HONORING CHARLES BALDINGER

HON. JIM COOPER

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mr. COOPER. Madam Speaker, I rise today to honor the late Charles Baldinger of Nashville, Tennessee.

While attending the U.S. Military Academy at West Point, Charlie was diagnosed with anaplastic astrocytoma—a rare Stage 3 malignant brain tumor. He found the bad news after a near-fatal accident. As a cadet, Charlie fell 20 feet during a rope-free bouldering set. The fall resulted in a trip to the hospital where it was discovered that he had a brain tumor.

Nevertheless, Charlie graduated from West Point, was commissioned as an Infantry Officer, but then was forced to medically retire. Yet he kept learning and kept excelling. Charlie earned his master's degree from Lipscomb University. Charlie began treatments while at Lipscomb and allowed its College of Pharmacy and Health Sciences to use his body for research. He underwent test treatments that allowed data to be gathered for the purpose of better understanding how to treat cancer. Even during his illness, Charlie continued his service to others.

Charlie passed away peacefully on January 6, 2019. He was a brother, son, grandson, husband, and friend, who will always be remembered by his loved ones.

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mr. HASTINGS. Madam Speaker, I mistakenly voted AYE, when I meant to vote NO on

IN RECOGNITION OF THE 100TH ANNIVERSARY OF THE BETA LAMBDA CHAPTER OF ALPHA PHI ALPHA FRATERNITY, INC.

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mr. CLEAVER. Madam Speaker, I proudly rise today to recognize a significant milestone in one of the pre-eminent organizations, not only in the Fifth Congressional District of Missouri, which I proudly represent, but throughout the region—the Beta Lambda Chapter of Alpha Phi Alpha Fraternity, Incorporated. As a member of the Alpha Phi Alpha Fraternity myself, I am especially proud to recognize this great accomplishment. It is truly an honor to celebrate the Beta Lambda Chapter's Centennial observance on February 17, 2019 in Kansas City, Missouri.

The Beta Lambda Chapter was chartered in January 1919 with ten charter members who laid a strong foundation of fraternal fellowship in the Greater Kansas City Metropolitan Area. The effort to organize the Beta Lambda Chapter in Kansas City, Missouri began in April 1918, upon the request of graduate members of the fraternity who resided in Kansas City. An application for the Chapter was made during the 1918 convention held in Cleveland, Ohio by Brothers T.C. Brown, W.H. Bruce, L.H. Norwood, Thomas Taylor, J. Oliver Morrison and Guy Booker. Favorable action was taken by the convention and the Chapter was established in January 1919 making it the second oldest graduate chapter and first graduate chapter west of the Mississippi River. The charter members of the Beta Lambda Chapter were all outstanding members of the Kansas City community and of their respective professions. Faced with cultural realities of the early Twentieth Century, these charter members found in each other a source of mutual support, enlightenment and a retreat of friendship and fraternity. Each sensed a significant void created by the pervasive permanence of American institutional racism and exclusionary practices that were predominant during that era. Throughout its history, the Beta Lambda Chapter has proudly upheld the high standards of Alpha Phi Alpha Fraternity.

Alpha Phi Alpha Fraternity, Incorporated was founded in 1906 at Cornell University in Ithaca, New York. Our founding Jewels are Henry Arthur Callis, Charles Henry Chapman, Eugene Kinckle Jones, George Biddle Kelley, Nathaniel Allison Murray, Robert Harold Ogle, and Vertner Woodson Tandy.

Beta Lambda has been privileged to host the Thirteenth Annual Convention in 1920, Twenty-Eighth Annual Convention in 1940, Thirty-Sixth Annual Convention in 1950, Seventy-Fourth Annual Convention in 1988 and Eighty-Eighth Annual Convention in 2008. Beta Lambda won the "McGee Memorial Cup" as Outstanding National Chapter from 1945 to 1947. Additionally, the Beta Lambda Chapter won National Alumni Chapter of the Year in

1997 for its leadership and service in social justice, education and development for mankind.

Beta Lambda is led today by Hon. Ardie A. Bland, Damon E. Roath as Vice President, and William A. Griffin as Recording Secretary. Additional officers include: Johnathan Bernard, Terence M. Goree, Joseph C. Lewis, Rev. Kevin L. Nelson, Howard A. Berry, Eric J. Haliburton and Thomas A. Phillips.

One hundred years in the life of any person, organization or institution is a significant milestone and serves as a testament of fidelity to principles, seriousness of purpose and devotion to goals and objectives. Thus, the reason for intentional recognition to such an amazing local treasure.

Madam Speaker, please join me and our colleagues in expressing our collective congratulations to the Beta Lambda Chapter of Alpha Phi Alpha Fraternity and extending our heartfelt wishes for even greater success as it begins its second century.

HONORING FORMER SILVIS MAYOR
JOE TERRONEZ ON HIS 90TH
BIRTHDAY

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Mr. Joe Terronez on his 90th birthday. Mr. Terronez is the first Hispanic mayor in the state of Illinois and is the former mayor of Silvis, Illinois.

Joe Terronez began a long career of public service when he was first elected alderman in 1963 before later going on to serve the City of Silvis as its mayor. He was one of the first Hispanic city council members in the state and his dedication to his community is admirable. One of the best examples of Mayor Terronez's service to others, although there are many, was when he renamed 2nd Street in Silvis to "Hero Street." Although this street is only one and a half blocks long, over 100 of its residents were members of the military, including six who gave the ultimate sacrifice defending our freedoms. As a result, Mayor Terronez dedicated this street to honor their sacrifices. Actions such as this embody Mayor Terronez's spirit of giving back to others. As he celebrates this milestone, I would like to extend my sincere gratitude for his many years of service to others.

