RULES OF THE COMMITTEE ON ARMED SERVICES—116TH CONGRESS

ADOPTED JANUARY 24, 2019

RULE 1. GENERAL PROVISIONS

(a) The Rules of the House of Representatives are the rules of the Committee on Armed Services (hereinafter referred to in these rules as the “Committee”) and its subcommittees so far as applicable.

(b) Pursuant to clause 2(a)(2) of rule XI of the Rules of the House of Representatives, the Committee’s rules shall be publicly available in electronic form and published in the Congressional Record not later than 60 days after the chair of the committee is elected in each odd-numbered year.

RULE 2. FULL COMMITTEE MEETING DATE

(a) The Committee shall meet every Wednesday at 10:00 a.m., when the House of Representatives is in session, and at such other times as may be fixed by the Chairman of the Committee (hereinafter referred to as the “Chairman”), or by written request of members of the Committee pursuant to clause 2(c) of rule XI of the Rules of the House of Representatives.

(b) A Wednesday meeting of the Committee may be dispensed with by the Chairman, but such action may be reversed by a written request of a majority of the members of the Committee.

RULE 3. SUBCOMMITTEE MEETING DATES

Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the Committee on all matters referred to it. Insofar as possible, meetings of the Committee and its subcommittees shall not conflict. A subcommittee chairman shall set meeting dates after consultation with the Chairman, other subcommittee chairmen, and the ranking minority member of the subcommittee with a view toward avoiding, whenever possible, simultaneous scheduling of Committee and subcommittee meetings or hearings.

RULE 4. JURISDICTION AND MEMBERSHIP OF COMMITTEE AND SUBCOMMITTEES

(a) Jurisdiction

(1) The Committee retains jurisdiction of all subjects listed in clause 1(c) and clause 3(b) of rule X of the Rules of the House of Representatives and retains exclusive jurisdiction for: defense policy generally, ongoing military operations, the organization and reform of the Department of Defense and the De-

partment of Energy, counter-drug programs, security cooperation and humanitarian assistance activities (except special operations-related activities) of the Department of Defense, acquisition and industrial base policy, technology transfer and export controls, joint interoperability, detainee affairs and policy, force protection policy, and inter-agency reform as it pertains to the Department of Defense and the nuclear weapons programs of the Department of Energy. While subcommittees are provided jurisdictional responsibilities in subparagraph (a)(2) and are required to conduct oversight in their respective jurisdictions, pursuant to clause 2(b)(2) of rule X of the Rules of the House of Representatives, the Committee retains the right to exercise oversight and legislative jurisdiction over all subjects within its purview under rule X of the Rules of the House of Representatives.

(2) The Committee shall be organized to consist of six standing subcommittees with the following jurisdictions:

Subcommittee on Tactical Air and Land Forces: Army programs and accounts related to aircraft, ground equipment, missiles, ammunition, and other procurement; Marine Corps programs and accounts related to ground and amphibious equipment, fighter aircraft, helicopters, air-launched weapons, and ammunition; Air Force programs and accounts related to fighter, training, reconnaissance and surveillance, and electronic warfare aircraft, helicopters, air-launched weapons, ground equipment, and ammunition; Navy programs and accounts related to fighter, training, and electronic warfare aircraft, helicopters, and air-launched weapons; tactical air and missile defense programs and accounts; chemical agent and munition destruction programs and accounts; and National Guard and Reserve equipment programs and accounts.

Subcommittee on Military Personnel: Department of Defense policy and programs and accounts related to military personnel and their families, Reserve Component integration and employment, military health care, military education, dependent schools, POW/MIA issues, Morale, Welfare and Recreation, commissaries, cemeteries under the jurisdiction of the Department of Defense, the Uniform Code of Military Justice, and military retirement issues.

Subcommittee on Readiness: Department of Defense policy and programs and accounts related to military readiness, training, logistics and maintenance, military construction, organic industrial base, the civilian and contract workforce, environment, military installations and real property management, family housing, base realignments and closures, and energy.

