IN HONOR OF THE AMERICAN PEANUT SHELLERS ASSOCIATION'S 100 YEAR ANNIVERSARY

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 7, 2019

Mr. BISHOP of Georgia. Madam Speaker, it is my great honor to extend a heartfelt congratulations to the American Peanut Shellers Association (APSA) as it celebrates 100 years in leading the effort to expand and advance the American peanut industry. The APSA will be celebrating this great milestone on Friday, April 5, 2019, during the Industry Spring Conference at the Bindery at Oakland Library in Leesburg, Georgia.

The APSA was established by commercial peanut shellers and crushers from Georgia, Alabama, and Florida who began operations in early 1918 as the Southeastern Peanut Association (SPA). Approximately a year later, on April 5, 1919, a group of commercial peanut farmers representing their home states convened in Atlanta to officially charter the Southeastern Peanut Association. On November 30, 1993, the Southeastern Peanut Association officially changed its name to the American Peanut Shellers Association to incorporate other shelling companies from other states. The current APSA headquarters in Albany, Georgia was completed in 1986 and has been the official hub of this renowned association since its relocation from Americus, Georgia in the early in 1960s.

For the past 100 years, Georgia peanut farmers through the APSA have been successful in improving the profitability of peanuts and peanut products by working to promote and increase consumption. In 1965, the APSA co-sponsored first USA Peanut Congress—the largest meeting of all segments of the peanut industry. Today, the APSA is the oldest organized group in the peanut industry boasting 10 active member shelling companies and 145 associate members who handle 90 percent of the peanuts grown in the United States.

I take much pride in the fact that Georgia leads the nation in production of peanuts with nearly 50 percent of the annual peanut crop. Georgia has 14,000 farms with peanuts and about 4,500 active farmers. Approximately 200 businesses in Georgia are peanut-related. Two million bags of peanuts are distributed annually and the industry contributes more than 50,000 jobs and an estimated \$2 billion to the economy of the state of Georgia.

Since George Washington Carver discovered the many uses for the peanut in the early twentieth century, peanuts have become a household food staple and a source of dietary fiber, protein, and other healthy nutrients. Although peanuts are produced in other parts of the country, I am a firm believer that no peanuts are of higher quality or more delicious than Georgia peanuts.

On a personal note, I would like to thank John Powell, Executive Director of the American Peanut Shellers Association, and the rest of the wonderful staff as well as Chairman Ralph Johnson and all those who serve on the Associate Board of Directors. Their hard work and dedication have contributed to the success of the APSA in many ways.

Madam Speaker, on behalf of the residents of Georgia's Second Congressional District, the state of Georgia, and all those nationwide and worldwide who enjoy our tasty American peanuts, I ask my colleagues to join me today in paying tribute to the American Peanut Shellers Association for their exemplary services and dedicated efforts to support our Nation's peanut industry over the past 100 years.

TRIBUTE TO MR. SHAY D. ASSAD

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 7, 2019

Mr. LYNCH. Madam Speaker, I wish to honor a Massachusetts constituent, Mr. Shay Assad, who will be retiring this year after nearly 25 years of combined military and federal service to our country.

He graduated with distinction from the U.S. Naval Academy; thereafter, he served two tours of duty aboard U.S. Navy destroyers and won recognition as the Outstanding Junior Officer, Fifth Naval District. He is an Aegis Weapons system and *Arleigh Burke* class plank owner having served as the Naval Procurement Officer who procured the Navy's first Aegis system for DDG-47 at the Naval Sea Systems Command. He commenced federal government civil service as the assistant Deputy Commandant, Installations and Logistics for Contracts at headquarters, the Marine Corps, Washington, D.C., serving as the senior civilian contracting official for the U.S. Marine Corps. Mr. Assad joined the Office of the Secretary of Defense (OSD) in April 2006. During his tenure in OSD, Mr. Assad first served as the Director, Defense Pricing and Acquisition Policy (DPAP). As such he was the recognized functional leader of a workforce of 27,000 contracting and pricing professionals responsible for the procurement of approximately \$300B in goods and services annually.

