

period. For example, there is no “failure to market” provision for OTC drug approvals in the legislation similar to the provisions applying to generic drugs under Hatch-Waxman to prevent OTC drug manufacturers, who can otherwise enter the market, from refraining to do so (a practice called exclusivity parking).

Anti-competitive behavior—like exclusivity parking—has disrupted the generic drug industry. In fact, exclusivity parking has become common in the context of patent litigation settlement agreements where proprietary drug manufacturers pay generic drug manufacturers to delay entering the market, allowing proprietary drug manufacturers to charge higher prices for long periods of time (i.e. pay-for-delay settlements). The Federal Trade Commission has estimated that this behavior costs consumers \$3.5 billion per year as a result of higher brand-name drug prices. And even though the process for obtaining OTC drug approval under H.R. 269 is more straightforward than that for obtaining market approval for a generic drug—anti-competitive behavior (e.g., exclusivity parking) may creep into the OTC drug space if Congress fails to include sufficient oversight mechanisms in the legislation to ensure adequate accountability and effective competition.

Modernizing the OTC drug approval process under H.R. 269 will benefit consumers and advance the public health; however, H.R. 269 as currently drafted does not give the FDA the necessary oversight tools to ensure accountability in the OTC space. Including a “failure to launch” provision in H.R. 269—that is, a mechanism that gives an OTC drug manufacturer a reasonable amount of time to bring an FDA approved OTC product to market—will protect the incentive to innovate and invest, while also providing adequate accountability. Indeed, to ensure effective competition in the OTC space, Congress must provide the FDA with the necessary oversight tools to prevent abuse of the OTC regulatory approval process under the reforms of H.R. 269.

Thank you for protecting my rights as a Senator to weigh in on this legislation, which has not gone through regular order during my time as a member of the Committee to which this legislation has been referred to in the 116th congress.

Sincerely,

MIKE BRAUN,
United States Senator.

RECOGNIZING THE AMERICAN LEGION

Mr. CRAPO. Mr. President, I congratulate the American Legion on its 100-year anniversary.

On March 15, 1919, the first American Legion caucus was held. Later that year, Congress established the American Legion as a federally chartered corporation with purposes that include “to cement the ties and comradeship born of service; and to consecrate the efforts of its members to mutual helpfulness and service to their country.” The original membership to the American Legion was extended to those who served in the Armed Forces during World War I, which had ended a few months before the organization was started. Over the past 100 years, its membership has grown to nearly 2 million, with more than 12,000 posts.

I recently joined fellow Senators in cosponsoring S. 504, the Let Everyone

Get Involved in Opportunities for National Service, or LEGION, Act, which would enable the American Legion to establish its own membership criteria instead of requiring an act of Congress to change eligibility requirements. In this legislation, we recognize the American Legion “provides invaluable services to its members and supports the community of veterans who sacrificed in service of the United States,” and it “has aided, assisted, and comforted the families of the men and women who were called to serve or volunteered to serve . . .”

I join many others across our country, including local posts, in recognizing the American Legion’s century of representation of American veterans. In Idaho alone, there are approximately 9,750 Idaho members of the American Legion as of 2018.

Thank you to the American Legion and its membership for your outstanding service to our country and America’s veterans. Congratulations on 100 years of achievements on their behalf. I look forward to our continued work ahead to ensure veterans have access to the highest quality services worthy of their remarkable dedication to our Nation.

ADDITIONAL STATEMENTS

50TH ANNIVERSARY OF FUELCELL ENERGY

• Mr. BLUMENTHAL. Mr. President, today I wish to recognize FuelCell Energy as it celebrates 50 years of dedication to the research and delivery of clean, affordable fuel cell solutions.

Founded in 1969 by Dr. Bernard Baker as the Energy Research Corporation, the company has grown exponentially over the past half century. Starting as a highly regarded research company focused on electrochemical battery and fuel cell technologies, FuelCell Energy is now a worldwide leader in its field.

The Danbury, CT, based company provides efficient commercial fuel cell solutions for the supply, recovery, and storage of energy. Fifty years of tireless commitment, diligent effort, and creative innovation has resulted in SureSource power plants located in three continents. These power plants have produced over 8.7 million megawatt-hours of ultraclean power.

FuelCell Energy invests its work in all steps of the process: recognizing a need, developing a solution, and then implementing a solution in an economic and sustainable manner. The breadth of their successes and the critical level of forward progress in the realm of clean energy are truly impressive. Thanks to their remarkable efforts, FuelCell Energy enables universities, commercial enterprises, government entities, and other industries the opportunity to make clean choices in a more affordable and accessible way than ever before.