Subcommittee on Seapower and Projection Forces: Navy and Marine Corps acquisition programs and accounts related to shipbuilding and conversion, reconnaissance and surveillance, tanker, and airlift aircraft, ship and submarine-launched weapons, ammunition, and other procurements; Air Force programs and accounts related to bomber, tanker, and airlift aircraft; Army programs and accounts related to waterborne vessels; and Maritime policy and programs and accounts under the ju-

jurisdiction of the Committee as delineated in paragraphs 5 and 9 of clause 1(c) of rule X of the Rules of the House of Representatives.

Subcommittee on Strategic Forces: Department of Defense and Department of Energy policy related to strategic deterrence, strategic stability, nuclear weapons, strategic and nuclear arms control, nonproliferation, nuclear safety, missile defense, and space; Department of Defense programs and accounts related to nuclear weapons, strategic missiles, nuclear command and control systems, Department of Defense intelligence space, space systems and services of the military departments, and intermediate and long-range missile defense systems; and Department of Energy national security programs and accounts.

Subcommittee on Intelligence and Emerging Threats and Capabilities: Department of Defense policy and programs and accounts related to military intelligence, national intelligence, countering weapons of mass destruction, counter-proliferation, counter-terrorism, other sensitive military operations, special operations forces, cyber security, cyber operations, cyber forces, information technology, information operations, and science and technology (including defense-wide programs and accounts related to research, development, testing, and evaluation, except for those defense-wide programs and accounts related to research, development, testing, and evaluation of missile defense systems).

(3) Definitions—For the purposes of subparagraph (a)(2):

(A) The phrase “programs and accounts” means acquisition and modernization programs, sustainment planning during program development, and related funding lines for procurement, advanced development, advanced component development and prototypes, systems development, sustainment planning, and demonstration.

(B) The term “policy” means statutes, regulations, directives, and other institutional guidance.

(C) The phrase “science and technology” means science and technology programs and related funding lines for basic research, applied research, and non-acquisition program advanced development.

(b) Membership of the Subcommittees

(1) Subcommittee memberships shall be filled in accordance with the rules of the majority party’s caucus and the minority party’s conference, respectively.

(2) The Chairman of the Committee and the Ranking Minority Member thereof (hereinafter referred to as the “Ranking Minority Member”) may sit as ex officio members of all subcommittees. Ex officio members shall not vote in subcommittee hearings or meetings or be taken into consideration for the purpose of determining the ratio of the subcommittees or establishing a quorum at subcommittee hearings or meetings.

(3) A member of the Committee who is not a member of a particular subcommittee may sit with the subcommittee and participate during any of its hearings but shall not have au-

thority to vote, cannot be counted for the purpose of achieving a quorum, and cannot raise a point of order at the hearing.

RULE 5. COMMITTEE PANELS AND TASK FORCES

(a) Committee Panels

(1) The Chairman may designate a panel of the Committee consisting of members of the Committee to inquire into and take testimony on a matter or matters that fall within the jurisdiction of more than one subcommittee and to report to the Committee.

(2) No panel appointed by the Chairman shall continue in existence for more than six months after the appointment. A panel so appointed may, upon the expiration of six months, be reappointed by the Chairman for a period of time which is not to exceed six months.

(3) Consistent with the party ratios established by the majority party, all majority members of the panels shall be appointed by the Chairman, and all minority members shall be appointed by the Ranking Minority Member. The Chairman shall choose one of the majority members so appointed who does not currently chair another subcommittee of the Committee to serve as chairman of the panel. The Ranking Minority Member shall similarly choose the ranking minority member of the panel.

(4) No panel shall have legislative jurisdiction.

(b) Committee and Subcommittee Task Forces

(1) The Chairman, or the chairman of a subcommittee with the concurrence of the Chairman, may designate a task force to inquire into and take testimony on a matter that falls within the jurisdiction of the Committee or subcommittee, respectively. The Chairman and the Ranking Minority Member or the chairman and the ranking minority member of a subcommittee shall each appoint an equal number of members to the task force. The Chairman or the chairman of a subcommittee shall choose one of the members so appointed, who does not currently chair another subcommittee of the Committee, to serve as chairman of the task force. The Ranking Minority Member or the ranking minority member of a subcommittee shall similarly appoint the ranking minority member of the task force.

(2) No task force appointed by the Chairman or the chairman of a subcommittee shall continue in existence for more than three months. A task force may only be reappointed for an additional three months with the written concurrence of the Chairman and the Ranking Minority Member or the concurrence of the chairman and the ranking minority member of the subcommittee whose chairman appointed the task force.

