RECOGNIZING CLARK COUNTY'S
BICENTENNIAL

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 26, 2019

Mr. SHIMKUS. Madam Speaker, Illinois' Clark County was formed in 1819 out of Crawford County. At the time of its formation, Clark County included about a third of Illinois and extended as far north as the present state of Wisconsin. Clark County was so large that it gave birth to many of its sister counties: Pike County and Fayette County in 1821, Edgar County two years later, and Coles County in 1830.

Clark County enjoys an illustrious history. The county was named for George Rogers Clark, the older brother of William Clark of the Lewis and Clark Expedition. George Rogers Clark was an officer of the army of Virginia that captured the Northwest Territory from the British during the Revolutionary War.

Clark County's first courthouse was a log house located in Aurora, and the county seat was in Darwin Township, but by popular vote Marshall was designated the new seat in 1839. In the late 1800s, county leaders believed they were outgrowing their latest building, so a fourth courthouse was built in 1887. The current courthouse, which is the county's fifth, has been in place since 1903.

The people of Clark County have planned many festivities to celebrate their bicentennial this year. The celebration began on January 9th with Clark County Trivia Night, and commemorative activities will extend to October. I am honored to be a part of that celebration.

Madam Speaker, I ask that we pay tribute to those hearty people who first settled in Clark County, and to the pioneering spirit that lives today in all its citizens. I stand today to salute Clark County on its 200th anniversary and to wish it the very best in the future.

Over the past forty-years, the club has raised upwards of a half million dollars and provided hundreds of thousands of volunteer hours in support of various charitable organizations and community service projects within the First District. The Montclair Lions Club has supported the Old Dominion Eye Bank, training of leader dogs for the blind, high school scholarships, Action in Community Trough Service (ACTS), Boys and Girls Club of Prince William County, little league baseball teams, the Boy Scouts of America, Special Olympics and many more.

The men and women of the Lions Club of Montclair exemplify the best of the spirit of the First District. Their lives of patriotism, service, and selflessness stand as an example to the ideals founded in the Lions Clubs motto "We Serve." Madam Speaker, I ask you to join me in recognizing this momentous occasion for the Lions Club of Montclair and to wish them the brightest future.

INTRODUCTION OF A RESOLUTION
RECOGNIZING PEOPLE OF AFRICAN
DESCENT AND BLACK EUROPEANS

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 26, 2019

Mr. HASTINGS. Madam Speaker, I rise today to introduce a resolution with my good friends and colleagues, Representatives GREGORY MEEKS of New York, GWEN MOORE of Wisconsin, and JOHN LEWIS of Georgia, which recognizes People of African Descent and Black Europeans.

Our resolution would observe the history and current situation of People of African Descent living in Europe and Black Europeans during the United Nations designated International Decade for People of African Descent. It also encourages the U.S. Secretary of State to take a number of steps to ensure

their situation is improved following recommendations from last year's People of African Descent Week (PADWEEK) held by our colleagues in the European Parliament in Brussels, Belgium May 13–17, 2018.

As it was quite rightly put by European Parliamentarian Cecile Kyenge, "The People of African Descent Week reaffirms European values by developing strategic and coherent responses to make our society more inclusive in the face of rising racial prejudice and violence across Europe." Recommendations from the week included a European Black History Month and Remembrance Day for Victims of Colonialism and Enslavement; a fund for Black European led initiatives to address continuing disparities and discrimination and support for empowerment initiatives; European-wide strategies for the inclusion of People of African Descent; and support for transatlantic exchanges on common issues of racial prejudice and discrimination.

The need for recognition of Black populations in Europe became clear ten years ago when I chaired a U.S. Helsinki Commission hearing entitled, The State of (In)visible Black Europe: Race, Rights, and Politics, where we learned that the situation in Europe is very similar to the one in the United States. While the presence of Blacks in Europe can be traced to enslavement, colonization, military deployments, voluntary or forced migration, the movement of refugees and asylum seekers, or educational and other professional exchanges, the story of Europeans of African Descent and Black Europeans still remains largely untold, rendering many of their past and present contributions to the very fabric of Europe unseen or forgotten, which is unacceptable.

Madam Speaker, it is my hope that when we gather in the years to come to review the efforts of the United Nations designated International Decade for People of African Descent, we will not only speak of how our efforts resulted in our respective nations publicly recognizing the injustices and long-term impact of slavery and colonialism, but also of how our societies reconciled these issues in a manner that ensured equal opportunity, access, and justice for all people of African descent.

Ridge Service Ambassadors for Youth award. I have no doubt she will exhibit the same dedication and character in all of her future accomplishments.

INTRODUCTION OF THE RFK MEMORIAL STADIUM CAMPUS CONVEYANCE ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 26, 2019

Ms. NORTON. Madam Speaker, today, I introduce a bill, the RFK Memorial Stadium Campus Conveyance Act, to direct the federal government to sell for fair market value the Robert F. Kennedy Memorial Stadium (RFK) to the District of Columbia.

RFK, once an active sports stadium, for years has been a rusted stadium surrounded by deterioration and several parking lots. The District leases the RFK site from the Department of the Interior and, under the terms of the lease, may only use the land for recreation, stadium purposes and open space. The lease expires in 2038. The stadium and its many parking lots comprise 88 percent of the 190-acre campus, which currently has only 22.3 acres of green space and is largely hardscape.

The District recognizes the vast potential of this sprawling campus in the heart of the city to provide significant value to residents while also strengthening the local economy and neighborhood. The current lease and its accompanying restrictions have limited the District's ability to make full use of this land, including collecting tax revenue. The limited number of years remaining on the current lease have also complicated the District's ability to plan for the long-term development of this site and attract private investment.

The District has worked hard to identify creative utilization options for the property despite the uncertainty surrounding long-term control of the land. In August of last year, the District began work on its efforts to redevelop one of the site's many parking lots into multipurpose playing fields as part of a larger recreation complex. The conveyance of the site will give the District the ability to consider more uses for this site including additional green space for public use, housing, commercial development and other enhancements that would benefit the surrounding neighborhood and the District as a whole.

This bill, at no cost to the federal government, would provide the District with the certainty that it needs to secure financing and proceed with long-term planning for this site. I urge my colleagues to support this bill.
