

Member), The Black Adoption Project (Board Member), Christian Social Relations Women's Missionary Society of South Carolina (Chairperson), Empire State Baptist Educational Center (Instructor), National Baptist Educational Association (Member), State PTA (Life Member) and the NAACP.

Madam Speaker, I invite you and our colleagues to join me in celebration of the life and contributions of this extraordinary woman. Rev. Dr. Azalee C. Bishop is a true civic and spiritual leader. She has left a lasting legacy that stands as a testament to her tremendous life's work and an example for others to emulate.

HONORING BEN FALKOWSKI FOR HIS SERVICE TO INDIANA'S 2ND DISTRICT

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mrs. WALORSKI. Madam Speaker, I rise today to recognize Ben Falkowski for his service to Indiana's 2nd District as Chief of Staff in my office. As Ben begins the next chapter in his career, I want to take a moment to reflect on his many achievements and to express my sincerest appreciation for all he has done over the last six years. Ben started working on my team in 2012, with sights set on Washington, D.C. Those who know him would agree that, when Ben sets a goal, he has a knack for achieving it.

In my congressional office here in D.C., he worked his way up from Legislative Correspondent to Legislative Assistant, and he never stopped looking to the future. Ben's hard work, determination, and keen knowledge of public policy and constituent services earned him a trip back to northern Indiana to become my District Director. After two years of steadfastly serving our constituents and leading our district operations, Ben returned to our nation's capital as my Chief of Staff.

In this role, Ben oversaw our team with outstanding leadership that motivated, inspired, and guided everyone to the finish line each and every day.

I could always count on Ben. No matter the time of day or the issue at hand, he was wholeheartedly present and fully prepared to get it done.

I thank Ben for always being my first call. I thank him for never shying away from a challenge. I thank him for helping me fight for hardworking Hoosiers. And I thank him for building up a team of rock stars who share our vision of a brighter future and his passion for making a difference.

Madam Speaker, I am honored to ask my colleagues to join me in congratulating Ben and thanking him for the part he has played in the historic things we have accomplished for the 2nd District and for the United States of America.

HONORING THE LIFE OF WILLIAM G. FLANGAS

HON. DINA TITUS

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Ms. TITUS. Madam Speaker, I am honored to include in the RECORD the following excerpt in remembrance of my longtime friend, Bill Flangas. As you can tell from the following obituary which was printed in the Las Vegas Review Journal on December 30, 2018, Bill was a legend in Nevada. His courageous work at NTS, his generous philanthropy, and his contributions to the local Greek community and church leave a powerful legacy that long will be remembered.

