IN THE SENATE OF THE UNITED STATES

MAY 5, 2020

Mrs. GILLIBRAND (for herself, Mr. BENNET, Mr. MARKEY, Mr. VAN HOLLEN, Mr. BOOKER, Ms. DUCKWORTH, Mrs. FEINSTEIN, Mr. REED, Ms. ROSEN, Ms. SMITH, Ms. HARRIS, and Mr. BLUMENTHAL) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

---

## A BILL

To provide for the establishment of a Health Force and a Resilience Force to respond to public health emergencies and meet public health needs.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Health Force and Re-  
5 silience Force Act of 2020”.

6 **SEC. 2. HEALTH FORCE.**

7 (a) PURPOSE.—It is the purpose of the Health Force  
8 established under this section to recruit, train, and employ

1 Americans to respond to the COVID–19 pandemic in their  
2 communities, provide capacity for ongoing and future pub-  
3 lic health care needs, and build skills for new workers to  
4 enter the public health and health care workforce.

5 (b) ESTABLISHMENT.—There shall be established  
6 within the Centers for Disease Control and Prevention a  
7 Health Force (referred to in this section as the “Force”)  
8 composed of community members dedicated to responding  
9 to public health emergencies as declared by the Secretary  
10 of Health and Human Services under section 319 of the  
11 Public Health Service Act, including the COVID–19 emer-  
12 gency, and providing increased capacity to address ongo-  
13 ing and future public health needs.

14 (c) ORGANIZATION AND ADMINISTRATION.—

15 (1) IN GENERAL.—The Centers for Disease  
16 Control and Prevention shall—

17 (A) award grants, contracts, or enter into  
18 cooperative agreements for the recruitment, hir-  
19 ing, managing, administration, and organization  
20 of the Force to States, localities, territories, In-  
21 dian Tribes, Tribal organizations, urban Indian  
22 health organizations, or health service providers  
23 to Tribes through the Public Health Emergency  
24 Preparedness and Public Health Crisis Re-

1           response programs implemented through such  
2           Centers; and

3                   (B) provide assistance for expenses in-  
4           curred by States, localities, territories, Indian  
5           Tribes, Tribal organizations, urban Indian  
6           health organizations, or health service providers  
7           to Tribes prior to the awarding of a grant, con-  
8           tract, or cooperative agreement under subpara-  
9           graph (A) to facilitate the implementation of  
10          the Force, including assistance for planning and  
11          recruitment activities, as provided for in section  
12          424 of the Robert T. Stafford Disaster Relief  
13          and Emergency Assistance Act (42 U.S.C.  
14          5189b).

15               (2) DUTIES OF THE DIRECTOR.—The Director  
16          of the Centers for Disease Control and Prevention  
17          (referred to in this section as the “Director”)  
18          shall—

19                   (A) identify training resource packages to  
20          be utilized by the Force and develop new train-  
21          ing resource packages, as needed, including  
22          by—

23                           (i) collaborating with other Federal  
24                           agencies, including the Health Resources  
25                           and Services Administration; and

1 (ii) collaborating with Centers for Dis-  
2 ease Control and Prevention implementing  
3 partners, including public health, health  
4 care, and community-based organizational  
5 partners, to identify and develop such  
6 training resource packages; and

7 (B) carry out any other activities deter-  
8 mined appropriate by the Director to carry out  
9 this section.

10 (d) SERVICE.—

11 (1) MINIMUM REQUIREMENTS.—

12 (A) IN GENERAL.—The Force shall be  
13 composed of eligible members selected pursuant  
14 to guidelines developed by the Director in con-  
15 sultation with States, localities, territories, In-  
16 dian Tribes, Tribal organizations, urban Indian  
17 health organizations, or health service providers  
18 to Tribes funded entities. At a minimum such  
19 guidelines shall ensure that a member of the  
20 Force—

21 (i) is at least 18 years of age; and

22 (ii) has a high school diploma or  
23 equivalent or has successfully completed an  
24 employment literacy test.

25 (B) OTHER ELIGIBLE INDIVIDUALS.—

1 (i) CITIZENSHIP OR IMMIGRATION  
2 STATUS.—An individual who is authorized  
3 to work in the United States, including an  
4 individual with Deferred Action for Child-  
5 hood Arrivals (DACA) or Temporary Pro-  
6 tected Status (TPS) under section 244 of  
7 the Immigration and Nationality Act (8  
8 U.S.C. 1254a), shall not be disqualified for  
9 appointment under this section as a mem-  
10 ber of the Force because of citizenship or  
11 immigration status.

