students of color
may face. These factors help in the development of
trusting teacher-student relationships. Researchers
from Vanderbilt University also found that greater
racial and ethnic diversity in the principal corps ben-
efits students, especially students of color.

“(3) Teachers and school leaders of color can
also serve as cultural ambassadors who help stu-
dents feel more welcome at school or as role models.

“(4) Research consistently shows that increas-
ing diversity in the teaching profession can have
positive impacts on student educational experiences
and outcomes. Students of color demonstrate greater
academic achievement and social-emotional develop-
ment in classes with teachers of color. Studies also
suggest that all students, including White students,
benefit from having teachers of color offering their
distinctive knowledge, experiences, and role modeling
to the student body as a whole.
“SEC. 232. PURPOSE.

“The purpose of this subpart is to strengthen and expand the recruitment, training, and retention of candidates of color into the teaching profession.

“(I) by ensuring the acceptability of the credits received under the job training program toward meeting such certificate or degree program requirements (such as through an articulation agreement); and

“(v) The job training program provides to the Secretary the annual earnings expected to be paid in the sectors or occupations for which the program provides training not later than 6 months after completion of such program (in this subsection referred to as the ‘expected earnings’), as such earnings are determined by an industry or sector partnership in the
State or local area in which the program is provided, and which shall be—

“(ii) REQUIREMENTS.—Subject to clause (iii), a determination under clause (i) that a job training program continues to meet the requirements of subparagraph (A) shall, at a minimum, require the Secretary to determine that the mean or median earnings (whichever is higher) paid to students not later than 6 months after completing such program is equal to or greater than the expected earnings of the program.

“(iii) EXCEPTION AND APPEALS.—

“(I) EXCEPTION.—The Secretary may extend, by not more than an additional 6 months, the period by when, after completion of the job training program, the mean or median earnings (whichever is higher) paid to students meets the requirements of clause (ii), in a case in which the job training program requesting such extension provides sufficient justification

“SEC. 466. DISTRIBUTION OF ASSETS FROM STUDENT LOAN FUNDS.

“(a) CAPITAL DISTRIBUTION.—Beginning July 1, 2021, there shall be a capital distribution of the balance of the student loan fund established under this part by each institution of higher education as follows:

“(1) For the quarter beginning July 1, 2021, the Secretary shall first be paid, no later than September 30, 2021, an amount that bears the same ratio to the cash balance in such fund at the close of June 30, 2021, as the total amount of the Federal capital contributions to such fund by the Secretary under this part bears to—

“(A) the sum of such Federal contributions and the institution’s capital contributions to such fund, less

“(B) an amount equal to—

“(i) the institution’s outstanding administrative costs as calculated under section 463(b);

“(ii) outstanding charges assessed under section 464(c)(1)(H); and

“(iii) outstanding loan cancellation costs incurred under section 465.

“(2) At the end of each quarter subsequent to the quarter ending September 30, 2021, the Sec-
retary shall first be paid an amount that bears the
same ratio to the cash balance in such fund at the
close of the preceding quarter, as the total amount
of the Federal capital contributions to such fund by
the Secretary under this part bears to—

“(A) the sum of such Federal contribu-
tions and the institution’s capital contributions
to such fund, less

part in anticipation of collections or receipt of Federal capital contributions, and the institution demonstrates to the Secretary, on or before June 30, 2021, that such loan will still be outstanding after June 30, 2021, the Secretary shall subtract the amount of such outstanding loan from the cash balance of the institution’s student loan fund that is used to calculate the amount due to the Secretary under paragraph (1). An adjustment of an amount due to the Secretary under this subparagraph shall be made by the Secretary on a case-by-case basis.

“(4) Any remaining balance at the end of a quarter after a payment under paragraph (1) or (2) shall be retained by the institution for use at its discretion. Any balance so retained shall be withdrawn from the student loan fund and shall not be counted in calculating amounts owed to the Secretary for subsequent quarters.

(1) On-time repayment rate defined.—

(A) In general.—The term ‘on-time repayment rate’ means for any fiscal year in which 30 or more current and former students at an institution have been in repayment for 3 years on any covered loan received for attendance at the institution, the percentage of such current and former students who have paid at least 90 percent of the monthly payments on such loan during such 3-year repayment period.

(B) Small cohorts.—For any fiscal year in which fewer than 30 of an institution’s current and former students have been in repayment for 3 years, the term ‘on-time repayment rate’ means the percentage of such current and former students who entered their 3rd year of repayment on any covered loan received for attendance at the institution in any of the 3 most recent fiscal years and who have paid at
least 90 percent of the monthly payments on such loan during such 3-year repayment period.

“(2) ADDITIONAL REQUIREMENTS FOR RATE DETERMINATION.—

“(A) MULTIPLE INSTITUTIONS.—In the case of a student who has attended and borrowed a covered loan for attendance at more than one institution, the student (and such student’s subsequent repayment or monthly payment on such loan) is attributed to each institution for attendance at which the student received such loan for which the student entered the 3rd year of repayment in the fiscal year for which the on-time repayment rate is being determined.

