

Investing in America's Students and Workers. To help protect taxpayer dollars, my Budget continues my request to create an educational finance system that requires postsecondary institutions that accept taxpayer funds to have skin in the game through a student loan risk-sharing program. My Administration will also continue to seek expanded Pell Grant eligibility for high-quality, short-term programs in high-demand fields, so that students and workers can quickly gain valuable skills at a more affordable cost and obtain family-sustaining jobs. We must create and invest in better opportunities for our Nation's students and job seekers, while ensuring that we do so in a more efficient and effective manner.

Research for Childhood Cancers. Many childhood cancers have not seen new therapies in decades. My Budget initiates a new effort that invests \$500 million over the next 10 years to support this critical life-saving research.

Defeating HIV/AIDS in America. The HIV epidemic still plagues our Nation, with more than 38,000 Americans infected every year. In response, my Budget provides \$291 million to the Department of Health and Human Services to defeat the HIV/AIDS epidemic. The goal is to eliminate most new infections within 5 years (75 percent) and nearly all within 10 years (90 percent). This initiative will focus efforts on diagnosis, prevention, and treatment efforts in the locations where intense transmissions of the virus are driving the epidemic.

Confronting the Opioid Epidemic. My Budget continues historic levels of funding for our law enforcement, prevention, and treatment efforts to combat the opioid and drug addiction epidemic.

Supporting Working Families. America must also lead in supporting the families of our workforce so that they can balance the competing demands of work and family. My Budget includes a one-time, mandatory investment of \$1 billion for a competitive fund aimed at supporting under-served populations and stimulating employer investments in child care for working families. My Administration has also pledged to provide paid parental leave to help working parents, and we are committed to partnering with the Congress to enact this important policy.

We must always strive to uphold our oaths to promote and protect the personal and economic freedoms the Constitution guarantees to us all.

We must work together to renew the bonds of love and loyalty that link us to one another—as friends, as citizens, as neighbors, as patriots, and as Americans.

My Budget reflects my Administration's commitment to these worthy goals as it seeks to make the United States of America wealthier, stronger, safer, and greater for every American family and neighborhood.