12 (ii) BANKRUPTCY.—An individual  
13 shall not be disqualified for appointment  
14 under this section as a member of the  
15 Force because of the bankruptcy or poor  
16 credit rating of such individual determined  
17 to be the result of the coronavirus public  
18 health emergency.

19 (2) RECRUITMENT.—

20 (A) IN GENERAL.—The guidelines devel-  
21 oped under paragraph (1) shall provide for  
22 Force recruitment information to be distributed  
23 at the national level through all available chan-  
24 nels and partnerships as practicable. Such  
25 guidelines shall also, as practicable, require that

1 all graduating high school seniors be made  
2 aware of Force employment opportunities while  
3 in their senior year, and every 2 years there-  
4 after, unless they opt out of receiving notifica-  
5 tions or have joined the Force. As practicable,  
6 Federal and State Departments of Labor shall  
7 share information about Force opportunities  
8 with those individuals applying for or receiving  
9 unemployment benefits.

10 (B) RECRUITMENT BY STATE, LOCALITY,  
11 TERRITORY, INDIAN TRIBES, TRIBAL ORGANIZA-  
12 TIONS, URBAN INDIAN HEALTH ORGANIZA-  
13 TIONS, OR HEALTH SERVICE PROVIDERS TO  
14 TRIBES FUNDED ENTITIES.—With respect to  
15 the employment of Force members in States, lo-  
16 calities, territories, Indian Tribes, Tribal orga-  
17 nizations, urban Indian health organizations, or  
18 health service providers to Tribes funded enti-  
19 ties, such areas and entities shall support ex-  
20 tensive recruitment efforts for Force personnel,  
21 including efforts to recruit Force members  
22 among focal communities as described in sub-  
23 section (g), as well as low-income, minority, and  
24 historically marginalized populations.

1           (3) PREFERENCE.—Preference in the hiring of  
2 Force members shall be given to individuals who are  
3 veterans, unemployed or underemployed, recently  
4 furloughed community-based nonprofit, public health  
5 or health care professionals, or from focal commu-  
6 nities as described in subsection (g).

7           (4) TRAINING.—

8           (A) INITIAL TRAINING.—

9           (i) IN GENERAL.—Not later than 14  
10 days after the date of enactment of this  
11 Act, the Director shall identify an evi-  
12 dence-informed training program for Force  
13 members in accordance with this para-  
14 graph. Such initial training program shall  
15 focus on building public health surveillance  
16 knowledge and skills, particularly contact  
17 tracing knowledge and skills, to address  
18 training requirements for Force members  
19 to successfully conduct contact tracing ac-  
20 tivities under subsection (e)(1). States, lo-  
21 calities, territories, Indian Tribes, Tribal  
22 organizations, urban Indian health organi-  
23 zations, or health service providers to  
24 Tribes shall determine which Force re-  
25 cruits will be provided with initial training

1 to meet State, locality, territory, and Trib-  
2 al public health needs.

3 (ii) REQUIREMENTS.—The initial  
4 training program under this subparagraph  
5 shall—

6 (I) be adaptable by State, local-  
7 ity, territorial, Indian Tribe, Tribal  
8 organization, urban Indian health or-  
9 ganization, or health service providers  
10 to Tribes funded entities to meet local  
11 needs;

12 (II) be implemented as quickly as  
13 possible by either or both of the Cen-  
14 ters for Disease Control and Preven-  
15 tion and State, locality, territorial, In-  
16 dian Tribe, Tribal organization, urban  
17 Indian health organization, or health  
18 service providers to Tribes funded en-  
19 tities, based on local needs and abili-  
20 ties;

21 (III) be distance-based eLearning  
22 that can be accessed with a  
23 smartphone, with the goal of limiting  
24 opportunities for disease transmission  
25 while maximizing knowledge and skills

1 acquisition and retention among  
2 Force trainees;

3 (IV) include refresher training at  
4 regular and frequent intervals as de-  
5 termined appropriate by the Director;

6 (V) include training components  
7 on personal safety, including staying  
8 safe around animals in home- and  
9 community-based settings, use of per-  
10 sonal protective equipment, and health  
11 privacy and ethics;

12 (VI) include standardized testing  
13 to measure knowledge and skills ac-  
14 quisition and retention; and

15 (VII) use individual results of  
16 such standardized testing to ensure  
17 that only successfully trained individ-  
18 uals are maintained as Force mem-  
19 bers.

