

116TH CONGRESS
2D SESSION

H. R. 6282

To establish a commission to assess, evaluate, and address the dependence of the United States on medications, devices, and medical equipment from foreign countries.

IN THE HOUSE OF REPRESENTATIVES

MARCH 13, 2020

Mr. RUIZ (for himself, Ms. UNDERWOOD, and Mr. DAVID P. ROE of Tennessee) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To establish a commission to assess, evaluate, and address the dependence of the United States on medications, devices, and medical equipment from foreign countries.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Commission on Amer-
5 ica’s Medical Security Act”.

6 **SEC. 2. NATIONAL ACADEMIES REPORT ON AMERICA’S**
7 **MEDICAL SUPPLY SECURITY.**

8 (a) IN GENERAL.—Not later than 60 days after the
9 date of enactment of this Act, the Secretary of Health and

1 Human Services shall enter into an agreement with the
2 National Academies of Sciences, Engineering, and Medi-
3 cine (referred to in this section as the “National Acad-
4 emies”) to examine, and, in a manner that does not com-
5 promise national security, report on, the security of the
6 United States medical product supply chain.

7 (b) PURPOSES.—The report developed under this sec-
8 tion shall—

9 (1) assess and evaluate the dependence of the
10 United States, including the private commercial sec-
11 tor, States, and the Federal Government, on critical
12 drugs and devices that are sourced or manufactured
13 outside of the United States, which may include an
14 analysis of—

15 (A) the supply chain of critical drugs and
16 devices of greatest priority to providing health
17 care;

18 (B) any potential public health security or
19 national security risks associated with reliance
20 on critical drugs and devices sourced or manu-
21 factured outside of the United States, which
22 may include previous or existing shortages and
23 public health emergencies, such as infectious
24 disease outbreaks, bioterror attacks, and other
25 public health threats;

1 (C) any existing supply chain information
2 gaps, as applicable; and

3 (D) potential economic impact of increased
4 domestic manufacturing; and

5 (2) provide recommendations, which may in-
6 clude a plan to improve the resiliency of the supply
7 chain for critical drugs and devices as described in
8 paragraph (1), and to address any supply
9 vulnerabilities or potential disruptions of such prod-
10 ucts that would significantly affect or pose a threat
11 to public health security or national security, as ap-
12 propriate, which may include strategies to—

13 (A) promote supply chain redundancy and
14 contingency planning;

15 (B) encourage domestic manufacturing, in-
16 cluding consideration of economic impacts, if
17 any;

18 (C) improve supply chain information
19 gaps;

20 (D) improve planning considerations for
21 medical product supply chain capacity during
22 public health emergencies; and

23 (E) promote the accessibility of such drugs
24 and devices.

1 (c) INPUT.—In conducting the study and developing
2 the report under subsection (b), the National Academies
3 shall—

4 (1) consider input from the Department of
5 Health and Human Services, the Department of
6 Homeland Security, the Department of Defense, the
7 Department of Commerce, the Department of State,
8 the Department of Veterans Affairs, the Department
9 of Justice, and any other Federal agencies as appro-
10 priate; and

11 (2) consult with relevant stakeholders, which
12 may include conducting public meetings and other
13 forms of engagement, as appropriate, with health
14 care providers, medical professional societies, State-
15 based societies, public health experts, State and local
16 public health departments, State medical boards, pa-
17 tient groups, medical product manufacturers, health
18 care distributors, wholesalers and group purchasing
19 organizations, pharmacists, and other entities with
20 experience in health care and public health, as ap-
21 propriate.

22 (d) DEFINITIONS.—In this section, the terms “de-
23 vice” and “drug” have the meanings given such terms in

1 section 201 of the Federal Food, Drug, and Cosmetic Act
2 (21 U.S.C. 321).
