So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

APPOINTMENT OF MEMBER TO JOINT ECONOMIC COMMITTEE

The SPEAKER pro tempore (Mr. ALLRED). The Chair announces the Speaker's appointment, pursuant to 15 U.S.C. 1024(a), and the order of the House of January 3, 2019, of the following Member on the part of the House to the Joint Economic Committee:

Mrs. CAROLYN B. MALONEY, New York

PRESIDENT TRUMP'S THREAT TO DECLARE A NATIONAL EMERGENCY TO BUILD A BORDER WALL

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute.)

Mr. ESPAILLAT. Mr. Speaker, President Trump has threatened to build his wall and has put out of work over 800,000 Americans through his Trump shutdown, and just today he doubled down on a threat to declare a national

emergency so he could usurp Congress and trample on our Constitution.

These bully tactics may have worked running his business, but they will not work running our country.

Let me promise the American people right now, Democrats in Congress will fight and disallow Trump to waste your hard-earned taxpayer dollars on his ridiculous wall. That is why I have introduced legislation to stop the wall.

My This Land Is Our Land Act will counter the many threats Trump has made to get his medieval and ineffective wall: It won't allow him to build it on public land; it won't allow him to take away people's private land by using eminent domain; and, most importantly, it won't allow him to use fake national emergencies.

So let me finish by paraphrasing Ronald Reagan: Mr. Trump, give up your wall.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

RECOGNIZING MARICOPA COUNTY SUPERVISORS STEVE CHUCRI AND BILL GATES

(Mr. BIGGS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BIGGS. Mr. Speaker, I rise today to commend the just completed chairmanship of Maricopa County Supervisor Steve Chucri and to congratulate the incoming chairman, Supervisor Bill Gates.

Maricopa County is the Nation's fastest growing county, and Steve Chucri has had a lot to do with our success. He has led efforts on the board of supervisors to create a healthier urban environment, foster more job connections, fight homelessness, and sustain good governance. We are thankful for his service as chairman of the board of supervisors.

Incoming chairman is Supervisor Bill Gates, and I congratulate him on his new post. I know he will continue to lead Maricopa County well throughout this next year.

I am grateful for individuals like Steve Chucri and Bill Gates who help to make Maricopa County an attractive destination to millions of men, women, and children.

SIGN THE BILL AND OPEN UP THE GOVERNMENT

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, to the White House: Sign the bill and open up the government.

Today, the President is in my home State, impossible for him to see the entire border on the southern border and to realize that work has been done for almost two decades on barriers, and

that is why only 12 known or alleged terrorists have crossed that border as compared to the unfenced northern border, which was where the 2000 terrorists coming across the border as the century turned occurred.

Tomorrow, there will be faithful Federal employees who will not get their money, many in Texas: 9,000 Treasury employees are stationed in Texas, 5,700 Homeland Security; the airports in my district, with 51,000 screeners, may miss their first paychecks; and Johnson Space Center—hardworking Americans.

This is no time for one's ego or one's preference of what type of barrier. It is a time for those of us who care about border security, Democrats who give billions of dollars, including \$1.3 billion that we gave in this budget and \$1.6 billion.

Open the government and pay these people their checks.

I look forward to meeting with Federal employees. Call my office. We want to give you as much help as we can.

Open the government. That is what should be done.

Mr. Speaker, because this President insists on an immoral and ineffective border wall, he has shut down the government and said he would be proud to do it.

This is a presidential temper tantrum.

The President clearly does not realize what he asking, and the impact this has on Americans throughout the nation.

In my homestate, I know that the consequences are real—mortgages and rent are not paid, car payments are not being made, spring tuition checks are not being paid, supplemental nutrition assistance.

Texas has 35,694 employees in agencies without appropriations.

With its vast size, Texas accounts for at least a few thousand workers in nearly every major federal agency.

Nearly 9,000 Treasury Department employees are stationed there, along with about 5,700 Homeland Security employees and 4,300 in the Department of Transportation.

Smaller agencies with particularly high concentrations of Texas-based employees include NASA and the Small Business Administration.

The impact to the city of Houston is not insignificant.

Houston is the nation's fourth largest city, and the shutdown is affecting us acutely.

To get to and from my district, I am proud to fly through George Bush international airport, in Houston.

I am proud to say that this airport is in my district, and these brave Americans who are on the front lines of protecting America, are working without pay.

TSA agents are considered essential employees and must report to work even though they aren't getting paid during the shutdown.

Screening areas at Bush and Hobby have not been impacted, but it's a different story in Dallas and New York.

At DFW, there has reportedly been a 200% to 300% increase in TSA agents calling out sick since the shutdown began.

Travelers waited in nearly hour-long security lines at New York's LaGuardia Airport on Monday.