“(B) TREATMENT OF CONSOLIDATION LOANS.—For purposes of determining whether a student is in repayment (or has paid a monthly payment) on a loan under section 428C or a Federal Direct Consolidation Loan, only the portion of such loan that is used to repay a covered loan received for attendance at the institution whose on-time repayment rate is being determined shall be considered for purposes of such rate.
“(3) Determination of when monthly payment is paid.—For purposes of determining the on-time repayment rate of an institution, a student shall be considered to have paid a monthly payment on a covered loan if one of the following applies:

“(A) The amount of such monthly payment has been paid not later than 30 days after the date on which such monthly payment is due, except that a monthly payment by the institution, such institution’s owner, agent, contractor, employee, or any other entity or individual affiliated with such institution made on behalf of a student who is not employed by the institution shall not be considered a paid monthly payment on such loan.

“(B) The monthly payment amount due on such loan is equal to zero.

“(C) The full amount due on the loan has been repaid or the liability on the loan has been otherwise discharged under this Act.

“(D) The student is in a period of deferment, other than—

“(i) a deferment due to an economic hardship described in section
814

427(a)(2)(C)(iii), 428(b)(1)(M)(iv), or
455(f)(2)(D); or

“(ii) a deferment due to unemploy-
ment described in section 427(a)(2)(C)(ii),

this title):

“(i) Medical or dental internship or
residency forbearance under subclause (I)
of section 428(c)(3)(A)(i).

bearance under section 682.213(e) or
685.205(a)(5) of title 34, Code of Federal
Regulations (as in effect on the date of en-
actment of the College Affordability Act).

“(4) PARTICIPATION RATE.—

“(A) IN GENERAL.—An institution that
demonstrates to the Secretary that the institu-
tion’s participation rate is equal to or less than
20 percent for any of the 3 most recent fiscal
years for which data is available shall not be
subject to subsection (b).

“(B) DETERMINATION.—For purposes of
this paragraph, the term ‘participation rate’
means the percentage of the institution’s reg-
ular students, enrolled on at least a half-time
basis, who received a covered loan for a 12-
month period ending during the 6 months im-
mediately preceding the fiscal year for which
the cohort of borrowers used to calculate the in-
stitution’s on-time loan repayment rate is deter-
mined.
“(C) DATA.—An institution shall provide the Secretary with sufficient data to determine the institution’s participation rate within 30 days after receiving an initial notification of the institution’s draft on-time repayment rate.

“(D) NOTIFICATION.—Prior to publication of a final on-time repayment rate for an institution that provides the data described in subparagraph (C), the Secretary shall notify the institution of the institution’s compliance or non-compliance with subparagraph (A).

“(b) DETERMINATION OF ELIGIBILITY BASED ON REPAYMENT RATES AND INSTRUCTIONAL SPENDING AMOUNTS.—

“(1) INELIGIBILITY.—

“(A) IN GENERAL.—Except as provided in subparagraphs (C) and (D), beginning on the date that is one year after the date on which the final on-time repayment rates are published by the Secretary for not less than 3 fiscal years, an institution shall not be eligible to participate in a program under this title for the fiscal year for which the determination under this subparagraph is made and for the two succeeding fiscal
years, if the Secretary determines the following with respect to such institution—

“(i) the on-time repayment rate of such institution is less than any threshold on-time repayment rate specified under subparagraph (B) for period determined appropriate by the Secretary for such threshold rate; and

“(ii) with respect to any of the 3 most recent institutional fiscal years for which the institution submits to the Secretary disclosures on the expenditures of the institution on instruction for purposes of section 132(i)(1)(AA), the amount expended by such institution on instruction for such fiscal year is less than 1⁄3 of the institution’s revenues derived from tuition and fees.

“(B) Threshold rates.—For purposes of determinations under subparagraph (A)(i), the Secretary shall specify 1 or more threshold on-time repayment rates, which rates—

“(i) shall require that a significant percentage of students who have been in repayment for 3 years on a covered loan
received for attendance at an institution of higher education have paid at least 90 percent of the monthly payments on such covered loan during such 3-year repayment period; and

“(ii) may be applicable with respect to a period of 1 or more fiscal years, as determined appropriate for such a rate.

“(C) EXCEPTIONS FOR CERTAIN CATEGORIES OF EDUCATIONAL PROGRAMS.—

“(i) EXCEPTIONS FOR CERTAIN CATEGORIES OF EDUCATIONAL PROGRAMS.—

With respect to an institution that loses eligibility to participate in a program under this title in accordance with paragraph (1), such institution may request and be granted an exception to such loss of eligibility for a category of educational programs at such institution by demonstrating to the Secretary that the on-time loan repayment rate for such category of educational programs is greater than the threshold percentage specified under paragraph (1)(B) for each fiscal year of the pe-
riod on which such loss of eligibility for the
institution is based.

“(ii) DETERMINATIONS.—In determining the on-time loan repayment rate
for a category of educational programs, subsection (a)(1) shall be applied—

“(I) in subparagraph (A), by substituting ‘received for enrollment
in the category of educational pro-
grams for which such rate is being de-
termined’ for ‘received for attendance
at the institution’; and

“(II) as if the following were
added at the end of such paragraph:

‘‘(C) MULTIPLE CATEGORIES OF EDU-
cational Programs.—In the case of a student
who has received a covered loan for enrollment
in more than one category of educational pro-
grams, the student (and such student’s subse-
quent repayment or monthly payment on such
covered loan) is attributed to the last category
of educational programs in which such student
was enrolled.’.

