Making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2020, and for other purposes.

IN THE SENATE OF THE UNITED STATES
SEPTEMBER 26, 2019
Ms. Murkowski, from the Committee on Appropriations, reported the following original bill; which was read twice and placed on the calendar

A BILL
Making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2020, and for other purposes.

Be it enacted by the Senate and House of Representa-
tives of the United States of America in Congress assembled,
That the following sums are appropriated, out of any
money in the Treasury not otherwise appropriated, for the
Department of the Interior, environment, and related
agencies for the fiscal year ending September 30, 2020,
and for other purposes, namely:
TITLE I

DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For necessary expenses for protection, use, improvement, development, disposal, cadastral surveying, classification, acquisition of easements and other interests in lands, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau, and assessment of mineral potential of public lands pursuant to section 1010(a) of Public Law 96–487 (16 U.S.C. 3150(a)), $1,250,274,000, to remain available until expended: Provided, That amounts in the fee account of the BLM Permit Processing Improvement Fund may be used for any bureau-related expenses associated with the processing of oil and gas applications for permits to drill and related use authorizations.

In addition, $40,696,000 is for Mining Law Administration program operations, including the cost of administering the mining claim fee program, to remain available until expended, to be reduced by amounts collected by the Bureau and credited to this appropriation from mining
claim maintenance fees and location fees that are hereby
authorized for fiscal year 2020, so as to result in a final
appropriation estimated at not more than $1,250,274,000,
and $2,000,000, to remain available until expended, from
communication site rental fees established by the Bureau
for the cost of administering communication site activities.

LAND ACQUISITION

(INCLUDING RESCISSION OF FUNDS)

For expenses necessary to carry out sections 205, 206, and 318(d) of Public Law 94–579, including admin-
istrative expenses and acquisition of lands or waters, or
interests therein, $28,800,000, to be derived from the
Land and Water Conservation Fund and to remain avail-
able until expended.

Of the unobligated balances from amounts made
available for Land Acquisition and derived from the Land
and Water Conservation Fund, $2,367,000 is hereby per-
manently rescinded from projects with cost savings or
failed or partially failed projects: Provided, That no
amounts may be rescinded from amounts that were des-
ignated by the Congress as an emergency requirement
pursuant to the Concurrent Resolution on the Budget or
the Balanced Budget and Emergency Deficit Control Act
of 1985.
OREGON AND CALIFORNIA GRANT LANDS

For expenses necessary for management, protection, and development of resources and for construction, operation, and maintenance of access roads, reforestation, and other improvements on the revested Oregon and California Railroad grant lands, on other Federal lands in the Oregon and California land-grant counties of Oregon, and on adjacent rights-of-way; and acquisition of lands or interests therein, including existing connecting roads on or adjacent to such grant lands; $106,985,000, to remain available until expended: Provided, That 25 percent of the aggregate of all receipts during the current fiscal year from the revested Oregon and California Railroad grant lands is hereby made a charge against the Oregon and California land-grant fund and shall be transferred to the General Fund in the Treasury in accordance with the second paragraph of subsection (b) of title II of the Act of August 28, 1937 (43 U.S.C. 2605).

RANGE IMPROVEMENTS

For rehabilitation, protection, and acquisition of lands and interests therein, and improvement of Federal rangelands pursuant to section 401 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1751), notwithstanding any other Act, sums equal to 50 percent of all moneys received during the prior fiscal year under

S 2580 RS
sections 3 and 15 of the Taylor Grazing Act (43 U.S.C. 315b, 315m) and the amount designated for range improvements from grazing fees and mineral leasing receipts from Bankhead-Jones lands transferred to the Department of the Interior pursuant to law, but not less than $10,000,000, to remain available until expended: Provided, That not to exceed $600,000 shall be available for administrative expenses.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related to processing application documents and other authorizations for use and disposal of public lands and resources, for costs of providing copies of official public land documents, for monitoring construction, operation, and termination of facilities in conjunction with use authorizations, and for rehabilitation of damaged property, such amounts as may be collected under Public Law 94–579 (43 U.S.C. 1701 et seq.), and under section 28 of the Mineral Leasing Act (30 U.S.C. 185), to remain available until expended: Provided, That notwithstanding any provision to the contrary of section 305(a) of Public Law 94–579 (43 U.S.C. 1735(a)), any moneys that have been or will be received pursuant to that section, whether as a result of forfeiture, compromise, or settlement, if not appropriate for refund pursuant to section 305(e) of that Act (43 U.S.C.
•S 2580 RS

1 1735(c)), shall be available and may be expended under
2 the authority of this Act by the Secretary to improve, pro-
3 tect, or rehabilitate any public lands administered through
4 the Bureau of Land Management which have been dam-
5 aged by the action of a resource developer, purchaser, per-
6 mittee, or any unauthorized person, without regard to
7 whether all moneys collected from each such action are
8 used on the exact lands damaged which led to the action:
9 Provided further, That any such moneys that are in excess
10 of amounts needed to repair damage to the exact land for
11 which funds were collected may be used to repair other
12 damaged public lands.

13 MISCELLANEOUS TRUST FUNDS
14 In addition to amounts authorized to be expended
15 under existing laws, there is hereby appropriated such
16 amounts as may be contributed under section 307 of Pub-
17 lic Law 94–579 (43 U.S.C. 1737), and such amounts as
18 may be advanced for administrative costs, surveys, ap-
19 praisals, and costs of making conveyances of omitted lands
20 under section 211(b) of that Act (43 U.S.C. 1721(b)), to
21 remain available until expended.

22 ADMINISTRATIVE PROVISIONS
23 The Bureau of Land Management may carry out the
24 operations funded under this Act by direct expenditure,
25 contracts, grants, cooperative agreements and reimburs-
able agreements with public and private entities, including with States. Appropriations for the Bureau shall be avail-
able for purchase, erection, and dismantlement of tem-
porary structures, and alteration and maintenance of nec-
essary buildings and appurtenant facilities to which the United States has title; up to $100,000 for payments, at the discretion of the Secretary, for information or evidence concerning violations of laws administered by the Bureau; miscellaneous and emergency expenses of enforcement ac-
tivities authorized or approved by the Secretary and to be accounted for solely on the Secretary’s certificate, not to exceed $10,000: Provided, That notwithstanding Public Law 90–620 (44 U.S.C. 501), the Bureau may, under co-
operative cost-sharing and partnership arrangements au-
thorized by law, procure printing services from cooperators in connection with jointly produced publications for which the cooperators share the cost of printing either in cash or in services, and the Bureau determines the cooperator is capable of meeting accepted quality standards: Provided further, That projects to be funded pursuant to a written commitment by a State government to provide an identi-
fied amount of money in support of the project may be carried out by the Bureau on a reimbursable basis. Appropri-
ations herein made shall not be available for the de-
struction of healthy, unadopted, wild horses and burros
in the care of the Bureau or its contractors or for the sale of wild horses and burros that results in their destruction for processing into commercial products.

United States Fish and Wildlife Service

Resource Management

For necessary expenses of the United States Fish and Wildlife Service, as authorized by law, and for scientific and economic studies, general administration, and for the performance of other authorized functions related to such resources, $1,357,182,000, to remain available until September 30, 2021: Provided, That not to exceed $18,318,000 shall be used for implementing subsections (a), (b), (c), and (e) of section 4 of the Endangered Species Act of 1973 (16 U.S.C. 1533) (except for processing petitions, developing and issuing proposed and final regulations, and taking any other steps to implement actions described in subsection (c)(2)(A), (c)(2)(B)(i), or (c)(2)(B)(ii)).

Construction

For construction, improvement, acquisition, or removal of buildings and other facilities required in the conservation, management, investigation, protection, and utilization of fish and wildlife resources, and the acquisition of lands and interests therein; $43,226,000, to remain available until expended.
For expenses necessary to carry out chapter 2003 of title 54, United States Code, including administrative expenses, and for acquisition of land or waters, or interest therein, in accordance with statutory authority applicable to the United States Fish and Wildlife Service, $58,770,000, to be derived from the Land and Water Conservation Fund and to remain available until expended: Provided, That none of the funds appropriated for specific land acquisition projects may be used to pay for any administrative overhead, planning or other management costs.

Of the unobligated balances from amounts made available for the Fish and Wildlife Service and derived from the Land and Water Conservation Fund, $3,628,000 is hereby permanently rescinded from projects with cost savings or failed or partially failed projects: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.
COOPERATIVE ENDANGERED SPECIES CONSERVATION

FUND

(INCLUDING RESCISSION OF FUNDS)

For expenses necessary to carry out section 6 of the Endangered Species Act of 1973 (16 U.S.C. 1535), $53,495,000, to remain available until expended, of which $22,695,000 is to be derived from the Cooperative Endangered Species Conservation Fund; and of which $30,800,000 is to be derived from the Land and Water Conservation Fund.

Of the unobligated balances made available from the Cooperative Endangered Species Conservation Fund, $18,771,000 is permanently rescinded from projects or from other grant programs with an unobligated carry over balance: Provided, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

NATIONAL WILDLIFE REFUGE FUND

For expenses necessary to implement the Act of October 17, 1978 (16 U.S.C. 715s), $13,228,000.

NORTH AMERICAN WETLANDS CONSERVATION FUND

For expenses necessary to carry out the provisions of the North American Wetlands Conservation Act (16
U.S.C. 4401 et seq.), $44,000,000, to remain available until expended.

NEOTROPICAL MIGRATORY BIRD CONSERVATION

For expenses necessary to carry out the Neotropical Migratory Bird Conservation Act (16 U.S.C. 6101 et seq.), $4,910,000, to remain available until expended.

MULTINATIONAL SPECIES CONSERVATION FUND

STATE AND TRIBAL WILDLIFE GRANTS

For wildlife conservation grants to States and to the District of Columbia, Puerto Rico, Guam, the United States Virgin Islands, the Northern Mariana Islands, American Samoa, and Indian tribes under the provisions of the Fish and Wildlife Act of 1956 and the Fish and Wildlife Coordination Act, for the development and implementation of programs for the benefit of wildlife and their habitat, including species that are not hunted or fished, $65,171,000, to remain available until expended: Pro-
vided, That of the amount provided herein, $4,809,000 is for a competitive grant program for Indian tribes not subject to the remaining provisions of this appropriation: Provided further, That $6,362,000 is for a competitive grant program to implement approved plans for States, territories, and other jurisdictions and at the discretion of affected States, the regional Associations of fish and wildlife agencies, not subject to the remaining provisions of this appropriation: Provided further, That the Secretary shall, after deducting $10,571,000 and administrative expenses, apportion the amount provided herein in the following manner: (1) to the District of Columbia and to the Commonwealth of Puerto Rico, each a sum equal to not more than one-half of 1 percent thereof; and (2) to Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands, each a sum equal to not more than one-fourth of 1 percent thereof: Provided further, That the Secretary shall apportion the remaining amount in the following manner: (1) one-third of which is based on the ratio to which the land area of such State bears to the total land area of all such States; and (2) two-thirds of which is based on the ratio to which the population of such State bears to the total population of all such States: Provided further, That the amounts apportioned under this paragraph shall be ad-
justed equitably so that no State shall be apportioned a
sum which is less than 1 percent of the amount available
for apportionment under this paragraph for any fiscal year
or more than 5 percent of such amount: Provided further,
That the Federal share of planning grants shall not exceed
75 percent of the total costs of such projects and the Fed-
eral share of implementation grants shall not exceed 65
percent of the total costs of such projects: Provided fur-
ther, That the non-Federal share of such projects may not
be derived from Federal grant programs: Provided further,
That any amount apportioned in 2020 to any State, terri-
tory, or other jurisdiction that remains unobligated as of
September 30, 2021, shall be reapportioned, together with
funds appropriated in 2022, in the manner provided here-
in.