(3) No task force shall have legislative jurisdiction.

RULE 6. REFERENCE AND CONSIDERATION OF LEGISLATION

(a) The Chairman shall refer legislation and other matters to the appropriate subcommittee or to the full Committee.

(b) Legislation shall be taken up for a hearing or markup only when called by the Chairman or the chairman of a subcommittee, as appropriate, or by a majority of the Committee or subcommittee, as appropriate.

(c) The Chairman, with approval of a majority vote of a quorum of the Committee, shall have authority to discharge a subcommittee from consideration of any measure or matter referred thereto and have such measure or matter considered by the Committee.

(d) Reports and recommendations of a subcommittee may not be considered by the Committee until after the intervention of three calendar days from the time the report is approved by the subcommittee and available to the members of the Committee, except that this rule may be waived by a majority vote of a quorum of the Committee.

(e) The Chairman, in consultation with the Ranking Minority Member, shall establish criteria for recommending legislation and other matters to be considered by the House of Representatives, pursuant to clause 1 of rule XV of the Rules of the House of Representatives. Such criteria shall not conflict with the Rules of the House of Representatives and other applicable rules.

RULE 7. PUBLIC ANNOUNCEMENT OF HEARINGS AND MEETINGS

(a) Pursuant to clause 2(g)(3) of rule XI of the Rules of the House of Representatives, the Chairman, or the chairman of any subcommittee, panel, or task force, shall make a public announcement of the date, place, and subject matter of any hearing or meeting before that body at least one week before the commencement of a hearing and at least three calendar days (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day) before the commencement of a meeting. However, if the Chairman, with the concurrence of the Ranking Minority Member, or the chairman of any subcommittee, panel, or task force, with the concurrence of the respective ranking minority member, determines that there is good cause to begin the hearing or meeting sooner, or if the Committee, subcommittee, panel, or task force so determines by majority vote, a quorum being present for the transaction of business, such chairman shall make the announcement at the earliest possible date. Any announcement made under this rule shall be promptly published in the Daily Digest, and promptly made publicly available in electronic form.

(b) At least 24 hours prior to the commencement of a meeting for the markup of legislation, or at the time of an announcement under paragraph (a) made within 24 hours before such meeting, the Chairman, or the chairman of any subcommittee, panel, or task force shall cause the text of such measure or matter to be made publicly available in electronic form as provided in clause 2(g)(4) of rule XI of the Rules of the House of Representatives.

RULE 8. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

(a) Pursuant to clause 2(e)(5) of rule XI of the Rules of the House of Representatives, the Committee shall, to the maximum extent practicable, provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings. The Committee shall maintain the recordings of such coverage in a manner that is easily accessible to the public.

(b) Clause 4 of rule XI of the Rules of the House of Representatives shall apply to the Committee.

RULE 9. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

(a) Each hearing and meeting for the transaction of business, including the markup of legislation, conducted by the Committee, or any subcommittee, panel, or task force, to the extent that the respective body is authorized to conduct markups, shall be open to the public except when the Committee, subcommittee, panel, or task force in open session and with a majority being present, determines by record vote that all or part of the remainder of that hearing or meeting on that day shall be in executive session because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or would violate any law or rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, a majority of those present, there being in attendance no fewer than two members of the Committee, subcommittee, panel, or task force may vote to close a hearing or meeting for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or would violate any law or rule of the House of Representatives. If the decision is to proceed in executive session, the vote must be by record vote and in open session, a majority of the Committee, subcommittee, panel, or task force being present.