20 (B) ADDITIONAL TRAINING.—Not later  
21 than 90 days after the date of enactment of  
22 this Act, the Director shall identify and, as nec-  
23 essary, develop additional evidence-informed  
24 training resource packages to provide Force  
25 members the knowledge and skills necessary to

1           conduct the full complement of activities de-  
2           scribe in subsections (e) and (f). States, local-  
3           ities, territories, Indian Tribes, Tribal organiza-  
4           tions, urban Indian health organizations, or  
5           health service providers to Tribes shall deter-  
6           mine which Force members will be provided  
7           with additional training to meet State, locality,  
8           territory, and Tribal public health needs.

9           (C) MISCELLANEOUS.—Where determined  
10          necessary, the Director may—

11           (i) recommend training under this  
12          subparagraph that includes face-to-face  
13          interaction;

14           (ii) collaborate with public univer-  
15          sities, including nursing, medical, and vet-  
16          erinary schools, community colleges, or  
17          other career and technical education insti-  
18          tutes, community health centers and other  
19          community-based organizations, federally  
20          recognized Minority Serving Institutions,  
21          as well as public health associations and  
22          State and local health departments, to de-  
23          velop and implement training under this  
24          subparagraph, particularly for skills that  
25          typically have licensure requirements; and

1 (iii) develop training and communica-  
2 tions materials in multiple languages.

3 (D) TIMING.—The training provided under  
4 subparagraph (A)(i) shall be designed to be  
5 completed by Force members within 14 days of  
6 the start of such training. The training pro-  
7 grams under subparagraph (B) shall be made  
8 available where necessary to ensure that Force  
9 members are fully trained as soon as possible  
10 after commencing such training.

11 (E) SPECIALIZED TRAINING.—In orga-  
12 nizing the Force under this section, the Direc-  
13 tor may elect to establish divisions of Force  
14 members who receive specialized comprehensive  
15 training, including divisions of Force members  
16 who have met State licensure requirements,  
17 have prior relevant experience, or have super-  
18 visory skills or demonstrated aptitude.

19 (F) PAYMENT DURING TRAINING.—Indi-  
20 viduals shall be paid for each hour spent in  
21 training (including refresher training) under  
22 this paragraph at a rate of not less than \$15  
23 per hour (to be increased each year based on  
24 increases in the Consumer Price Index for such  
25 year).

## 1 (5) SALARY AND BENEFITS.—

2 (A) IN GENERAL.—Members of the Force  
3 shall be paid directly by State, locality, terri-  
4 torial, Indian Tribe, Tribal organization, urban  
5 Indian health organization, or health service  
6 providers to Tribes funded entities and sub-  
7 partners using funds provided by the Centers  
8 for Disease Control and Prevention under  
9 grants, contracts, or cooperative agreements  
10 under this section. All Force positions shall be  
11 salaried with health and retirement benefits, in-  
12 cluding paid family leave. Payment of salaries  
13 and benefits shall be in accordance with the  
14 policies of the State or unit of local government  
15 involved and have the approval of the State or  
16 the Centers for Disease Control and Prevention,  
17 as applicable.

18 (B) OVERTIME PAY.—The entire amount  
19 of overtime costs, including payments related to  
20 backfilling personnel, that are the direct result  
21 of time spent on the design, development and  
22 conduct of Force activities are allowable ex-  
23 penses under this section. Such costs shall be  
24 allowed only to the extent that payment for  
25 such services is in accordance with the policies

1 of the State or unit of local government in-  
2 volved and have the approval of the State or the  
3 Centers for Disease Control and Prevention, as  
4 applicable. Dual compensation under this para-  
5 graph shall be prohibited.

6 (6) PLACEMENT.—To the extent feasible, as de-  
7 termined by State, locality, territorial, Indian Tribe,  
8 Tribal organization, urban Indian health organiza-  
9 tion, or health service providers to Tribes funded en-  
10 tities, members of the Force shall be recruited from  
11 and serve in their home communities. Force mem-  
12 bers may be physically co-located with local public  
13 health, health care, and community-based organiza-  
14 tions, including community health centers, as deter-  
15 mined appropriate by funded entities.

16 (7) SUPERVISORY STRUCTURES.—Members of  
17 the Force shall receive ongoing supportive super-  
18 vision from staff members of State, locality, terri-  
19 torial, Indian Tribe, Tribal organization, urban In-  
20 dian health organization, or health service providers  
21 to Tribes funded entities or their sub-partners, as  
22 described in paragraph (9). Entities funded under  
23 this section may choose the most appropriate super-  
24 visory structure to use based on local needs, and  
25 may promote Force members into supervisory roles.

