

committee staff of my father, former Congressman Bill Clay.

She spent 10 years as the chief education and investigative counsel for the Committee on Education and the Workforce where she advanced reforms in elementary and secondary education, juvenile justice, child nutrition, labor issues, and employment and nutrition programs for seniors.

Prior to that, she served as staff director and counsel for the Committee on House Administration's Subcommittee on Libraries and Memorials and then Subcommittee on the Post Office and Civil Service.

Ms. Johnson is a distinguished graduate of Howard University Law School and the University of Iowa. She is married to Clarence and has a son, Bradford.

I go back with Cheryl as a friend for 40 years. Our families are close. Growing up around this institution that we all love, I was fortunate to be in the company of and witness the examples set by many great public servants—Members and staff—who devoted themselves to representing their constituents in the true spirit of public service.

Cheryl Johnson exemplifies the highest standards of public service, honor, and integrity that will elevate the 116th Congress. I am pleased to welcome her as our new Clerk, and I am prouder still to call her my good friend. She will be an enormous resource for Members and staff, and I am proud to welcome her home.

Welcome back, Cheryl. Congratulations.
