**HON. JOHN H. RUTHERFORD**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 28, 2019*

Mr. RUTHERFORD. Madam Speaker, I rise today to recognize and congratulate Dennis Brown on 50 years of employment at the Anheuser-Busch Jacksonville Brewery.

Mr. Brown began at the brewery in April of 1969, working onsite even before it packaged its first barrel of beer.

His attention to detail, unmatched work ethic, and commitment to quality has allowed him to excel as a leader in the brewery.

I have visited the Jacksonville brewery and can personally attest to its productivity and efficiency.

There is great honor in hard work at a job worth doing, and the admirable record of Mr. Brown's longevity speaks to his successful career.

I thank Mr. Brown for his part in making Budweiser the King of Beers and wish him the best in all future endeavors.

Cheers.

HONORING THE 1969 NEW YORK METS UPON THE 50TH ANNIVERSARY OF THEIR WORLD SERIES CHAMPIONSHIP

**HON. PETER T. KING**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 28, 2019*

Mr. KING of New York. Madam Speaker, I rise, on this, the greatest day of the year, Opening Day of the Major League Baseball season to honor the 1969 New York Mets

upon the 50th Anniversary of their World Series Championship. This scrappy team, led by the remarkable Gil Hodges, disproved their doubters, united a city, and offered hope during a dark time in our country's history. A season that began with a loss to the expansion Montreal Expos ended with Joan Hodges screaming "We're Champions" in an exuberant clubhouse under the beautiful Shea Stadium. With a rotation led by the powerful arms of Tom "The Franchise" Seaver and Jerry Koosman and a lineup packed with the ability of the likes of Ed Kranepool, Bud Harrelson, Cleon Jones, and Art Shamsky, these Mets jumped over the moon and won the World Series. The team that had been stumbling since the year of its creation somehow managed to outlast the historic Chicago Cubs with three future Hall of Famers, the imposing Atlanta Braves led by Hammerin' Hank Aaron, and the awe-inducing Baltimore Orioles led by Frank and Brooks Robinson. The characters that were these Mets offered hope to a struggling New York City and optimism for a country suffering through the Vietnam War. Fifty years ago, my New York Mets reminded the country why baseball is truly America's pastime. I, along with so many others who were cheering them during those exciting days, say thank you, congratulations on their 50th Anniversary, and Let's Go Mets.

RECOGNIZING THE REINTRODUCTION OF THE LYMPHEDEMA TREATMENT ACT

**HON. JANICE D. SCHAKOWSKY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 28, 2019*

Ms. SCHAKOWSKY. Madam Speaker, as we near the end of March, which is Lymphedema Awareness Month, I rise to mark my reintroduction of the Lymphedema Treatment Act. When a cancer patient has her lymph nodes removed and experiences swelling and discomfort, it is a jarring experience. She is then often hit with another surprise: many insurers, including Medicare, do not cover a critical treatment for lymphedema—compression garments. This is one more challenge on top of the monumental battle of fighting cancer.

Including medically-necessary compression garments in Medicare coverage is a common-sense solution to increase access for the 10 million people who suffer from lymphedema. That is what my bill would do. Coverage under Medicare sets a precedent and is an important step in increasing access to compression garments for all Americans. 384 of my colleagues cosponsored this bill last Congress, and almost 100 have joined me and Representatives BUDDY CARTER, EARL BLUMENAUER, and MIKE KELLY as original cosponsors today. It is critical that we pass this bill into law.

Finally, I want to thank the Lymphedema Advocacy Group in particular for their tireless work in championing the Lymphedema Treatment Act. Today, my heart is with Elaine Eigeman, board chair of the Lymphedema Advocacy Group, who recently entered hospice care. She has been a champion for lymphedema patients for years, and she is the primary reason this bill was first introduced four years ago. I am proud to reintroduce this bill in her honor.