ADMINISTRATIVE PROVISIONS
(INCLUDING RESCISSION OF FUNDS)

The United States Fish and Wildlife Service may
carry out the operations of Service programs by direct ex-
penditure, contracts, grants, cooperative agreements and
reimbursable agreements with public and private entities.
Appropriations and funds available to the United States
Fish and Wildlife Service shall be available for repair of
damage to public roads within and adjacent to reservation
areas caused by operations of the Service; options for the
purchase of land at not to exceed $1 for each option; facilities incident to such public recreational uses on conservation areas as are consistent with their primary purpose; and the maintenance and improvement of aquaria, buildings, and other facilities under the jurisdiction of the Service and to which the United States has title, and which are used pursuant to law in connection with management, and investigation of fish and wildlife resources: Provided, That notwithstanding 44 U.S.C. 501, the Service may, under cooperative cost sharing and partnership arrangements authorized by law, procure printing services from cooperators in connection with jointly produced publications for which the cooperators share at least one-half the cost of printing either in cash or services and the Service determines the cooperator is capable of meeting accepted quality standards: Provided further, That the Service may accept donated aircraft as replacements for existing aircraft: Provided further, That notwithstanding 31 U.S.C. 3302, all fees collected for non-toxic shot review and approval shall be deposited under the heading “United States Fish and Wildlife Service—Resource Management” and shall be available to the Secretary, without further appropriation, to be used for expenses of processing of such non-toxic shot type or coating applications and revis-
ing regulations as necessary, and shall remain available until expended.

NATIONAL PARK SERVICE

OPERATION OF THE NATIONAL PARK SYSTEM

For expenses necessary for the management, operation, and maintenance of areas and facilities administered by the National Park Service and for the general administration of the National Park Service, $2,564,597,000, of which $10,032,000 shall be for planning and interagency coordination in support of Everglades restoration and $135,980,000 shall be for maintenance, repair, or rehabilitation projects for constructed assets and $153,575,000 for cyclic maintenance projects for constructed assets and cultural resources shall remain available until September 30, 2021: Provided, That funds appropriated under this heading in this Act are available for the purposes of section 5 of Public Law 95–348: Provided further, That notwithstanding section 9(a) of the United States Semiquincentennial Commission Act of 2016 (Public Law 114–196; 130 Stat. 691), $3,300,000 of the funds made available under this heading shall be provided to the organization selected under section 9(b) of that Act for expenditure by the United States Semiquincentennial Commission in accordance with that Act.
NATIONAL RECREATION AND PRESERVATION

For expenses necessary to carry out recreation programs, natural programs, cultural programs, heritage partnership programs, environmental compliance and review, international park affairs, and grant administration, not otherwise provided for, $68,084,000.

National Register of Historic Places and as National Historic Landmarks associated with communities currently under-represented, as determined by the Secretary, $16,250,000 is for competitive grants to preserve the sites and stories of the Civil Rights movement, $9,000,000 is for grants to Historically Black Colleges and Universities, and $7,500,000 is for competitive grants for the restoration of historic properties of national, State and local significance listed on or eligible for inclusion on the National Register of Historic Places, to be made without imposing the usage or direct grant restrictions of section 101(e)(3) (54 U.S.C. 302904) of the National Historical Preservation Act: Provided further, That such competitive grants shall be made without imposing the matching requirements in section 302902(b)(3) of title 54, United States Code, to States and Indian tribes as defined in chapter 3003 of such title, Native Hawaiian organizations, local governments, including Certified Local Governments, and non-profit organizations.

CONSTRUCTION

For construction, improvements, repair, or replacement of physical facilities, and compliance and planning for programs and areas administered by the National Park Service, $392,185,000, to remain available until expended: Provided, That notwithstanding any other provi-
sion of law, for any project initially funded in fiscal year 2020 with a future phase indicated in the National Park Service 5-Year Line Item Construction Plan, a single procurement may be issued which includes the full scope of the project: Provided further, That the solicitation and contract shall contain the clause availability of funds found at 48 CFR 52.232–18: Provided further, That National Park Service Donations, Park Concessions Franchise Fees, and Recreation Fees may be made available for the cost of adjustments and changes within the original scope of effort for projects funded by the National Park Service Construction appropriation: Provided further, That the Secretary of the Interior shall consult with the Committees on Appropriations, in accordance with current reprogramming thresholds, prior to making any charges authorized by this section.

LAND ACQUISITION AND STATE ASSISTANCE (INCLUDING RESCISSION OF FUNDS)

For expenses necessary to carry out chapter 2003 of title 54, United States Code, including administrative expenses, and for acquisition of lands or waters, or interest therein, in accordance with the statutory authority applicable to the National Park Service, $199,899,000, to be derived from the Land and Water Conservation Fund and to remain available until expended, of which $140,000,000
is for the State assistance program and of which $10,000,000 shall be for the American Battlefield Protection Program grants as authorized by chapter 3081 of title 54, United States Code.

Of the unobligated balances from amounts made available for the National Park Service and derived from the Land and Water Conservation Fund, $2,279,000 is hereby permanently rescinded from projects or from other grant programs with an unobligated carry over balance: Provided, That no amounts may be rescinded from amounts that were designed by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

CENTENNIAL CHALLENGE

For expenses necessary to carry out the provisions of section 101701 of title 54, United States Code, relating to challenge cost share agreements, $20,000,000, to remain available until expended, for Centennial Challenge projects and programs: Provided, That not less than 50 percent of the total cost of each project or program shall be derived from non-Federal sources in the form of donated cash, assets, or a pledge of donation guaranteed by an irrevocable letter of credit.
ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

In addition to other uses set forth in section 101917(c)(2) of title 54, United States Code, franchise fees credited to a sub-account shall be available for expenditure by the Secretary, without further appropriation, for use at any unit within the National Park System to extinguish or reduce liability for Possessory Interest or leasehold surrender interest. Such funds may only be used for this purpose to the extent that the benefitting unit anticipated franchise fee receipts over the term of the contract at that unit exceed the amount of funds used to extinguish or reduce liability. Franchise fees at the benefitting unit shall be credited to the sub-account of the originating unit over a period not to exceed the term of a single contract at the benefitting unit, in the amount of funds so expended to extinguish or reduce liability.

For the costs of administration of the Land and Water Conservation Fund grants authorized by section 105(a)(2)(B) of the Gulf of Mexico Energy Security Act of 2006 (Public Law 109–432), the National Park Service may retain up to 3 percent of the amounts which are authorized to be disbursed under such section, such retained amounts to remain available until expended.
National Park Service funds may be transferred to the Federal Highway Administration (FHWA), Department of Transportation, for purposes authorized under 23 U.S.C. 204. Transfers may include a reasonable amount for FHWA administrative support costs.

UNITED STATES GEOLOGICAL SURVEY
SURVEYS, INVESTIGATIONS, AND RESEARCH

For expenses necessary for the United States Geological Survey to perform surveys, investigations, and research covering topography, geology, hydrology, biology, and the mineral and water resources of the United States, its territories and possessions, and other areas as authorized by 43 U.S.C. 31, 1332, and 1340; classify lands as to their mineral and water resources; give engineering supervision to power permittees and Federal Energy Regulatory Commission licensees; administer the minerals exploration program (30 U.S.C. 641); conduct inquiries into the economic conditions affecting mining and materials processing industries (30 U.S.C. 3, 21a, and 1603; 50 U.S.C. 98g(1)) and related purposes as authorized by law; and to publish and disseminate data relative to the foregoing activities; $1,209,601,000, to remain available until September 30, 2021; of which $79,337,000 shall remain available until expended for satellite operations; and of which $71,164,000 shall be available until expended for
deferred maintenance and capital improvement projects that exceed $100,000 in cost: Provided, That none of the funds provided for the ecosystem research activity shall be used to conduct new surveys on private property, unless specifically authorized in writing by the property owner: Provided further, That no part of this appropriation shall be used to pay more than one-half the cost of topographic mapping or water resources data collection and investigations carried on in cooperation with States and municipalities.

ADMINISTRATIVE PROVISIONS

From within the amount appropriated for activities of the United States Geological Survey such sums as are necessary shall be available for contracting for the furnishing of topographic maps and for the making of geophysical or other specialized surveys when it is administratively determined that such procedures are in the public interest; construction and maintenance of necessary buildings and appurtenant facilities; acquisition of lands for gauging stations, observation wells, and seismic equipment; expenses of the United States National Committee for Geological Sciences; and payment of compensation and expenses of persons employed by the Survey duly appointed to represent the United States in the negotiation and administration of interstate compacts: Provided, That
activities funded by appropriations herein made may be accomplished through the use of contracts, grants, or co-operative agreements as defined in section 6302 of title 31, United States Code: Provided further, That the United States Geological Survey may enter into contracts or co-operative agreements directly with individuals or indirectly with institutions or nonprofit organizations, without regard to 41 U.S.C. 6101, for the temporary or intermittent services of students or recent graduates, who shall be considered employees for the purpose of chapters 57 and 81 of title 5, United States Code, relating to compensation for travel and work injuries, and chapter 171 of title 28, United States Code, relating to tort claims, but shall not be considered to be Federal employees for any other purposes.

BUREAU OF OCEAN ENERGY MANAGEMENT

OCEAN ENERGY MANAGEMENT

For expenses necessary for granting and administering leases, easements, rights-of-way and agreements for use for oil and gas, other minerals, energy, and marine-related purposes on the Outer Continental Shelf and approving operations related thereto, as authorized by law; for environmental studies, as authorized by law; for implementing other laws and to the extent provided by Presidential or Secretarial delegation; and for matching grants
or cooperative agreements, $193,426,000, of which $133,426,000 is to remain available until September 30, 2021, and of which $60,000,000 is to remain available until expended: Provided, That this total appropriation shall be reduced by amounts collected by the Secretary and credited to this appropriation from additions to receipts resulting from increases to lease rental rates in effect on August 5, 1993, and from cost recovery fees from activities conducted by the Bureau of Ocean Energy Management pursuant to the Outer Continental Shelf Lands Act, including studies, assessments, analysis, and miscellaneous administrative activities: Provided further, That the sum herein appropriated shall be reduced as such collections are received during the fiscal year, so as to result in a final fiscal year 2020 appropriation estimated at not more than $133,426,000: Provided further, That not to exceed $3,000 shall be available for reasonable expenses related to promoting volunteer beach and marine cleanup activities.

Bureau of Safety and Environmental Enforcement

Offshore Safety and Environmental Enforcement

For expenses necessary for the regulation of operations related to leases, easements, rights-of-way and agreements for use for oil and gas, other minerals, energy,
and marine-related purposes on the Outer Continental Shelf, as authorized by law; for enforcing and implementing laws and regulations as authorized by law and to the extent provided by Presidential or Secretarial delegation; and for matching grants or cooperative agreements, $146,341,000, of which $120,341,000 is to remain available until September 30, 2021, and of which $26,000,000 is to remain available until expended: Provided, That this total appropriation shall be reduced by amounts collected by the Secretary and credited to this appropriation from additions to receipts resulting from increases to lease rental rates in effect on August 5, 1993, and from cost recovery fees from activities conducted by the Bureau of Safety and Environmental Enforcement pursuant to the Outer Continental Shelf Lands Act, including studies, assessments, analysis, and miscellaneous administrative activities: Provided further, That the sum herein appropriated shall be reduced as such collections are received during the fiscal year, so as to result in a final fiscal year 2020 appropriation estimated at not more than $120,341,000.

For an additional amount, $41,000,000, to remain available until expended, to be reduced by amounts collected by the Secretary and credited to this appropriation, which shall be derived from non-refundable inspection fees
collected in fiscal year 2020, as provided in this Act: Provided, That to the extent that amounts realized from such inspection fees exceed $41,000,000, the amounts realized in excess of $41,000,000 shall be credited to this appropriation and remain available until expended: Provided further, That for fiscal year 2020, not less than 50 percent of the inspection fees expended by the Bureau of Safety and Environmental Enforcement will be used to fund personnel and mission-related costs to expand capacity and expedite the orderly development, subject to environmental safeguards, of the Outer Continental Shelf pursuant to the Outer Continental Shelf Lands Act (43 U.S.C. 1331 et seq.), including the review of applications for permits to drill.

**OIL SPILL RESEARCH**

For necessary expenses to carry out title I, section 1016, title IV, sections 4202 and 4303, title VII, and title VIII, section 8201 of the Oil Pollution Act of 1990, $14,899,000, which shall be derived from the Oil Spill Liability Trust Fund, to remain available until expended.

**OFFICE OF SURFACE MINING RECLAMATION AND ENFORCEMENT**

REGULATION AND TECHNOLOGY

For necessary expenses to carry out the provisions of the Surface Mining Control and Reclamation Act of
1977, Public Law 95–87, $117,768,000, to remain available until September 30, 2021: Provided, That appropriations for the Office of Surface Mining Reclamation and Enforcement may provide for the travel and per diem expenses of State and tribal personnel attending Office of Surface Mining Reclamation and Enforcement sponsored training.

