Mr. GREEN of Tennessee. Madam Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, a commonsense bill to protect the smallest and most vulnerable among us, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. GREEN of Tennessee. Madam Speaker, if this unanimous consent request can't be entertained, I urge the Speaker and the majority leader to immediately schedule the Born-Alive bill.

HONORING FLORENCE M. JOHNSON

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I rise today to honor a community leader from Essex County, New Jersey, Ms. Florence M. Johnson. Ms. Johnson has been an exceptional leader across Essex County for the past four decades.

In the 1970s, she cofounded a housing development in East Orange, New Jersey, that was designed, built, and managed by African Americans—one of the first of its kind.

In the 1980s and 1990s, she was a trailblazing member of East Orange City Council.

In 2000, she joined the New Jersey Symphony Orchestra as an outreach and community engagement leader. At the New Jersey Symphony, Ms. Johnson led outreach to schools, churches, senior centers, and other organizations in order to make sure that the arts benefit everyone in the community.

This evening, she is being honored as a Hidden Figure in East Orange, New Jersey.

Madam Speaker, I ask my colleagues to join me in honoring Ms. Florence M. Johnson for her leadership.

HONORING VIETNAM VETERANS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, tomorrow is National Vietnam War Veterans Day.

Madam Speaker, 46 years ago, March 29, 1973, the last combat troops were ordered out of Vietnam; and just 2 years ago, we designated March 29 as a national day to honor our Vietnam veterans.

Madam Speaker, in many instances, our Vietnam veterans often did not receive a warm welcome home when they returned from war. There were no parades, no welcome back ceremonies.

Our Vietnam veterans, many of whom were drafted, answered the Nation's call and served with honor and distinction.

Vietnam veterans constructed their own memorial here in Washington,

built entirely by private donations and dedicated to the 2.7 million servicemembers who served during the Vietnam war.

Madam Speaker, we all know someone who served in Vietnam. These veterans are our friends, our family, and neighbors. It is long overdue to salute them for their service, but it is not too late. This weekend, I will proudly be at the Cambria County War Memorial to mark this special day.

May God bless our Vietnam war veterans today, tomorrow, and every day. Welcome home.

SALTON SEA DROUGHT CONTINGENCY PLAN

(Mr. RUIZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUIZ. Madam Speaker, I rise today to address concerns about the Colorado River drought contingency plan and to sound the alarm and avoid a public health crisis at the Salton Sea in southern California.

To be clear, I support the goals of the DCP, which outlines voluntary water use cuts across seven Western States in the event of a worsening drought. However, I am concerned that the current proposal to implement the DCP provides an expansive waiver to the Bureau of Reclamation that could result in the reduction of water to the Salton Sea.

The Salton Sea is the largest inland body of water in all of California, and its very existence is already at risk. Ensuring the Salton Sea is protected as part of this agreement is critically important because, if the Salton Sea decline accelerates, thousands of lake beds will become exposed, subjecting residents of southern California to harmful dust that penetrates the lungs and can cause severe respiratory illness.

I look forward to working with the Natural Resources Committee to find a solution that prevents a broad waiver of Federal laws and that preserves water rights and critical environmental protections for its surrounding residents.

Madam Speaker, I support the goals of the DCP. However, I cannot in good conscience support implementation in a way that harms the Salton Sea or threatens the health of the people I serve.

CONSEQUENCES OF AIR FORCE RUNNING OUT OF OPERATION AND MAINTENANCE FUNDING

(Mr. GAETZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GAETZ. Madam Speaker, I rise to raise the concerns of Floridians and Georgians who still await a supplemental appropriation from the Congress.
