(2) to promote the ethics of service and volunteerism;

Whereas, since 1994, more than 1,000,000 individuals have taken the AmeriCorps pledge to “get things done for America” by becoming AmeriCorps members;

Whereas, each year, AmeriCorps, in coordination with State service commissions, provides opportunities for approximately 75,000 individuals across the United States to give back in an intensive way to communities, States, Tribal nations, and the United States;

Whereas AmeriCorps members have served more than 1,500,000,000 hours nationwide, helping—

(1) to improve the lives of the most vulnerable people of the United States;

(2) to protect the environment;

(3) to contribute to public safety;

(4) to respond to disasters;

(5) to strengthen the educational system of the United States; and

(6) to expand economic opportunity;

Whereas, since 1994, more than \$9,200,000,000 in AmeriCorps funds have been invested in nonprofit, community, educational, and faith-based groups, and those funds leverage hundreds of millions of dollars in outside funding and in-kind donations each year;

Whereas national service programs have engaged millions of people in the United States in results-driven service in the most vulnerable communities of the United States, providing hope and help to individuals with economic and social needs;
