

COMMUNICATION FROM DISTRICT
DIRECTOR, THE HONORABLE
JACKIE SPEIER, MEMBER OF
CONGRESS

The SPEAKER pro tempore laid before the House the following communication from Brian Perkins, District Director, the Honorable JACKIE SPEIER, Member of Congress:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, January 9, 2019.

Hon. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: This is to notify you formally, pursuant to Rule VIII of the Rules of the House of Representatives, that I have been served with a subpoena for testimony issued by the Superior Court of the State of California for the County of San Mateo, in a criminal proceeding involving an alleged threat of violence against our office personnel.

After consultation with the Office of General Counsel, I have determined that compliance with the subpoena is consistent with the privileges and rights of the House.

Sincerely,

BRIAN PERKINS,
District Director.

JODI READINGER, A TAX
PREPARER

(Ms. HOULAHAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HOULAHAN. Madam Speaker, I rise for Jodi Readinger, a tax preparer in Pennsylvania's Sixth District. She and her organization, the Berks Community Action Program, provide a range of services to over 2,500 low-income individuals and families in my community. For example, her team works for free to help people navigate the complicated process of filing their taxes.

During a weekend town hall in Berks County this weekend, Jodi shared with me that she has been unable to reach the IRS to access tax preparation software due to the shutdown. Her work is responsible for bringing \$1 million worth of tax refunds back to my community and for saving \$80,000 for her customers.

I am a third generation veteran. Border protection is imperative and a real issue. I am certain that there are measures to protect our borders that we can come to an agreement on in this brand-new Congress, but a shutdown is not the answer.

Madam Speaker, I rise for the people like Jodi, because shutting down the government is failed policy.

HONORING PCN FOR 25 YEARS OF
FARM SHOW COVERAGE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to honor

PCN for 25 years of outstanding coverage of the Pennsylvania Farm Show.

Pennsylvania Cable Network, now called PCN, was organized August 29, 1979, as a nonprofit corporation by Pennsylvania cable companies.

PCN marked the first use of cable television for distance education, and it was the first educational cable television network in the Nation. PCN was on the air before CNN, ESPN, FOX News, MSNBC, and nearly all other nationally distributed cable networks.

In November 1993, PCN began providing public affairs programming in prime time to provide viewers coverage of the Pennsylvania General Assembly.

In 1994, it expanded beyond government and covered every aspect of the annual Pennsylvania Farm Show.

This year, PCN exclusively delivered the Pennsylvania high school championships rodeo, the sale of champions, the celebrity rabbit hopping contest, the grand champion junior market goat and lamb show, the draft horse competitions, the mini-horse pull, square dancing competitions, and much more.

Madam Speaker, I commend PCN on 25 years of exclusively delivering the Farm Show to viewers in the Commonwealth of Pennsylvania, and I congratulate PCN on this outstanding achievement.

IMPACT OF THE GOVERNMENT
SHUTDOWN

(Ms. TLAIB asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TLAIB. Madam Speaker, I rise today to bring my people's voice into this Chamber. They are going through day 25 of an unnecessary government shutdown. They are begging their landlords not to evict them because HUD funding is suspended.

Our neighbors at home who live among the biggest corporate polluters are wondering, without EPA inspectors on duty, if they are breathing in more toxins than permitted under the law.

Madam Speaker, when did it become okay to use people as pawns, to jeopardize the well-being and way of life of our residents back home?

I urge the leadership in the Senate to put people first. Majority Leader MCCONNELL works for the American people, not the President. We don't need the President's support.

So, please, Senators, pass the bills you supported before, and let's get our government up and running again for our families.

CONGRATULATING MEMBERS OF
ARIZONA LEGISLATURE

(Mr. BIGGS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BIGGS. Madam Speaker, today, I rise to congratulate all the Members of the Arizona Legislature who took their oaths of office to begin a new term this week.

The start of each legislative session is exciting: an opportunity to keep promises made to constituents and make Arizona a better place to work and raise a family.

As ever, legislators will face challenges that will impact millions of Arizonans. I look forward to working with my former colleagues, especially those in the east valley, for the benefit of our constituents.

I recognize and give special congratulations to incoming Senate President Karen Fann and House Speaker Rusty Bowers. I wish everyone in the Arizona Legislature, including staff, a productive legislative session in the months to come.

OPEN THE GOVERNMENT

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, I can't even account for this historic and devastating Trump shutdown.

When I say I can't account, I can't believe that the government is now in the mix of a shutdown that has such far-reaching proportions of impact, negative impact: not only my constituents who work for so many Federal agencies, from TSOs to Border Patrol, to Customs and Border Protection, to air traffic controllers, but those around the Nation—the two Federal employee family that is now going into their son's scholarship fund, the young mother who now needs food assistance, those who are on the SNAP program, those who live in public housing, those who are disabled.

Is there any empathy or sympathy in the White House to begin intelligent and informed negotiations, allowing us to negotiate border security after the fact but open the government now so that people can be paid?

Madam Speaker, people are asking me whether their healthcare coverage is going to lapse because they are not being paid. People are asking about whether or not the credit scores that are impacted by not being able to pay your bills, how they are going to make amends for that; about the mortgages or the rent to landlords who are being insensitive.

Madam Speaker, the bottom line: Open the government, Mr. Trump, for the American people.

BORDER WALL FUNDING

(Mr. BERGMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BERGMAN. Madam Speaker, I rise today in support of President Trump's request for border wall funding.