As they mark this important anniversary, the company continues to

look toward the future, searching for even more effective options that will benefit our planet and its people. Though there is still more progress to be made, FuelCell Energy stands at the forefront of past innovation and future possibility.

Devoted to creating energy solutions that will make it easier for more and more industries to use clean power, FuelCell Energy is a positive model for modernization and advancement in this vital field. I applaud the accomplishments of FuelCell Energy’s visionary leaders and highly skilled and dedicated workers and hope my colleagues will join me in congratulating FuelCell Energy on 50 years of excellence.●

REMEMBERING EUBA HARRIS- WINTON

• Mr. BOOZMAN. Mr. President, today I wish to recognize the contributions of Euba Harris-Winton to Fort Smith and the State of Arkansas. She passed away on Monday, March 11, at the age of 95 and leaves behind a large, loving family and countless Arkansans whom she helped and inspired throughout her life.

Euba was born on June 26, 1923, to Rev. Daniel Haven Edward Harris and Martha T. Hill Harris in Cotton Plant, AR. Her school years were spent in Fort Smith where she attended Howard Elementary School and Lincoln High School. After attending Westark Community College and Philander Smith College, she returned to Fort Smith to raise a family with her husband, Ellsworth Daniel Winton. They had 10 children: five girls and five boys.

She was a devout member of the United Methodist Church, and her great faith and passion for service led her to become the executive director of the Mallalieu Community Development Center in 1970. The center’s mission was to strengthen the outreach ministry of the church. As part of that mission, she worked on efforts to fight poverty, improve substandard housing, increase educational opportunities, and personally provide help to anyone who asked. She led the organization for 25 years and improved the lives of countless Arkansans in the process.

Throughout her life, she met with leaders at all levels of government to advocate for others and served on numerous boards and councils. In an article in the Lincoln Echo several years ago, Bennie Mae Ware Gunn remarked that, “Euba is known and respected for being both relentless and resourceful in her pursuit of justice and opportunities for others. However, she is also known for her sensitivity and compassion.”

That is certainly true of my experience with her and that of so many others she influenced or helped over the years. I was honored to know Mrs. Euba and will personally miss her example, kindness, advice, and willingness to help others.

She was a rare individual who never stopped fighting to improve the world

around her and was an inspiration to us all. I know her legacy lives on through her extended family and in every person she touched with her compassion, strength, and wisdom.●

RECOGNIZING NORTHSIDE HIGH SCHOOL'S DUAL BASKETBALL STATE CHAMPIONSHIPS

● Mr. BOOZMAN. Mr. President, I rise today to recognize and congratulate my alma mater, Northside High School in Fort Smith, AR, on winning 6A State championships in both boys and girls basketball this year.

The high school basketball season was as exciting as ever in the Natural State, but folks in my hometown of Fort Smith were especially enthusiastic when tournament time came around because both the boys' and girls' teams had advanced to postseason play. Both squads have won multiple State titles, and the fans were eager to add another this season.

Both the boys' and girls' teams advanced through their respective tournaments and made it to the finals, overcoming challenges from talented teams from across Arkansas. The championship games were incredibly competitive, and each came down to the wire.

The Lady Bears faced off against Bentonville in their State title game. Led by Jersey Wolfenbarger's 21-point effort, including the game-winning basket as time expired, the team ended the contest on a 7-0 run to claim the school's seventh girls basketball State championship since 1999. Each of those titles was won under the direction of coach Rickey Smith. The team ended the season ranked 17th in the Nation in USA Today's high school rankings.

Not to be outdone, the Northside Grizzlies boys' team also had a memorable championship game that included a half-court basket to end the first half. Facing off against Bryant High School, Northside led for most of the contest. After Bryant tied the game late in the fourth quarter, Northside came up with a three-point basket and held onto the lead until the end of regulation. Junior center Jaylen Williams' play—he scored 20 points and grabbed 16 rebounds—earned him the MVP designation. The championship was the 11th in school history. The Grizzlies were led by coach Eric Burnett who believed his team was built for a good run in the tournament because of the difficulty of its nonconference schedule. This was their third consecutive championship game appearance, having won a championship in 2017 as well.

Needless to say, it was a very special day in Hot Springs, where the title games were played, and in the Fort Smith community, as each team brought home State championships in the same year for the second time since 2007.

