

to the pioneers, the trailblazers, and the leaders who have helped bend and force the moral arc of our Nation closer to that more perfect Union, I rise to recognize my constituent, Paula Massey of Hanford, California.

Paula is the founder of Women with Visions Unlimited, a nonprofit organization that works with youth in literacy and summer school programs to improve the academic attainment of children in the Central Valley.

Through her organization, Paula raises scholarships for high school seniors; organizes numerous events to empower African-American women; and focuses on bringing awareness to valley fever, an illness deep in and dear to her heart.

Paula lost her son to valley fever in 2017 and quickly realized there was a lack of knowledge about the disease, not only from the community, but from the physicians treating their patients.

Thanks to the advocacy of Paula and many others, in 2018, California Governor Brown signed a bill requiring the California Department of Public Health to create outreach and awareness to educate healthcare providers and physicians in the public about the symptoms and treatment of valley fever.

As Paula put it: "Awareness is the key. In the Central Valley, we are an agriculture community with many open fields where the dust and dirt blow in the air. Unless there is awareness, many more people will contract this disease and not know until it is too late."

Mr. Speaker, I am proud to represent Paula in the 21st Congressional District.

NATIONAL PRAYER BREAKFAST

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, one of the finest American traditions took place this morning, the National Prayer Breakfast.

Penny and I were honored and inspired to join Members of Congress and leaders from across the globe gathered here in Washington, D.C., for what has become an international forum.

Since 1953, the National Prayer Breakfast has united people, nations, religions, and even politicians who come together to celebrate faith, fellowship, and prayer. It is a time where we reflect on faith and focus on the year ahead. It is a time where we put aside differences and unite to pray for our leaders, our friends, and our families.

Every President since President Eisenhower has attended the National Prayer Breakfast, and President Trump delivered excellent remarks this morning, urging the Nation to build a culture that cherishes the dignity and sanctity of life.

President Trump said: "Let us always give thanks for the miracle of life, creation, and the grace of God."

Mr. Speaker, I agree. It is my hope the unity and fellowship we felt this morning stays with us always in our work and in our lives.

HONORING DETECTIVE BILL BREWER AND LIEUTENANT NICK DEROSE

(Mr. WENSTRUP asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WENSTRUP. Mr. Speaker, I rise to honor some of our local heroes. This past weekend in Clermont County, Ohio, two police officers came under fire when responding to a call that was believed to be an attempted suicide. Instead, it turned out to be an ambush.

The gunman lured Detective Bill Brewer, who is remembered in this photo, along with Lieutenant Nick DeRose, into his home, where he proceeded to fire at both deputies through a wall.

Lieutenant Nick DeRose was injured, and Detective Bill Brewer gave his life, in the line of duty. Detective Brewer died trying to help a member of his community, as he always strived to do.

I pray that God will bring comfort to his family; his wife, Jamie; his young son, Braxton; my friend Sheriff Leahy; the Clermont County Sheriff's Department; and all those in our community grieving this loss.

I pray for a speedy recovery for Lieutenant DeRose.

While God has called Bill Brewer away from us, the positive effects of his works in this lifetime shall never perish.

ALZHEIMER'S AWARENESS

(Mr. LAHOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAHOOD. Mr. Speaker, as the co-chair of the Alzheimer's Working Group on the Ways and Means Committee, I rise today to raise awareness about this disease that has a profound impact on so many families across Illinois and our country.

Alzheimer's is the most common form of dementia, causing issues with memory and behavior. More than 3 million individuals are diagnosed with Alzheimer's per year.

Alzheimer's transcends race, ethnicity, and socioeconomic standing, touching families of all backgrounds. For 2019, more than \$400 million was allocated for research, but it is more than just funding that is needed to find a cure.

As a Member of Congress, I have been proud to support legislation aimed at finding a cure for this disease, such as the RAISE Family Caregivers Act and the BOLD Infrastructure for Alzheimer's Act, both of which were signed into law.

While we have taken important strides to find a cure for this disease, we still have much work to do. I look forward to working with Members on both sides of the aisle to find a cure for this devastating disease.

