

Bedford County and all of Virginia, and I wish him and his family all the best during a well-earned retirement. His service leaves a legacy we can all be proud of.

HONORING BOB HUDZIK

(Mr. RODNEY DAVIS of Illinois asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to recognize Bob Hudzik, a constituent in my district who has made a profound difference in his community.

Bob, a world champion dart player and custodian at Mt. Olive High School, began Darts for Kids, a non-profit organization that hosts an annual dart tournament. The proceeds go to families of children with life-threatening illnesses, usually to contribute to the cost of unforeseen medical expenses.

Their first tournament in 2013 raised about \$10,000. To date, Darts for Kids has raised almost \$175,000 and helped over 90 families with medical costs for children.

I recently cosponsored legislation that shines a light on individuals like Bob. H.R. 276, the RISE Act, would establish the Recognizing Inspirational School Employees Award Program within the Department of Education to highlight the dedication of education support professionals like Bob.

Bob is a perfect example of the people who make our communities great. I could not be prouder of all that Bob has done to better the lives of families in Mt. Olive, Illinois.

Keep up the great work, Bob.

BETTER REFORM FOR THE PEOPLE

(Mr. ALLEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ALLEN. Madam Speaker, I am here today to speak out against H.R. 1.

When Republicans were in the majority, we reserved H.R. 1 for legislation that actually benefited the American people by putting more money in their pockets and growing the economy through the historic tax reform bill passed last year. Now here we are, under a new majority, planning to vote on a bill telling folks that their hard-earned taxpayer dollars will be going to a political candidate that they would never support.

This bill goes too far and is nothing more than a power grab from the Democrats to try to ensure one-party rule. This socialist, top-down, one-size-fits-all election system violates States' rights, fails to criminalize fraudulent voter registration, and eliminates every American's constitutional right to free speech under the First Amendment.

We do not need the heavy, overreaching hand of the Federal Govern-

ment corrupting every single election across this great Nation.

Madam Speaker, I have said it before and I will say it again: This legislation is not reform for the better, and it is not for the people.

STATE AND LOCAL TAX DEDUCTION

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Madam Speaker, forcing Americans to pay Federal tax money they have already paid to State and local governments is double taxation, and it is wrong. But that is just what the tax law passed by my Republican colleagues in 2017 did.

The law places a severe \$10,000 restriction on the State and local tax deduction. According to the United States Department of the Treasury, more than 11 million households will exceed this new cap. In my district, around 42 percent of filers use the SALT deduction, and I have heard from many constituents stuck this year with a higher tax bill.

Madam Speaker, Illinois already pays approximately \$1.36 for every dollar we receive in Federal spending. It is not right that our communities now must bear the burden for the President's irresponsible tax law.

Lifting these punishing caps is a top priority for my constituents, and I am pleased that there is growing bipartisan support for the effort. This week, I cosponsored legislation introduced by Chairwoman NITA LOWEY, a Democrat, and PETER KING, a Republican, to restore the full SALT deduction.

Madam Speaker, I urge my colleagues to join us in this effort and help bring needed tax relief to the communities we all represent.

TERM LIMITS FOR CONGRESS

(Mr. RIGGLEMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RIGGLEMAN. Madam Speaker, my esteemed colleague, Representative ROONEY, has introduced a bill, H.J. Res. 20, to limit the number of terms that a Member of Congress may serve to three terms. I signed on to cosponsor this bill right away.

Term limits would take power away from special interests and lobbyists and give it back to the people. When Members stay in Congress for too long, they lose touch with the people back home and allow special interests to hold sway more than regular people.

A Congress out of touch with its constituents cannot do a good job representing the American people. This bill would make sure our constituents will have a representative body that they recognize.

The power of incumbency is a counterbalance to the will of the people.

Term limits would encourage independent congressional judgment and reduce election-related incentives for wasteful government spending.

This bill would create a much better political system by inspiring political leaders with a desire to serve their constituents, not themselves; political leaders who respond to voters' concerns, not a career path in special interests.

Madam Speaker, I call on my fellow Members to support this bill.
