

not acceptable, and we can and must do better.

The strong economy led by President Trump has created more jobs than there are Americans to fill them, and we want to encourage legal immigration not only to fill a need, but also because immigrants create a stronger America. After all, without legal immigration, my great-grandfather, Francisco Spano, would not have immigrated here from Italy, and I would not be standing before this House today.

Mr. Speaker, it is time for this House to come together to avert another shutdown, continue growing our economy, and push for an immigration system that is fair, just, and inclusive for all.

BLACK HISTORY MONTH

(Mr. WATKINS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WATKINS. Mr. Speaker, today I rise to honor Black History Month.

Kansas is no stranger to the fight for equality. At times in our Nation's history, Kansas has led the charge.

Bloody Kansas was a series of violent civil confrontations, in the 1850s, surrounding slavery. *Brown v. Topeka* Board of Education helped end racial segregation.

In 1968, Dr. Martin Luther King, Jr., chose Kansas to deliver his speech, titled, "The Future of Integration." In that speech, he said that, if democracy is to live, segregation must die.

Let us strive to live up to his memory; let us strive to come together; and let us choose greatness.

GENERAL LEAVE

Mr. MORELLE. Mr. Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. MORELLE. Mr. Speaker, on Wednesday, the Rules Committee met and reported a rule, House Resolution 105, providing for consideration of H.R. 840, the Veterans' Access to Child Care Act, under a structured rule.

The rule provides for 1 hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Veterans' Affairs.

The rule makes in order 21 amendments, each debatable for 10 minutes. The rule also provides for adoption of H. Res. 86, a resolution providing interim funding for our two new select committees.

Lastly, the rule provides suspension authority through next Friday, February 15.

Mr. Speaker, the Veterans' Access to Child Care Act would make permanent the VA's childcare pilot program, allowing more veterans to access cost-free childcare when they receive mental or other intensive healthcare treatment through the VA.

A nearly identical piece of legislation passed in the House last year under a Republican majority with bipartisan cosponsors and without objection. It is my hope that this Congress will support these efforts to make it easier for our brave servicemembers to get the care they need while supporting their families.

Millions of working families across the Nation are struggling to afford the rising cost of childcare. Families in my own State of New York often pay upwards of \$15,000 each year to place one child in a childcare center. Some parents may find themselves owing their entire salary each month to provision of daycare. This cost can be so debilitating that parents are being driven out of the workforce—many of them women.

For veterans, these struggles can be even more acute. Many veterans are primary caregivers to their children or even their grandchildren. These brave men and women rely on the VA for their healthcare, but many of them are forced to miss appointments or forgo treatment altogether because they
