

baseline going to the majority for administrative expenses. However, regardless of the party division of the Senate, the minority share of the majority and minority salary baseline will never be less than 40 percent, and the majority share will not exceed 60 percent. It is my intent that this approach will continue to serve the Senate for this Congress and future Congresses.

Mr. SCHUMER. Mr. President, this approach met our needs for the last three Congresses, and I too would like to see it continue. In addition, special reserves have been restored to its historic purpose. We should continue to fund special reserves to the extent possible in order to be able to assist committees that face urgent, unanticipated, nonrecurring needs. Recognizing the tight budgets we will face for the foreseeable future, it is necessary to continue to bring funding authorizations more in line with our actual resources while ensuring that committees are able to fulfill their responsibilities. I look forward to continuing to work with the majority leader to accomplish this.

Mr. MCCONNELL. Mr. President, I ask unanimous consent that a joint leadership letter be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

WE MUTUALLY COMMIT TO THE FOLLOWING FOR THE 116TH CONGRESS: The Committee on Rules and Administration is to determine the budgets of the committees of the Senate. The budgets of the committees, including joint and special committees, and all other subgroups, shall be apportioned to reflect the ratio of the Senate as of this date, including an additional ten percent (10%) from the majority and minority salary baseline to be allocated to the chairman for administrative expenses.

Special Reserves has been restored to its historic purpose. Requests for funding will only be considered when submitted by a committee chairman and ranking member for unanticipated, non-recurring needs. Such requests shall be granted only upon the approval of the chairman and ranking member of the Committee on Rules and Administration.

Funds for committee expenses shall be available to each chairman consistent with the Senate rules and practices of the 115th Congress.

The division of committee office space shall be commensurate with this funding agreement.

The chairman and ranking member of any committee may, by mutual agreement, modify the apportionment of committee funding and office space.