It is because of dedicated leaders such as Mayor Terronez that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally honor Mr. Joe Terronez on his 90th birthday.

RECOGNIZING JAMES M. BOSWELL
ON THE OCCASION OF HIS 100TH
BIRTHDAY

HON. G. K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mr. BUTTERFIELD. Madam Speaker, I rise today to recognize the 100th birthday of a veteran, neighbor, father, dedicated man of faith,

and friend to many, Mr. James Boswell. Mr. Boswell is a lifelong resident of Wilson, North Carolina.

James Marshall Boswell was born on February 2, 1919 in Wilson, North Carolina. His parents taught him and his three brothers to work hard, although neither his mother nor father had more than a fifth grade education. His father supported the family as a factory worker. Mr. Boswell recalls him sharing two double beds with his three brothers in their rented home. He would later go to work with his father at the wagon factory where he would perform hard manual labor for 40 hours a week, earning \$12 per week. He worked at the factory until a friend offered him a job at a drive-in making \$15 a week. In 1938, James wed his beloved wife, Alma "Mozelle" Woodall Boswell. They were married for 76 years until her passing in 2014.

Mr. Boswell was working for the FBI in Washington, D.C. when Japan attacked the United States in 1941. Mr. Boswell felt it was his duty to serve his country, so he joined the U.S. Army Air Corps at the start of World War II. He qualified to fly the new B-17 Flying Fortress. He flew 51 combat missions throughout Italy, France, Czechoslovakia, Yugoslavia, Hungary, Greece, Germany, and Austria during his three years of service. Mr. Boswell credits the Tuskegee Airmen for his crews' safe returns, and says he remained in contact with many of them for several years after returning home.

James Boswell's three brothers also served our country with honor. The youngest, Harvey, served as a Merchant Marine. George Boswell served with the 8th and 9th Air Forces in Europe during World War II. Delmar was a paratrooper in the 82nd Airborne.

Having worked most of his life, James Boswell returned home to Wilson where he opened a grocery store, the Super Food Center, located on Herring Avenue.

In addition to his service to our country, Mr. Boswell has selflessly given of his time and efforts to work in his community, serving as a Mason and Shriner for nearly 65 years. He is also a faithful member of First Christian Church in Wilson, where he has held several positions in leadership including chairman, elder, and deacon. Today, James Boswell continues to drive himself to Faith Christian Church every Sunday.

The most important thing to James Boswell has always been his family. He has one daughter, Debby Boswell Keller of North Carolina, and one son, James Boswell, Jr. of Illinois. In describing her father, Debby stated, "he is the most caring and giving person I know."

James Boswell has lived an incredible life that, by the grace of God, has spanned an entire century. His selfless and lifelong dedication to his country and community are beyond remarkable, and he is truly an inspiration and role model for us all. His love for his family, friends, church, and community knows no bounds.

Madam Speaker, I am honored to pay tribute to such a dedicated and honorable veteran. I am immensely proud to have Mr. James Marshall Boswell as a constituent, and I wish him a very Happy 100th birthday. May God continue to bless him and his family.

INTRODUCTION OF THE PUBLIC
BUILDINGS RENEWAL ACT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mr. BLUMENAUER. Madam Speaker, today I introduced the Public Buildings Renewal Act (PBRA) of 2019. This bipartisan legislation will spur private investment in public building infrastructure throughout the United States by creating \$5 billion in Private Activity Bonds for the development of government-owned public buildings.

In every American community, there are serious concerns about the condition of our schools, public hospitals, justice facilities, universities, police and fire stations. With state and local budgets becoming increasingly strained, officials have chosen to save money by steadily reducing capital investment in public buildings. But years of underinvestment have led to facilities that are inadequately maintained, fail to comply with current codes or disability requirements, and do not have adequate security—endangering the general public. Throughout the country, the average public-school building is at least 40 years old, and the current backlog of maintenance and repair projects adds up to more than \$45 billion annually in unmet funding needs. The Public Buildings Renewal Act will reverse this trend by unlocking private sector capital for the public's benefit. It is past time that we upgrade our public buildings to provide a safe, modern, and efficient experience from coast to coast.

While this legislation is not a panacea to solve all of our infrastructure needs, it is an important aspect of our strategy to rebuild and renew America. I look forward to working with my colleagues on both sides of the aisle to pass it into law.

HONORING THE MEN AND WOMEN
OF THE U.S. COAST GUARD IN
KODIAK, ALASKA

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2019

Mr. YOUNG. Madam Speaker, I am honored to express my deepest gratitude to all of the Coast Guard members stationed in Kodiak that do so much for Alaska and this country.

Our Coast Guard base in Kodiak is the largest in the nation and truly vital to protecting our shores and coastal waters. Home to Air Station Kodiak, the Kodiak Naval Operating Base, and three cutters, Kodiak is a linchpin of coastal security in the North Pacific.

I am sure I do not need to teach anyone about the vital role the Coast Guard serves in Alaska. The area of responsibility assigned to Coast Guard units within Alaskan waters is the largest in the nation, spanning a massive 3,853,500 square miles and more than 33,000 miles of coastline. This enormous geographic responsibility includes the patrol of the North Pacific Ocean to protect those traversing the often-rough waters and to stop large-scale high seas drift netting as well as other illegal fishing practices that rob Alaskans of our livelihood and one of our most valuable natural resources.
