

EXTENSIONS OF REMARKS

HONORING WELLSPACE HEALTH

HON. AMI BERA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. BERA. Madam Speaker, I rise today to recognize WellSpace Health for their commitment to high quality comprehensive health care in the Sacramento region and congratulate them as they celebrate over 65 years of service in 2019.

The Family Service Agency of Greater Sacramento (FSA) opened in 1953 as a mental health treatment and prevention organization. FSA provided treatment services, child abuse prevention, and a suicide prevention crisis line. In 2005, FSA merged with The Aquarian Effort (The Effort), a free clinic designed to address substance use disorders. The Effort became a community clinic as their programs drew more high need persons to preventive health care. FSA's emphasis on mental health care has continued through its merger with the Effort and in 2013, the Effort was renamed WellSpace Health after their mergers with several health care providers concentrated on the underserved.

WellSpace Health's development has focused on serving our region's low income populations alongside integration of services to provide comprehensive health care for its patients. Between 2009 and 2017, WellSpace increased its primary care service population from 3,000 to 70,000 patients through 15 Community Health Centers in the Sacramento region. Along with primary care for all ages, WellSpace also provides adolescent dental care, women's health and prenatal care, and behavioral health treatment.

I've known the great work WellSpace has done for the region for many years as I had the privilege to work with WellSpace back when it was the Aquarian Effort Clinic. WellSpace's work is critical to achieving first rate regional health care in Sacramento. I extend my sincere congratulations to the front-line employees, staff, and all the nurses and doctors at WellSpace. I ask my colleagues to join me in honoring this organization and all it has done to provide access to health care for all in the Sacramento region.

RECOGNIZING THE RETIREMENT OF OKLAHOMA STATE LIBRARIAN SUSAN McVEY

HON. MARKWAYNE MULLIN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. MULLIN. Madam Speaker, I rise today to recognize the retirement of Susan McVey, State Librarian of Oklahoma. Susan McVey will be retiring at the end of January after 32 dedicated years of service to Oklahoma. For the past 18 years, she has served as the first

female State Librarian. Prior to that, Susan served the Oklahoma Department of Libraries in a number of different capacities. As President of the Oklahoma Library Association, Susan received the Distinguished Service Award, the highest honor given by the Association, for exemplary service to the state's library community. She was honored as an Oklahoma Library Legend. She has served as President of the Chief Officers of State Library Agencies and has received the designation of Honored One from the National Association of Tribal Archives, Libraries, and Museums.

Susan McVey has demonstrated her commitment and dedication to the education of Oklahomans time and time again. Under her leadership, Oklahoma's public libraries were included in the Oklahoma Universal Service Fund, providing rural Oklahomans access to free high speed broadband in their local libraries. She successfully secured the first statewide access to online reference resources for Oklahoma's nearly 1,300 private, public, and school libraries. She is responsible for obtaining \$4 million from the Bill and Melinda Gates Foundation to provide public access computers in every public library in Oklahoma.

I am honored to recognize Susan McVey today before the United States House of Representatives. Well done on a lifetime of service to Oklahoma and congratulations on your well-deserved retirement.

RECOGNIZING JAY KOHN OF BILLINGS

HON. GREG GIANFORTE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. GIANFORTE. Madam Speaker, I rise today to honor Jay Kohn of Billings for serving as a reliable source for Montanans as a journalist and anchor for nearly four decades.

Kohn recently signed off the air after more than 20 years as a news anchor with KTVQ in Billings and the Montana Television Network (MTN).

Kohn began his broadcast career in Helena in 1978 and worked as MTN's Capitol Bureau chief and news director in Butte.

In 1998, Kohn assumed the anchor seat at KTVQ in Billings, the city where he was born and raised. Over the last two decades he has been the face of Q2 news, anchoring the 5:30 p.m. and 10 p.m. newscasts. He has covered countless news events, keeping the community informed about local stories and others that span the globe.

Kohn's exceptional reporting earned him the Montana Broadcasters Association's Broadcaster of the Year award in 2005.

Though Kohn has retired from his full-time role at the anchor desk, Montanans will continue to enjoy his steady presence in his new role as Anchor Emeritus for KTVQ.

Madam Speaker, for his outstanding professionalism, unwavering journalistic integrity,

and his decades of trusted service to the people of Montana, I recognize Jay Kohn for his spirit of Montana.

INTRODUCTION OF THE EVERGLADES FOR THE NEXT GENERATION ACT

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. HASTINGS. Madam Speaker, I rise today to introduce the Everglades for the Next Generation Act.

Protection and restoration of the Everglades is vital to the overall health of both South Florida's ecosystem and economy. As America's largest sub-tropical wilderness, it is the source of much of Florida's drinking water, an important flood barrier and a home for wildlife, including a number of endangered species.

As we know all too well, this vital ecosystem is facing a number of threats, and while much progress has been made, including the recent authorization of the Central Everglades Planning Project, there is still much work left to be done. Congressional inaction has persevered for far too long despite bi-partisan support for restoration.

Regardless of any progress, it is clear that restoration efforts will not succeed without the next generation of projects, which cannot begin without further Congressional authorizations. That is exactly what this bill does: authorizes the shovel-ready projects which have been awaiting another Water Resources Development Act (WRDA). Additionally, this legislation will make it easier for the Army Corps of Engineers to move on many of the remaining projects in order to prevent future Congressional bottlenecking.

Restoration is not a theoretical exercise. The Central Everglades Restoration Project (CERP) has demonstrable successes and biennial reports from the National Academy of Sciences. We know that the federal and state governments can successfully work together with private businesses and landowners to reach mutually beneficial agreements that restore the health of this unique, beautiful, wild, and wonderful resource that is absolutely essential for Florida.

Madam Speaker, I urge my colleagues to support this critically important legislation.

IN HONOR OF THE REVEREND DOCTOR CAMERON MADISON ALEXANDER

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. BISHOP of Georgia. Madam Speaker, it is with a heavy heart and solemn remembrance that I rise today to pay tribute to a distinguished civil rights leader, an inspirational