In addition, from January 2009 through June 5, 2011 he concurrently served in other Acquisition, Technology & Logistics (AT&L) leader-

ship positions. For a period of time he served as the Acting Deputy Under Secretary of Defense for Acquisition and Technology. He also performed the duties of the Assistant Secretary of Defense for Acquisition. In June 2011, he left his role as Director, DPAP to serve in the newly established position of Director, Defense Pricing. In August 2017 through December 2018, he served as Acting Director, DPAP, concurrent with his duties as Director, Defense Pricing. His combined senior executive experience in the Defense industry (where Mr. Assad served for 25 years prior to joining OSD) and in Government was without peer among members of the Senior Executive Service.

Among his most significant accomplishments for the Department of Defense, Mr. Assad led the development and implementation of the largest and most expansive plan in the Department's history that focused on improving both the size and quality of the acquisition workforce. This plan, known as the Defense Acquisition Workforce Development Force (DAWDF) initiative, still serves today as the cornerstone for improving the quality of the acquisition workforce. In addition, Mr. Assad developed and implemented the Department of Defense Contract Peer Review process which oversaw every sole source procurement in excess of \$500 million dollars, as well as every significant competitive source selection within the Department of Defense over the past twelve years. The peer review process has been recognized to have enabled the savings of billions for the taxpayers through improving the quality of the Department's contract business dealings.

Mr. Assad also led the OSD peer review team that oversaw the successful conduct of the largest single source selection in the Department's history—the KC-X tanker program resulting in saving billions for the taxpayers. He led the Department of Defense mediation and developed the successful strategy to resolve litigation associated with the Department's Space Launch Program, enabling an increase in the security posture of the United States, while saving hundreds of millions for the taxpayers.

Over his tenure of federal service, Mr. Assad was the most decorated contracting and pricing professional in the career civil service having received numerous federal service awards. Principal among those awards were: 1) the Distinguished Service Medal with Bronze Palms; 2) the Distinguished Service Medal; 3) the Secretary of Defense Meritorious Service Medal; 4) the Secretary of Defense Exceptional Service Medal; 5) a Distinguished Presidential Rank Award; 6) a Meritorious Presidential Rank Award; 7) the Department of Defense Inspector General Joseph H. Sherick Award (the highest honor bestowed on non-OIG employees); and 8) the David Acker Award for Acquisition Excellence. He was inducted into the Defense Acquisition University (DAU) Hall of Fame in recognition of his leadership in the acquisition profession and for the establishment of the DAWDF initiative. He has been the Department's leading advocate for increasing employment opportunities for the blind and severely disabled; and has received numerous awards to include the E. Richard "Dick" Alley Career Achievement Award (Ability One Program's highest recognition) and the Osbourne "Oz" Day Award for those efforts.

I ask my colleagues to join me in thanking Mr. Assad for his distinguished service to our country and in wishing him a fulfilling and enjoyable retirement.

IN RECOGNITION OF STATE REPRESENTATIVE EDDIE DAY PASHINSKI, THE WILKES-BARRE FRIENDLY SONS' MAN OF THE YEAR

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 7, 2019

Mr. CARTWRIGHT. Madam Speaker, I rise today to recognize Pennsylvania State Representative Eddie Day Pashinski, who will receive the Man of the Year Award at the Wilkes-Barre Friendly Sons' annual St. Patrick's Day celebration on Friday, March 15, 2019. Eddie has been a dedicated public servant for more than four decades, first as a music teacher, then as a state representative.

Eddie is a native Northeastern Pennsylvanian. He received a Bachelor of Science degree in music education from Wilkes University and has a master's equivalency. For 38 years, Eddie served as music teacher and choral director in the Greater Nanticoke Area School District. He was an active member of the union, the GNA Education Association, where he advanced the profession of teaching and ensured that students receive a quality education from highly qualified and equitably treated educators. Always motivated to serve at the highest level, Eddie took on leadership roles such as chief spokesperson, vice president, and president.

