

COMMUNICATION FROM DISTRICT
DIRECTOR, THE HONORABLE
JACKIE SPEIER, MEMBER OF
CONGRESS

The SPEAKER pro tempore laid before the House the following communication from Brian Perkins, District Director, the Honorable JACKIE SPEIER, Member of Congress:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, January 9, 2019.

Hon. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: This is to notify you formally, pursuant to Rule VIII of the Rules of the House of Representatives, that I have been served with a subpoena for testimony issued by the Superior Court of the State of California for the County of San Mateo, in a criminal proceeding involving an alleged threat of violence against our office personnel.

After consultation with the Office of General Counsel, I have determined that compliance with the subpoena is consistent with the privileges and rights of the House.

Sincerely,

BRIAN PERKINS,
District Director.

JODI READINGER, A TAX
PREPARER

(Ms. HOULAHAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HOULAHAN. Madam Speaker, I rise for Jodi Reanger, a tax preparer in Pennsylvania's Sixth District. She and her organization, the Berks Community Action Program, provide a range of services to over 2,500 low-income individuals and families in my community. For example, her team works for free to help people navigate the complicated process of filing their taxes.

During a weekend town hall in Berks County this weekend, Jodi shared with me that she has been unable to reach the IRS to access tax preparation software due to the shutdown. Her work is responsible for bringing \$1 million worth of tax refunds back to my community and for saving \$80,000 for her customers.

I am a third generation veteran. Border protection is imperative and a real issue. I am certain that there are measures to protect our borders that we can come to an agreement on in this brand-new Congress, but a shutdown is not the answer.

Madam Speaker, I rise for the people like Jodi, because shutting down the government is failed policy.

HONORING PCN FOR 25 YEARS OF
FARM SHOW COVERAGE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to honor

PCN for 25 years of outstanding coverage of the Pennsylvania Farm Show.

Pennsylvania Cable Network, now called PCN, was organized August 29, 1979, as a nonprofit corporation by Pennsylvania cable companies.

PCN marked the first use of cable television for distance education, and it was the first educational cable television network in the Nation. PCN was on the air before CNN, ESPN, FOX News, MSNBC, and nearly all other nationally distributed cable networks.

In November 1993, PCN began providing public affairs programming in prime time to provide viewers coverage of the Pennsylvania General Assembly.

In 1994, it expanded beyond government and covered every aspect of the annual Pennsylvania Farm Show.

This year, PCN exclusively delivered the Pennsylvania high school championships rodeo, the sale of champions, the celebrity rabbit hopping contest, the grand champion junior market goat and lamb show, the draft horse competitions, the mini-horse pull, square dancing competitions, and much more.

Madam Speaker, I commend PCN on 25 years of exclusively delivering the Farm Show to viewers in the Commonwealth of Pennsylvania, and I congratulate PCN on this outstanding achievement.

IMPACT OF THE GOVERNMENT
SHUTDOWN

(Ms. TLAIB asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TLAIB. Madam Speaker, I rise today to bring my people's voice into this Chamber. They are going through day 25 of an unnecessary government shutdown. They are begging their landlords not to evict them because HUD funding is suspended.

Our neighbors at home who live among the biggest corporate polluters are wondering, without EPA inspectors on duty, if they are breathing in more toxins than permitted under the law.

Madam Speaker, when did it become okay to use people as pawns, to jeopardize the well-being and way of life of our residents back home?

I urge the leadership in the Senate to put people first. Majority Leader MCCONNELL works for the American people, not the President. We don't need the President's support.

So, please, Senators, pass the bills you supported before, and let's get our government up and running again for our families.

CONGRATULATING MEMBERS OF
ARIZONA LEGISLATURE

(Mr. BIGGS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BIGGS. Madam Speaker, today, I rise to congratulate all the Members of the Arizona Legislature who took their oaths of office to begin a new term this week.

The start of each legislative session is exciting: an opportunity to keep promises made to constituents and make Arizona a better place to work and raise a family.

As ever, legislators will face challenges that will impact millions of Arizonans. I look forward to working with my former colleagues, especially those in the east valley, for the benefit of our constituents.

I recognize and give special congratulations to incoming Senate President Karen Fann and House Speaker Rusty Bowers. I wish everyone in the Arizona Legislature, including staff, a productive legislative session in the months to come.

OPEN THE GOVERNMENT

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, I can't even account for this historic and devastating Trump shutdown.

When I say I can't account, I can't believe that the government is now in the mix of a shutdown that has such far-reaching proportions of impact, negative impact: not only my constituents who work for so many Federal agencies, from TSOs to Border Patrol, to Customs and Border Protection, to air traffic controllers, but those around the Nation—the two Federal employee family that is now going into their son's scholarship fund, the young mother who now needs food assistance, those who are on the SNAP program, those who live in public housing, those who are disabled.

Is there any empathy or sympathy in the White House to begin intelligent and informed negotiations, allowing us to negotiate border security after the fact but open the government now so that people can be paid?

Madam Speaker, people are asking me whether their healthcare coverage is going to lapse because they are not being paid. People are asking about whether or not the credit scores that are impacted by not being able to pay your bills, how they are going to make amends for that; about the mortgages or the rent to landlords who are being insensitive.

Madam Speaker, the bottom line: Open the government, Mr. Trump, for the American people.

BORDER WALL FUNDING

(Mr. BERGMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BERGMAN. Madam Speaker, I rise today in support of President Trump's request for border wall funding.

Yes, we are a nation of immigrants. I know firsthand. My grandparents emigrated from Sweden to the Upper Peninsula to start a new life in the 1890s, but Congress has a constitutional duty to provide for the safety and security of our citizens. Right now, our immigration system is broken, making illegal entry into the U.S. a common occurrence rather than a random act.

