

COMMEMORATING THE
INTERNATIONAL DAY OF AWARE-
NESS FOR CYCLIC VOMITING
SYNDROME

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. LAHOOD. Madam Speaker, today I would like to recognize the International Day of Awareness for Cyclic Vomiting Syndrome (CVS).

CVS is a rare condition that impacts both children and adults, causing severe nausea attacks that can last between several hours and several days. The cause of CVS is still unknown. Through research and education in the United States and in over thirty other countries, the Cyclic Vomiting Syndrome Association (CVSA) is working to develop a cure for those affected by CVS. Founded in 1993, CVSA started modestly with eighteen families and a few medical professionals. All those involved were dedicated to working towards a cure for the debilitating condition and through their hard work the organization has grown into an international coalition fostering research and providing resources and support for families suffering with CVS.

The Cyclic Vomiting Syndrome Association advocates tirelessly to make others aware of how challenging CVS can be, and how important it is to find a cure. With assistance from the North American Society for Pediatric Gastroenterology, Hepatology, and Nutrition and the American Neurogastroenterology and Motility Society, the CVSA produced the necessary guidelines for the diagnosis and treatment of both pediatric and adult CVS and in 2012, supported a breakthrough in treating CVS with the establishment of the first emergency room protocol model.

As we recognize the International Day of Awareness for CVS, I know they will continue to advocate for the advancement of medical procedures, continued research and public awareness for this disease and the patient community.

PERSONAL EXPLANATION

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Ms. BONAMICI. Madam Speaker, I was unable to be on the House floor on February 25, 2019 for the vote on H.R. 539. My flight from Oregon was delayed because of weather conditions. If I had been present for the vote, I would have voted in favor of the Innovators to Entrepreneurs Act. This bill would expand the National Science Foundation's Innovation Corps program to give scientists and engineers the tools to commercialize their research. I support this effort to help researchers bring their innovations to market, and I commend the House on the bill's passage.

CONGRATULATING SUGAR LAND'S
NEW FIRE CHIEF

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. OLSON. Madam Speaker, I rise today to congratulate Doug Boeker for his recent promotion to the position of Fire Chief of the Sugar Land Fire Department.

Chief Boeker has admirably served the Sugar Land community for the past 27 years, joining the Sugar Land Fire Department after graduating from a fire academy in 1992. He helped establish the Sugar Land Fired Up 5K and leads youth outreach programs through Shattered Dreams, Decisions Matter and Crad Wars. In addition Boeker implemented the Senior Fires and Falls safety prevention program and a critical ambulance service established after our Sugar Land population rapidly grew. While these accomplishments are unparalleled by most, Boeker didn't stop there. He has also served as the chief executive officer of NexGen Group, the general manager of Intercare Health Services and as the fire commissioner for the Harris-Fort Bend Emergency Services District No. 100. His service to our community is exceptional.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Fire Chief Doug Boeker on his promotion. We thank him for his dedication to keeping Sugar Land safe.

IN RECOGNITION OF THE 31ST AN-
NIVERSARY OF THE SUMGAIT
POGROMS

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Ms. SPEIER. Madam Speaker, today, we commemorate the 31st anniversary of the

Sumgait pogroms, which saw the murder, abuse, and eventual expulsion of Armenian Christians living in Azerbaijan and Nagorno-Karabakh solely based on their Armenian identity. The Azeri government cannot be allowed to continue denying its role in instigating these atrocities and allowing them to continue, especially in light of similar efforts to target Armenians by Azerbaijan today. I hold memories of the Sumgait victims close to my heart, they motivate me to fight for the rights for Armenians and all people.

INTRODUCTION OF THE DISTRICT
OF COLUMBIA ZONING COMMIS-
SION HOME RULE ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Ms. NORTON. Madam Speaker, today, I introduce the District of Columbia Zoning Commission Home Rule Act. This bill would give the District of Columbia the authority to appoint all members of the D.C. Zoning Commission (Commission). Currently, the Commission consists of two federal officials (the Architect of the Capitol (AOC) and the Director of the National Park Service (NPS), or their designees), and three mayoral appointees, subject to D.C. Council approval. The federal officials are members even though the Commission has no authority over federal property.

Land use is a quintessential local matter in our country. Despite the D.C. Home Rule Act, which gave the District jurisdiction over its local matters, 40 percent of the members of the Commission are federal officials, who are unaccountable to the more than 700,000 residents who live in the District. The federal government would lose nothing as a result of this bill because the federal government's land-use interests in the nation's capital are protected by federal law and federal agencies.

The Commission creates the zoning maps and regulations, which must "not be inconsistent with the comprehensive plan for the national capital." The mayor is responsible for the local elements of the comprehensive plan, subject to Council approval. The National Capital Planning Commission (NCP), which is the central federal planning agency for the federal government in D.C. and approves federal projects here, is responsible for the federal elements of the comprehensive plan. This bill would not alter the comprehensive plan process or the authority of NCP and the Commission.

This bill would immediately remove the AOC and the Director of the NPS from the Commission, and the Commission would, at least initially, consist solely of the three mayoral appointees. The District would have the authority to reconstitute the membership of the Commission through local legislation.

This is an important step to increase home rule for the District, and I urge my colleagues to support this bill.