In addition, for costs to review, administer, and enforce permits issued by the Office pursuant to section 507 of Public Law 95–87 (30 U.S.C. 1257), $40,000, to remain available until expended: Provided, That fees assessed and collected by the Office pursuant to such section 507 shall be credited to this account as discretionary offsetting collections, to remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as collections are received during the fiscal year, so as to result in a fiscal year 2020 appropriation estimated at not more than $117,678,000.

ABANDONED MINE RECLAMATION FUND

For necessary expenses to carry out title IV of the Surface Mining Control and Reclamation Act of 1977, Public Law 95–87, $24,713,000, to be derived from receipts of the Abandoned Mine Reclamation Fund and to remain available until expended: Provided, That pursuant
to Public Law 97–365, the Department of the Interior is
authorized to use up to 20 percent from the recovery of
the delinquent debt owed to the United States Government
to pay for contracts to collect these debts: Provided fur-
ther, That funds made available under title IV of Public
Law 95–87 may be used for any required non-Federal
share of the cost of projects funded by the Federal Gov-
ernment for the purpose of environmental restoration re-
lated to treatment or abatement of acid mine drainage
from abandoned mines: Provided further, That such
projects must be consistent with the purposes and prior-
ities of the Surface Mining Control and Reclamation Act:
Provided further, That amounts provided under this head-
ing may be used for the travel and per diem expenses of
State and tribal personnel attending Office of Surface
Mining Reclamation and Enforcement sponsored training.
In addition, $115,000,000, to remain available until
expended, for grants to States and federally recognized In-
dian Tribes for reclamation of abandoned mine lands and
other related activities in accordance with the terms and
conditions described in the report accompanying this Act:
Provided, That such additional amount shall be used for
economic and community development in conjunction with
the priorities in section 403(a) of the Surface Mining Con-
trol and Reclamation Act of 1977 (30 U.S.C. 1233(a)): 25
Provided further, That of such additional amount, $75,000,000 shall be distributed in equal amounts to the 3 Appalachian States with the greatest amount of unfunded needs to meet the priorities described in paragraphs (1) and (2) of such section, $30,000,000 shall be distributed in equal amounts to the 3 Appalachian States with the subsequent greatest amount of unfunded needs to meet such priorities, and $10,000,000 shall be for grants to federally recognized Indian Tribes without regard to their status as certified or uncertified under the Surface Mining Control and Reclamation Act of 1977 (30 U.S.C. 1233(a)), for reclamation of abandoned mine lands and other related activities in accordance with the terms and conditions described in the report accompanying this Act and shall be used for economic and community development in conjunction with the priorities in section 403(a) of the Surface Mining Control and Reclamation Act of 1977: Provided further, That such additional amount shall be allocated to States and Indian Tribes within 60 days after the date of enactment of this Act.
For expenses necessary for the operation of Indian programs, as authorized by law, including the Snyder Act of November 2, 1921 (25 U.S.C. 13), the Indian Self-Determination and Education Assistance Act of 1975 (25 U.S.C. 5301 et seq.), $1,533,461,000, to remain available until September 30, 2021, except as otherwise provided herein; of which not to exceed $8,500 may be for official reception and representation expenses; of which not to exceed $74,734,000 shall be for welfare assistance payments: Provided, That in cases of designated Federal disasters, the Secretary may exceed such cap, for welfare payments from the amounts provided herein, to provide for disaster relief to Indian communities affected by the disaster: Provided further, That federally recognized Indian tribes and tribal organizations of federally recognized Indian tribes may use their tribal priority allocations for unmet welfare assistance costs: Provided further, That not to exceed $57,424,000 shall remain available until expended for housing improvement, road maintenance, attorney fees, litigation support, land records improvement, and the Navajo-Hopi Settlement Program: Provided further,
ther, That any forestry funds allocated to a federally rec-
ognized tribe which remain unobligated as of September
30, 2021, may be transferred during fiscal year 2022 to
an Indian forest land assistance account established for
the benefit of the holder of the funds within the holder’s
trust fund account: Provided further, That any such unob-
ligated balances not so transferred shall expire on Sep-
tember 30, 2022: Provided further, That in order to en-
hance the safety of Bureau field employees, the Bureau
may use funds to purchase uniforms or other identifying
articles of clothing for personnel: Provided further, That
the Bureau of Indian Affairs may accept transfers of
funds from U.S. Customs and Border Protection to sup-
plement any other funding available for reconstruction or
repair of roads owned by the Bureau of Indian Affairs
as identified on the National Tribal Transportation Facil-
ity Inventory, 23 U.S.C. 202(b)(1).

CONTRACT SUPPORT COSTS

For payments to tribes and tribal organizations for
contract support costs associated with Indian Self-Deter-
mination and Education Assistance Act agreements with
the Bureau of Indian Affairs and the Bureau of Indian
Education for fiscal year 2020, such sums as may be nec-
essary, which shall be available for obligation through Sep-
tember 30, 2021: Provided, That notwithstanding any
other provision of law, no amounts made available under this heading shall be available for transfer to another budget account.

CONSTRUCTION

(INCLUDING TRANSFER AND RESCISSION OF FUNDS)

For construction, repair, improvement, and maintenance of irrigation and power systems, buildings, utilities, and other facilities, including architectural and engineering services by contract; acquisition of lands, and interests in lands; and preparation of lands for farming, and for construction of the Navajo Indian Irrigation Project pursuant to Public Law 87–483; $128,723,000, to remain available until expended: **Provided**, That such amounts as may be available for the construction of the Navajo Indian Irrigation Project may be transferred to the Bureau of Reclamation: **Provided further**, That any funds provided for the Safety of Dams program pursuant to the Act of November 2, 1921 (25 U.S.C. 13), shall be made available on a nonreimbursable basis: **Provided further**, That in order to ensure timely completion of construction projects, the Secretary may assume control of a project and all funds related to the project, if, within 18 months of the date of enactment of this Act, any Public Law 93–638 contractor receiving funds appropriated in this Act or in any prior Act, has not completed the planning and design
phase of the project and commenced construction: Provided further, That this appropriation may be reimbursed from the Office of the Special Trustee for American Indians appropriation for the appropriate share of construction costs for space expansion needed in agency offices to meet trust reform implementation: Provided further, That of the funds made available under this heading, $10,000,000 shall be derived from the Indian Irrigation Fund established by section 3211 of the WIIN Act (Public Law 114–322; 130 Stat. 1749).

Of the unobligated balances made available for the “Construction, Resources Management” account, $2,000,000 is permanently rescinded: Provided, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

INDIAN LAND AND WATER CLAIM SETTLEMENTS AND MISCELLANEOUS PAYMENTS TO INDIANS

For payments and necessary administrative expenses for implementation of Indian land and water claim settlements pursuant to Public Laws 99–264, 100–580, 101–618, 111–11, 111–291, and 114–322, and for implemen-
operation of other land and water rights settlements, $45,644,000, to remain available until expended.

INDIAN GUARANTEED LOAN PROGRAM ACCOUNT

For the cost of guaranteed loans and insured loans, $10,779,000, of which $1,455,000 is for administrative expenses, as authorized by the Indian Financing Act of 1974: Provided, That such costs, including the cost of modifying such loans, shall be as defined in section 502 of the Congressional Budget Act of 1974: Provided further, That these funds are available to subsidize total loan principal, any part of which is to be guaranteed or insured, not to exceed $174,616,164.

BUREAU OF INDIAN EDUCATION

OPERATION OF INDIAN EDUCATION PROGRAMS

(INCLUDING TRANSFER OF FUNDS)

of Federally recognized Indian tribes may use their tribal priority allocations for unmet welfare assistance costs: Provided further, That not to exceed $685,223,000 for school operations costs of Bureau-funded schools and other education programs shall become available on July 1, 2020, and shall remain available until September 30, 2021: Provided further, That notwithstanding any other provision of law, including but not limited to the Indian Self-Determination Act of 1975 (25 U.S.C. 5301 et seq.) and section 1128 of the Education Amendments of 1978 (25 U.S.C.), not to exceed $83,407,000 within and only from such amounts made available for school operations shall be available for administrative cost grants associated with grants approved prior to July 1, 2020: Provided further, That in order to enhance safety of Bureau field employees, the Bureau may use funds to purchase uniforms or other identifying articles of clothing for personnel.

EDUCATION CONSTRUCTION

For construction, repair, improvements, and maintenance of buildings, utilities and other facilities necessary for the operation of Indian education programs, including architectural and engineering services by contract; acquisition of lands, and interests in lands: $238,250,000, to remain available until expended; Provided, That in order to ensure timely completion of construction projects, the Sec-
retary may assume control of a project and all funds re-
related to the project, if, within 18 months of the date of
enactment of this Act, any Public Law 100–297 (25
U.S.C. 2501 et seq.) grantee or Public Law 93–638 (25
U.S.C. 5301 et seq.) contractor receiving funds appro-
priated in this Act or in any prior Act, has not completed
the planning and design phase of the project and com-
enced construction.

ADMINISTRATIVE PROVISIONS

The Bureau of Indian Affairs and the Bureau of In-
dian Education may carry out the operation of Indian pro-
grams by direct expenditure, contracts, cooperative agree-
ments, compacts, and grants, either directly or in coopera-
tion with States and other organizations.

Notwithstanding Public Law 87–279 (25 U.S.C. 15),
the Bureau of Indian Affairs may contract for services in
support of the management, operation, and maintenance
of the Power Division of the San Carlos Irrigation Project.

Notwithstanding any other provision of law, no funds
available to the Bureau of Indian Affairs or the Bureau
of Indian Education for central office oversight, Education
Management, and Executive Direction and Administrative
Services (except executive direction and administrative
services funding for Tribal Priority Allocations, regional
offices, and facilities operations and maintenance) shall be
available for contracts, grants, compacts, or cooperative
greements with the Bureau of Indian Affairs or the Bu-
reau of Indian Education under the provisions of the In-
dian Self-Determination Act or the Tribal Self-Governance
Act as amended.

In the event any tribe returns appropriations made
available by this Act to the Bureau of Indian Affairs or
the Bureau of Indian Education, this action shall not di-
minish the Federal Government’s trust responsibility to
that tribe, or the government-to-government relationship
between the United States and that tribe, or that tribe’s
ability to access future appropriations.

Notwithstanding any other provision of law, no funds
available to the Bureau of Indian Education, other than
the amounts provided herein for assistance to public
schools under 25 U.S.C. 452 et seq., shall be available to
support the operation of any elementary or secondary
school in the State of Alaska.

No funds available to the Bureau of Indian Edu-
cation shall be used to support expanded grades for any
school or dormitory beyond the grade structure in place
or approved by the Secretary of the Interior at each school
in the Bureau of Indian Education school system as of
October 1, 1995, except that the Secretary of the Interior
may waive this prohibition to support expansion of up to
one additional grade when the Secretary determines such waiver is needed to support accomplishment of the mission of the Bureau of Indian Education, or more than one grade to expand the elementary grade structure for the Bureau-funded schools with a K–2 grade structure on October 1, 1996. Appropriations made available in this or any prior Act for schools funded by the Bureau shall be available, in accordance with the Bureau’s funding formula, only to the schools in the Bureau school system as of September 1, 1996, and to any school or school program that was reinstated in fiscal year 2012. Funds made available under this Act may not be used to establish a charter school at a Bureau-funded school (as that term is defined in section 1141 of the Education Amendments of 1978 (25 U.S.C. 2021)), except that a charter school that is in existence on the date of the enactment of this Act and that has operated at a Bureau-funded school before September 1, 1999, may continue to operate during that period, but only if the charter school pays to the Bureau a pro rata share of funds to reimburse the Bureau for the use of the real and personal property (including buses and vans), the funds of the charter school are kept separate and apart from Bureau funds, and the Bureau does not assume any obligation for charter school programs of the State in which the school is located if the
charter school loses such funding. Employees of Bureau-funded schools sharing a campus with a charter school and performing functions related to the charter school’s operation and employees of a charter school shall not be treated as Federal employees for purposes of chapter 171 of title 28, United States Code.

Notwithstanding any other provision of law, including section 113 of title I of appendix C of Public Law 106–113, if in fiscal year 2003 or 2004 a grantee received indirect and administrative costs pursuant to a distribution formula based on section 5(f) of Public Law 101–301, the Secretary shall continue to distribute indirect and administrative cost funds to such grantee using the section 5(f) distribution formula.

