## AN ACT

To amend the Securities Exchange Act of 1934 to require issuers to make certain disclosures relating to the Xinjiang Uyghur Autonomous Region, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Uyghur Forced Labor  
3 Disclosure Act of 2020”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) Since early 2017, the Government of the  
7 People’s Republic of China has conducted a policy of  
8 disappearance, mass internment, and imprisonment  
9 of Turkic Muslims, particularly Uyghurs, in China’s  
10 Xinjiang Uyghur Autonomous Region (XUAR).

11 (2) Since 2014, Chinese authorities have de-  
12 tained between 800,000 and possibly up to three  
13 million Uyghurs, ethnic Kazakhs, Kyrgyz, and other  
14 ethnic minorities in forced education, training, and  
15 labor camps.

16 (3) The bi-partisan, bi-cameral Congressional-  
17 Executive Commission on China’s 2019 Annual Re-  
18 port found numerous reports of forced labor associ-  
19 ated with government repression of ethnic minority  
20 groups in the XUAR. Detainees performed forced  
21 labor in factories both within and outside of intern-  
22 ment camps in XUAR.

23 (4) Radio Free Asia reported in January 2019  
24 that authorities had also sent Uyghurs and Kazakhs  
25 from the XUAR to other provinces in China for  
26 forced labor.

1           (5) Comments in March 2018 from the presi-  
2           dent of the China National Textile and Apparel  
3           Council suggested that textile manufacturers were  
4           working with XUAR authorities to exploit forced  
5           labor.

6           (6) Companies that work in the XUAR are at  
7           great risk of complicity in the human rights abuses  
8           being committed in the region.

9           (7) In a March 2020 report, the Australian  
10          Strategic Policy Institute identified 27 factories in  
11          nine Chinese provinces that are using Uyghur labor  
12          transferred from Xinjiang. These factories indirectly  
13          supply global brands, including many American mul-  
14          tinational companies.

15          (8) Forced labor in XUAR is Chinese govern-  
16          ment policy and due diligence efforts to ensure clean  
17          supply chains is nearly impossible due to mass sur-  
18          veillance, pervasive police presence, and intimidation  
19          of workers.

20   **SEC. 3. DISCLOSURE OF CERTAIN ACTIVITIES RELATING TO**  
21                   **THE XINJIANG UYGHUR AUTONOMOUS RE-**  
22                   **GION.**

23          Section 13 of the Securities Exchange Act of 1934  
24          (15 U.S.C. 78m) is amended by adding at the end the  
25          following:

1 “(s) DISCLOSURE OF CERTAIN ACTIVITIES RELAT-

12 such importation.

14 Commission shall make all information disclosed  
15 pursuant to this subsection available to the public on

21 the compliance of issuers with the require-  
22 ments of this subsection; and

23 “(ii) issue a report to Congress con-  
24 taining the results of the assessment re-  
25 quired under clause (i).

2           General of the United States shall periodically  
3           evaluate and report to Congress on the effec-  
4           tiveness of the oversight by the Commission of  
5           the disclosure requirements under this sub-  
6           section.

7           “(4) DEFINITIONS.—In this subsection:

8           “(A) FORCED LABOR CAMP.—The term  
9           ‘forced labor camp’ means—

10                   “(i) any entity engaged in the ‘mutual  
11                   pairing assistance’ program which sub-  
12                   sidizes the establishment of manufacturing  
13                   facilities in XUAR;

14                   “(ii) any entity using convict labor,  
15                   forced labor, or indentured labor described

17                   1930 (19 U.S.C. 1307); and

18                   “(iii) any other entity that the Com-  
19                   mission determines is appropriate.

1                   “(B) XUAR.—The term ‘XUAR’ means  
2                   the Xinjiang Uyghur Autonomous Region.”.

Passed the House of Representatives September 30,  
2020.