Driven by his civic minded sensibility, outgoing personality, and desire to create sustainable change for the community at large, Eddie ran for the 121st Legislative District seat to represent Wilkes-Barre City, Fairview Township, Wilkes-Barre Township, Ashley Borough, Hanover Township, and Laurel Run Borough

in the state house in Harrisburg. He handily won the 2006 election and has held the office since.

Eddie found great success as a state legislator. He is an ardent supporter of health care reform and has spearheaded a task force of regional experts to offer recommendations to improve our health care system to make it more affordable and accessible. In the wake of the devastating flooding in 2011, Eddie introduced a legislative package to help homeowners and small businesses rebuild and recover. His exceptional efforts on behalf of Pennsylvanians have earned him the title of Legislator of the Year from several organizations.

Though no longer a music teacher, Eddie Day continues to bring the joy of music to the people of Northeastern Pennsylvania with his band, The Starfires. With his late wife, Millie, Eddie is the proud father of four children and grandfather to seven grandchildren.

It is an honor to recognize State Representative Eddie Day Pashinski as he accepts the Man of the Year Award from the Wilkes-Barre Friendly Sons. His public service career is admirable and unparalleled, and I thank him for his leadership in our community and in Harrisburg. May he continue to be extraordinarily successful in his work for greater good of our commonwealth.

CELEBRATING THE FIRST ANNUAL HARRIET TUBMAN DAY HOSTED BY THE NEW YORK STATE EQUAL RIGHTS CENTER

HON. JOHN KATKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 7, 2019

Mr. KATKO. Madam Speaker, I rise today in recognition of the first annual Harriet Tubman Day hosted by the New York State Equal Rights Center (NYS Equal Rights Center) in Auburn, New York. Harriet Tubman is an American icon, whose courageous activism helped strengthen civil and women's rights. Her legacy runs deep in Central New York and still influences the local community today.

Born a slave in Dorchester County, Maryland, Harriet Tubman escaped to freedom in 1849. She arrived in Philadelphia but quickly returned to Maryland to rescue the rest of her family. Successful in guiding her family and many other slaves to their freedom, Harriet Tubman became a well known figure on the Underground Railroad. Notably, she never lost an escaped slave she was guiding to freedom during her service as a conductor on the Underground Railroad.

Harriet Tubman joined the Union when the Civil War broke out in 1861, first serving as a nurse and then as a scout. She possessed knowledge of stealth travel from her time on the Underground Railroad, a skill she passed along to Union scouts to evade detection by Confederate forces. This skill proved extremely helpful during the Combahee River Raid, when she and her fellow Union scouts sabotaged Confederate supplies. This raid was also significant because Harriet Tubman became the first woman to lead an armed assault during the Civil War. After the war, Harriet Tubman moved to Auburn to care for her family who settled there.

Women's suffrage became a priority for Harriet Tubman during her later life. She became very active in the movement, traveling throughout the northeast to participate in demonstrations and working alongside suffragist leaders like Susan B. Anthony and Emily Howland. While Harriet Tubman passed away in 1913, her role in the suffrage movement helped pave the way for full women's voting rights in 1920.

Madam Speaker, I ask my colleagues in the House to join me in celebrating the first annual Harriet Tubman Day hosted by the NYS Equal Rights Center. Harriet Tubman's contributions to civil and women's rights in our society is unparalleled. The NYS Equal Rights Center pays tribute to her activism, serving as a reminder for Central New Yorkers to treat everyone in the community equally and respectfully. I ask my fellow Representatives to honor Harriet Tubman's legacy and never forget her role in creating a more equal America for all.

Ms. JOHNSON of Texas. Mr. Chair, H.R. 1, the "For the People Act of 2019" addresses many significant challenges to our democratic institutions and the conduct of federal elections.
