COMMENDING AND CONGRATULATING MR. ROBERT "BOB" CAMACHO ON HIS 34 YEARS OF PUBLIC SERVICE

HON. MICHAEL F.Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. SAN NICOLAS. Madam Speaker, I rise today to honor a genuine public servant and friend, Chief Robert "Bob" D. Camacho on his retirement from the Antonio B. Won Pat Guam International Airport Authority (GIAA) police department after 34 years of service to Guam and to the nation.

Bob has a long history in public service. After serving 11 years in the United States Army, where he received numerous awards and decorations, Bob began his civilian career as a parole officer in the Guam Department of Corrections, eventually advancing to the post of Director of the Department. As Director, Bob's innovations included making the Department of Correction a tobacco-free environment and effectively restructuring prison food services. These changes significantly reduced health-care costs for employees as well as inmates and saved millions of dollars in food costs and wastage for the government of Guam.

Bob served in other senior executive positions within the law enforcement field including in the Guam Customs and Quarantine Agency

and the Guam Police Department. It is no surprise that Bob also excelled in these other positions, constantly exemplifying the definition of a public servant.

Appointed to the Chief of the Guam International Airport Authority police department in 2009, Bob effectively responded to the increased security risks imposed by the tragedy on September 11, 2001. Bob continued to ensure that the GIAA and his department kept pace with new and constantly changing U.S. Department of Homeland Security and Transportation Security Administration mandates as well as keeping pace with the constantly growing passenger and freight workload. He was instrumental in promoting and securing funding for "Project Hulo," a much needed, and significant increase, in services, operations, and security for the airport, which has become a major Pacific hub for both domestic and international travel and freight.

Bob continued to trailblaze in the Guam law enforcement community when he served as Chairman of the Peace Officer Standards and Training Commission, setting appropriate standards for hiring, training, ethical conduct, and retention of peace officers throughout the territory of Guam. Bob has dedicated his life serving our community, exemplified the best in leadership qualities, and has continued inspire those around him. Madam Speaker, I rise on behalf of the People of Guam, offering my greatest appreciation for Bob's commitment to public service. I congratulate him on his retirement and offer him best wishes on his well-earned retirement.

with some rain events and even snow and ice at times. This rigorous training process exceeded 1,300 hours. Upon successful completion of this program, each recruit is eligible to graduate and become a Fire and Rescue Technician with the Prince William County Department of Fire and Rescue.

The training and certification required to achieve the status of a Fire and Rescue Technician cannot be accomplished without significant dedication and hard work. Today's graduates have completed more than 600 hours of the required coursework for certification in Emergency Medical Technician, Infection Control, CPR, Firefighter I & II, Advanced Fire Behavior, Hazardous Materials Operations, LPG Emergencies, Rural Water Supply, Stress First Aid, MAYDAY Firefighter Down, Rapid Intervention Team Operations, Technical Rescue Modules 1 & 2, Vehicle Rescue Level I, and Emergency Vehicle Operator I, II, & III.