Funds available under this Act may not be used to establish satellite locations of schools in the Bureau school system as of September 1, 1996, except that the Secretary may waive this prohibition in order for an Indian tribe to provide language and cultural immersion educational programs for non-public schools located within the jurisdictional area of the tribal government which exclusively serve tribal members, do not include grades beyond those currently served at the existing Bureau-funded school, provide an educational environment with educator presence and academic facilities comparable to the Bureau-
funded school, comply with all applicable Tribal, Federal, or State health and safety standards, and the Americans with Disabilities Act, and demonstrate the benefits of establishing operations at a satellite location in lieu of incurring extraordinary costs, such as for transportation or other impacts to students such as those caused by busing students extended distances: \textit{Provided}, That no funds available under this Act may be used to fund operations, maintenance, rehabilitation, construction or other facilities-related costs for such assets that are not owned by the Bureau: \textit{Provided further}, That the term “satellite school” means a school location physically separated from the existing Bureau school by more than 50 miles but that forms part of the existing school in all other respects.

Funds made available within Operation of Indian Programs, Operation of Indian Education Programs, Construction, and Education Construction may be used to execute requested adjustments in tribal priority allocations.

into the Compact Trust Fund of the Republic of the Mar-
shall Islands as compensation authorized by Public Law
108–188 for adverse financial and economic impacts.

**Administrative Provisions**

**Including Transfer of Funds**

At the request of the Governor of Guam, the Sec-
retary may transfer discretionary funds or mandatory
funds provided under section 104(e) of Public Law 108–
188 and Public Law 104–134, that are allocated for
Guam, to the Secretary of Agriculture for the subsidy cost
of direct or guaranteed loans, plus not to exceed three per-
cent of the amount of the subsidy transferred for the cost
of loan administration, for the purposes authorized by the
Rural Electrification Act of 1936 and section 306(a)(1)
of the Consolidated Farm and Rural Development Act for
construction and repair projects in Guam, and such funds
shall remain available until expended: *Provided*, That such
costs, including the cost of modifying such loans, shall be
as defined in section 502 of the Congressional Budget Act
of 1974: *Provided further*, That such loans or loan guaran-
tees may be made without regard to the population of the
area, credit elsewhere requirements, and restrictions on
the types of eligible entities under the Rural Electrifica-
tion Act of 1936 and section 306(a)(1) of the Consolidated
Farm and Rural Development Act: *Provided further*, That
any funds transferred to the Secretary of Agriculture shall be in addition to funds otherwise made available to make or guarantee loans under such authorities.

Programs” account, the Office of the Solicitor, “Salaries and Expenses” account, and the Office of the Secretary, “Departmental Operations” account: Provided further, That funds made available through contracts or grants obligated during fiscal year 2020, as authorized by the Indian Self-Determination Act of 1975 (25 U.S.C. 5301 et seq.), shall remain available until expended by the contractor or grantee: Provided further, That notwithstanding any other provision of law, the Secretary shall not be required to provide a quarterly statement of performance for any Indian trust account that has not had activity for at least 15 months and has a balance of $15 or less: Provided further, That the Secretary shall issue an annual account statement and maintain a record of any such accounts and shall permit the balance in each such account to be withdrawn upon the express written request of the account holder: Provided further, That not to exceed $50,000 is available for the Secretary to make payments to correct administrative errors of either disbursements from or deposits to Individual Indian Money or Tribal accounts after September 30, 2002: Provided further, That erroneous payments that are recovered shall be credited to and remain available in this account for this purpose: Provided further, That the Secretary shall not be required to reconcile Special Deposit Accounts with a balance of less than
$500 unless the Office of the Special Trustee receives proof of ownership from a Special Deposit Accounts claimant: *Provided further*, That notwithstanding section 102 of the American Indian Trust Fund Management Reform Act of 1994 (Public Law 103–412) or any other provision of law, the Secretary may aggregate the trust accounts of individuals whose whereabouts are unknown for a continuous period of at least five years and shall not be required to generate periodic statements of performance for the individual accounts: *Provided further*, That with respect to the eighth proviso, the Secretary shall continue to maintain sufficient records to determine the balance of the individual accounts, including any accrued interest and income, and such funds shall remain available to the individual account holders.

**DEPARTMENT-WIDE PROGRAMS**

**WILDLAND FIRE MANAGEMENT**

*(INCLUDING TRANSFERS OF FUNDS)*

For necessary expenses for fire preparedness, fire suppression operations, fire science and research, emergency rehabilitation, fuels management activities, and rural fire assistance by the Department of the Interior, $952,338,000, to remain available until expended, of which not to exceed $18,427,000 shall be for the renovation or construction of fire facilities: *Provided*, That such
funds are also available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes: *Provided further,* That of the funds provided $194,000,000 is for fuels management activities: *Provided further,* That of the funds provided $20,470,000 is for burned area rehabilitation: *Provided further,* That persons hired pursuant to 43 U.S.C. 1469 may be furnished subsistence and lodging without cost from funds available from this appropriation: *Provided further,* That notwithstanding 42 U.S.C. 1856d, sums received by a bureau or office of the Department of the Interior for fire protection rendered pursuant to 42 U.S.C. 1856 et seq., protection of United States property, may be credited to the appropriation from which funds were expended to provide that protection, and are available without fiscal year limitation: *Provided further,* That using the amounts designated under this title of this Act, the Secretary of the Interior may enter into procurement contracts, grants, or cooperative agreements, for fuels management activities, and for training and monitoring associated with such fuels management activities on Federal land, or on adjacent non-Federal land for activities that benefit resources on Federal land: *Provided further,* That the costs of implementing any cooperative agreement between the Federal Government and any non-Federal en-
tity may be shared, as mutually agreed on by the affected
parties: Provided further, That notwithstanding require-
ments of the Competition in Contracting Act, the Sec-
retary, for purposes of fuels management activities, may
obtain maximum practicable competition among: (1) local
private, nonprofit, or cooperative entities; (2) Youth Con-
servation Corps crews, Public Lands Corps (Public Law
109–154), or related partnerships with State, local, or
nonprofit youth groups; (3) small or micro-businesses; or
(4) other entities that will hire or train locally a significant
percentage, defined as 50 percent or more, of the project
workforce to complete such contracts: Provided further,
That in implementing this section, the Secretary shall de-
velop written guidance to field units to ensure account-
ability and consistent application of the authorities pro-
vided herein: Provided further, That funds appropriated
under this heading may be used to reimburse the United
States Fish and Wildlife Service and the National Marine
Fisheries Service for the costs of carrying out their re-
sponsibilities under the Endangered Species Act of 1973
(16 U.S.C. 1531 et seq.) to consult and conference, as
required by section 7 of such Act, in connection with
wildland fire management activities: Provided further,
That the Secretary of the Interior may use wildland fire
appropriations to enter into leases of real property with
local governments, at or below fair market value, to con-
struct capitalized improvements for fire facilities on such
leased properties, including but not limited to fire guard
stations, retardant stations, and other initial attack and
fire support facilities, and to make advance payments for
any such lease or for construction activity associated with
the lease: *Provided further*, That the Secretary of the Inter-
rior and the Secretary of Agriculture may authorize the
transfer of funds appropriated for wildland fire manage-
ment, in an aggregate amount not to exceed $50,000,000,
between the Departments when such transfers would fa-
cilitate and expedite wildland fire management programs
and projects: *Provided further*, That funds provided for
wildfire suppression shall be available for support of Fed-
eral emergency response actions: *Provided further*, That
funds appropriated under this heading shall be available
for assistance to or through the Department of State in
connection with forest and rangeland research, technical
information, and assistance in foreign countries, and, with
the concurrence of the Secretary of State, shall be avail-
able to support forestry, wildland fire management, and
related natural resource activities outside the United
States and its territories and possessions, including tech-
nical assistance, education and training, and cooperation
with United States and international organizations: *Pro-
vided further, That of the funds provided under this heading $383,657,000 is provided to meet the terms of section 251(b)(2)(F)(ii)(I) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended.

In addition to the amounts provided under this heading for wildfire suppression operations, $300,000,000, to remain available until expended, is additional new budget authority as specified for purposes of section 251(b)(2)(F) of the Balanced Budget and Emergency Deficit Control Act of 1985: Provided, That the Secretary of the Department of the Interior may transfer such amounts to the Department of Agriculture for wildfire suppression operations.

CENTRAL HAZARDOUS MATERIALS FUND

For necessary expenses of the Department of the Interior and any of its component offices and bureaus for the response action, including associated activities, performed pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601 et seq.), $10,010,000, to remain available until expended.

NATURAL RESOURCE DAMAGE ASSESSMENT AND RESTORATION

NATURAL RESOURCE DAMAGE ASSESSMENT FUND

To conduct natural resource damage assessment, restoration activities, and onshore oil spill preparedness by
the Department of the Interior necessary to carry out the
provisions of the Comprehensive Environmental Response,
Compensation, and Liability Act (42 U.S.C. 9601 et seq.),
the Federal Water Pollution Control Act (33 U.S.C. 1251
et seq.), the Oil Pollution Act of 1990 (33 U.S.C. 2701
et seq.), and 54 U.S.C. 100721 et seq., $7,767,000, to
remain available until expended.

WORKING CAPITAL FUND

For the operation and maintenance of a departmental
financial and business management system, information
technology improvements of general benefit to the Depart-
ment, cybersecurity, and the consolidation of facilities and
operations throughout the Department, $68,235,000, to
remain available until expended: Provided, That none of
the funds appropriated in this Act or any other Act may
be used to establish reserves in the Working Capital Fund
account other than for accrued annual leave and deprecia-
tion of equipment without prior approval of the Commit-
tees on Appropriations of the House of Representatives
and the Senate: Provided further, That the Secretary may
assess reasonable charges to State, local and tribal govern-
ment employees for training services provided by the Na-
tional Indian Program Training Center, other than train-
ing related to Public Law 93–638: Provided further, That
the Secretary may lease or otherwise provide space and
related facilities, equipment or professional services of the
National Indian Program Training Center to State, local
and tribal government employees or persons or organiza-
tions engaged in cultural, educational, or recreational ac-
tivities (as defined in section 3306(a) of title 40, United
States Code) at the prevailing rate for similar space, facili-
ties, equipment, or services in the vicinity of the National
Indian Program Training Center: Provided further, That
all funds received pursuant to the two preceding provisos
shall be credited to this account, shall be available until
expended, and shall be used by the Secretary for necessary
expenses of the National Indian Program Training Center:
Provided further, That the Secretary may enter into grants
and cooperative agreements to support the Office of Nat-
ural Resource Revenue’s collection and disbursement of
royalties, fees, and other mineral revenue proceeds, as au-
thorized by law.

ADMINISTRATIVE PROVISION

There is hereby authorized for acquisition from avail-
able resources within the Working Capital Fund, aircraft
which may be obtained by donation, purchase or through
available excess surplus property: Provided, That existing
aircraft being replaced may be sold, with proceeds derived
or trade-in value used to offset the purchase price for the
replacement aircraft.
OFFICE OF NATURAL RESOURCES REVENUE

For necessary expenses for management of the collection and disbursement of royalties, fees, and other mineral revenue proceeds, and for grants and cooperative agreements, as authorized by law, $147,330,000, to remain available until September 30, 2021; of which $50,651,000 shall remain available until expended for the purpose of mineral revenue management activities: Provided, That notwithstanding any other provision of law, $15,000 shall be available for refunds of overpayments in connection with certain Indian leases in which the Secretary concurred with the claimed refund due, to pay amounts owed to Indian allottees or tribes, or to correct prior unrecoverable erroneous payments.

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR

(INCLUDING TRANSFERS OF FUNDS)

EMERGENCY TRANSFER AUTHORITY—INTRA-BUREAU

Sec. 101. Appropriations made in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: Provided, That no funds shall be made available under this authority until funds specifically made
available to the Department of the Interior for emergencies shall have been exhausted: Provided further, That all funds used pursuant to this section must be replenished by a supplemental appropriation, which must be requested as promptly as possible.

