4 State, a local government described under para-
5 graph (1)(A)(ii), or a county described under

5 (1) FINDINGS.—The Congress finds the fol-

8 and property of, and the pursuit of happiness
9 by, residents is each State’s supreme obligation.

10 (B) State reported unfunded pension liabil-
11 ities among the several States at the end of fis-
12 cal year 2018 totaled \$1,237,791,372,000.

13 (C) The economic impact of the COVID–
14 19 pandemic is likely to further increase the
15 unfunded liabilities of employee benefit plans of
16 the States and increase the annual cost of these
17 systems, creating fiscal tension between funding
18 essential government services and servicing un-
19 funded liabilities.

20 (D) The COVID–19 pandemic has caused
21 reductions in expected revenues of the States
22 while at the same time increasing public de-
23 mand for essential government services.

24 (2) SENSE OF CONGRESS.—It is the sense of
25 the Congress that if and to the extent a State’s leg-

1 legislature determines that performance of its supreme
2 obligation is impaired by funding otherwise required
3 under any health, welfare, retirement, or other ben-
4 efit plan offered to its employees, then that State’s
5 legislature, with its Governor’s consent, may change
6 the terms of any such benefit plan to the extent it
7 was not contemporaneously funded in any manner it
8 determines to be necessary and proper, notwith-
9 standing the terms of any State law or constitution
10 to the contrary.

11 (II) is subject to safeguards to
12 prevent use of amounts in the funds
13 for nonemergency purposes, such as
14 requiring a resolution approved by a
15 legislative supermajority that an
16 emergency or disaster has occurred
17 before amounts may be appropriated
18 from the fund; and

19 (ii) has enacted a State statute—

20 (I) setting a target for the fund
21 of holding reserves of 5 to 10 percent
22 of annual general revenues; and

23 (II) under which amounts are
24 automatically deposited in the fund in
25 order to meet such target, during any

1 year in which the economy is not in a
2 declared recession.

4 withstanding subparagraph (A), a State has
5 “rainy-day fund protections” if the State cer-

8 State’s rainy-day fund that are at least as
9 effective as those described under subpara-
10 graph (A); and

11 (ii) the State’s rainy-day fund held an
12 amount equal to more than 5 percent of
13 the State’s 2019 annual operating budget
14 in reserve as of January 1, 2020.

15 (6) SECRETARY.—The term “Secretary” means
16 the Secretary of the Treasury.

22 as defined by the Secretary, taking into account
23 the Actuarial Standards of Practice promul-
24 gated by the Actuarial Standards Board; and

16 tory requirement that—

17 (i) operating budgets achieve end of
18 year balance; and

19 (ii) deficits may not be carried year to
20 year; and

21 (B) for purposes of calculating revenues to
22 determine whether the State’s operating budget
23 has achieved an end of year balance, such reve-
24 nues may only include actual monies received,

1 and do not include transfers from other State
2 funds or borrowing proceeds.