REMEMBERING EDWARD EMBREY, NELSON COUNTY RESCUE SQUAD CAPTAIN

(Mr. RIGGLEMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RIGGLEMAN. Mr. Speaker, today I rise to speak about a great man, a man who was a proud son of my home, Nelson County, Virginia, Edward Embrey, former Faber Volunteer fire chief and Nelson County Rescue Squad captain, after a courageous battle with cancer. His courage reflects how he lived his life.

Raised in my home county of Nelson, Eddie dedicated his life to helping friends and neighbors who found themselves in harm's way. He fought countless wildfires across the Commonwealth and Nation, leading to his commendation as Forest Warden of the Year in Virginia. He was asked to serve as captain of the Nelson County Rescue Squad and chief of the Faber Volunteer Fire Department.

His dedication to public safety and to helping all the men and women of Nelson County should be recognized and commended. He put his life at risk time after time to save people he didn't even know across the entirety of the Commonwealth. Eddie lived a life of selflessness, and for that, we are all thankful.

From me and all those who have served: Rest easy, Chief.

GOVERNMENT SHUTDOWN HARMS LEGAL IMMIGRATION

(Mr. SPANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SPANO. Mr. Speaker, I rise today to call on the leadership of both parties to end the possibility of another government shutdown before next Friday.

Many in this Chamber oppose President Trump's plans to secure our border because they believe that doing so would send a negative message, a message that immigrants are not welcome in this Nation. This is simply not true.

Just yesterday, I met with farmers from my district who told me how very much they rely on skilled foreign labor. One farmer in particular advertised 800 jobs and, in fact, did not receive a single American applicant.

These farmers also expressed concern that, if the government shutdown continued, they will be unable to hire workers abroad because the State Department would not conduct the necessary hearings for H-2A visas. This is

not acceptable, and we can and must do better.

The strong economy led by President Trump has created more jobs than there are Americans to fill them, and we want to encourage legal immigration not only to fill a need, but also because immigrants create a stronger America. After all, without legal immigration, my great-grandfather, Francisco Spano, would not have immigrated here from Italy, and I would not be standing before this House today.

Mr. Speaker, it is time for this House to come together to avert another shutdown, continue growing our economy, and push for an immigration system that is fair, just, and inclusive for all.

BLACK HISTORY MONTH

(Mr. WATKINS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WATKINS. Mr. Speaker, today I rise to honor Black History Month.

Kansas is no stranger to the fight for equality. At times in our Nation's history, Kansas has led the charge.

Bloody Kansas was a series of violent civil confrontations, in the 1850s, surrounding slavery. *Brown v. Topeka* Board of Education helped end racial segregation.

In 1968, Dr. Martin Luther King, Jr., chose Kansas to deliver his speech, titled, "The Future of Integration." In that speech, he said that, if democracy is to live, segregation must die.

Let us strive to live up to his memory; let us strive to come together; and let us choose greatness.

Mr. MORELLE. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Georgia (Mr. WOODALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

GENERAL LEAVE

Mr. MORELLE. Mr. Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. MORELLE. Mr. Speaker, on Wednesday, the Rules Committee met and reported a rule, House Resolution 105, providing for consideration of H.R. 840, the Veterans' Access to Child Care Act, under a structured rule.

The rule provides for 1 hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Veterans' Affairs.

The rule makes in order 21 amendments, each debatable for 10 minutes. The rule also provides for adoption of H. Res. 86, a resolution providing interim funding for our two new select committees.

Lastly, the rule provides suspension authority through next Friday, February 15.

Mr. Speaker, the Veterans' Access to Child Care Act would make permanent the VA's childcare pilot program, allowing more veterans to access cost-free childcare when they receive mental or other intensive healthcare treatment through the VA.

A nearly identical piece of legislation passed in the House last year under a Republican majority with bipartisan cosponsors and without objection. It is my hope that this Congress will support these efforts to make it easier for our brave servicemembers to get the care they need while supporting their families.

Millions of working families across the Nation are struggling to afford the rising cost of childcare. Families in my own State of New York often pay upwards of \$15,000 each year to place one child in a childcare center. Some parents may find themselves owing their entire salary each month to provision of daycare. This cost can be so debilitating that parents are being driven out of the workforce—many of them women.

For veterans, these struggles can be even more acute. Many veterans are primary caregivers to their children or even their grandchildren. These brave men and women rely on the VA for their healthcare, but many of them are forced to miss appointments or forgo treatment altogether because they