EMERGENCY TRANSFER AUTHORITY—DEPARTMENT-WIDE

SEC. 102. The Secretary may authorize the expenditure or transfer of any no year appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of wildland fires on or threatening lands under the jurisdiction of the Department of the Interior; for the emergency rehabilitation of burned-over lands under its jurisdiction; for emergency actions related to potential or actual earthquakes, floods, volcanoes, storms, or other unavoidable causes; for contingency planning subsequent to actual oil spills; for response and natural resource damage assessment activities related to actual oil spills or releases of hazardous substances into the environment; for the prevention, suppression, and control of actual or potential grasshopper and Mormon cricket outbreaks on lands under the jurisdiction of the Secretary, pursuant to the authority in section 417(b) of Public Law 106–224 (7 U.S.C. 7717(b)); for emergency reclamation projects under section 410 of Public Law 95–87; and shall trans-
fer, from any no year funds available to the Office of Sur-
face Mining Reclamation and Enforcement, such funds as
may be necessary to permit assumption of regulatory au-
thority in the event a primacy State is not carrying out
the regulatory provisions of the Surface Mining Act: Pro-
vided, That appropriations made in this title for wildland
fire operations shall be available for the payment of obliga-
tions incurred during the preceding fiscal year, and for
reimbursement to other Federal agencies for destruction
of vehicles, aircraft, or other equipment in connection with
their use for wildland fire operations, with such reimburse-
ment to be credited to appropriations currently available
at the time of receipt thereof: Provided further, That for
wildland fire operations, no funds shall be made available
under this authority until the Secretary determines that
funds appropriated for “wildland fire suppression” shall
be exhausted within 30 days: Provided further, That all
funds used pursuant to this section must be replenished
by a supplemental appropriation, which must be requested
as promptly as possible: Provided further, That such re-
plenishment funds shall be used to reimburse, on a pro
rata basis, accounts from which emergency funds were
transferred.
AUTHORIZED USE OF FUNDS

Sec. 103. Appropriations made to the Department of the Interior in this title shall be available for services as authorized by section 3109 of title 5, United States Code, when authorized by the Secretary, in total amount not to exceed $500,000; purchase and replacement of motor vehicles, including specially equipped law enforcement vehicles; hire, maintenance, and operation of aircraft; hire of passenger motor vehicles; purchase of reprints; payment for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; and the payment of dues, when authorized by the Secretary, for library membership in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members.

AUTHORIZED USE OF FUNDS, INDIAN TRUST MANAGEMENT

Sec. 104. Appropriations made in this Act under the headings Bureau of Indian Affairs and Bureau of Indian Education, and Office of the Special Trustee for American Indians and any unobligated balances from prior appropriations Acts made under the same headings shall be available for expenditure or transfer for Indian trust management and reform activities. Total funding for historical
accounting activities shall not exceed amounts specifically

designated in this Act for such purpose.

REDISTRIBUTION OF FUNDS, BUREAU OF INDIAN

AFFAIRS

Sec. 105. Notwithstanding any other provision of

law, the Secretary of the Interior is authorized to redis-

tribute any Tribal Priority Allocation funds, including

tribal base funds, to alleviate tribal funding inequities by

transferring funds to address identified, unmet needs,
dual enrollment, overlapping service areas or inaccurate
distribution methodologies. No tribe shall receive a reduc-
tion in Tribal Priority Allocation funds of more than 10
percent in fiscal year 2020. Under circumstances of dual
enrollment, overlapping service areas or inaccurate dis-
tribution methodologies, the 10 percent limitation does not
apply.

ELLIS, GOVERNORS, AND LIBERTY ISLANDS

Sec. 106. Notwithstanding any other provision of

law, the Secretary of the Interior is authorized to acquire

lands, waters, or interests therein including the use of all

or part of any pier, dock, or landing within the State of
New York and the State of New Jersey, for the purpose
of operating and maintaining facilities in the support of
transportation and accommodation of visitors to Ellis,
Governors, and Liberty Islands, and of other program and
administrative activities, by donation or with appropriated funds, including franchise fees (and other monetary consideration), or by exchange; and the Secretary is authorized to negotiate and enter into leases, subleases, concession contracts or other agreements for the use of such facilities on such terms and conditions as the Secretary may determine reasonable.

OUTER CONTINENTAL SHELF INSPECTION FEES

SEC. 107. (a) In fiscal year 2020, the Secretary shall collect a nonrefundable inspection fee, which shall be deposited in the “Offshore Safety and Environmental Enforcement” account, from the designated operator for facilities subject to inspection under 43 U.S.C. 1348(c).

(b) Annual fees shall be collected for facilities that are above the waterline, excluding drilling rigs, and are in place at the start of the fiscal year. Fees for fiscal year 2020 shall be:

(1) $10,500 for facilities with no wells, but with processing equipment or gathering lines;

(2) $17,000 for facilities with 1 to 10 wells, with any combination of active or inactive wells; and

(3) $31,500 for facilities with more than 10 wells, with any combination of active or inactive wells.
(c) Fees for drilling rigs shall be assessed for all inspections completed in fiscal year 2020. Fees for fiscal year 2020 shall be:

(1) $30,500 per inspection for rigs operating in water depths of 500 feet or more; and

(2) $16,700 per inspection for rigs operating in water depths of less than 500 feet.

(d) The Secretary shall bill designated operators under subsection (b) within 60 days, with payment required within 30 days of billing. The Secretary shall bill designated operators under subsection (c) within 30 days of the end of the month in which the inspection occurred, with payment required within 30 days of billing.

CONTRACTS AND AGREEMENTS FOR WILD HORSE AND BURRO HOLDING FACILITIES

Sec. 108. Notwithstanding any other provision of this Act, the Secretary of the Interior may enter into multiyear cooperative agreements with nonprofit organizations and other appropriate entities, and may enter into multiyear contracts in accordance with the provisions of section 3903 of title 41, United States Code (except that the 5-year term restriction in subsection (a) shall not apply), for the long-term care and maintenance of excess wild free roaming horses and burros by such organizations or entities on private land. Such cooperative agreements
and contracts may not exceed 10 years, subject to renewal
at the discretion of the Secretary.

MASS MARKING OF SALMONIDS

SEC. 109. The United States Fish and Wildlife Serv-

ice shall, in carrying out its responsibilities to protect
threatened and endangered species of salmon, implement
a system of mass marking of salmonid stocks, intended
for harvest, that are released from federally operated or
federally financed hatcheries including but not limited to
fish releases of coho, chinook, and steelhead species.
Marked fish must have a visible mark that can be readily
identified by commercial and recreational fishers.

CONTRACTS AND AGREEMENTS WITH INDIAN AFFAIRS

SEC. 110. Notwithstanding any other provision of
law, during fiscal year 2020, in carrying out work involv-
ing cooperation with State, local, and tribal governments
or any political subdivision thereof, Indian Affairs may
record obligations against accounts receivable from any
such entities, except that total obligations at the end of
the fiscal year shall not exceed total budgetary resources
available at the end of the fiscal year.

HUMANE TRANSFER OF EXCESS ANIMALS

SEC. 111. Notwithstanding any other provision of
law, the Secretary of the Interior may transfer excess wild
horses or burros that have been removed from the public
lands to other Federal, State, and local government agencies for use as work animals: Provided, That the Secretary may make any such transfer immediately upon request of such Federal, State, or local government agency: Provided further, That any excess animal transferred under this provision shall lose its status as a wild free-roaming horse or burro as defined in the Wild Free-Roaming Horses and Burros Act: Provided further, That any Federal, State, or local government agency receiving excess wild horses or burros as authorized in this section shall not: destroy the horses or burros in a way that results in their destruction into commercial products; sell or otherwise transfer the horses or burros in a way that results in their destruction for processing into commercial products; or euthanize the horses or burros except upon the recommendation of a licensed veterinarian, in cases of severe injury, illness, or advanced age.

DEPARTMENT OF THE INTERIOR EXPERIENCED SERVICES PROGRAM

SEC. 112. (a) Notwithstanding any other provision of law relating to Federal grants and cooperative agreements, the Secretary of the Interior is authorized to make grants to, or enter into cooperative agreements with, private nonprofit organizations designated by the Secretary of Labor under title V of the Older Americans Act of 1965.
to utilize the talents of older Americans in programs authorized by other provisions of law administered by the Secretary and consistent with such provisions of law.

(b) Prior to awarding any grant or agreement under subsection (a), the Secretary shall ensure that the agreement would not—

(1) result in the displacement of individuals currently employed by the Department, including partial displacement through reduction of non-overtime hours, wages, or employment benefits;

(2) result in the use of an individual under the Department of the Interior Experienced Services Program for a job or function in a case in which a Federal employee is in a layoff status from the same or substantially equivalent job within the Department; or

(3) affect existing contracts for services.

PAYMENTS IN LIEU OF TAXES (PILT)

SEC. 113. Section 6906 of title 31, United States Code, is amended by striking “fiscal year 2019” and inserting “fiscal year 2020”.

OBLIGATION OF FUNDS

SEC. 114. Amounts appropriated by this Act to the Department of the Interior shall be available for obligation
and expenditure not later than 60 days after the date of enactment of this Act.

SAGE-GROUSE

SEC. 115. None of the funds made available by this Act or any other Act may be used by the Secretary of the Interior to write or issue pursuant to section 4 of the Endangered Species Act of 1973 (16 U.S.C. 1533)—

(1) a proposed rule for greater sage-grouse (Centrocercus urophasianus);

(2) a proposed rule for the Columbia basin distinct population segment of greater sage-grouse.

BUREAU OF OCEAN ENERGY MANAGEMENT, REGULATION AND ENFORCEMENT REORGANIZATION

SEC. 116. The Secretary of the Interior, in order to implement a reorganization of the Bureau of Ocean Energy Management, Regulation and Enforcement, may transfer funds among and between the successor offices and bureaus affected by the reorganization only in conformance with the reprogramming guidelines described in the report accompanying this Act.

TITLE II

ENVIRONMENTAL PROTECTION AGENCY

SCIENCE AND TECHNOLOGY

For science and technology, including research and development activities, which shall include research and
development activities under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980; necessary expenses for personnel and related costs and travel expenses; procurement of laboratory equipment and supplies; and other operating expenses in support of research and development, $713,259,000, to remain available until September 30, 2021: Provided, That of the funds included under this heading, $6,000,000 shall be for Research: National Priorities as specified in the report accompanying this Act.

ENVIRONMENTAL PROGRAMS AND MANAGEMENT

For environmental programs and management, including necessary expenses, not otherwise provided for, for personnel and related costs and travel expenses; hire of passenger motor vehicles; hire, maintenance, and operation of aircraft; purchase of reprints; library memberships in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members; administrative costs of the brownfields program under the Small Business Liability Relief and Brownfields Revitalization Act of 2002; implementation of a coal combustion residual permit program under section 2301 of the Water and Waste Act of 2016; and not to exceed $31,000 for official reception and representation expenses, $2,623,582,000, to remain avail-
able until September 30, 2021: Provided, That of the funds included under this heading, $17,700,000 shall be for Environmental Protection: National Priorities as specified in the report accompanying this Act: Provided further, That of the funds included under this heading, $471,741,000 shall be for Geographic Programs specified in the report accompanying this Act.

In addition, $5,000,000 to remain available until expended, for necessary expenses of activities described in section 26(b)(1) of the Toxic Substances Control Act (15 U.S.C. 2625(b)(1)): Provided, That fees collected pursuant to that section of that Act and deposited in the “TSCA Service Fee Fund” as discretionary offsetting receipts in fiscal year 2020 shall be retained and used for necessary salaries and expenses in this appropriation and shall remain available until expended: Provided further, That the sum herein appropriated in this paragraph from the general fund for fiscal year 2020 shall be reduced by the amount of discretionary offsetting receipts received during fiscal year 2020, so as to result in a final fiscal year 2020 appropriation from the general fund estimated at not more than $0: Provided further, That to the extent that amounts realized from such receipts exceed $5,000,000, those amount in excess of $5,000,000 shall be deposited in the “TSCA Service Fee Fund” as discretionary offsetting re-
receipts in fiscal year 2020, shall be retained and used for necessary salaries and expenses in this account, and shall remain available until expended: *Provided further,* That of the funds included in the first paragraph under this heading, the Chemical Risk Review and Reduction program project shall be allocated for this fiscal year, excluding the amount of any fees appropriated, not less than the amount of appropriations for that program project for fiscal year 2014.

