

them are important—there is no doubt—but when you are the only members of the military not getting paid for risking your lives for your country and we can fix it here tonight in the Senate, that is what we should be doing.

I certainly hope this bill isn't being blocked unreasonably. As I mentioned, it is not a complete solution, but it is the start of a solution. For the life of me, I can't understand why this bill would be blocked.

More importantly, the men and women of the Coast Guard will not understand why this bill is being blocked. Communities that support and depend on the Coast Guard—like Kodiak, AK—will not understand why this bill is being blocked. These young men and women, who love their country and have chosen to serve and protect us, are not going to understand why this bill is being blocked tonight.

I don't want to use the word plead, but I am asking my colleagues on the Democratic side to do the right thing and pass this bill tonight. Every single American who is aware of this situation knows that it is inequitable when the other members of the military—who are out there risking their lives just like the men and women of the Coast Guard—are getting paid and the men and women of the Coast Guard aren't.

We are on the verge of a solution. Passing this bill will take care of at least one issue that we are all trying to resolve. Again, I urge my Democratic colleagues—because all of my Republican colleagues have already passed this bill in the hotline. I urge my colleagues to take up this bill, do the right thing, and support the men and women of the Coast Guard, who are not being treated equal to their brothers and sisters in the other branches of the military.

Until then, I am going to continue to fight for this. I am going to continue to raise the issue. We have made a lot of progress, including getting the White House and the President on board and getting all of our Members here on the Republican side of the Senate on board. I am hopeful, with more advocacy and more reasoning with my colleagues on the other side of the aisle, that we will also get there, move this to the House quickly, and get the men and women of the Coast Guard the paychecks they are needing.

I yield the floor.

MORNING BUSINESS

Mr. McCONNELL. Mr. President, I ask unanimous consent that the Senate be in a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

The PRESIDING OFFICER (Mr. SCOTT of Florida). Without objection, it is so ordered.

TRIBUTE TO LIEUTENANT COMMANDER ZACHARY CRESS

Mr. THUNE. Mr. President, today I wish to recognize Lieutenant Commander Zachary Cress of the National Oceanic and Atmospheric Administration—NOAA—Commissioned Officer Corps, who has served as a fellow on the Commerce, Science, and Transportation Committee for the past year.

I want to thank Lieutenant Commander Cress for his hard work from which the committee greatly benefited. His expertise as a ship driver and manager of our Nation's marine resources has meaningfully informed the committee's efforts. He has worked on several pieces of legislation that have become law, including the National Integrated Drought Information System Reauthorization Act of 2018. His contributions have enabled NOAA to carry out its missions more effectively.

Again, I would like to extend my sincere thanks and appreciation to Lieutenant Commander Cress for all of the fine work he has done and for his continued service to our nation. I wish him success in the years to come.