1 Such supervision may be also be provided by Disease  
2 Intervention Specialists. The Centers for Disease  
3 Control and Prevention shall provide or direct their  
4 implementing partners to provide, technical assist-  
5 ance and training opportunities to such funded enti-  
6 ties to strengthen supportive supervision skills and  
7 practices.

8 (8) SUPPLIES AND EQUIPMENT.—Members of  
9 the Force and their supervisors shall receive all nec-  
10 essary supplies and equipment, including personal  
11 protective equipment, through State, locality, terri-  
12 torial, Indian Tribe, Tribal organization, urban In-  
13 dian health organization, or health service providers  
14 to Tribes funded entities, which may use funds  
15 awarded under grants, contracts, or cooperative  
16 agreements under this section to pay for such sup-  
17 plies and equipment.

18 (9) SUBAWARDS.—As authorized by the Centers  
19 for Disease Control and Prevention, State, locality,  
20 territorial, Indian Tribe, Tribal organization, urban  
21 Indian health organization, or health service pro-  
22 viders to Tribes funded entities may make sub-  
23 awards to local partners, including community  
24 health centers and other community-based and non-  
25 profit organizations, in order to facilitate Force

1 member recruitment, management, supervision,  
2 management, and retention as well as to facilitate  
3 Force integration into existing public health, health  
4 care, and community-based services.

5 (10) SERVICE IN PUBLIC HEALTH EMER-  
6 GENCY.—A State, locality, territory, Indian Tribe,  
7 Tribal organization, urban Indian health organiza-  
8 tion, or health service providers to Tribes receiving  
9 funding under a grant, contract, or cooperative  
10 agreement this section shall assign one or more  
11 Force members to respond to a public health emer-  
12 gency in the area served by such entity. Such Force  
13 members shall be under the supervision and manage-  
14 ment of the State, locality, territory, Indian Tribe,  
15 Tribal organization, urban Indian health organiza-  
16 tion, or health service providers to Tribes involved.

17 (11) SERVICE POST EMERGENCY.—A State, lo-  
18 cality, territory, Indian Tribe, Tribal organization,  
19 urban Indian health organization, or health service  
20 providers to Tribes may retain one or more Force  
21 members to continue to work in the area served by  
22 the entity after a public health emergency has ended  
23 in order to—

24 (A) prevent and respond to future public  
25 health emergencies; and

1 (B) respond to ongoing and future public  
2 health and health care needs.

3 (12) LIMITATION.—A Force member may not  
4 be assigned for international deployment on behalf  
5 of the Health Force.

6 (13) FUNDING.—All costs associated with the  
7 service and functions of Force members under this  
8 section, including salary and employment benefits as  
9 well as associated direct and indirect costs, shall be  
10 paid by the Federal Government through grants,  
11 contracts, or cooperative agreements to States, local-  
12 ities, territories, Indian Tribes, Tribal organizations,  
13 urban Indian health organizations, or health service  
14 providers to Tribes.

15 (e) ACTIVITIES TO RESPOND TO THE COVID–19  
16 PANDEMIC.—The Force shall provide for the training and  
17 employment of Force personnel to address the COVID–  
18 19 pandemic, including by conducting or assisting with the  
19 following activities, where such activities are aligned with  
20 State licensure requirements:

- 21 (1) Conducting COVID–19 related contact trac-  
22 ing.
- 23 (2) When available, supporting the administra-  
24 tion of diagnostic, serologic, or other COVID–19  
25 tests.

1           (3) As appropriate based on State licensing re-  
2           quirements, supporting the provision of palliative  
3           care, including by providing support to palliative  
4           care teams for seriously ill patients.

5           (4) When available, supporting the provision of  
6           COVID–19 vaccinations, flu vaccinations, and rec-  
7           ommended vaccinations for individuals who have  
8           missed vaccinations because of the pandemic.

9           (5) Sharing COVID–19 public health messages  
10          with community members, including debunking  
11          myths and misperceptions, and building health lit-  
12          eracy.

13          (6) Providing data collection and entry or other  
14          administrative duties in support of epidemic surveil-  
15          lance and to meet broader health information system  
16          requirements.

17          (7) Providing community-based and direct-care  
18          services, including food and medical supply delivery.

19          (8) Providing coordination or case management  
20          of public health and human services needs related to  
21          COVID–19.

22          (9) Carrying out any other activities, including  
23          those described in subsection (f), as determined ap-  
24          propriate by the Director.

