OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mr. CLOUD. Madam Speaker, I rise today to honor Dottie Collins, who recently received the 2018 El Campo Chamber of Commerce and Agriculture Citizen of the Year Award.

Ms. Collins began her educational career at Baylor University, where she earned her bachelor's degree in science physical education. She continued her studies and eventually obtained a Master's in Education from Sam Houston State University.

Ms. Collins and her husband, Allen, married in December of 1964 and moved to El Campo. With a heart for teaching others, she dedicated her career to educating and serving the people of El Campo.

Ms. Collins taught history and coached freshmen girls basketball, girls varsity track, and girls and boys cross country at El Campo High School for four years until moving to El Campo Middle School in 1989. At the middle school, she spent time outside of the classroom coordinating trips to Washington, D.C. for her students.

Ms. Collins educated and encouraged students at El Campo Middle School until her retirement in 2004. However, her retirement was not the end of her contributions to our community.

For years, she has served and participated in the Wharton County Retired Teachers Association, Blue Birds, and the Heritage Center.

Additionally, she worked with children at El Campo's First Presbyterian Church, volun-

teering her time as a Sunday school teacher and the church's Youth Director.

It is because of servant leaders like Ms. Collins that communities flourish, and I would like to extend my heartfelt thanks to Dottie Collins for her devotion to the people of El Campo.

IN THE HOUSE OF REPRESENTATIVES

Ms. Bailey has spent over 20 years overseeing youth development programs and creating opportunities for young people in our community. In her two years at Chop's, she has supported collaborative initiatives to give members a wider range of programs and services. She has also worked to raise the visibility and inclusion of Chop's in our community. Before joining Chop's, Ms. Bailey was the Director of College and Career Readiness at Social Advocates for Youth. In this role, she revamped all the high school college and career centers in Sonoma County. She also oversaw a team of coordinators who worked to implement work-based learning initiatives and Career Technical Education programs.

Ms. Bailey has positively impacted our community through her work at West County Community Services where she was the Manager of Youth and Adult Education and Employment Services. In addition, Ms. Bailey has spent a large portion of her career in media. She has worked at publications including The Press Democrat, The Community Voice, and Fremont Argus. IN CELEBRATION OF CONGRESS-
WOMAN GRACE MENG'S
ACHIEVEMENT'S

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I, along with Representative OCASIO-CORTEZ, rise to recognize our colleague, Congresswoman GRACE MENG, who received a women's history month award from us and from Assemblywoman Aravella Simotas at a ceremony in Queens on March 22nd in recognition of her passionate advocacy for women. Congresswoman MENG has been fearless in standing up for women, taking on issues that are critical for women's health and well-being.

Congresswoman MENG has been a force for greater diversity, inclusion and change. She is the first and only Asian American member of Congress from New York State. As a member of the New York State Assembly and as a member of Congress, she worked to strike the term "Oriental" from New York State and federal statutes. Congresswoman MENG is also First Vice Chair of the Congressional Asian Pacific Americans Caucus, which works to reflect the needs of the Asian American and Pacific Islander communities.

Congresswoman MENG has been a champion for women. She has passed legislation to expand child care services for women in the military, and required the Department of Defense to review military uniforms for pregnant women to ensure proper fit, design, price, availability and utility. Understanding that menstrual health is critical to women's lives, she has been particularly concerned with menstrual equity, working to outlaw the tampon tax, to ensure access by inmates to menstrual hygiene products, and to enable homeless shelters to use federal funds to provide tampons and pads. When women lack access to proper hygienic products, they face embarrassment, ridicule and possible health consequences. Fortunately, Congresswoman MENG is winning the battle to ensure that vulnerable women are no longer denied full participation in society because they lack access to feminine hygiene products.

Recognizing that traveling mothers often lack safe places to pump milk, Congresswoman MENG has introduced legislation to require that airports set aside private spaces for nursing mothers. Working mothers need to pump both to provide their infants with milk when they return home and to ensure that their milk supply does not dry up. Travelers may spend hours waiting at airports in large public areas with no privacy, and women could use the time to pump milk if they have access to a secure private space.

Congresswoman MENG was elected to represent the 6th Congressional District of New York in the House of Representatives in 2012. She serves on the powerful House Appropriations Committee and its Subcommittees on

State and Foreign Operations, Homeland Security, and Commerce, Justice, Science and Related Agencies. Congresswoman MENG is also a Senior Whip and a Regional Whip for New York. She has also served as a Vice Chair of the Democratic National Committee since 2016.

Before being elected to the House, Congresswoman MENG served in the New York State Assembly for two terms, and before that she was a public interest attorney. Congresswoman MENG is married to her high school sweetheart, Wayne Kye and has two children, Tyler and Brandon.

Madam Speaker, we ask our colleagues to join us in recognizing Congresswoman MENG's efforts to expand access to basic hygienic supplies and ensure that women are not denied essential products because of low income, lack of housing, incarceration or military service.
