INTRODUCTION OF STOP UNDERRIDES ACT OF 2019

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. COHEN. Madam Speaker, I rise in support of the Stop Underrides Act, a bipartisan, bicameral bill I introduced earlier today along with my colleague on the Transportation & Infrastructure Committee, Representative MARK DESAULNIER from California, and in the Senate, Senators KIRSTEN GILLIBRAND and MARCO RUBIO, to prevent deadly truck underride crashes.

An underride crash is when a car collides with a truck and goes underneath the body of the truck. Modern car safety features are designed to ensure that a passenger can walk away from a crash where the vehicle hits a solid wall at 35 miles per hour. In an underride

crash, the first part of a car coming into contact with a truck body is the windshield, and as a result, a car's safety features are rendered useless. When a car collides with a truck, it will keep moving forward, and decapitation is a serious threat at 35 miles per hour.

While large trucks have been federally required to have rear underride guards since 1953, there is no requirement to adequately maintain rear underride guards and they often fail. In addition, underride guards are not federally required to be on the sides or front of trucks. Too many lives have been lost or forever altered by these preventable crashes and the time has come for Congress to act.

The Stop Underrides Act does just that—lays out a path to bring an end to these terrible and all too often fatal accidents by requiring all large truck trailers to have front, side, and rear underride guards.

These guards, if installed, would have likely prevented the death of Michael Higginbotham, who was killed in an underride crash in Memphis and whose parents, Randy and Laurie Higginbotham, have been urging Congress to take action on this long overdue issue.

This is common sense legislation that will save lives. I urge my colleagues to support the passage of the Stop Underrides Act.

IN RECOGNITION OF THE SESQUICENTENNIAL OF THE CITY OF OCONTO

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. GALLAGHER. Madam Speaker, I rise today to recognize the City of Oconto's sesquicentennial.

Nestled on the coast of Green Bay, the City of Oconto is the home to thousands of Wisconsinites. The city hosts thirty-three sites listed on the National Register of Historic Places and in its 150 years, it has seen tremendous growth and prosperity.

First settled by the Copper Culture People over 6,000 years ago, Oconto is rich with history and culture. The Copper Culture People, rightfully named for their role as some of the earliest copper workers in the Americas, made a variety of tools and ornaments, many of which can still be found today in Oconto at the Copper Culture State Park. When Jesuit missionaries arrived in Oconto in the mid-1600s, Oconto became vital in building the trade relationships that helped so-called "New France" to prosper. The Copper Culture People, along with ancestors of the Menominee who had settled there, traded beaver and other furs for various goods and tools with the European settlers.

Oconto experienced a population boom during the 19th and 20th centuries. Located directly on the Chicago and Northwestern Railroad, Oconto became a hub for the growing commercial lumber and fishing industries. Americans were in search of a beautiful place to earn a living and raise a family, and this wonderful city in Northeast Wisconsin offered them just that.

Today, several industries have expanded and are expected to continue to grow, creating new jobs and boosting the local economy. Oconto's small-town fishing lifestyle has continued to play a crucial role in the economy, attracting anglers from across the United States fishing for walleye at its Breakwater Park on the Bay.

Madam Speaker, it is my honor to congratulate the City of Oconto on 150 years of community, industry, and success. As citizens committed to preserving the vibrant history of their home and watching it grow and prosper, the people of Oconto truly embody what it means to be a Wisconsinite: to strive forward. I wish them another 150 years of prosperity.

HONORING ARCHIE ARCHULETA

HON. BEN MCADAMS

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. MCADAMS. Madam Speaker, I rise today to honor the life of one of Utah's finest. On January 25th, Utah lost Archie Archuleta—a longtime community activist. Archie was a shining beacon of hope, leading by example on how to be a champion for marginalized groups and for the causes of civil liberties and peace in the State of Utah. He believed that "truth needs witnesses" and each person's voice matters.

Archie was born near Grand Junction, Colorado, the child of farm workers who picked sugar beets, lettuce and other crops. After getting his bachelor's degree in education, he came to Salt Lake to teach elementary school. He met the love of his life, Lois, and together they raised five children.

Archie served as president of the Coalition of La Raza for nine years and for his work on behalf of the Latino Community, he was recognized by many for his efforts.

I'll always remember Archie's calls and visits to my office to share his thoughts and advice. He cared deeply about our community and worked hard to make all of us better. I was inspired by Archie's fiery speeches at public rallies and humble mentorship in more private moments.

Archie was someone bigger than life—a man who left his mark on so many of the people with whom he came in contact. We mourn his passing but celebrate the legacy of this fierce advocate and gentle teacher.

Dr. Pearl is currently the director of Surgical Simulation at the Jump Simulation and Education Center at OSF HealthCare and is completing a long career of service through medicine.

He began his military service as an infantry officer and helicopter pilot before joining the Army Medical Corps. In the Army Medical Corps, Dr. Pearl served in Operation Desert Storm as Deputy Commander of a Combat Support Hospital and Commander of a Forward Surgical Team in Saudi Arabia and Iraq. This extraordinary service earned Dr. Pearl many recognitions and accolades, including three Bronze Stars, the Legion of Merit and the Air Medal for Valor. I would like to wish Dr. Pearl well as he begins his well-earned retirement.

It is because of dedicated leaders such as Dr. Richard Pearl that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate Dr. Richard Pearl on his retirement and thank him for his service to our country.

KATY HIGH SCHOOL DEBATER MAKES HISTORY

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. OLSON. Madam Speaker, I rise today to recognize Chandler Scott of Katy, TX for advancing to the University Interscholastic League (UIL) Congressional Debate.

Chandler is the first UIL Congressional Debate qualifier in the history of Katy High School. In the competition, Chandler will play the role of a mock legislator. Students work hard to prepare their bills and resolutions, which they then debate with their competitors as they work toward passing laws. Although he has already made history, Chandler says that there is no added pressure on his performance. Instead, he is proud to represent his school at the competition. Chandler, whose mother is a 1984 refugee from Afghanistan, says her work ethic and perseverance helped shape him into the person he is today.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Chandler Scott of Katy, TX. We are proud of this accomplishment and wish him well at the contest.

HONORING THE LIFE AND LEGACY OF LAW PROFESSOR THOMAS L. SHAFFER

Tuesday, March 5, 2019

Mr. KING of New York. Madam Speaker, I rise to honor the life and legacy of Notre Dame Law School Professor Thomas L. Shaffer, a true icon who passed away last week. Tom Shaffer was a teacher, mentor and friend to generations of Notre Dame Law students. I was privileged to be one of those stu-

dents whose life and career benefitted so much from that experience.

Tom Shaffer began his teaching career at Notre Dame in 1963 after graduating from the Law School two years earlier. Besides his ability in the classroom Professor Shaffer served as Dean from 1971–1975 and was a renowned legal ethics scholar and prolific legal author having written more than 300 scholarly works.

Most important was Tom Shaffer's lasting impact on so many students to whom he imparted his dedication to strong legal thinking and analysis founded on ethics and moral responsibility.

Tom Shaffer was a good man and that goodness is being reflected in the outpouring of statements from so many of his former students since his death. All of us have Tom Shaffer in our thoughts and prayers and send our sincerest condolences to his wonderful wife Nancy and their children and grandchildren.
