INTRODUCTION OF THE RFK MEMORIAL STADIUM CAMPUS CONVEYANCE ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 26, 2019

Ms. NORTON. Madam Speaker, today, I introduce a bill, the RFK Memorial Stadium Campus Conveyance Act, to direct the federal government to sell for fair market value the Robert F. Kennedy Memorial Stadium (RFK) to the District of Columbia.

RFK, once an active sports stadium, for years has been a rusted stadium surrounded by deterioration and several parking lots. The District leases the RFK site from the Department of the Interior and, under the terms of the lease, may only use the land for recreation, stadium purposes and open space. The lease expires in 2038. The stadium and its many parking lots comprise 88 percent of the 190-acre campus, which currently has only 22.3 acres of green space and is largely hardscape.

The District recognizes the vast potential of this sprawling campus in the heart of the city to provide significant value to residents while also strengthening the local economy and neighborhood. The current lease and its accompanying restrictions have limited the District's ability to make full use of this land, including collecting tax revenue. The limited number of years remaining on the current lease have also complicated the District's ability to plan for the long-term development of this site and attract private investment.

The District has worked hard to identify creative utilization options for the property despite the uncertainty surrounding long-term control of the land. In August of last year, the District began work on its efforts to redevelop one of the site's many parking lots into multipurpose playing fields as part of a larger recreation complex. The conveyance of the site will give the District the ability to consider more uses for this site including additional green space for public use, housing, commercial development and other enhancements that would benefit the surrounding neighborhood and the District as a whole.

This bill, at no cost to the federal government, would provide the District with the certainty that it needs to secure financing and proceed with long-term planning for this site. I urge my colleagues to support this bill.

INTRODUCTION OF THE AFRICAN
DESCENT AFFAIRS ACT

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 26, 2019

Mr. HASTINGS. Madam Speaker, I rise today to introduce the African Descent Affairs Act. As we continue to highlight the International Decade for People of African Descent, we have seen a sharp increase in racism, anti-Semitism, xenophobia, homophobia and other forms of discrimination across the globe.

Human rights violations emanating from racial prejudice and discrimination have negatively impacted people of African descent around the world, resulting in racial bias and disparities in education, employment, health, housing, justice, and other sectors.

We must act now to reverse these disturbing trends. The International Decade for People of African Descent provides an opportunity to not only draw attention to these inequities, but to also join efforts with countries around the globe to develop and implement national strategies honoring the vast contributions of people of African descent and to combat continuing issues of prejudice and discrimination such as those currently gripping our nation.

To aid these efforts, I have introduced the African Descent Affairs Act. This bill seeks to improve the situation of people of African descent around the world by establishing within the United States State Department a Global Office of African Descent Affairs to establish global foreign policy and assistance strategies for people of African descent; creating a "Fund" to support antidiscrimination and empowerment efforts by African descent led civil society organizations; requiring Annual State Department Human Rights Reports to include a section on discrimination faced by people of African descent; and creating similar initiatives at the United States Agency for International Development that can work in partnership with the State Department.

U.S. foreign policy strategies such as these have improved the situation of vulnerable groups internationally and would greatly assist in responding to increasing levels of prejudice and discrimination faced by people of African descent around the globe. The State Department has already launched many successful initiatives that have aided vulnerable populations, such as the Office of Global Women's

Issues, the Special Envoy to Monitor and Combat Anti-Semitism, and special initiatives focusing on disability, LGBTQ+ and other communities.

Implementing a Global Office of African Descent Affairs will continue this tradition and facilitate the full and equal participation of people of African descent in our society, promote knowledge of and respect for the diverse heritage, culture and contributions of people of African descent, and strengthen and implement legal frameworks that combat racial discrimination.

Madam Speaker, I sincerely hope that my colleagues will embrace the challenge of combating prejudice and discrimination around the world. I encourage them to join me in recognizing the collective history and achievements made by people of African descent by supporting the African Descent Affairs Act.
