

INTRODUCTION OF THE COREY  
ADAMS SEARCHLIGHT ACT

**HON. GWEN MOORE**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 27, 2019*

Ms. MOORE. Madam Speaker, this week, I introduced the Corey Adams Searchlight Act and I rise to urge my colleagues to support this legislation which would establish a national Green Alert system at the Department of Justice to provide assistance and support to regional, state, and local officials as they work to help locate missing veterans.

This legislation is a practical step toward bringing missing veterans home safely.

This issue was brought to my attention by my constituent Corey Adams. When Corey went missing, his family knew that something was wrong—Corey left his eyeglasses, phone, money, and medications at his parent's home, where he was last seen. Despite his family filing a missing person report within hours of his disappearance, it took eight days before the police determined he met the critical missing persons' criteria. On April 7, 18 days after his initial disappearance, Corey Adams' body was recovered from a pond in a local park just one mile from his mother's home.

After this tragedy, my state of Wisconsin became the first state to create a green alert system modeled after the "Amber" alert system which has proven effective at galvanizing public attention around abducted children. And the system has already been used to help locate missing veterans. Delaware quickly followed and more and more states may follow yet.

I would like to thank the bipartisan cosponsors that have joined in this effort so far, Representative FILEMON VELA, RAÚL GRIJALVA, DEREK KILMER, FREDERICA S. WILSON, HANK JOHNSON, JOHN R. MOOLENAAR, DONALD M. PAYNE, JR., DAN KILDEE, MARK POCAN, RON KIND, EDDIE BERNICE JOHNSON, STEVE COHEN, ELEANOR HOLMES NORTON, and DEBBIE DINGELL. The bill has also garnered the endorsement of Rolling Thunder National, Inc.

Madam Speaker, members of the military do not leave their fallen behind in battle and we should not do so when they come home. I urge my colleagues to cosponsor this important legislation and to work with me to see that it is enacted in the 116th Congress.

FEBRUARY IS NATIONAL CHILDREN'S DENTAL HEALTH MONTH

**HON. ROBIN L. KELLY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 27, 2019*

Ms. KELLY of Illinois. Madam Speaker, February is National Children's Dental Health month—an opportunity that brings together thousands of dedicated professionals, healthcare providers, and educators to promote the benefits of good oral health to children, their caregivers, teachers and many others.

Each year, millions of Americans suffer from untreated dental disease. Tooth decay remains the most common, chronic childhood disease. According to the Centers for Disease Control and Prevention, about 20 percent of children ages 5 to 11 suffer from tooth decay, despite the fact that it is a completely prevent-

able disease. Children from low-income families are twice as likely to have cavities compared to children from higher-income households.

Give Kids A Smile (GKAS), sponsored by the Foundation of the American Dental Association, is an annual centerpiece during National Children's Dental Health Month. Give Kids A Smile Day is one of the most important events for children and dentists in this country. Thousands of dentists and volunteers give their time to provide free oral health education, screenings, and treatment to underserved children. Since 2003, more than 5.5 million children have been cared for by more than half a million volunteers. Programs like this will continue throughout the year.

I'm happy to have led the passage of legislation that supports programs such as Give Kids A Smile and other initiatives aimed at providing greater access to care. The Action for Dental Health Act supports a nationwide, community-based movement focused on delivering care now to people suffering from dental disease, strengthening and growing the public and private safety net to provide more care to more Americans, and expanding dental health education and disease prevention within underserved communities.

Ensuring that children and adults receive accessible, quality oral health care should remain a priority for all of us. Thank you for supporting dentistry and the oral health of our nation's most vulnerable population.

HONORABLE PAUL K. LEARY

**HON. WILLIAM R. KEATING**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 27, 2019*

Mr. KEATING. Madam Speaker, I rise today in recognition of the life of the Honorable Paul K. Leary, who led a life committed to justice as well as improving the Commonwealth of Massachusetts.

Born in Boston in 1939, Judge Leary spent his entire life in Massachusetts. After graduating from Suffolk Law School, Judge Leary worked in the Boston Municipal Court system. He then moved on to become First Assistant District Attorney for the Suffolk County District Attorney's office. Judge Leary ended his career as First Justice of the Boston Municipal court, where he started his career at the age of sixteen.

Alongside his jobs in the Suffolk County District Attorney's office and the Boston municipal court, Judge Leary taught at Suffolk University Law School and lectured at New England School of Law. He served for a period as the President of the National Board of Trial Advocacy and was awarded their Lifetime Achievement Award in July of last year.

Judge Leary was a dedicated family man and a staple in his community. He coached his son's youth hockey team in Milton all the way to the state championship in 1980. Judge Leary spent his summers in Pocasset, where he could be found with family and friends, playing golf or racquetball, or having dinner at one of his favorite local restaurants.

Judge Leary has led a life dedicated to justice and upholding the laws of Massachusetts.