**HAZARDOUS WASTE ELECTRONIC MANIFEST SYSTEM FUND**

For necessary expenses to carry out section 3024 of the Solid Waste Disposal Act (42 U.S.C. 6939g), including the development, operation, maintenance, and upgrading of the hazardous waste electronic manifest system established by such section, $8,000,000, to remain available until expended: *Provided,* That the sum herein appropriated from the general fund shall be reduced as offsetting collections under such section 3024 are received during fiscal year 2020, which shall remain available until expended and be used for necessary expenses in this appropriation, so as to result in a final fiscal year 2020 appropriation from the general fund estimated at not more than $0: *Provided further,* That to the extent such offsetting collections received in fiscal year 2020 exceed $8,000,000,
those excess amounts shall remain available until expended and be used for necessary expenses in this appropriation.

OFFICE OF INSPECTOR GENERAL

BUILDINGS AND FACILITIES

For construction, repair, improvement, extension, alteration, and purchase of fixed equipment or facilities of, or for use by, the Environmental Protection Agency, $34,467,000, to remain available until expended.

HAZARDOUS SUBSTANCE SUPERFUND

(INCLUDING TRANSFERS OF FUNDS)

For necessary expenses to carry out the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), including sections 111(c)(3), (c)(5), (c)(6), and (e)(4) (42 U.S.C. 9611) $1,167,783,000, to remain available until expended, consisting of such sums as are available in the Trust Fund on September 30, 2019, as authorized by section 517(a) of the Superfund Amendments and Reauthorization Act of 1986 (SARA) and up to $1,167,783,000 as a payment from general revenues to the Hazardous Substance Super-
fund for purposes as authorized by section 517(b) of SARA: Provided, That funds appropriated under this heading may be allocated to other Federal agencies in accordance with section 111(a) of CERCLA: Provided further, That of the funds appropriated under this heading, $9,586,000 shall be paid to the “Office of Inspector General” appropriation to remain available until September 30, 2021, and $17,775,000 shall be paid to the “Science and Technology” appropriation to remain available until September 30, 2021.

LEAKING UNDERGROUND STORAGE TANK TRUST FUND PROGRAM

For environmental programs and infrastructure assistance, including capitalization grants for State revolving funds and performance partnership grants, $4,247,028,000, to remain available until expended, of which—

1. $1,638,826,000 shall be for making capitalization grants for the Clean Water State Revolving Funds under title VI of the Federal Water Pollution Control Act; and of which $1,126,088,000 shall be for making capitalization grants for the Drinking Water State Revolving Funds under section 1452 of the Safe Drinking Water Act: Provided, That for fiscal year 2020, to the extent there are sufficient eligible project applications and projects are consistent with State Intended Use Plans, not less than 10 percent of the funds made available under this title to
each State for Clean Water State Revolving Fund capitalization grants shall be used by the State for projects to address green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities: Provided further, That for fiscal year 2020, funds made available under this title to each State for Drinking Water State Revolving Fund capitalization grants may, at the discretion of each State, be used for projects to address green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities: Provided further, That notwithstanding section 603(d)(7) of the Federal Water Pollution Control Act, the limitation on the amounts in a State water pollution control revolving fund that may be used by a State to administer the fund shall not apply to amounts included as principal in loans made by such fund in fiscal year 2020 and prior years where such amounts represent costs of administering the fund to the extent that such amounts are or were deemed reasonable by the Administrator, accounted for separately from other assets in the fund, and used for eligible purposes of the fund, including administration: Provided further, That for fiscal year 2020, notwithstanding the provisions of subsections (g)(1),
(h), and (l) of section 201 of the Federal Water Pollution Control Act, grants made under title II of such Act for American Samoa, Guam, the commonwealth of the Northern Marianas, the United States Virgin Islands, and the District of Columbia may also be made for the purpose of providing assistance:

(1) solely for facility plans, design activities, or plans, specifications, and estimates for any proposed project for the construction of treatment works; and

(2) for the construction, repair, or replacement of privately owned treatment works serving one or more principal residences or small commercial establishments: Provided further, That for fiscal year 2020, notwithstanding the provisions of such subsections (g)(1), (h), and (l) of section 201 and section 518(e) of the Federal Water Pollution Control Act, funds reserved by the Administrator for grants under section 518(e) of the Federal Water Pollution Control Act may also be used to provide assistance:

(1) solely for facility plans, design activities, or plans, specifications, and estimates for any proposed project for the construction of treatment works; and

(2) for the construction, repair, or replacement of privately owned treatment works serving one or more principal residences or small commercial estab-
lishments: Provided further, That for fiscal year 2020, notwithstanding any provision of the Federal Water Pollution Control Act and regulations issued pursuant thereof, up to a total of $2,000,000 of the funds reserved by the Administrator for grants under section 518(c) of such Act may also be used for grants for training, technical assistance, and educational programs relating to the operation and management of the treatment works specified in section 518(c) of such Act: Provided further, That for fiscal year 2020, funds reserved under section 518(c) of such Act shall be available for grants only to Indian tribes, as defined in section 518(h) of such Act and former Indian reservations in Oklahoma (as determined by the Secretary of the Interior) and Native Villages as defined in Public Law 92–203: Provided further, That for fiscal year 2020, notwithstanding the limitation on amounts in section 518(c) of the Federal Water Pollution Control Act, up to a total of 2 percent of the funds appropriated, or $30,000,000, whichever is greater, and notwithstanding the limitation on amounts in section 1452(i) of the Safe Drinking Water Act, up to a total of 2 percent of the funds appropriated, or $20,000,000, whichever is greater, for State Revolv-
ing Funds under such Acts may be reserved by the Administrator for grants under section 518(e) and section 1452(i) of such Acts: Provided further, That for fiscal year 2020, notwithstanding the amounts specified in section 205(c) of the Federal Water Pollution Control Act, up to 1.5 percent of the aggregate funds appropriated for the Clean Water State Revolving Fund program under the Act less any sums reserved under section 518(e) of the Act, may be reserved by the Administrator for grants made under title II of the Federal Water Pollution Control Act for American Samoa, Guam, the Commonwealth of the Northern Marianas, and United States Virgin Islands: Provided further, That for fiscal year 2020, notwithstanding the limitations on amounts specified in section 1452(j) of the Safe Drinking Water Act, up to 1.5 percent of the funds appropriated for the Drinking Water State Revolving Fund programs under the Safe Drinking Water Act may be reserved by the Administrator for grants made under section 1452(j) of the Safe Drinking Water Act: Provided further, That 10 percent of the funds made available under this title to each State for Clean Water State Revolving Fund capitalization grants and 20 percent of the funds made available under this title to each
State for Drinking Water State Revolving Fund capitalization grants shall be used by the State to provide additional subsidy to eligible recipients in the form of forgiveness of principal, negative interest loans, or grants (or any combination of these), and shall be so used by the State only where such funds are provided as initial financing for an eligible recipient or to buy, refinance, or restructure the debt obligations of eligible recipients only where such debt was incurred on or after the date of enactment of this Act, or where such debt was incurred prior to the date of enactment of this Act if the State, with concurrence from the Administrator, determines that such funds could be used to help address a threat to public health from heightened exposure to lead in drinking water or if a Federal or State emergency declaration has been issued due to a threat to public health from heightened exposure to lead in a municipal drinking water supply before the date of enactment of this Act: *Provided further,* That in a State in which such an emergency declaration has been issued, the State may use more than 20 percent of the funds made available under this title to the State for Drinking Water State Revolving Fund cap-
italization grants to provide additional subsidy to eligible recipients;

(2) $19,511,000 shall be for architectural, engineering, planning, design, construction and related activities in connection with the construction of high priority water and wastewater facilities in the area of the United States-Mexico Border, after consultation with the appropriate border commission: Provided, That no funds provided by this appropriations Act to address the water, wastewater and other critical infrastructure needs of the colonias in the United States along the United States-Mexico border shall be made available to a county or municipal government unless that government has established an enforceable local ordinance, or other zoning rule, which prevents in that jurisdiction the development or construction of any additional colonia areas, or the development within an existing colonia the construction of any new home, business, or other structure which lacks water, wastewater, or other necessary infrastructure;

(3) $29,186,000 shall be for grants to the State of Alaska to address drinking water and wastewater infrastructure needs of rural and Alaska Native Villages: Provided, That of these funds: (A) the State
of Alaska shall provide a match of 25 percent; (B) no more than 5 percent of the funds may be used for administrative and overhead expenses; and (C) the State of Alaska shall make awards consistent with the Statewide priority list established in conjunction with the Agency and the U.S. Department of Agriculture for all water, sewer, waste disposal, and similar projects carried out by the State of Alaska that are funded under section 221 of the Federal Water Pollution Control Act (33 U.S.C. 1301) or the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) which shall allocate not less than 25 percent of the funds provided for projects in regional hub communities;

(4) $85,166,000 shall be to carry out section 104(k) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), including grants, interagency agreements, and associated program support costs: Provided, That at least 10 percent shall be allocated for assistance in persistent poverty counties: Provided further, That for purposes of this section, the term “persistent poverty counties” means any county that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by
the 1990 and 2000 decennial censuses and the most recent Small Area Income and Poverty Estimates;

(5) $85,166,000 shall be for grants under title VII, subtitle G of the Energy Policy Act of 2005;

(6) $56,306,000 shall be for targeted airshed grants in accordance with the terms and conditions in the report accompanying this Act;

(7) $4,000,000 shall be to carry out the water quality program authorized in section 5004(d) of the Water Infrastructure Improvements for the Nation Act (Public Law 114–322);

(8) $25,816,000 shall be for grants for small and disadvantaged communities authorized in section 2104 of the Water Infrastructure Improvements for the Nation Act (Public Law 114–322);

ADMINISTRATIVE PROVISIONS—ENVIRONMENTAL PROTECTION AGENCY

(INCLUDING TRANSFERS)

For fiscal year 2020, notwithstanding 31 U.S.C. 6303(1) and 6305(1), the Administrator of the Environmental Protection Agency, in carrying out the Agency’s function to implement directly Federal environmental programs required or authorized by law in the absence of an acceptable tribal program, may award cooperative agreements to federally recognized Indian tribes or Intertribal consortia, if authorized by their member tribes, to assist the Administrator in implementing Federal environmental programs for Indian tribes required or authorized by law, except that no such cooperative agreements may be awarded from funds designated for State financial assistance agreements.
The Administrator of the Environmental Protection Agency is authorized to collect and obligate pesticide registration service fees in accordance with section 33 of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended by Public Law 116–8, the Pesticide Registration Improvement Extension Act of 2018.

The Administrator is authorized to transfer up to $301,000,000 of the funds appropriated for the Great Lakes Restoration Initiative under the heading “Environmental Programs and Management” to the head of any Federal department or agency, with the concurrence of such head, to carry out activities that would support the Great Lakes Restoration Initiative and Great Lakes Water Quality Agreement programs, projects, or activities; to enter into an interagency agreement with the head of such Federal department or agency to carry out these activities; and to make grants to governmental entities, non-profit organizations, institutions, and individuals for planning, research, monitoring, outreach, and implementation
in furtherance of the Great Lakes Restoration Initiative
and the Great Lakes Water Quality Agreement.

The Science and Technology, Environmental Pro-
grams and Management, Office of Inspector General, Haz-
ardous Substance Superfund, and Leaking Underground
Storage Tank Trust Fund Program Accounts, are avail-
able for the construction, alteration, repair, rehabilitation,
and renovation of facilities, provided that the cost does
not exceed $150,000 per project.

For fiscal year 2020, and notwithstanding section
518(f) of the Federal Water Pollution Control Act (33
U.S.C. 1377(f)), the Administrator is authorized to use
the amounts appropriated for any fiscal year under section
319 of the Act to make grants to Indian tribes pursuant
to sections 319(h) and 518(e) of that Act.

The Administrator is authorized to use the amounts
appropriated under the heading “Environmental Pro-
grams and Management” for fiscal year 2020 to provide
grants to implement the Southeastern New England Wa-
tershed Restoration Program.

Notwithstanding the limitations on amounts in sec-
tion 320(i)(2)(B) of the Federal Water Pollution Control
Act, not less than $1,000,000 of the funds made available
under this title for the National Estuary Program shall
be for making competitive awards described in section 320(g)(4).