(b) Whenever it is asserted by a member of the Committee, subcommittee, panel, or task force that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness, notwithstanding the requirements of paragraph (a) and the provisions of clause 2(g)(2)(A) of rule XI of the Rules of the House of Representatives and in accordance with the provisions of clause 2(g)(2)(B) of rule XI of the Rules of the House of Representatives, such evidence or testimony shall be presented in executive session, if by a majority vote of those present, there being in attendance no fewer than two members of the Committee, subcommittee, panel, or task force, the Committee, subcommittee, panel, or task force determines that such evidence may tend to defame, degrade, or incriminate any person. A majority of those present, there being in attendance no fewer than two members of the Committee, subcommittee, panel, or task force may also

vote to close the hearing or meeting for the sole purpose of discussing whether evidence or testimony to be received would tend to defame, degrade, or incriminate any person. The Committee, subcommittee, panel, or task force shall proceed to receive such testimony in open session only if the Committee, subcommittee, panel, or task force, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(c) Notwithstanding the foregoing, and with the approval of the Chairman, each member of the Committee may designate by letter to the Chairman, one member of that member's personal staff, and an alternate, which may include fellows, with Top Secret security clearance to attend hearings of the Committee, or that member's subcommittee(s), panel(s), or task force(s) (excluding briefings or meetings held under the provisions of committee rule 9(a)), which have been closed under the provisions of rule 9(a) above for national security purposes for the taking of testimony. The attendance of such a staff member or fellow at such hearings is subject to the approval of the Committee, subcommittee, panel, or task force as dictated by national security requirements at that time. The attainment of any required security clearances is the responsibility of individual members of the Committee.

(d) Pursuant to clause 2(g)(2) of rule XI of the Rules of the House of Representatives, no Member, Delegate, or Resident Commissioner may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee, unless the House of Representatives shall by majority vote authorize the Committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures designated in this rule for closing hearings to the public.

(e) The Committee or the subcommittee may vote, by the same procedure, to meet in executive session for up to five additional consecutive days of hearings.

RULE 10. QUORUM

(a) For purposes of taking testimony and receiving evidence, two members shall constitute a quorum.

(b) One-third of the members of the Committee or subcommittee shall constitute a quorum for taking any action, with the following exceptions, in which case a majority of the Committee or subcommittee shall constitute a quorum:

- (1) Reporting a measure or recommendation;
- (2) Closing Committee or subcommittee meetings and hearings to the public;
- (3) Authorizing the issuance of subpoenas;
- (4) Authorizing the use of executive session material; and
- (5) Voting to proceed in open session after voting to close to discuss whether evidence or testimony to be received would tend to defame, degrade, or incriminate any person.

(c) No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present.

RULE 11. THE FIVE-MINUTE RULE

(a) Subject to rule 15, the time any one member may address the Committee, subcommittee, panel, or task force on any measure or matter under consideration shall not exceed five minutes and then only when the member has been recognized by the Chairman or subcommittee chairman, as appropriate, except that this time limit may be exceeded by unanimous consent. Any member, upon request, shall be recognized for not more than five minutes to address the Committee or subcommittee on behalf of an amendment which the member has offered to any pending bill or resolution. The five-minute limitation shall not apply to the Chairman and the Ranking Minority Member or the chairman and the ranking minority member of a subcommittee, panel, or task force.

(b)(1) Members who are present at a hearing of the Committee, subcommittee, panel, or task force when a hearing is originally convened shall be recognized by the Chairman or subcommittee, panel, or task force chairman, as appropriate, in order of seniority. Those members arriving subsequently shall be recognized in order of their arrival. Notwithstanding the foregoing, the Chairman and the Ranking Minority Member or the chairman and the ranking minority member of a subcommittee, panel, or task force, as appropriate, will take precedence upon their arrival. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of either party.

(2) Pursuant to rule 4 and subject to rule 15, a member of the Committee who is not a member of a subcommittee, panel, or task force may be recognized by a subcommittee, panel, or task force chairman in order of their arrival and after all present subcommittee, panel, or task force members have been recognized.

(3) The Chairman of the Committee or the chairman of a subcommittee, panel, or task force, with the concurrence of the respective ranking minority member, may depart with the regular order for questioning which is specified in paragraphs (a) and (b) of this rule provided that such a decision is announced prior to the hearing or prior to the opening statements of the witnesses and that any such departure applies equally to the majority and the minority.

(c) No person other than a Member, Delegate, or Resident Commissioner of Congress and committee staff may be seated in or behind the dais area during Committee, subcommittee, panel, or task force hearings and meetings.