1           (10) Carrying out any other activities, including  
2           those described in subsection (f), as determined ap-  
3           propriate by State, locality, territory, Indian Tribe,  
4           Tribal organization, urban Indian health organiza-  
5           tion, or health service providers to Tribes funding  
6           recipients, in accordance with grant, contract, and  
7           cooperative agreement scope and stipulations.

8           (f) ACTIVITIES POST-EMERGENCY.—After the  
9           COVID–19 emergency concludes, the Force shall provide  
10          for the training and employment of Force personnel to  
11          prevent and respond to future public health emergencies  
12          and respond to ongoing and future public health and  
13          health care needs. Under this subsection, Force members  
14          shall carry out or assist with activities described in sub-  
15          section (e) as well as any of the following activities, where  
16          aligned with State licensure requirements:

17               (1) Sharing public health messages with com-  
18               munity members.

19               (2) Providing home-based check-ins for new  
20               mothers and infants.

21               (3) Providing vaccination schedule reminders,  
22               especially for parents and legal guardians of children  
23               under the age of 6.

1           (4) Providing services to help community mem-  
2           bers navigate medical, behavioral health, well health,  
3           and social services.

4           (5) Connecting community members with health  
5           and social services, including services provided by  
6           the Federal or State Governments and community-  
7           based organizations.

8           (6) Providing or supportive provision of addi-  
9           tional perinatal health services, such as serving as  
10          doulas, peer supporters, certified lactation consult-  
11          ants, and home visitors.

12          (7) Providing community-based information to  
13          local health departments to inform and improve  
14          health programming for hard-to-reach communities.

15          (8) Preventing the spread of sexually trans-  
16          mitted disease, including through contact tracing.

17          (9) Supporting the provision of mental and be-  
18          havioral health services, including mental health first  
19          aid and peer-to-peer support.

20          (10) Other activities determined appropriate by  
21          the Director.

22          (11) Other activities, including response to lo-  
23          calized public health emergencies, as determined ap-  
24          propriate by State, locality, territory, Indian Tribe,  
25          Tribal organization, urban Indian health organiza-

1       tion, or health service providers to Tribes funding  
 2       recipients and in accordance with grant and coopera-  
 3       tive agreement scope and stipulations.

4       (g) FOCAL COMMUNITIES.—State, locality, terri-  
 5       torial, Indian Tribe, Tribal organization, urban Indian  
 6       health organization, or health service providers to Tribes  
 7       funded entities shall dedicate a substantial number of  
 8       Force members to addressing the needs of focal commu-  
 9       nities. To be designated as a focal community, a commu-  
 10      nity shall at a minimum—

11           (1) be in the bottom 50 percent of the United  
 12           States in terms of life expectancy, infant mortality,  
 13           poverty, or other measure, as recommended by the  
 14           National Academies of Sciences, Engineering, and  
 15           Medicine and approved by the Director; or

16           (2) be identified as a “most vulnerable” com-  
 17           munity according to the Centers for Disease Control  
 18           and Prevention’s Social Vulnerability Index.

19      (h) COORDINATION AND COLLABORATION.—

20           (1) FACILITATION.—

21           (A) IN GENERAL.—The Director shall fa-  
 22           cilitate coordination and collaboration between  
 23           the Force and other national public health serv-  
 24           ice programs within and external to the Depart-  
 25           ment of Health and Human Services, including

1 the Public Health Service and Medical Reserve  
2 Corps.

3 (B) ADVISORY GROUP.—Not later than 6  
4 months after the date of enactment of this Act,  
5 the Director shall convene a stakeholder advi-  
6 sory group comprised of the leadership of other  
7 national health service programs, other relevant  
8 Federal agencies, including the Department of  
9 Labor and the Centers for Medicare & Medicaid  
10 Services, and leaders representing State, local-  
11 ity, territorial, Indian Tribe, Tribal organiza-  
12 tion, urban Indian health organization, or  
13 health service providers to Tribes funded enti-  
14 ties. Such advisory group shall meet on a yearly  
15 basis to provide guidance for the programmatic  
16 success and longevity of the Force.

17 (2) STATES, LOCALITIES, TERRITORIES, INDIAN  
18 TRIBES, TRIBAL ORGANIZATIONS, URBAN INDIAN  
19 HEALTH ORGANIZATIONS, OR HEALTH SERVICE PRO-  
20 VIDERS TO TRIBES COLLABORATION.—

21 (A) IN GENERAL.—States, localities, terri-  
22 tories, Indian Tribes, Tribal organizations,  
23 urban Indian health organizations, or health  
24 service providers to tribes shall ensure coordina-