William G. "Bill" Flangas, 91, reposed in the Lord December 23, 2018, surrounded by his family. Bill was born June 4, 1927, in Ely, to Gust William and Poloxene Flangas, both of whom were Greek immigrants from the area of Thermopoly. Poloxene passed away when Bill was just six months old, and Gust was killed about year later in a tragic accident between his car and a train in the heart of Ely. Bill was raised by his Aunt and Uncle, Alexander J. and Fotene Flangas in Ely, along with their three sons, John, Gus and Ernest Flangas. Bill was a lifetime resident of Nevada, having moved to Las Vegas in 1958 from Ely. Bill proudly served in the U.S. Navy in World War II, and was part of the initial occupation force in Tokyo. Bill graduated in 1951 from the University of Nevada at Reno with a degree in Metallurgical Engineering, and went to work for the Kennecott Copper Corporation in South America and later in White Pine County. In 1958, Bill completed his Engineer of Mines Degree (E.M.), and was recruited and hired by the Reynolds Electric & Engineering Company ("Reeco"), the prime contractor at the Nevada Test Site in Mercury. After joining Reeco, Bill led the initial efforts to move the atmospheric nuclear weapons testing program at the Nevada Test Site underground. He led the first reentry teams into the tunnels after detonating an atomic device. One such reentry nearly cost him his life. Bill also led the first ever underground recovery of a ground zero after an atomic blast. Many of Bill's efforts in moving the testing of atomic weapons underground are memorialized in a book entitled: "Caging the Dragon." Bill stayed at the Nevada Test Site for 37 years, serving as Tunnel Superintendent and Department Manager, Division Manager, and Vice President. After leaving the Test Site in 1995, Bill became an Underground Mining, Construction & Management Consultant primarily working in Nevada. Bill also served as an underground expert on the Treaty Monitoring Teams for the Threshold Test Ban Treaty (TTBT) and Peaceful Nuclear Explosions Treaty (PNET), and traveled to Russia in that capacity on the U.S. Treaty Teams. He was also involved with the Comprehensive Test Ban Treaty (CTBT) efforts. Bill was also very active in the Community. He was instrumental in youth athletics and in developing baseball and basketball leagues that allowed thousands of kids to play ball. In conjunction with these efforts, Bill led the way in having 11 desperately needed baseball fields lit up by putting the process in motion, putting together the volunteer labor force, and getting all the equipment donated that was necessary to dig power lines and set the power poles. Bill also led the way in the construction of a multimillion dollar gym facility, which was completed in 1976. Through his efforts, the gym was constructed using only volunteer labor. In addition, through his efforts all the equipment for construction was donated as well as a vast amount of the construction supplies. The gym was sold to the Boys and Girls Club in 1984 for one dollar, and is known today as the Lied Boys and Girls Club, located on Lindell and Edna in Las Vegas. Bill served as a member, and as Vice Chairman and Chairman of the State Public Works Board from 1964 to 1985. He served on the Mackay School of Mines Advisory Council, whose efforts saved the school's accreditation and kept Nevada's only mining school as one of the best in the Country. He served on the UNLV Athletic Commission, and on the Board of Directors for the Boys and Girls Club of Las Vegas. He was a Trustee for the University Medical Center Foundation which raised over six million dollars for the Medical Center. Foundation Projects included Southern Nevada's sponsorship of the Children's Miracle Network. He was also instrumental in establishing a monument in Ely to honor those from White Pine County who perished while serving their Country in the Armed Forces going back to 1898. He was appointed by Governor Kenny Guinn to serve as a member of the State Ethics Commission and served as its Vice Chairman. He was the Nevada Engineer of the Year in 1976. He received the Las Vegas Exchange Club Book of Golden Deeds Award in 1979. He received the TV-3 Spirit Award in 1983. He was honored as the 1984 Distinguished Nevadan by the University of Nevada Board of Regents. He received the Award of Excellence in Support of Nuclear Weapons Testing Program in 1992. He received an Honorary Associate of Arts Degree in Human Letters from the Community College of Southern Nevada in 1999, and was honored as the Mackay School of Earth Sciences and Engineering Alumnus of the Year in 2007. Bill was a member of St. John the Baptist Greek Orthodox Church for almost 60 years, serving over the years on the Church Parish Council, Building Committee and Audit Committee, and working on many other projects. Bill was an intensely devoted and loving family man. He was preceded in death by son, Albert (Trudi) Flangas. Bill is survived by his wonderful wife, of over 62 years, Marilyn Flangas; his sons, Gus "Billy" (Tamara) Flangas and Gary (Amanda) Flangas; his 10 grandchildren; his brothers, John (Carmen) Flangas and Ernest Flangas; and many other relatives and godchildren. Visitation will be Fri., Jan. 4, at 4 p.m. with a Trisagion following at 5 p.m. Services will be at 11 a.m. Sat., Jan. 5, all at St. John the Baptist Greek Orthodox Church, 5300 El Camino Rd., Las Vegas, NV 89118. At Bill's request, burial will be at noon Mon. Jan. 7, in Ely. In lieu of flowers, donations may be made in his honor to the St. John Building Fund. May his memory be eternal.

HONORING CENTRALIA SCHOOL DISTRICT TRUSTEE STEVE HARRIS

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. CORREA. Madam Speaker, I would like to take some time today to honor Steve Harris, an elected Trustee for the Centralia School District, who is retiring with honor and distinction, having been changing the lives of students and teachers for decades.

After graduating from California State University Long Beach, Steve brought his talents to teach some of the most academically and

socially challenged students in the region, he began his education career as a learning disability aid eventually becoming an elementary school teacher. When Steve saw a need, he acted, which is why he went back to school himself, where he earned a master's degree with Second Language acquisition so that he could bring a diverse language program to English language learners.

Steve Harris went beyond the classroom and began teaching teachers and developed the prototype for standard-based evaluations, including having served as Chair of the Los Angeles County Consortium for Peer Assistance and Review. Steve went on to become a program specialist for Title I schools and a teachers' union official, where he lobbied countless members of Congress and the California State Legislature on issues relating to advancing student achievement, including for meaningful changes to No Child Left Behind. Steve has been recognized by the President of the United States, legislators, and the countless students whose lives he has impacted.

After retiring as a teacher, Steve first ran for the Centralia School District board of trustees in 2014 on a platform focused on serving the entire child and their family, and won in one of the largest margins of victory in the District's history. As a Trustee, Steve championed serving children more meals after school and during the summer, expanding a local resource center, ensuring adequate raises to employees, bringing improvements to special education, and implementing a local hire agreement on bond construction projects.

Steve retires from the Board of Trustees ready to continue making a difference in his synagogue, neighborhood watch, and most importantly, with his three children. Steve's service will be missed, but his impact will continue.

IN RECOGNITION OF THE SERVICE
OF THE HONORABLE DAVID
O'SULLIVAN, AMBASSADOR OF
THE EUROPEAN UNION TO THE
UNITED STATES OF AMERICA

HON. GREGORY W. MEEKS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. MEEKS. Madam Speaker, I rise today to honor European Union Ambassador to the United States David O'Sullivan, whose invaluable commitment to the bonds of friendship between Europe and the American people has left an indelible mark on the transatlantic alliance. As Co-Chair of the Congressional EU Caucus, I have worked on numerous occasions with Ambassador O'Sullivan to strengthen that alliance, and build upon the great history of partnership between Europe and America.

