ADDITIONAL STATEMENTS

TRIBUTE TO SAM MAMET

• Mr. BENNET. Mr. President, I rise to honor the career of Sam Mamet, who recently announced his retirement as the executive director of the Colorado Municipal League. Sam spent the better half of his adult life working to empower communities and local governments across Colorado. It is not an understatement to say that every corner of the State is incredibly grateful for his work.

Sam joined the Colorado Municipal League in 1979, when he spearheaded the organization's advocacy in the State capitol. After 26 years in that po-

sition, Sam would go on to spend the rest of his time in the organization as its executive director. There, he worked tirelessly to foster partnerships across the State and the country that have benefited Colorado's 270 towns and cities. He also spent time as an adjunct professor of political science at CU Denver.

Throughout my time in public service, I have always appreciated Sam's thoughtful approach to policymaking, his collaborative spirit, and his unwavering advocacy for our local communities. When I worked in local government, I always knew I could count on Sam to ensure that our perspective would be heard at the State and Federal level. After joining the Senate, I have had the benefit of his advice across issues, ranging from infrastructure to tax policy.

Going forward, I will miss Sam's wit, humility, and sense of humor—tributes in short supply in our politics today.

Although Sam is retiring from the Municipal League, I suspect he will continue to serve the State of Colorado with the same passion that has characterized his career. We wish Sam well in retirement and extend our deepest thanks for his lifetime of public service. •

200TH ANNIVERSARY OF WASHINGTON PARISH

• Mr. CASSIDY. Mr. President, today I wish to acknowledge the 200th anniversary of the founding of Washington Parish in my home State of Louisiana. It is a parish filled with determined and patriotic citizens who work day in and day out to better our State and our Nation.

Washington Parish, named in honor of our first President, is located in the section of Louisiana known as the Florida Parishes. The parish government was founded on March 6, 1819, and a few years later, the town of Franklinton would become the permanent parish seat. The parish covers 676 square miles with the Mississippi State line serving as the eastern and northern borders.

The area is rich with American history. In 1814, Andrew Jackson marched with his soldiers across the Pearl River and recruited many of the local citizens to join them in the Battle of New Orleans. The "Military Road" constructed by General Andrew Jackson crossed the Pearl River into present-day Bogalusa. Records from the War Department show the future President and his troops made camp in the area on November 28, 1814.

As one of the most rural parts of the State, the parish is known for its pine forests, rolling hills, and many farms. The people who call Washington Parish home are incredibly proud of their local heritage, good food, and for hosting the Washington Parish Free Fair, the Nation's largest free fair.

I would like to wish the citizens of Washington Parish a very happy bicen-

tennial and thank them for their many contributions over the last 200 years to our beautiful State and to our Nation. •

TRIBUTE TO BRIGADIER GENERAL COLLEEN MCGUIRE

• Mr. DAINES. Mr. President, I have the honor of recognizing BG Colleen McGuire, Retired, of Missoula, MT, for being inducted into the U.S. Army Women's Foundation Hall of Fame on March 7, 2019.

Colleen has stayed true to her Montana roots, spending her childhood and collegiate years in Missoula. As a student at the University of Montana, she excelled in the Reserve Officer Training Corps, ROTC and began her distinguished career with the 279th Engineer Company at Fort Missoula. Upon graduation, she continued to serve her great country as she earned a commission in U.S. Army while serving with the Military Police Corps. Her academic achievements continued as she earned a master's of arts and science from the Command and Staff College and a master's of strategic studies from the Army War College.

Colleen's highly accomplished journey through the U.S. Army consists of a multitude of leadership roles as exemplified by her command of troops. Early in her career, her inspirational leadership skills were evident as she led a platoon in Germany and later taking command of the Bravo Company within the Law Enforcement Command of Fort Lewis, WA. Success in these roles propelled her career, and in 1998 she was hand-selected to command the 705th Military Police Battalion, Fort Leavenworth, KS.

One notable chapter in Colleen's career came in the fall of 1993, when she was assigned as the public affairs officer for Joint Task Force-Somalia. In early October, two U.S. Army Black Hawk helicopters were shot down during a covert operation, which launched a 2-day battle that later became known as the Battle of Mogadishu. In the months that followed, Colleen played a pivotal role in telling the United States' story that would later inspire several books and the movie "Black Hawk Down."

Perhaps Colleen's most notable achievements came as she shattered glass ceilings across the Army. Epitomizing the Montana pioneer spirit, she was the first female to assume command of the U.S. Army Criminal Investigation Command, CID, serve as the provost marshal General of the Army, and take command of the U.S. Disciplinary Barracks in Fort Leavenworth KS. Not only did she command with distinction, but she opened the door for aspiring women to follow in her footsteps. It is fitting that Colleen should be inducted into the U.S. Army Women's Foundation Hall of Fame, and I am pleased that her accomplishments will be memorialized as an example for generations to come.

During her military service, she earned numerous awards. Colleen's
