

bought a tour bus, and the Miami Tour Company was born.

Seventeen years later, Miami Tour Company has grown to transport 35,000 passengers annually and have served more than 600,000 clientele. Their fleet now includes motorcoaches, minibuses, vans, SUVs, shuttle buses, and boat tours. The company's local guides run day tours through Key West, Orlando, the Everglades, and Miami Beach. They have also instituted a GPS-guided system in their tour buses that triggers high-quality digital voice recordings at locations of interest, making them the only tour company in Florida to offer this technology. To expand their customer base, the company has begun offering the recordings in Spanish, Portuguese, Mandarin, French, Italian, German, and Russian, allowing visitors from around the world to enjoy the attractions that Florida has to offer.

On top of providing enjoyable and informative tours, Miami Tour Company gives back to their community. They guide local elementary students on free historical bus tours throughout Miami and offer students free eco-tourism trips to the Everglades. They also give back to their community by providing complimentary travel charters for activities for the children and families of Sophia's Hope. In addition, they donate portions of their proceeds to the Miami Beach Holocaust Memorial and the Miami Beach Botanical Gardens. Miami Tour Company has been a true small business success story. Their dedication to hospitality has been recognized with an A-plus rating from the Better Business Bureau and a Certificate of Excellence from online reviewers.

Gus and Michelle's commitment to an exceptional customer experience represents the standard of hospitality with which Florida small businesses are known for. Companies like Miami Tour Company are one of the many reasons that visitors enjoy south Florida and keep coming back. I would like to congratulate Gus, Michelle, and all of the employees at Miami Tour Company for being named the Senate Small Business of the Week. I wish them good luck and look forward to watching their continued growth and success.●

PRESIDENTIAL MESSAGE

BUDGET OF THE UNITED STATES GOVERNMENT FOR FISCAL YEAR 2020—PM 5

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred jointly, pursuant to the order of January 30, 1975, as modified by the order of April 11, 1986; to the Committees on the Budget; and Appropriations:

To the Congress of the United States:

In just over 2 years, together with the American people, we have launched an unprecedented economic boom. Since I was elected, we have created more than 5 million new jobs, including half a million manufacturing jobs. Nearly 5 million Americans have been lifted off food stamps. Unemployment is the lowest in nearly half a century. African American unemployment, Hispanic American unemployment, and Asian American unemployment rates have all reached historic lows. Our Nation is experiencing an economic miracle—and it is improving the lives of all our citizens.

We have achieved these extraordinary gains thanks to historic tax cuts and an unprecedented regulatory reduction campaign, through unleashing American energy production, systematically fixing bad trade deals, and remaining absolutely committed to putting the needs of the American worker first.

My Administration worked with the Congress to pass unprecedented legislation to confront the opioid crisis, a sweeping new farm bill, groundbreaking criminal justice reform, major investments to rebuild the military, and historic Department of Veterans Affairs reforms to ensure that our great veterans have access to high quality healthcare.

We are also making our communities safer. To target violent crime, my Administration has increased support for Federal, State, and local law enforcement. We have added nearly 200 new violent crime prosecutors across the United States. And last year, the Department of Justice prosecuted more violent crimes than ever before. As a result, violent crime is falling.

My Administration is confronting the national security and humanitarian crisis on our southern border, and we are accepting the moral duty to create an immigration system that protects the lives and jobs of our citizens. This includes our obligation to the millions of immigrants living in the United States today who followed the rules and respected our laws.

In the 20th century, America saved freedom, transformed science, and defined the middle class standard of living. Now we must write the next chapter of the great American adventure, turbo-charging the industries of the fu-

ture and establishing a new standard of living for the 21st century. An amazing quality of life for all of our citizens is within reach. We can make our communities safer, our families stronger, our culture richer, our faith deeper, and our middle class bigger and more prosperous than ever before.

We are now addressing our challenges from a position of strength. My 2020 Budget builds on the tremendous progress we have made and provides a clear roadmap for the Congress to bring Federal spending and debt under control. We must protect future generations from Washington's habitual deficit spending.

This year, I asked most executive departments and agencies to cut their budgets by at least 5 percent. In addition to reflecting those reductions, my Budget invests in the following priorities:

Securing our Borders and Protecting our Sovereignty. As President, my highest duty is the defense of our Nation—which is why finishing the border wall is an urgent national priority. All who are privileged to hold elected office must work together to create an immigration system that promotes wage growth and economic opportunity, while preventing drugs, terrorism, and crime from entering the United States. Immigration policy, like all policy, must serve the interests of Americans living here today—including the millions of new Americans who came here legally to join our national family. The American people are entitled to a strong border that stops illegal immigration, and a responsible visa policy that protects our security and our workforce. My Budget continues to reflect these priorities, and I look forward to working with the Congress to finish the border wall and build a safe, just, and lawful immigration system that will benefit generations of Americans to come.

Preserving Peace through Strength. A strong military, fully integrated with our allies and all our instruments of power, enables our Nation to deter war, preserve peace, and, if necessary, defeat aggression against United States interests. To that end, my Budget requests \$750 billion for national defense, an increase of \$34 billion, or 5 percent, from the 2019 enacted level. The Budget funds the National Security Strategy and National Defense Strategy, building on the major gains we have already made throughout the world.

Protecting our Veterans. Our Nation's brave warriors and defenders deserve the best care America has to offer—both during and after their active service. Last year, I signed into law the historic VA MISSION Act of 2018 to reform and transform the Department of Veterans Affairs healthcare system into an integrated system for the 21st century. My Budget fully funds all requirements for veterans' healthcare services and provides additional funding to implement the VA MISSION Act of 2018.