In November 2014, David O'Sullivan was appointed Ambassador and Head of the European Union Delegation to the United States in Washington, DC. Since then, Ambassador O'Sullivan has worked tirelessly to promote transatlantic unity, emphasizing people to people contacts during his travels to all 50 of our states in furtherance of his mission to spread the European Union's message of peace and prosperity for all people. In February of this

year, when he retires from his Ambassadorial role, he will conclude nearly 40 years of service to the European Union. His time as EU Ambassador is thus an appropriate capstone to his long and distinguished career.

Born in Dublin, Ireland, and as a graduate of Trinity College, Dublin and the College of Europe in Bruges, Belgium, Ambassador O'Sullivan has served in a number of senior official posts in the European public service over five decades that saw monumental changes on the European continent. Prior to his appointment as EU Ambassador to the U.S., he was the Chief Operating Officer of the 'European External Action Service', responsible for establishing this new EU diplomatic corps. His other notable positions within the European Commission include Director General for Trade, Secretary General of the European Commission, and Head of European Commission President Prodi's Cabinet.

The transatlantic community has always been a community of values, and this is more important now than ever before. Ambassador O'Sullivan has continuously reminded us that we cannot take the transatlantic alliance for granted. We must build upon the common beliefs that have connected the peoples of Europe and America over the past century: our commitment to democracy, our commitment to the rule of law, and our commitment to the dignity of all people in our own countries and around the world. Today, I thank Ambassador O'Sullivan and his wife Agnes O'Hare, for their service to these ideals, and wish him a long and happy retirement.

HONORING THE SELFLESS SERVICE
OF EVERETT FIREFIGHTERS

HON. SUZAN K. DeBENE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Ms. DeBENE. Madam Speaker, I rise today to recognize two brave firefighters from Washington State. Earlier this year Firefighter Brent Duckworth from South Everett and Capt. Nick Adsero from Woodinville, in my district, rescued three-year old twin girls from their burning apartment building in Everett, Washington. On December 13, 2018, both gentlemen were recognized for their heroics by the American Red Cross Northwest Region with the Fire Rescue Award.

On January 29, 2018, on what had already been a grueling day, Engine 6 of the Everett Fire Department received their fifth call and third fire of the day to the south end of Everett at a 352-unit complex.

By the time first responders arrived, flames had already fanned up to the third floor of the complex.

A babysitter who had briefly left the apartment desperately informed first responders that the two young girls were still inside the building.

When the crew of Engine 6 raced inside, Firefighter Duckworth and Capt. Adsero knew where to go but the apartment was filled with smoke and visibility was zero. As the firefighters felt around the apartment they were able to find both young girls. Both were rushed to Harborview Medical Center for smoke inhalation and both survived.

Capt. Adsero has said he has seen a lot on the job in his 14 years in the fire service, but

a rescue like this was a first for him. What is even more amazing is that this was Firefighter Duckworth's first fire. Most firefighters will go their whole career without such a feat as saving a child but on his first fire, Duckworth helped save two.

I thank Capt. Adsero and Brent Duckworth, and commend their bravery and service.

HONORING THE LIFE OF WILLIAM
R. CARTEAUX

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. SHIMKUS. Madam Speaker, I rise to recognize the life of William R. Carteaux (Bill), the president and CEO of the Plastics Industry Association and a renowned leader throughout the decades he spent in the U.S. plastics industry.

Mr. Carteaux passed away on December 10, 2018, losing a hard-fought battle with acute myeloid leukemia (AML) at the age of 59. Bill was a tireless advocate for the U.S. plastics industry, which employs nearly one million Americans across the country.

In addition to being a champion for one of America's largest and most important manufacturing industries, Bill was also a true son of the Midwest—he was born in Avilla, Indiana, was the son of an electrician, and spent high school working the night shift at a local metal-working plant. Eventually, he attended Purdue University and Indiana Wesleyan before entering the business world and achieving success in the plastics industry.

During his time leading the Plastics Industry Association, Bill made recycling and sustainability core priorities for his organization and his industry. He presided over the foundation of his association's Recycling Committee and Sustainability Advisory Board. He also played a role in the design and execution of several recycling projects which aimed to drive lasting market-driven solutions to the industry's and the environment's most serious waste management challenges.

Before he passed away he led the Washington-area Leukemia and Lymphoma Society and became one of its biggest supporters—raising hundreds of thousands of dollars for research to find a cure.

Madam Speaker, Bill's contributions to the U.S. plastics industry, his tenacity, and his passion made an impact on the lives of thousands of Americans. He will be sorely missed. I would like to extend my condolences to his wife, Daniele Fresca; his daughter, Whitney Taveras; her husband, Fernando; their son, Liam; and his daughter, Mallory Carteaux.

IN REMEMBRANCE OF MR. SCOTT
M. ANDERSON

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 2019

Mr. WITTMAN. Madam Speaker, I rise today to honor the life of Mr. Scott Marvin Anderson, a compassionate man who will forever be remembered for his deep love of God and