RULE 12. POWER TO SIT AND ACT; SUBPOENA POWER

(a) For the purpose of carrying out any of its functions and duties under rules X and XI of the Rules of the House of Representatives,

the Committee and any subcommittee is authorized (subject to subparagraph (b)(1) of this paragraph):

(1) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold hearings, and

(2) to require by subpoena, or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers and documents, including, but not limited to, those in electronic form, as it considers necessary.

(b)(1) A subpoena may be authorized and issued by the Committee, or any subcommittee with the concurrence of the Chairman and after consultation with the Ranking Minority Member, under subparagraph (a)(2) in the conduct of any investigation, or series of investigations or activities, only when authorized by a majority of the members voting, a majority of the Committee or subcommittee being present. Authorized subpoenas shall be signed only by the Chairman, or by any member designated by the Committee.

(2) Pursuant to clause 2(m) of rule XI of the Rules of the House of Representatives, compliance with any subpoena issued by the Committee or any subcommittee under subparagraph (a)(2) may be enforced only as authorized or directed by the House of Representatives.

RULE 13. WITNESS STATEMENTS

(a) Any prepared statement to be presented by a witness to the Committee or a subcommittee, panel, or task force shall be submitted to the Committee, subcommittee, panel, or task force at least 48 hours in advance of presentation and shall be distributed to all members of the Committee, subcommittee, panel, or task force as soon as practicable but not less than 24 hours in advance of presentation. A copy of any such prepared statement shall also be submitted to the Committee in electronic form. If a prepared statement contains national security information bearing a classification of Confidential or higher, the statement shall be made available in the Committee rooms to all members of the Committee, subcommittee, panel, or task force as soon as practicable but not less than 24 hours in advance of presentation; however, no such statement shall be removed from the Committee offices. The requirement of this rule may be waived by a majority vote of the Committee, subcommittee, panel, or task force, a quorum being present. In cases where a witness does not submit a statement by the time required under this rule, the Chairman, with the concurrence of the Ranking Minority Member, or the chairman of a subcommittee, panel, or task force, as appropriate, with the concurrence of the respective ranking minority member, may elect to exclude the witness from the hearing.

(b) The Committee and each subcommittee, panel, or task force shall require each witness who is to appear before it to file with the Committee in advance of his or her appearance a written statement of the proposed testimony and to limit the oral presentation at such appearance to a brief summary of the submitted written statement.

(c) Pursuant to clause 2(g)(5) of rule XI of the Rules of the House of Representatives, written witness statements, with appropriate redactions to protect the privacy of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

RULE 14. ADMINISTERING OATHS TO WITNESSES

(a) The Chairman, or any member designated by the Chairman, may administer oaths to any witness.

(b) Witnesses, when sworn, shall subscribe to the following oath:
 “Do you solemnly swear (or affirm) that the testimony you will give before this Committee (or subcommittee, panel, or task force) in the matters now under consideration will be the truth, the whole truth, and nothing but the truth, so help you God?”

RULE 15. QUESTIONING OF WITNESSES

(a) When a witness is before the Committee or a subcommittee, panel, or task force, members of the Committee, subcommittee, panel, or task force may put questions to the witness only when recognized by the Chairman, subcommittee, panel, or task force chairman, as appropriate, for that purpose according to rule 11 of the Committee.

(b) Members of the Committee, subcommittee, panel, or task force who so desire shall have not more than five minutes to question each witness or panel of witnesses, the responses of the witness or witnesses being included in the five-minute period, until such time as each member has had an opportunity to question each witness or panel of witnesses. Thereafter, additional rounds for questioning witnesses by members are within the discretion of the Chairman or the subcommittee, panel, or task force chairman, as appropriate.

(c) Questions put to witnesses before the Committee, subcommittee, panel, or task force shall be pertinent to the measure or matter that may be before the Committee, subcommittee, panel, or task force for consideration.

RULE 16. PUBLICATION OF COMMITTEE HEARINGS AND MARKUPS

The transcripts of those hearings conducted by the Committee, subcommittee, panel, or task force will be published officially in substantially verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. The transcripts of markups conducted by the Committee or any subcommittee may be published officially in verbatim form. Any requests to correct any errors, other than those in transcription, will be appended to the record, and the appropriate place where the change is requested will be footnoted. Any transcript published under this rule shall include the results of record votes conducted in the session covered by the transcript and shall also include materials that have been submitted for the record and are covered under rule 19. The handling and safekeeping of these ma-

terials shall fully satisfy the requirements of rule 20. No transcript of an executive session conducted under rule 9 shall be published under this rule.