As a former Northside Grizzly and someone with family roots in Fort Smith, I am proud that both the Griz-

zly and Lady Bears basketball teams earned the highest achievement possible in our State. To do so in the same year is an even greater testament to the dedication and passion of the players, coaches, student body, administrators, and the fans of these terrific teams.

Congratulations again to the Grizzly and Lady Bears squads on this tremendous accomplishment, and I look forward to celebrating with them, Northside High School, and the Fort Smith community in the near future.●

TRIBUTE TO COURTNEY NOBLE

● Mr. BROWN. Mr. President, today I wish to honor a great Ohioan, Courtney Noble, for her heroic actions this past December.

Ms. Noble works as a direct support professional for New Avenues To Independence, Inc.—NATI—in Mentor, OH. NATI is a social service organization that provides support and aid for people with disabilities and special needs in the greater Cleveland area.

On the morning of December 20, 2018, Ms. Noble was the only one on duty while tending to three male residents in the Heisley group home. As she was helping the residents get ready for their day, she heard popping and crackling and sounds coming from the garage. When she opened the garage door, she discovered that a fire had started and was rapidly growing out of control. Without hesitation, Ms. Noble sprang into action. She immediately evacuated all three residents from the house, one of whom was in a wheelchair.

Throughout the whole situation, Ms. Noble's biggest concern was the safety and well-being of her residents. Even as her car was engulfed in flames, she calmly escorted the three men to safety at a nearby child daycare center and called 911.

Thank you, Courtney Noble, for your courageous actions and for all the work you do as a caregiver. It is because of your quick thinking and fearlessness that three Ohioans are alive today. I am sure that my Senate colleagues will join me in honoring Ms. Courtney Noble for her exemplary acts.●

TRIBUTE TO SEAN O'DONNELL AND IVANNA FRITZ

● Mr. DAINES. Mr. President, this week I have the distinct honor of recognizing Sean O'Donnell and Ivanna Fritz of Flathead County for their recent induction into the Montana Forensic Educations Association Coaches Hall of Fame.

Sean O'Donnell, a lifelong Montanan has spent the majority of his life in Kalispell, MT. Mr. O'Donnell attended Carrol College in Helena, MT, and it was here that Sean fell in love with coaching high school speech and debate. After graduation, he went back to Kalispell to teach and went on to join the Flathead coaching staff in 1992. Over the past 22 years, Mr. O'Donnell

has gone on to win 10 State championships, as well as winning Class AA coach of the year twice.

Ivanna Fritz, from eastern Montana, fell in love with speech and debate in college, which she took as a requirement for a communication degree. Ms. Fritz then went on to coach high school speech in debate, joining the Flathead coaching staff in 1995, until taking up a teaching position at Glacier High School in 2007, where she teaches and coaches today. Ivanna has won a total of 13 State championships, along with winning Class AA coach of the year.

I congratulate Sean O'Donnell and Ivanna Fritz, for their remarkable journey of 20 years of teaching and coaching in Flathead County. I look forward to seeing their continued success.●

TRIBUTE TO DR. CURTIS JONES, JR.

● Mr. PERDUE. Mr. President, today I wish to congratulate one of my constituents, Dr. Curtis Jones, Jr., on being named the 2019 National Superintendent of the Year. Dr. Jones is an outstanding public servant, and I am honored to commend him in the Senate today.

A native of Barnesville, GA, Dr. Jones is the son of a schoolteacher and a preacher. Prior to becoming an educator himself, Dr. Jones graduated from the U.S. Military Academy at West Point and served over 20 years in the Army, retiring as lieutenant colonel. Upon retirement from the Army, Dr. Jones began his career in education as a JROTC instructor before becoming a high school principal, assistant superintendent, and later superintendent of Griffin-Spalding County Schools.

Dr. Jones joined his current school district, Bibb County Schools, as superintendent in 2015. Under Dr. Jones' leadership, the school district has been completely turned around, and the graduation rate has increased by more than 20 percent. Dr. Jones has brought the Macon-Bibb County community together for a common cause, and it has been a joy to see the school district's progress as a result of his leadership and service to those students.

Throughout this entire process, Dr. Jones has repeatedly recognized the teachers, principals, and students in his school district for their contribution to this award. He has also attributed his success to the love and support of his family. Dr. Jones has truly made his State and country proud, and I congratulate him and his family on this high honor.●

TRIBUTE TO RICK BLOCKER

● Mr. PETERS. Mr. President, today I wish to honor a lifelong champion of the American labor movement, Mr. Rick Blocker, president of the Metro Detroit AFL-CIO, on the occasion of his retirement. As a member of the
