JOINT RESOLUTION

Calling on the United States and Congress to take immediate action to address the challenge of climate change.

- 1 *Resolved by the Senate and House of Representatives*
- 2 *of the United States of America in Congress assembled,*
- 3 That it is the sense of Congress that—
- 4 (1) climate change is real;

1 (2) human activity during the last century is
2 the dominant cause of the climate crisis; and

3 (3) the United States and Congress should take
4 immediate action to address the challenge of climate
5 change.
