6 new section:

7 “MEDICARE OPERATED PRESCRIPTION DRUG PLAN  
8 OPTION

9 “SEC. 1860D–11A. (a) IN GENERAL.—Notwith-

11 (beginning with 2021), in addition to any plans offered  
12 under section 1860D–11, the Secretary shall offer one or  
13 more Medicare operated prescription drug plans (as de-  
14 fined in subsection (d)) with a service area that consists  
15 of the entire United States and shall enter into negotia-  
16 tions in accordance with subsection (c) with pharma-  
17 ceutical manufacturers to reduce the purchase cost of cov-  
18 ered part D drugs for eligible part D individuals who en-  
19 roll in such a plan.

20 “(b) ENROLLMENT.—Notwithstanding subpara-

22 operated prescription drug plan offered under this section  
23 shall serve as the default prescription drug plan for all  
24 part D enrollees unless another prescription drug plan is  
25 selected.

1       “(c)    NEGOTIATIONS.—Notwithstanding    section  
2  1860D–11(i), for purposes of offering a Medicare operated  
3  prescription drug plan under this section, the Secretary  
4  shall negotiate with pharmaceutical manufacturers with  
5  respect to the purchase price of covered part D drugs in  
6  a Medicare operated prescription drug plan and shall en-  
7  courage the use of more affordable therapeutic equivalents  
8  to the extent such practices do not override medical neces-  
9  sity as determined by the prescribing physician. To the  
10 extent practicable and consistent with the previous sen-  
11 tence, the Secretary shall implement negotiation and in-  
12 centive strategies similar to those used by other Federal  
13 purchasers of prescription drugs to reduce the purchase  
14 cost of covered Part D drugs, and other strategies, as de-  
15 scribed in subsection (f), which may include the use of a  
16 pricing scale based on an international price index.

18 PLAN DEFINED.—For purposes of this part, the term  
19 ‘Medicare operated prescription drug plan’ means a com-  
20 prehensive prescription drug plan that offers qualified pre-  
21 scription drug coverage and access to negotiated prices de-  
22 scribed in section 1860D–2(a)(1)(A). Such a plan may

7 prescription drug plan shall be uniform nationally.  
8 Such premium for months in 2021 and each suc-  
9 ceeding year shall be based on the average monthly  
10 per capita actuarial cost of offering the Medicare op-  
11 erated prescription drug plan for the year involved,  
12 including administrative expenses.

13 “(2) SUPPLEMENTAL PRESCRIPTION DRUG COV-