RULE 17. VOTING AND ROLLCALLS

(a) Voting on a measure or matter may be by record vote, division vote, voice vote, or unanimous consent.

(b) A record vote shall be ordered upon the request of one-fifth of those members present.

(c) No vote by any member of the Committee or a subcommittee with respect to any measure or matter shall be cast by proxy.

(d) In the event of a vote or votes, when a member is in attendance at any other committee, subcommittee, or conference committee meeting during that time, the necessary absence of that member shall be so noted in the record vote record, upon timely notification to the Chairman by that member.

(e) The Chairman, with the concurrence of the Ranking Minority Member, or the chairman of a subcommittee, as appropriate, with the concurrence of the respective ranking minority member or the most senior minority member who is present at the time, may elect to postpone requested record votes until such time or point at a markup as is mutually decided. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, the underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

RULE 18. COMMITTEE REPORTS

(a) If, at the time of approval of any measure or matter by the Committee, any member of the Committee gives timely notice of intention to file supplemental, minority, additional or dissenting views, all members shall be entitled to not less than two calendar days (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such days) in which to file such written and signed views with the Staff Director of the Committee, or the Staff Director's designee. All such views so filed by one or more members of the Committee shall be included within, and shall be a part of, the report filed by the Committee with respect to that measure or matter.

(b) With respect to each record vote on a motion to report any measure or matter, and on any amendment offered to the measure or matter, the total number of votes cast for and against, the names of those voting for and against, and a brief description of the question, shall be included in the Committee report on the measure or matter.

(c) Not later than 24 hours after the adoption of any amendment to a measure or matter considered by the Committee, the Chairman shall cause the text of each such amendment to be made publicly available in electronic form as provided in clause 2(e)(6) of rule XI of the Rules of the House of Representatives.

**RULE 19. PUBLIC INSPECTION OF COMMITTEE
ROLLCALLS**

The result of each record vote in any meeting of the Committee shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee and also made publicly available in electronic form within 48 hours of such record vote pursuant to clause 2(e)(1)(B)(i) of rule XI of the Rules of the House of Representatives. Information so available shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition and the names of those members present but not voting.

**RULE 20. PROTECTION OF NATIONAL SECURITY AND
OTHER INFORMATION**

(a) Except as provided in clause 2(g) of rule XI of the Rules of the House of Representatives, all national security information bearing a classification of Confidential or higher which has been received by the Committee or a subcommittee shall be deemed to have been received in executive session and shall be given appropriate safekeeping.

(b) The Chairman shall, with the approval of a majority of the Committee, establish such procedures as in his judgment may be necessary to prevent the unauthorized disclosure of any national security information that is received which is classified as Confidential or higher. Such procedures shall, however, ensure access to this information by any member of the Committee or any other Member, Delegate, or Resident Commissioner of the House of Representatives, staff of the Committee, or staff designated under rule 9(c) who have the appropriate security clearances and the need to know, who has requested the opportunity to review such material.

(c) The Chairman shall, in consultation with the Ranking Minority Member, establish such procedures as in his judgment may be necessary to prevent the unauthorized disclosure of any proprietary information that is received by the Committee, subcommittee, panel, or task force. Such procedures shall be consistent with the Rules of the House of Representatives and applicable law.

RULE 21. COMMITTEE STAFFING

The staffing of the Committee, the standing subcommittees, and any panel or task force designated by the Chairman or the chairmen of the subcommittees shall be subject to the Rules of the House of Representatives.

RULE 22. COMMITTEE RECORDS

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with rule VII of the Rules of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of rule VII, to withhold a record otherwise available, and the matter shall be

presented to the Committee for a determination on the written request of any member of the Committee.

RULE 23. HEARING PROCEDURES

Clause 2(k) of rule XI of the Rules of the House of Representatives shall apply to the Committee.

RULE 24. COMMITTEE ACTIVITY REPORTS

Not later than January 2nd of each odd-numbered year the Committee shall submit to the House a report on its activities, pursuant to clause 1(d) of rule XI of the Rules of the House of Representatives.
