THE CALEXICO CARNEGIE LIBRARY 100TH ANNIVERSARY

HON. JUAN VARGAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 13, 2019

Mr. VARGAS. Madam Speaker, I rise today to honor the Callexico Carnegie Library on its 100th anniversary. The library has served as a center of the community for a century. It was built in 1919 with a grant provided by the Carnegie Foundation to be the centerpiece of a planned "intellectual park." When it was threatened with demolition in 1993, the citizens of Callexico united to preserve this historical landmark for future generations. On September 28, 2005 the library was added to the National Register of Historic Places, honoring its cultural significance and Spanish Colonial Revival architecture.

Today, the Callexico Carnegie Library is a public technology center that serves the community daily. The library hosts classes for seniors and reading sessions for children.

I would like to honor the Callexico Carnegie Library for their contributions to the community of Callexico over the past 100 years.

CONGRATULATING HADDAD'S WEST PEORIA MARKET ON 100 YEARS IN BUSINESS

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 13, 2019

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Haddad's West Peoria Market for celebrating 100 years in business. Haddad's has been a staple in Peoria since it first opened its doors in 1919.

Haddad's West Peoria Market has held its own as an independently-run business in the Peoria community owned by Mark Whel. Haddad's family owned operation along with its friendly atmosphere and welcoming staff is what has kept customers coming back for all of these years. Often times customers run into their neighbors, friends or familiar members of the community while walking the aisles at Haddad's to pick up their favorite products and providing them with a sense of community and comfort. Local businesses such as Haddad's are a critical part of our local economy and owners such as Mark should be celebrated for all of their hard work in creating a place for the community to come together and shop locally. 100 years of business is an outstanding achievement and I wish Haddad's continued success in the time to come serving the Peoria area.

It is because of businesses such as Haddad's West Peoria Market that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate Haddad's West Peoria Market on its 100 years in business.