President Trump is right to call this a crisis. It is a crisis of our own making, and it is time for Congress to do our job.

We are on day 25 of the longest and most avoidable government shutdown in U.S. history. Those most vital to protecting our borders, coasts, and ports have now missed at least one paycheck, with little to no progress being made in Washington.

It is time to end this shutdown, secure our borders, and get our government open and working for the people. Madam Speaker, I urge my colleagues to join me in supporting efforts to build a wall.

A SHUTDOWN IS NOT THE ANSWER

(Ms. BROWNLEY of California asked and was given permission to address the House for 1 minute.)

Ms. BROWNLEY of California. Madam Speaker, President Trump is forcing more than 37,000 Californians, including many veterans, to go without pay. From Coast Guard members at Naval Base Ventura County and Channel Islands Harbor to local air traffic controllers, Ventura County residents and their families are trying to make ends meet without their paychecks.

On the first day of this Congress, I joined my Democratic colleagues to pass legislation to reopen the government and provide for sensible border security.

The President should not use people's lives and our economy as hostages to build a campaign slogan. The President closed the government. A shutdown is not the answer.

Mr. President, reopen our government now.

OKLAHOMA INAUGURATION DAY

(Mr. KEVIN HERN of Oklahoma asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KEVIN HERN of Oklahoma. Madam Speaker, I rise in celebration of the inauguration of Oklahoma's Governor Kevin Stitt, Lieutenant Governor Matt Pinnell, Insurance Commissioner Glen Mulready, and State Superintendent Joy Hofmeister. These leaders come from Oklahoma's First Congressional District and will represent Tulsa well in our capital.

Governor Stitt, like our President and myself, is an entrepreneur and a businessman. He has a vision for Oklahoma to be a top ten State, shaking up the status quo in Oklahoma City and turning the State around.

Lieutenant Governor Pinnell is, likewise, a business owner and has been an advocate of the Republican Party and conservative agenda in our State for many years.

Commissioner Mulready is a long-term insurance professional and businessman, most recently serving in the Oklahoma House of Representatives as the majority floor leader.

State Superintendent Joy Hofmeister, another business owner, is beginning her second term in the role and will continue to work hard for Oklahoma's students.

A new day is dawning in Oklahoma with the leadership of Governor Stitt, Lieutenant Governor Pinnell, Commissioner Mulready, and Superintendent Hofmeister. I congratulate them on this accomplishment and wish celebration and joy this week.

KEYSTONE TAILORED MANUFACTURING PLAN CLOSURE

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, I rise today to highlight yet another grim economic headline, another broken promise on jobs and trade from President Trump to the people of northern Ohio, and more pink slips by another factory shuttered.

Keystone Tailored Manufacturing will close by March. Approximately 150 employees will lose their jobs.

Keystone has made men's suits at the site since 2015. Before that, it was a Hugo Boss men's suit plant. Since 2010, workers fought to keep the facility from closing twice. There won't be a third time.

As Mark Milko, the area director for the Workers United union put it: "It doesn't look like there is anything to fight to save."

Madam Speaker, this company plans to shift these jobs to Canada. There they can save \$15 a suit on imported buttons, zippers, shoulder supports, and tariffs—because Canada isn't involved in a trade war with China that the President has started. Under NAFTA, they can then turn those suits right back around to sell here in America for nothing.

This President's trade strategy is a disaster. American workers suffer the ultimate sacrifice. Our Nation must put someone in charge who knows what they are doing.

CONGRATULATING THE NORTH DAKOTA STATE UNIVERSITY FOOTBALL TEAM

(Mr. ARMSTRONG asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ARMSTRONG. Madam Speaker, the North Dakota State University football team brought home their record seventh FCS championship trophy in 8 years.

On January 5, the Bison defeated the Eastern Washington Eagles, 38-24. The Eagles are a good team and attempted several comebacks, but the Bison held strong for the win.

Quarterback Easton Stick led the Bison with a spectacular performance. He had five touchdowns—two passing and three rushing—for a combined 319 yards.

The Bison players were cheered on by 17,000 dedicated NDSU fans who traveled over 1,000 miles south to Frisco, Texas, for what has become an annual journey.

Victory also sealed Coach Klieman's place in college football history. In his five seasons, he has coached the team to four national championships and just four conference losses.

Madam Speaker, this incredible achievement is the result of months of hard work and preparation. Congratulations to all Bison players, coaches, and fans. They earned it.

AN IMPORTANT VICTORY FOR DEMOCRACY

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute.)

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, today, we had an important victory for democracy. A Federal judge in New York ordered the Trump administration to remove a planned citizenship question from the 2020 Census in response to a lawsuit filed by the State of New York, which was joined by 17 other States in support. I am proud to have led an amicus brief of 126 Members of Congress, also in support of this lawsuit.

The court affirmed what we already knew: adding a citizenship question was driven by partisan politics, in violation of the law. The Constitution requires that the Census count every person living in our country, and the administration's attempt to add a citizenship question was a deliberate effort to scare away noncitizens and their families in order to undercount this community.

Fortunately, the court agreed, but there will likely be an appeal. That is why I will be introducing legislation to remove the citizenship question. We must act quickly.

Our democracy depends on a full and accurate count of our Nation, and we cannot allow the Trump administration to compromise that.

END THE GOVERNMENT SHUTDOWN

(Ms. GARCIA of Texas asked and was given permission to address the House for 1 minute.)

Ms. GARCIA of Texas. Madam Speaker, I rise to object to the administration's threat to issue a national emergency declaration and reprogram money that has been allocated for Hurricane Harvey.

I join a bipartisan group of Texas legislators in opposition to this diversion,