MANAGEMENT OF NATIONAL FOREST LANDS FOR SUBSISTENCE USES

For necessary expenses for forest fire presuppression activities on National Forest System lands, for emergency wildland fire suppression on or adjacent to such lands or other lands under fire protection agreement, and for emergency rehabilitation of burned-over National Forest System lands and water, $1,964,730,000, to remain available through September 30, 2023: Provided, That such funds including unobligated balances under this heading, are available for repayment of advances from other appropriations accounts previously transferred for such purposes: Provided further, That any unobligated funds appropriated in a previous fiscal year for hazardous fuels management may be transferred to the “National Forest System” account: Provided further, That such funds shall be available to reimburse State and other cooperating entities for services provided in response to wildfire and other emergencies or disasters to the extent such reimbursements by the Forest Service for non-fire emergencies are fully repaid by the responsible emergency management agency: Provided further, That funds provided shall be available for support to Federal emergency response: Provided further, That the costs of implementing any cooperative agreement between the Federal Government and any non-Federal entity may
be shared, as mutually agreed on by the affected parties:

Provided further, That of the funds provided under this heading, $1,011,000,000 shall be available for wildfire suppression operations, and is provided to the meet the terms of section 251(b)(2)(F)(ii)(I) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended.

In addition to the amounts provided under this heading for wildfire suppression operations, $1,950,000,000, to remain available until expended, is additional new budget authority as specified for purposes of section 251(b)(2)(F) of the Balanced Budget and Emergency Deficit Control Act of 1985: Provided, That the Secretary of Agriculture may transfer such amounts to the Department of Interior for wildfire suppression operations.

ADMINISTRATIVE PROVISIONS—FOREST SERVICE

(INCLUDING TRANSFERS OF FUNDS)

Appropriations to the Forest Service for the current fiscal year shall be available for: (1) purchase of passenger motor vehicles; acquisition of passenger motor vehicles from excess sources, and hire of such vehicles; purchase, lease, operation, maintenance, and acquisition of aircraft to maintain the operable fleet for use in Forest Service wildland fire programs and other Forest Service programs; notwithstanding other provisions of law, existing aircraft being replaced may be sold, with proceeds derived or
trade-in value used to offset the purchase price for the
replacement aircraft; (2) services pursuant to 7 U.S.C. 2225, and not to exceed $100,000 for employment under 5 U.S.C. 3109; (3) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (4) acquisition of land, waters, and interests therein pursuant to 7 U.S.C. 428a; (5) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, and 558a note); (6) the cost of uniforms as authorized by 5 U.S.C. 5901–5902; and (7) for debt collection contracts in accordance with 31 U.S.C. 3718(c).

Any appropriations or funds available to the Forest Service may be transferred to the Wildland Fire Management appropriation for forest firefighting, emergency rehabilitation of burned-over or damaged lands or waters under its jurisdiction, and fire preparedness due to severe burning conditions upon the Secretary’s notification of the House and Senate Committees on Appropriations that all fire suppression funds appropriated under the heading “Wildland Fire Management” will be obligated within 30 days: Provided, That all funds used pursuant to this paragraph must be replenished by a supplemental appropriation which must be requested as promptly as possible.

Not more than $50,000,000 of funds appropriated to the Forest Service shall be available for expenditure or
transfer to the Department of the Interior for wildland fire management, hazardous fuels management, and State fire assistance when such transfers would facilitate and expedite wildland fire management programs and projects.

Notwithstanding any other provision of this Act, the Forest Service may transfer unobligated balances of discretionary funds appropriated to the Forest Service by this Act to or within the National Forest System Account, or reprogram funds to be used for the purposes of hazardous fuels management and urgent rehabilitation of burned-over National Forest System lands and water, such transferred funds shall remain available through September 30, 2023: Provided, That none of the funds transferred pursuant to this section shall be available for obligation without written notification to and the prior approval of the Committees on Appropriations of both Houses of Congress: Provided further, That this section does not apply to funds derived from the Land and Water Conservation Fund.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development in connection with forest and range-land research, technical information, and assistance in foreign countries, and shall be available to support forestry and related natural resource activities outside the United States.
States and its territories and possessions, including technical assistance, education and training, and cooperation with U.S., private, and international organizations. The Forest Service, acting for the International Program, may sign direct funding agreements with foreign governments and institutions as well as other domestic agencies (including the U.S. Agency for International Development, the Department of State, and the Millennium Challenge Corporation), U.S. private sector firms, institutions and organizations to provide technical assistance and training programs overseas on forestry and rangeland management.

Funds appropriated to the Forest Service shall be available for expenditure or transfer to the Department of the Interior, Bureau of Land Management, for removal, preparation, and adoption of excess wild horses and burros from National Forest System lands, and for the performance of cadastral surveys to designate the boundaries of such lands.

None of the funds made available to the Forest Service in this Act or any other Act with respect to any fiscal year shall be subject to transfer under the provisions of section 702(b) of the Department of Agriculture Organic Act of 1944 (7 U.S.C. 2257), section 442 of Public Law 106–224 (7 U.S.C. 7772), or section 10417(b) of Public Law 107–171 (7 U.S.C. 8316(b)).
None of the funds available to the Forest Service may be reprogrammed without the advance approval of the House and Senate Committees on Appropriations in accordance with the reprogramming procedures contained in the report accompanying this Act.

Not more than $82,000,000 of funds available to the Forest Service shall be transferred to the Working Capital Fund of the Department of Agriculture and not more than $14,500,000 of funds available to the Forest Service shall be transferred to the Department of Agriculture for Department Reimbursable Programs, commonly referred to as Greenbook charges. Nothing in this paragraph shall prohibit or limit the use of reimbursable agreements requested by the Forest Service in order to obtain services from the Department of Agriculture’s National Information Technology Center and the Department of Agriculture’s International Technology Service.

Of the funds available to the Forest Service, up to $5,000,000 shall be available for priority projects within the scope of the approved budget, which shall be carried out by the Youth Conservation Corps and shall be carried out under the authority of the Public Lands Corps Act of 1993 (16 U.S.C. 1721 et seq.).
Of the funds available to the Forest Service, $4,000 is available to the Chief of the Forest Service for official reception and representation expenses.

Pursuant to sections 405(b) and 410(b) of Public Law 101–593, of the funds available to the Forest Service, up to $3,000,000 may be advanced in a lump sum to the National Forest Foundation to aid conservation partnership projects in support of the Forest Service mission, without regard to when the Foundation incurs expenses, for projects on or benefitting National Forest System lands or related to Forest Service programs: Provided, That of the Federal funds made available to the Foundation, no more than $300,000 shall be available for administrative expenses: Provided further, That the Foundation shall obtain, by the end of the period of Federal financial assistance, private contributions to match funds made available by the Forest Service on at least a one-for-one basis: Provided further, That the Foundation may transfer Federal funds to a Federal or a non-Federal recipient for a project at the same rate that the recipient has obtained the non-Federal matching funds.

Pursuant to section 2(b)(2) of Public Law 98–244, up to $3,000,000 of the funds available to the Forest Service may be advanced to the National Fish and Wildlife Foundation in a lump sum to aid cost-share conservation
projects, without regard to when expenses are incurred, on or benefitting National Forest System lands or related to Forest Service programs: Provided, That such funds shall be matched on at least a one-for-one basis by the Foundation or its sub-recipients: Provided further, That the Foundation may transfer Federal funds to a Federal or non-Federal recipient for a project at the same rate that the recipient has obtained the non-Federal matching funds.

Funds appropriated to the Forest Service shall be available for interactions with and providing technical assistance to rural communities and natural resource-based businesses for sustainable rural development purposes.

Funds appropriated to the Forest Service shall be available for payments to counties within the Columbia River Gorge National Scenic Area, pursuant to section 14(c)(1) and (2), and section 16(a)(2) of Public Law 99–663.

Any funds appropriated to the Forest Service may be used to meet the non-Federal share requirement in section 502(c) of the Older Americans Act of 1965 (42 U.S.C. 3056(c)(2)).

The Forest Service shall not assess funds for the purpose of performing fire, administrative, and other facilities maintenance and decommissioning.
Notwithstanding any other provision of law, of any appropriations or funds available to the Forest Service, not to exceed $500,000 may be used to reimburse the Office of the General Counsel (OGC), Department of Agriculture, for travel and related expenses incurred as a result of OGC assistance or participation requested by the Forest Service at meetings, training sessions, management reviews, land purchase negotiations and similar matters unrelated to civil litigation. Future budget justifications for both the Forest Service and the Department of Agriculture should clearly display the sums previously transferred and the sums requested for transfer.

An eligible individual who is employed in any project funded under title V of the Older Americans Act of 1965 (42 U.S.C. 3056 et seq.) and administered by the Forest Service shall be considered to be a Federal employee for purposes of chapter 171 of title 28, United States Code.

Notwithstanding any other provision of this Act, through the Office of Budget and Program Analysis, the Forest Service shall report no later than 30 business days following the close of each fiscal quarter all current and prior year unobligated balances, by fiscal year, budget line item and account, to the House and Senate Committees on Appropriations.
DEPARTMENT OF HEALTH AND HUMAN SERVICES

INDIAN HEALTH SERVICE

INDIAN HEALTH SERVICES

TITLE IV
GENERAL PROVISIONS
(INCLUDING TRANSFERS OF FUNDS)

RESTRICTION ON USE OF FUNDS

Sec. 401. No part of any appropriation contained in this Act shall be available for any activity or the publication or distribution of literature that in any way tends to promote public support or opposition to any legislative proposal on which Congressional action is not complete other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

OBLIGATION OF APPROPRIATIONS

Sec. 402. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

DISCLOSURE OF ADMINISTRATIVE EXPENSES

Sec. 403. The amount and basis of estimated overhead charges, deductions, reserves or holdbacks, including working capital fund and cost pool charges, from programs, projects, activities and subactivities to support government-wide, departmental, agency, or bureau administrative functions or headquarters, regional, or central operations shall be presented in annual budget justifications and subject to approval by the Committees on Appropriations of the House of Representatives and the Senate.
1 Changes to such estimates shall be presented to the Com-
2 mittees on Appropriations for approval.
3
4 MINING APPLICATIONS

5 SEC. 404. (a) LIMITATION OF FUNDS.—None of the
6 funds appropriated or otherwise made available pursuant
7 to this Act shall be obligated or expended to accept or
8 process applications for a patent for any mining or mill
9 site claim located under the general mining laws.
10
11 (b) EXCEPTIONS.—Subsection (a) shall not apply if
12 the Secretary of the Interior determines that, for the claim
13 concerned (1) a patent application was filed with the Sec-
14 retary on or before September 30, 1994; and (2) all re-
15 quirements established under sections 2325 and 2326 of
16 the Revised Statutes (30 U.S.C. 29 and 30) for vein or
17 lode claims, sections 2329, 2330, 2331, and 2333 of the
18 Revised Statutes (30 U.S.C. 35, 36, and 37) for placer
19 claims, and section 2337 of the Revised Statutes (30
20 U.S.C. 42) for mill site claims, as the case may be, were
21 fully complied with by the applicant by that date.
22
23 (c) REPORT.—On September 30, 2021, the Secretary
24 of the Interior shall file with the House and Senate Com-
25 mittees on Appropriations and the Committee on Natural
26 Resources of the House and the Committee on Energy and
27 Natural Resources of the Senate a report on actions taken
28 by the Department under the plan submitted pursuant to
section 314(c) of the Department of the Interior and Related Agencies Appropriations Act, 1997 (Public Law 104–208).

(d) MINERAL EXAMINATIONS.—In order to process patent applications in a timely and responsible manner, upon the request of a patent applicant, the Secretary of the Interior shall allow the applicant to fund a qualified third-party contractor to be selected by the Director of the Bureau of Land Management to conduct a mineral examination of the mining claims or mill sites contained in a patent application as set forth in subsection (b). The Bureau of Land Management shall have the sole responsibility to choose and pay the third-party contractor in accordance with the standard procedures employed by the Bureau of Land Management in the retention of third-party contractors.

CONTRACT SUPPORT COSTS, PRIOR YEAR LIMITATION

CONTRACT SUPPORT COSTS, FISCAL YEAR 2020 LIMITATION

SEC. 406. Amounts provided by this Act for fiscal year 2020 under the headings “Department of Health and
Human Services, Indian Health Service, Contract Support Costs” and “Department of the Interior, Bureau of Indian Affairs and Bureau of Indian Education, Contract Support Costs” are the only amounts available for contract support costs arising out of self-determination or self-governance contracts, grants, compacts, or annual funding agreements for fiscal year 2020 with the Bureau of Indian Affairs Bureau of Indian Education or the Indian Health Service: Provided, That such amounts provided by this Act are not available for payment of claims for contract support costs for prior years, or for repayments of payments for settlements or judgments awarding contract support costs for prior years.

