Whereas Roma have been a part of European immigration to the United States since the colonial period and particularly following the abolition of the enslavement of Roma in the historic Romanian principalities;

Whereas, on the night of August 2–3, 1944, the so-called “Gypsy Family Camp” where Romani people were interned at Auschwitz-Birkenau was liquidated, and in a single night, between 4,200 and 4,300 Romani men, women, and children were killed in gas chambers;

Whereas 2019 is the 75th anniversary of that tragic event;

Whereas many countries are taking positive steps to remember and teach about the genocide of Roma by Nazi Germany and its Axis partners; and

Whereas the United States Congress held its first hearing to examine the situation of Roma in 1994: Now, therefore, be it