“(D) APPEALS.—Not later than 60 days of
receiving notification from the Secretary of the
loss of eligibility under subparagraph (A), the institution may appeal the loss of its eligibility under subsection (c).

“(2) Repayment management plan requirement for certain institutions.—

“(A) In general.—Beginning on the date that is one year after the date on which the final on-time repayment rates are published by the Secretary for not less than 3 fiscal years, an institution shall be subject to the requirements of subparagraph (B), if the Secretary determines the following with respect to such institution—

“(i) the on-time repayment rate of such institution is less than any threshold on-time repayment rate specified under paragraph (1)(B) for period determined appropriate by the Secretary for such threshold rate; and

“(ii) for each of the 3 most recent institutional fiscal years for which the institution submits to the Secretary disclosures on the expenditures of the institution on instruction for purposes of section 132(i)(1)(AA), the amount expended by
the institution for instructional spending is greater than or equal to an amount equal to \( \frac{1}{3} \) of the amount of revenue derived from tuition and fees.

“(B) Repayment Management Plan.—

An institution subject to the requirements of this subparagraph, shall—

“(i) not later than 6 months after the determination under subparagraph (A), submit to the Secretary a repayment management plan which the Secretary, in the Secretary’s discretion, after consideration of the institution’s history, resources, expenditures, and targets for improving on-time repayment, determines—

“(I) is acceptable and is in the best interests of students; and

“(II) provides reasonable assurance that the institution will have an on-time repayment rate that exceeds the on-time threshold referred to in subparagraph (A)(i) after a reasonable period;

“(ii) engage an independent third-party to provide technical assistance in im-
implementing such repayment management plan; and

“(iii) provide to the Secretary, on an annual basis or at such other intervals as the Secretary may require, evidence of on-time repayment rate improvement and successful implementation of such repayment management plan.

“(e) Appeals.—

“(1) Secretarial requirements.—The Secretary shall issue a decision on any appeal submitted by an institution under subsection (b)(1)(D) not later than 45 days after its submission. Such decision may permit the institution to continue to participate in a program under this title if—

“(A) the institution demonstrates to the satisfaction of the Secretary that the Secretary’s calculation of its on-time repayment rate is not accurate, and that recalculation would increase its on-time repayment rate above the applicable threshold percentage specified in subsection (b)(1)(B) for the period on which the determination of the institution’s ineligibility under subsection (b)(1)(A) was based;
“(B) the institution demonstrates to the satisfaction of the Secretary that there has been improper loan servicing, which, if remedied, would increase its on-time repayment rate above the applicable threshold percentage specified in subsection (b)(1)(B) for the period on which the determination of the institution’s ineligibility under subsection (b)(1)(A) was based;

“(C) there are, in the judgment of the Secretary, exceptional mitigating circumstances that would make the application of this section inequitable;

“(D) for each of the 3 most recent fiscal years for which the institution submits to the Secretary disclosures on expenditures for purposes of section 132(i)(1)(AA), the sum of the expenditures on instruction and student services of the institution is equal to an amount greater than or equal to 50 percent of the institution’s revenues derived from tuition and fees, and the institution complies with the requirements of subsection (b)(2)(B).

“(2) INSTITUTIONAL REQUIREMENTS.—If an institution continues to participate in a program under this title, and the institution’s appeal of the
loss of eligibility is unsuccessful, the institution shall be required to pay to the Secretary an amount equal to the amount of interest, special allowance, reinsurance, and any related payments made by the Secretary (or which the Secretary is obligated to make) with respect to covered loans to students attending, or planning to attend, that institution during the pendency of such appeal. During such appeal, the Secretary may permit the institution to continue to participate in a program under this title.

“(d) REGULATIONS.—The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a on-time repayment rate determination under this section through the use of such measures as branching, consolidation, change of ownership or control, or any similar device.

“(e) PUBLICATION.—The Secretary shall publish not less often than once every fiscal year (by September 30 of each year) a report—

“(1) for each category of institution, and for each institution for which an on-time repayment rate is determined under this section—

“(A) with respect to the preceding fiscal year—
“(i) the on-time repayment rate for such institution;

“(ii) the on-time repayment rate for each category of educational programs; and

“(iii) the number of students on which the rates described in clauses (i) and (ii) are based; and

“(B) for each of the 3 most recent fiscal years for which the institution submits to the Secretary disclosures on expenditures for purposes of section 132(i)(1)(AA)—

“(i) the amount of the institution’s expenditures on instruction;

“(ii) the amount of revenue derived from tuition and fees by the institution; and

“(iii) the quotient of the amount described in clause (i) divided by the amount described in clause (ii), expressed as a percentage; and

“(2) each on-time repayment rate used for calculating each of the threshold rates under subsection (b)(1)(B) for the period determined appropriate by
the Secretary for such threshold rate under such subsection.
