HONORING THE SERVICE OF EUROPEAN UNION AMBASSADOR TO THE UNITED STATES DAVID O'SULLIVAN UPON HIS RETIREMENT

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 27, 2019

Mr. COSTA. Madam Speaker, I rise today to honor the distinguished service of European Union Ambassador to the United States, David O'Sullivan, who will retire his post at the end of the month after nearly five years of tireless advocacy for transatlantic unity. It has been my privilege to work alongside Ambassador O'Sullivan as we strive to secure our mutual interests in national security, trade, and foreign affairs.

Ambassador O'Sullivan was appointed in November 2014, shortly after receiving the EU Transatlantic Business Award from the American Chamber of Commerce for his contributions to improving our economic ties with Europe. As Ambassador, he has devoted himself to strengthening the EU-U.S. trade relationship and worked to ensure that other large economic powers play by the rules. In 2018, he promoted a trilateral approach between the EU, the U.S., and Japan to tackle the issue of Chinese overcapacity in steel manufacturing.

In his four decades of public service for the European Union, Ambassador O'Sullivan has worked diligently for international cooperation. Prior to serving as Ambassador, he helped establish one of the world's largest diplomatic organizations, the European External Action

Service, and served as its Chief Operating Officer from 2011 to 2014. He held senior positions with the European Commission, including Head of Commission President Prodi's Cabinet from 1999 to 2000 and Secretary General of the European Commission from 2000 to 2005. In his capacity as Director General for Trade and Chief Negotiator for the Doha Development Round from 2005 to 2010, he secured numerous free trade agreements, including the conclusion of the EU's agreement with South Korea.

Born in Dublin, Ireland, the Ambassador's interest in global politics and international affairs was first inspired by his father, Lieutenant General Gerry O'Sullivan, who served as Chief of Staff of the Irish Defense Forces. While his father served as liaison to the United Nations in the Congo in 1961, David attended elementary school in my state of California and later worked two summers as a YMCA camp counselor in Chicago.

The bonds of friendship with our transatlantic allies are now more important than ever and must continue to be founded upon our shared values of democracy, respect for human dignity, and the rule of law. Madam Speaker, I respectfully ask my colleagues to join me in recognizing Ambassador O'Sullivan's enduring contributions to transatlantic unity and EU-U.S. trade relations. I thank him for his service and wish him a happy retirement.

INTRODUCTION OF THE HORSE TRANSPORTATION SAFETY ACT OF 2019

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 27, 2019

Mr. COHEN. Madam Speaker, I rise in support of the Horse Transportation Safety Act, a bill I introduced earlier today along with Representatives PETER KING from New York, DINA TITUS from Nevada and BRIAN FITZPATRICK from Pennsylvania, to ensure the humane and safe transportation of horses.

The Horse Transportation Safety Act seeks to end the exploitation of a regulatory loophole designed to ban the transport of horses in double-deck trailers. This loophole gives drivers an incentive to inhumanely transport horses to assembly points then reload them into single level trailers just outside their final destination.

According to the U.S. Department of Agriculture, "Double-deck trailers do not provide adequate headroom for equines, with the possible exception of foals and yearlings. We do not believe that trailers that have two or more permanent levels that are not collapsible can be adequately altered to accommodate adult equines, especially tall equines."

This practice is not only dangerous and inhumane to the horses, but to the traveling public, as well. We have witnessed the dangerous nature of these double decker trailers in several horrific accidents. In October of 2007, fifteen horses died when a double deck trailer carrying 59 Belgian draft horses overturned on Route 41 in Illinois. Unfortunately, we know that accidents like this are not an uncommon occurrence.

The legislation is strongly supported by agricultural interests and animal protection groups

including the Humane Society of the United States, the Animal Welfare Institute, the National Black Farmers Association, and Return to Freedom Wild Horse Conservation.

Moreover, in 2010 the Committee on Transportation & Infrastructure unanimously adopted this bipartisan legislation.

This is common sense legislation, and I urge my colleagues to support the swift passage of the Horse Transportation Safety Act. I also want to express my gratitude for the many years of hard work on this issue by our esteemed colleague, the late Representative Walter Jones from North Carolina.

CLARA LUPER

HON. KENDRA S. HORN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 27, 2019

Ms. KENDRA S. HORN of Oklahoma. Madam Speaker, I rise today to highlight the visionary and unwavering leadership of Civil Rights icon and notable Oklahoman, Ms. Clara Luper. Six months ago, I got to witness history, as Oklahoma City commemorated the 60th anniversary of the sit-ins she organized. And even as a 5th generation Oklahoman, I realized how little I knew.

Clara Luper and her students sparked a movement: the sit-ins that led into our nation's civil rights movement. They deserve to be a household name.

Clara Luper made her mark in a time where people of color couldn't even walk into the front door of Oklahoma City businesses. They were relegated to hidden back doors. But she had a vision for equality, a heart for service, and a commitment to justice. She, in her words, "believed in a sun when it didn't shine, and the rain when it didn't fall." She knew that Oklahoma and this country could be a place where everyone is treated with respect, dignity, and humanity.
