## RESOLUTION

Designating the week of June 3 through June 9, 2019,  
as “Hemp History Week”.

Whereas Hemp History Week will be held from June 3  
through June 9, 2019;

Whereas the goals of Hemp History Week are to commemo-  
rate the historical relevance of industrial hemp in the  
United States and to promote the full growth potential  
of the industrial hemp industry;

Whereas industrial hemp is an agricultural commodity that  
has been used for centuries to produce many innovative  
industrial and consumer products, including soap, fabric,  
textiles, construction materials, clothing, paper, cos-  
metics, food, and beverages;

Whereas the global market for hemp is estimated to consist of more than 25,000 products;

Whereas the value of hemp imported into the United States for use in the production of other retail products is estimated at approximately \$76,000,000 annually;

Whereas the United States hemp industry estimates that the annual market value of hemp retail sales in the United States is more than \$1,000,000,000;

Whereas, despite the legitimate uses of hemp, agricultural producers of the United States were for decades prohibited under law from growing hemp;

Whereas, in December 2018, Congress established a legal framework for agricultural producers to cultivate, grow, and sell hemp in the United States;

Whereas the United States is the largest consumer of hemp products in the world; and

Whereas industrial hemp holds great potential to bolster the agricultural economy of the United States: Now, therefore, be it
