AN ACT

To reiterate the support of the Congress of the United States for the North Atlantic Treaty Organization, and for other purposes.

1. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
SECTION 1. SHORT TITLE.
This Act may be cited as the “NATO Support Act”.

SEC. 2. FINDINGS.
Congress finds that:

(1) The North Atlantic Treaty Organization (NATO), which came into being through the North Atlantic Treaty, which entered into force on April 4, 1949, between the United States of America and the other founding members of the North Atlantic Treaty Organization, has served as a pillar of international peace and stability, a critical component of United States security, and a deterrent against adversaries and external threats.

(2) The House of Representatives affirmed in H. Res. 397, on June 27, 2017, that—

(A) NATO is one of the most successful military alliances in history, deterring the outbreak of another world war, protecting the territorial integrity of its members, and seeing the Cold War through to a peaceful conclusion;

(B) NATO remains the foundation of United States foreign policy to promote a Europe that is whole, free, and at peace;

(C) the United States is solemnly committed to the North Atlantic Treaty Organization’s principle of collective defense as enumer-
ated in Article 5 of the North Atlantic Treaty;

and

(D) the House of Representatives—

(i) strongly supports the decision at
the NATO Wales Summit in 2014 that
each alliance member would aim to spend
at least 2 percent of its nation’s gross do-
mestic product on defense by 2024;

(ii) condemns any threat to the sov-
ereignty, territorial integrity, freedom and
democracy of any NATO ally; and

(iii) welcomes the Republic of Monte-
egro as the 29th member of the NATO
Alliance.

SEC. 3. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) the President shall not withdraw the United
States from NATO; and

(2) the case Goldwater v. Carter is not control-
ling legal precedent with respect to the withdrawal
of the United States from a treaty.

SEC. 4. STATEMENT OF POLICY.

It is the policy of the United States—

(1) to remain a member in good standing of
NATO;
(2) to reject any efforts to withdraw the United States from NATO, or to indirectly withdraw from NATO by condemning or reducing contributions to NATO structures, activities, or operations, in a manner that creates a de facto withdrawal;

(3) to continue to work with NATO members to meet their 2014 Wales Defense Investment Pledge commitments; and

(4) to support robust United States funding for the European Deterrence Initiative, which increases the ability of the United States and its allies to deter and defend against Russian aggression.

SEC. 5. PROHIBITION ON THE USE OF FUNDS TO WITHDRAW FROM NATO.

Notwithstanding any other provision of law, no funds are authorized to be appropriated, obligated, or expended to take any action to withdraw the United States from the North Atlantic Treaty, done at Washington, DC on April 4, 1949, between the United States of America and
the other founding members of the North Atlantic Treaty Organization.

Passed the House of Representatives January 22, 2019.

Attest:

Clerk.
