 14 amounts shall remain available until expended.

15 (4) COMMUNITY CONNECTIVITY PILOT PRO-

6 (C) TREATMENT.—Amounts made avail-  
 7 able under subparagraph (A) or (B) shall be

24 (e) DISADVANTAGED BUSINESS ENTERPRISES.—

25 (1) FINDINGS.—Congress finds that—

1 (A) while significant progress has occurred  
2 due to the establishment of the disadvantaged  
3 business enterprise program, discrimination and  
4 related barriers continue to pose significant ob-  
5 stacles for minority- and women-owned busi-  
6 nesses seeking to do business in Federally as-  
7 sisted surface transportation markets across the  
8 United States;

9 (B) the continuing barriers described in  
10 subparagraph (A) merit the continuation of the  
11 disadvantaged business enterprise program;

12 (C) Congress has received and reviewed  
13 testimony and documentation of race and gen-  
14 der discrimination from numerous sources, in-  
15 cluding congressional hearings and roundtables,  
16 scientific reports, reports issued by public and  
17 private agencies, news stories, reports of dis-  
18 crimination by organizations and individuals,  
19 and discrimination lawsuits, which show that  
20 race- and gender-neutral efforts alone are insuf-  
21 ficient to address the problem;

22 (D) the testimony and documentation de-  
23 scribed in subparagraph (C) demonstrate that  
24 discrimination across the United States poses a  
25 barrier to full and fair participation in surface

1 transportation-related businesses of women  
2 business owners and minority business owners  
3 and has impacted firm development and many  
4 aspects of surface transportation-related busi-  
5 ness in the public and private markets; and

6 (E) the testimony and documentation de-  
7 scribed in subparagraph (C) provide a strong  
8 basis that there is a compelling need for the  
9 continuation of the disadvantaged business en-  
10 terprise program to address race and gender  
11 discrimination in surface transportation-related  
12 business.

13 (2) DEFINITIONS.—In this subsection:

6 cially and economically disadvantaged individ-  
7 uals” has the meaning given the term in section  
8 8(d) of the Small Business Act (15 U.S.C.  
9 637(d)) and relevant subcontracting regulations  
10 issued pursuant to that Act, except that women  
11 shall be presumed to be socially and economi-  
12 cally disadvantaged individuals for purposes of  
13 this subsection.

14 (3) AMOUNTS FOR SMALL BUSINESS CON-  
15 CERNS.—Except to the extent that the Secretary de-  
16 termines otherwise, not less than 10 percent of the  
17 amounts made available for any program under this  
18 Act and section 403 of title 23, United States Code,  
19 shall be expended through small business concerns  
20 owned and controlled by socially and economically  
21 disadvantaged individuals.

22 (4) ANNUAL LISTING OF DISADVANTAGED BUSI-  
23 NESS ENTERPRISES.—Each State shall annually—

24 (A) survey and compile a list of the small  
25 business concerns referred to in paragraph (3)

1 in the State, including the location of the small  
 2 business concerns in the State; and

3 (B) notify the Secretary, in writing, of the  
 4 percentage of the small business concerns that  
 5 are controlled by—

6 (i) women;

7 (ii) socially and economically dis-  
 8 advantaged individuals (other than  
 9 women); and

 16 State governments in certifying whether a con-  
 17 cern qualifies as a small business concern for  
 18 the purpose of this subsection.

19 (B) INCLUSIONS.—The minimum uniform  
 20 criteria established under subparagraph (A)  
 21 shall include, with respect to a potential small  
 22 business concern—

24 (ii) personal interviews with personnel;

25 (iii) issuance or inspection of licenses;

- 9 ferred.

10 (6) REPORTING.—The Secretary shall establish  
 11 minimum requirements for use by State govern-  
 12 ments in reporting to the Secretary—

13 (A) information concerning disadvantaged  
 14 business enterprise awards, commitments, and  
 15 achievements; and

16 (B) such other information as the Sec-  
 17 retary determines to be appropriate for the  
 18 proper monitoring of the disadvantaged busi-  
 19 ness enterprise program.

20 (7) COMPLIANCE WITH COURT ORDERS.—Noth-  
 21 ing in this subsection limits the eligibility of an indi-  
 22 vidual or entity to receive funds made available  
 23 under this Act and section 403 of title 23, United  
 24 States Code, if the entity or person is prevented, in  
 25 whole or in part, from complying with paragraph (3)

1       because a Federal court issues a final order in which  
 2       the court finds that a requirement or the implemen-  
 3       tation of paragraph (3) is unconstitutional.

4               (8) SENSE OF CONGRESS ON PROMPT PAYMENT  
 5       OF DBE SUBCONTRACTORS.—It is the sense of Con-  
 6       gress that—

7               (A) the Secretary should take additional  
 8       steps to ensure that recipients comply with sec-  
 9       tion 26.29 of title 49, Code of Federal Regula-  
 10      tions (the disadvantaged business enterprises  
 11      prompt payment rule), or any corresponding  
 12      regulation, in awarding federally funded trans-  
 13      portation contracts under laws and regulations  
 14      administered by the Secretary; and

15              (B) such additional steps should include  
 16      increasing the ability of the Department to  
 17      track and keep records of complaints and to  
 18      make that information publicly available.

19   **SEC. 1102. OBLIGATION CEILING.**

20       (a) GENERAL LIMITATION.—Subject to subsection  
 21   (e), and notwithstanding any other provision of law, the
