A BILL

To provide for the coverage of non-congregate shelter under the Public Assistance program of the Robert T. Stafford Disaster Relief and Emergency Assistance Act for the emergency declared on March 13, 2020 relating to COVID-19, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
SECTION 1. SHORT TITLE.
This Act may be cited as the “Coronavirus Emergency Non-Congregate Housing Expansion Act”.

SEC. 2. NON-CONGREGATE SHELTER ASSISTANCE.
(a) IN GENERAL.—Notwithstanding sections 403, 406, 407, and 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170b, 5172, 5173, 5192), for the emergency declared on March 13, 2020, by the President under section 501 of such Act and under any subsequent major disaster declaration under section 401 of such Act, the provision of non-congregate shelter shall be an eligible use of assistance provided by the President under sections 403, 406, 407, or 502 of such Act.

(b) NON-FEDERAL SHARE.—Notwithstanding sections 403, 406, 407, and 503 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170b, 5172, 5173, 5193), the Federal share of assistance provided under sections 403, 406, 407, or 502 that is used to provide non-congregate shelter in accordance with subsection (a) shall be 100 percent.

(c) NON-CONGREGATE SHELTER DEFINED.—In this section, the term “non-congregate shelter” means shelter for—

(1) individuals who test positive for COVID–19 that do not require hospitalization, but need isola-
tion or quarantine (including individuals that are discharged from a hospital);

(2) individuals who have been exposed to COVID–19 (as documented by a State or local public health official or a medical professional) that do not require hospitalization, but need isolation or quarantine;

(3) individuals who are asymptomatic of COVID–19, but have a higher risk, including individuals over 65 or individuals with certain underlying health conditions (including respiratory, compromised immunities, and chronic disease), and that require emergency non-congregate sheltering as a social distancing measure;

(4) first responders, healthcare workers, and emergency workers that do not require hospitalization, but need isolation or quarantine (including individuals that are unable to return home as a precaution against exposing the families or housemates of such individual to COVID–19); and

(5) homeless individuals that have not been exposed or have not tested positive for COVID–19, but require emergency non-congregate sheltering to adhere to social distancing measures.