FOREST MANAGEMENT PLANS

Sec. 407. The Secretary of Agriculture shall not be considered to be in violation of subparagraph 6(f)(5)(A) of the Forest and Rangeland Renewable Resources Planning Act of 1974 (16 U.S.C. 1604(f)(5)(A)) solely because more than 15 years have passed without revision of the plan for a unit of the National Forest System. Nothing in this section exempts the Secretary from any other requirement of the Forest and Rangeland Renewable Resources Planning Act (16 U.S.C. 1600 et seq.) or any other law: Provided, That if the Secretary is not acting expeditiously and in good faith, within the funding avail-
able, to revise a plan for a unit of the National Forest
System, this section shall be void with respect to such plan
and a court of proper jurisdiction may order completion
of the plan on an accelerated basis.

PROHIBITION WITHIN NATIONAL MONUMENTS

Sec. 408. No funds provided in this Act may be ex-
pended to conduct preleasing, leasing and related activities
under either the Mineral Leasing Act (30 U.S.C. 181 et
seq.) or the Outer Continental Shelf Lands Act (43 U.S.C.
1331 et seq.) within the boundaries of a National Monu-
ment established pursuant to the Act of June 8, 1906 (16
U.S.C. 431 et seq.) as such boundary existed on January
20, 2001, except where such activities are allowed under
the Presidential proclamation establishing such monu-
ment.

LIMITATION ON TAKINGS

Sec. 409. Unless otherwise provided herein, no funds
appropriated in this Act for the acquisition of lands or
interests in lands may be expended for the filing of decl-
larations of taking or complaints in condemnation without
the approval of the House and Senate Committees on Ap-
propriations: Provided, That this provision shall not apply
to funds appropriated to implement the Everglades Na-
tional Park Protection and Expansion Act of 1989, or to
funds appropriated for Federal assistance to the State of
Florida to acquire lands for Everglades restoration purposes.

TIMBER SALE REQUIREMENTS

Sec. 410. No timber sale in Alaska’s Region 10 shall be advertised if the indicated rate is deficit (defined as the value of the timber is not sufficient to cover all logging and stumpage costs and provide a normal profit and risk allowance under the Forest Service’s appraisal process) when appraised using a residual value appraisal. The western red cedar timber from those sales which is surplus to the needs of the domestic processors in Alaska, shall be made available to domestic processors in the contiguous 48 United States at prevailing domestic prices. All additional western red cedar volume not sold to Alaska or contiguous 48 United States domestic processors may be exported to foreign markets at the election of the timber sale holder. All Alaska yellow cedar may be sold at prevailing export prices at the election of the timber sale holder.

PROHIBITION ON NO-BID CONTRACTS

Sec. 411. None of the funds appropriated or otherwise made available by this Act to executive branch agencies may be used to enter into any Federal contract unless such contract is entered into in accordance with the requirements of Chapter 33 of title 41, United States Code,
or Chapter 137 of title 10, United States Code, and the Federal Acquisition Regulation, unless—

(1) Federal law specifically authorizes a contract to be entered into without regard for these requirements, including formula grants for States, or federally recognized Indian tribes;

(2) such contract is authorized by the Indian Self-Determination and Education Assistance Act (Public Law 93–638, 25 U.S.C. 450 et seq.) or by any other Federal laws that specifically authorize a contract within an Indian tribe as defined in section 4(e) of that Act (25 U.S.C. 450b(e)); or

(3) such contract was awarded prior to the date of enactment of this Act.

POSTING OF REPORTS

SEC. 412. (a) Any agency receiving funds made available in this Act, shall, subject to subsections (b) and (c), post on the public website of that agency any report required to be submitted by the Congress in this or any other Act, upon the determination by the head of the agency that it shall serve the national interest.

(b) Subsection (a) shall not apply to a report if—

(1) the public posting of the report compromises national security; or

(2) the report contains proprietary information.
(c) The head of the agency posting such report shall do so only after such report has been made available to the requesting Committee or Committees of Congress for no less than 45 days.

NATIONAL ENDOWMENT FOR THE ARTS GRANT GUIDELINES

SEC. 413. Of the funds provided to the National Endowment for the Arts—

(1) The Chairperson shall only award a grant to an individual if such grant is awarded to such individual for a literature fellowship, National Heritage Fellowship, or American Jazz Masters Fellowship.

(2) The Chairperson shall establish procedures to ensure that no funding provided through a grant, except a grant made to a State or local arts agency, or regional group, may be used to make a grant to any other organization or individual to conduct activity independent of the direct grant recipient. Nothing in this subsection shall prohibit payments made in exchange for goods and services.

(3) No grant shall be used for seasonal support to a group, unless the application is specific to the contents of the season, including identified programs or projects.
NATIONAL ENDOWMENT FOR THE ARTS PROGRAM

PRIORITIES

SEC. 414. (a) In providing services or awarding financial assistance under the National Foundation on the Arts and the Humanities Act of 1965 from funds appropriated under this Act, the Chairperson of the National Endowment for the Arts shall ensure that priority is given to providing services or awarding financial assistance for projects, productions, workshops, or programs that serve underserved populations.

(b) In this section:

(1) The term “underserved population” means a population of individuals, including urban minorities, who have historically been outside the purview of arts and humanities programs due to factors such as a high incidence of income below the poverty line or to geographic isolation.

(2) The term “poverty line” means the poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 673(2) of the Community Services Block Grant Act (42 U.S.C. 9902(2))) applicable to a family of the size involved.

(c) In providing services and awarding financial assistance under the National Foundation on the Arts and...
Humanities Act of 1965 with funds appropriated by this Act, the Chairperson of the National Endowment for the Arts shall ensure that priority is given to providing services or awarding financial assistance for projects, productions, workshops, or programs that will encourage public knowledge, education, understanding, and appreciation of the arts.

(d) With funds appropriated by this Act to carry out section 5 of the National Foundation on the Arts and Humanities Act of 1965—

(1) the Chairperson shall establish a grant category for projects, productions, workshops, or programs that are of national impact or availability or are able to tour several States;

(2) the Chairperson shall not make grants exceeding 15 percent, in the aggregate, of such funds to any single State, excluding grants made under the authority of paragraph (1);

(3) the Chairperson shall report to the Congress annually and by State, on grants awarded by the Chairperson in each grant category under section 5 of such Act; and

(4) the Chairperson shall encourage the use of grants to improve and support community-based music performance and education.
STATUS OF BALANCES OF APPROPRIATIONS

Sec. 415. The Department of the Interior, the Environmental Protection Agency, the Forest Service, and the Indian Health Service shall provide the Committees on Appropriations of the House of Representatives and Senate quarterly reports on the status of balances of appropriations including all uncommitted, committed, and unobligated funds in each program and activity.

PROHIBITION ON USE OF FUNDS

Sec. 416. Notwithstanding any other provision of law, none of the funds made available in this Act or any other Act may be used to promulgate or implement any regulation requiring the issuance of permits under title V of the Clean Air Act (42 U.S.C. 7661 et seq.) for carbon dioxide, nitrous oxide, water vapor, or methane emissions resulting from biological processes associated with livestock production.

GREENHOUSE GAS REPORTING RESTRICTIONS

Sec. 417. Notwithstanding any other provision of law, none of the funds made available in this or any other Act may be used to implement any provision in a rule, if that provision requires mandatory reporting of greenhouse gas emissions from manure management systems.
FUNDING PROHIBITION

SEC. 418. None of the funds made available by this or any other Act may be used to regulate the lead content of ammunition, ammunition components, or fishing tackle under the Toxic Substances Control Act (15 U.S.C. 2601 et seq.) or any other law.

EXTENSION OF GRAZING PERMITS

FUNDING PROHIBITION

SEC. 420. (a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network is designed to block access to pornography websites.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.
FOREST SERVICE FACILITY REALIGNMENT AND
ENHANCEMENT ACT

USE OF AMERICAN IRON AND STEEL

SEC. 422. (a)(1) None of the funds made available by a State water pollution control revolving fund as authorized by section 1452 of the Safe Drinking Water Act (42 U.S.C. 300j–12) shall be used for a project for the construction, alteration, maintenance, or repair of a public water system or treatment works unless all of the iron and steel products used in the project are produced in the United States.

(2) In this section, the term “iron and steel” products means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

(b) Subsection (a) shall not apply in any case or category of cases in which the Administrator of the Environmental Protection Agency (in this section referred to as the “Administrator”) finds that—
(1) applying subsection (a) would be inconsistent with the public interest;

(2) iron and steel products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or

(3) inclusion of iron and steel products produced in the United States will increase the cost of the overall project by more than 25 percent.

(e) If the Administrator receives a request for a waiver under this section, the Administrator shall make available to the public on an informal basis a copy of the request and information available to the Administrator concerning the request, and shall allow for informal public input on the request for at least 15 days prior to making a finding based on the request. The Administrator shall make the request and accompanying information available by electronic means, including on the official public Internet Web site of the Environmental Protection Agency.

(d) This section shall be applied in a manner consistent with United States obligations under international agreements.

(e) The Administrator may retain up to 0.25 percent of the funds appropriated in this Act for the Clean and Drinking Water State Revolving Funds for carrying out
the provisions described in subsection (a)(1) for manage-
ment and oversight of the requirements of this section.

MIDWAY ISLAND

SEC. 423. None of the funds made available by this Act may be used to destroy any buildings or structures on Midway Island that have been recommended by the United States Navy for inclusion in the National Register of Historic Places (54 U.S.C. 302101).

JOHN F. KENNEDY CENTER REAUTHORIZATION

SEC. 424. Section 13 of the John F. Kennedy Center Act (20 U.S.C. 76r) is amended by striking subsections (a) and (b) and inserting the following:

“(a) MAINTENANCE, REPAIR, AND SECURITY.—There is authorized to be appropriated to the Board to carry out section 4(a)(1)(H), $25,690,000 for fiscal year 2020.

“(b) CAPITAL PROJECTS.—There is authorized to be appropriated to the Board to carry out subparagraphs (F) and (G) of section 4(a)(1), $17,600,000 for fiscal year 2020.”.

LOCAL COOPERATOR TRAINING AGREEMENTS AND TRANS-FERS OF EXCESS EQUIPMENT AND SUPPLIES FOR WILDFIRES

SEC. 425. The Secretary of the Interior is authorized to enter into grants and cooperative agreements with vol-
unteer fire departments, rural fire departments, rangeland fire protection associations, and similar organizations to provide for wildland fire training and equipment, including supplies and communication devices. Notwithstanding 121(c) of title 40, United States Code, or section 521 of title 40, United States Code, the Secretary is further authorized to transfer title to excess Department of the Interior firefighting equipment no longer needed to carry out the functions of the Department’s wildland fire management program to such organizations.

RECREATION FEES

POLICIES RELATING TO BIOMASS ENERGY

SEC. 427. To support the key role that forests in the United States can play in addressing the energy needs of the United States, the Secretary of Energy, the Secretary of Agriculture, and the Administrator of the Environmental Protection Agency shall, consistent with their missions, jointly—

(1) ensure that Federal policy relating to forest bioenergy—
(A) is consistent across all Federal departments and agencies; and

(B) recognizes the full benefits of the use of forest biomass for energy, conservation, and responsible forest management; and

(2) establish clear and simple policies for the use of forest biomass as an energy solution, including policies that—

(A) reflect the carbon-neutrality of forest bioenergy and recognize biomass as a renewable energy source, provided the use of forest biomass for energy production does not cause conversion of forests to non-forest use;

(B) encourage private investment throughout the forest biomass supply chain, including in—

(i) working forests;

(ii) harvesting operations;

(iii) forest improvement operations;

(iv) forest bioenergy production;

(v) wood products manufacturing; or

(vi) paper manufacturing;

(C) encourage forest management to improve forest health; and
(D) recognize State initiatives to produce
and use forest biomass.

SMALL REMOTE INCINERATORS

SEC. 428. None of the funds made available in this
Act may be used to implement or enforce the regulation
issued on March 21, 2011 at 40 CFR part 60 subparts
CCCC and DDDD with respect to units in the State of
Alaska that are defined as “small, remote incinerator”
units in those regulations and, until a subsequent regula-
tion is issued, the Administrator shall implement the law
and regulations in effect prior to such date.

CLARIFICATION OF EXEMPTIONS

SEC. 429. None of the funds made available in this
