

COMMEMORATING DR. JOHN BARDO

(Mr. ESTES asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESTES. Mr. Speaker, I rise today to honor the life of Wichita State University President Dr. John Bardo, who sadly passed away on March 12, 2019. In his 7 years as president, Dr. Bardo's devotion to education and Wichita State was unsurpassed as he led the university in a bold direction that benefited students and the entire Wichita community.

Dr. Bardo's tenure was not his first job at the university. In 1975, Dr. Bardo, then an assistant professor of sociology, met his wife, Deborah.

When Dr. Bardo returned to Wichita State as president in 2012, he said: "We came home . . . to reposition this university as a key driver of the future of Wichita." From developing the Innovation Campus and WSU Tech, to increasing online courses, research, and dorm space, his leadership accomplished that goal and set the university on a path to be a nationwide leader in education.

Last July, Dr. Bardo was invited to come testify before the House Education and the Workforce Committee about Wichita State's leadership in innovation. As a member of the committee at the time, I will never forget the pride Dr. Bardo showed for the university and our community.

I know Shockers are better off because of his leadership, passion, and vision.

I ask my colleagues to join me in praying for the Bardo family.

HONORING THE MEMORY OF VICTOR MCELHANEY

(Ms. LEE of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEE of California. Mr. Speaker, I rise today to honor the memory of Victor McElhaney, the son of my friend, Oakland City Councilwoman Lynette McElhaney, and his father, Clarence, and to offer my deepest condolences on behalf of the 13th Congressional District.

Victor was tragically slain in a senseless act of gun violence early Sunday morning in Los Angeles. He was killed in a robbery attempt while heading home from a friend's house.

Victor was just 21 years old and a senior at the University of Southern California's Thornton School of Music, where he was pursuing his lifelong love of music. He was a talented drummer and was often playing at jam sessions, displaying his musical genius.

Victor was a son of Oakland, and his passing is a loss for Oakland and the entire East Bay community. My heart is heavy for Lynette and her family and all those who loved and cared for Victor.

Victor was killed in Los Angeles, but his murder reflects the epidemic of gun violence in my district and all around the country, especially communities of color. Even before Victor's tragic passing, combating gun violence in Oakland was a priority for his mother as a city council member.

May God comfort Victor's family as we mourn his loss. May his spirit lead and guide us in the work that we must do to end gun violence in his memory.

May Victor's legacy live, and may he rest in peace.

HONORING THE LIFE AND SERVICE OF CAPTAIN JAKE RINGERING

(Mr. RODNEY DAVIS of Illinois asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I rise today to honor the life and service of Captain Jake Ringering, a beloved member of the Godfrey Fire Protection District who tragically lost his life in the line of duty on March 5.

While responding to a fire in Bethalto, members of the Godfrey Fire Protection District were attempting to suppress the fire from outside when the building partially collapsed. Captain Ringering and Firefighter Luke Warner both sustained injuries from the collapse.

Captain Ringering served as a firefighter for more than 18 years, beginning with the East Alton Fire Department before joining the Godfrey Fire Department in 2010. He was promoted to captain in May 2014.

The Godfrey fire chief described him as "gold" and leaving a legacy that will be remembered for a long time. Godfrey's mayor, and my friend, Mike McCormick, said his passing leaves "hard boots to fill."

Captain Ringering is survived by his wife and three young children. Please join me in keeping his family, as well as the Godfrey community, in your thoughts and prayers.

OPPOSING PRESIDENT TRUMP'S BUDGET PROPOSAL

(Mr. McADAMS asked and was given permission to address the House for 1 minute.)

Mr. McADAMS. Mr. Speaker, I rise in opposition to the President's budget proposal, which would increase the Federal deficit from \$779 billion in 2018 to \$1.1 trillion in 2020. If the goal is to rein in deficits and debt, this budget represents epic failure.

I am a public servant who takes seriously the responsibility of spending other people's money. As a freshman Member of the Congress, the current deficit hole we have dug for ourselves wasn't my doing, but I was elected to solve problems, not make them worse.

America's \$22 trillion debt is a bipartisan problem. Democrats and Republicans have acted in a way that suggests that debt doesn't matter. But

Utahns know that if it was their small business with books so badly out of balance, they would soon be out of business.

Our government has been living beyond its means for years, and I believe it is wrong for one generation to forever burden generations yet to come.

As a former mayor who had to balance, in bipartisan fashion, a budget every year, I know these choices aren't easy. But it is our job to roll up our sleeves, come together, and work out a budget that takes serious steps toward reducing the dangerous, unsustainable levels of debt in our country. Those steps are not in the President's budget.

CONGRATULATING FIRST SERGEANT IAN MCCLURE

(Ms. CHENEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. CHENEY. Mr. Speaker, I rise today to congratulate First Sergeant Ian McClure, U.S. Army, for being named the 2018 Allied Command Operations Military Member of the Year.

A 2003 graduate of East High School in Cheyenne, Wyoming, First Sergeant McClure went on to serve in the Army Special Forces in Afghanistan, Iraq, and Mali, and he is now stationed at NATO Special Operations headquarters in Belgium.

First Sergeant McClure was selected for this award because of his superior performance and professional excellence. I am proud that General Scaparrotti recognized First Sergeant McClure's significant contributions to the success of alliance operations.

Sergeant McClure exemplifies the best that Wyoming and our country has to offer, and I thank him for his service and his sacrifices for our freedom.

Again, Mr. Speaker, I am proud to congratulate First Sergeant Ian McClure on this prestigious honor and for being a brilliant example for the entire State of Wyoming.

MAINLAND REGIONAL HIGH SCHOOL GIRLS BASKETBALL STATE CHAMPIONS

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Mr. Speaker, thank you for allowing me to honor some outstanding members of south Jersey. The Mainland Regional High School Girls Basketball team has recently won the New Jersey Group 3 State championship. This is the first time the Mainland Regional High School girls basketball team has achieved this amazing accomplishment.

These girls are the embodiment of teamwork. This win, and the hard work that they have put in to achieve it, is about all of them, not any one individual. I have been told that some of
